FOREWORD

I am pleased to present the Annual Report of the University for the academic year 2023-24.

Established in 2010, the Kerala University of Health Sciences (KUHS) has emerged as a leading institution in medical education and research, overseeing a network of 362 affiliated colleges across the state. Our commitment to holistic healthcare education is reflected in the diverse range of programs we offer, spanning 168 courses in fields as varied as Ayurveda, Homoeopathy, Modern Medicine, Dentistry, Nursing, Pharmacy, and Allied Health Sciences.

Through 16 convocations, the University has conferred degrees upon a remarkable 1,22,776 students, shaping the future of healthcare professionals in Kerala.

Over the past decade, we have witnessed a remarkable growth in student enrolment, with the number of seats increasing to 27,000 in 2023. This surge in enrolment underscores the growing trust and confidence in our institution.

Research is at the heart of our mission. With 100 recognized research centers and nearly 700 research guides, we are fostering a culture of innovation and discovery. We are proud to have produced 543 PhD scholars, whose research has the potential to revolutionize healthcare practices. Three scholars have been awarded PhD.

KUHS has established strategic partnership with Sanskrit University and a module to enhance the Sanskrit teaching skills of the faculty of Ayurveda Colleges, as the traditional works and books in Ayurveda are in Sanskrit.

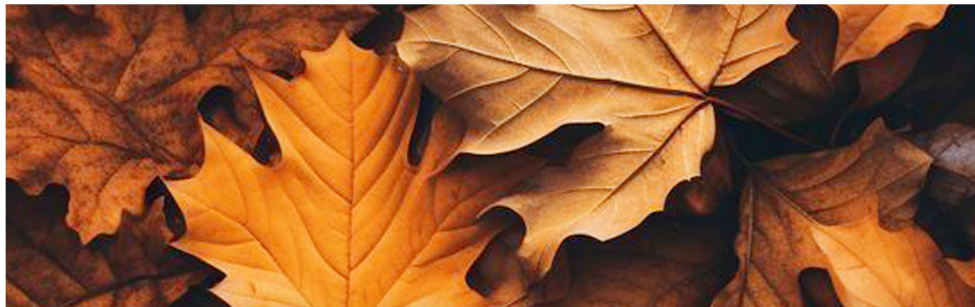

Prof. (Dr). Mohanan Kunnummal
Vice Chancellor

KUHS has co-developed short-term online Malayalam courses for in collaboration with Thunchath Ezhuthachan Malayalam University to facilitate the communicative prowess of the students from other states as knowledge of the Malayalam language is essential for the students to communicate with patients and bystanders whom they encounter daily.

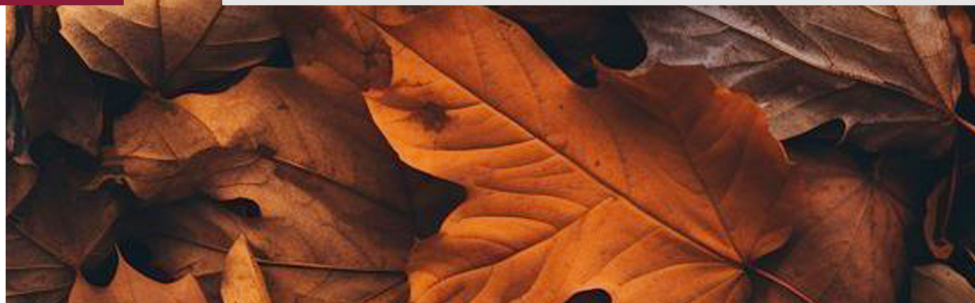

KUHS has set a commendable precedent by implementing a "pledge against dowry" across all affiliated colleges. This initiative underscores the University's dedication to ethical values and social responsibility.

The success of KUHS is attributable to the unwavering support and dedication of its Governing Council, Senate, Academic Council, and other governing bodies. I extend my sincere gratitude to the Pro Vice-Chancellor, Registrar, Controller of Examinations, Finance Officer, and the entire University community for their tireless efforts in advancing the mission of KUHS.

This report is available in both traditional and digital formats, reflecting our commitment to embracing digital technologies.

INTRODUCTION

I N T R O D U C T I O N

INTRODUCTION

The Kerala University of Health Sciences, established under the Kerala University of Health Sciences Act 2010, is dedicated to upholding exemplary academic standards and the quality of health sciences education. The university's mission is to ensure systematic instruction, teaching, training, and research in both modern and Indian systems of medicine. As of March 2024, it affiliates 362 colleges across various disciplines and branches of health sciences.

Objectives:

- Design innovative courses and curriculum aligned with advancements in health sciences.
- Regulate standards of affiliated colleges and institutions.
- Organize programs addressing societal health issues.
- Provide leadership in medical human resource development and state health planning.
- Emphasize epidemiological studies, disease monitoring, and surveillance systems.
- Facilitate dialogue between different healthcare systems.
- Foster joint research programs and integration between diverse medical systems.
- Promote equitable distribution of educational facilities in health and allied sciences.
- Establish an educational network using modern communication media for continuous knowledge upgrading.

Vision

The university aspires to create a distinctive learning environment capable of meeting challenges in Kerala's healthcare sector. It aims to educate students on ethics and values, developing professionals rooted in both scientific excellence and ancient wisdom. Through research, incorporation of traditional knowledge, and engagement with societies, the university seeks to enhance healthcare practices, addressing local and regional health issues.

Mission

The mission of the university is to produce healthcare professionals and biomedical knowledge within a humanistic tradition. This endeavor focuses on extending the quality of life in communities for present and future generations. The University is committed to delivering high quality education, encouraging research, and fostering stakeholder participation and community engagement. This involves maintaining an efficient and transparent administrative mechanism responsive to the diverse needs of stakeholders, including students, parents, staff, affiliated colleges, and the public. Additionally, the university actively promotes community involvement through health awareness and promotion programs.

Senate

The Senate is the statutory authority constituted to formulate the broad policies and programmes of the university and to suggest measures for improvement and development of the university. The Senate shall consist of ex-officio members, nominated members and elected members.

16	Dr. P Hariharan (Siddha)	Vice-Principal, Santhigiri Siddha College, Thiruvananthapuram

17	Dr. Krishnan P (Homoeopathy PG)	Professor & HoD, Dept. of Pharmacy, Govt. Homoeopathic Medical College, Thiruvananthapuram
18	Dr. Sanil Kumar M.C (Homoeopathy UG)	Principal, Govt. Homoeopathic Medical College, Kozhikode
19	Sri. Kishore Kumar P (Nursing PG)	Vice Principal, College of Nursing, EMS Memorial Co-Operative Hospital(CHN), Perinthalmanna
20	Smt. Seenath K.P (Nursing UG)	Associate Professor, Govt. College of Nursing, Kozhikode
21	Dr. Jose Kurien (Pharmaceutical Sciences PG)	Asst.Professor & Head of Pharmaceutical Analysis, Govt. Medical College, Thiruvananthapuram
22	Dr. Dileep K.J (Pharmaceutical Sciences UG)	Professor & HoD, Pharmaceutics, Govt. TD Medical College, Alappuzha
23	Ms. Jasmine P Charan (Clinical Allied Sciences UG)	Professor, Optometry, Sushruta School of Optometry, Kochi
24	Mr. Prakashan G (Medical Laboratory Technology)	Professor, SME, Angamaly
25	Dr. Abhilash Babu T.G (Radiation and Imaging sciences)	Professor and HoD, Radio Diagnosis, Govt. Medical College , Thrissur
26	Dr. Suja K Kunnath (Rehabilitation Sciences)	Professor, National Institute of Speech and Hearing, Thiruvananthapuram
27	Sri. Sajeevan T (Physiotherapy)	Principal, JDT Islam College of Physiotherapy, Calicut
28	Smt. Sheeba Bhaskar (Clinical Allied Sciences PG)	Professor, MHA, Westfort Institute of Paramedical Sciences, Thrissur

The Head of Planning Committee		
1	Dr. Binoj R	Dean Academic, Director of Planning i/c, Kerala University of Health Sciences, Thrissur,
Five Professors-three from the affiliated Government Medical Colleges and two from the Affiliated Private Medical Colleges		
1	Dr. Sreekanth S (From Affiliated Govt. Medical College)	Professor of DVL, Govt. TD Medical College Alappuzha
2	Dr. Kishore S (From Affiliated Govt. Medical College)	Professor of Orthopaedics, Govt. Medical College, Thiruvananthapuram
3	Dr. Gomathy S (From Affiliated Govt. Medical College)	Professor of Nephrology, Govt. TD Medical College, Alappuzha
4	Dr. Reena John (From Affiliated private Medical College)	Professor of Microbiology, Amala Medical College
5	Dr. Lakshmanan P.P (From Affiliated private Medical College)	Professor of Surgery, Malabar Medical College
Two Professors one each from Affiliated Government and Private Dental Colleges		
1	Dr. K Harikumar (From Affiliated Govt. Dental College)	Professor of Periodontics, Govt. Dental College, Kozhikode
2	Dr. Eapen Cherian Junior (From Affiliated Pvt. Dental College)	Professor of Oral Path & Microbiology, Travancore Dental College
Two Professors one each from Affiliated Government and Private Ayurveda Colleges		
1	Dr. Bijumon O.C (From Affiliated Govt. Ayurveda College)	Dept. of Shalakyatantra Govt. Ayurveda College, Thiruvananthapuram
2	Dr. Smitha A.V (From Affiliated Private Ayurveda College)	Dept. of Swastha Vritham, PNNM Ayurveda Medical College, Shornur
One Professor from Govt. Homoeopathic Colleges		
1	Dr. Satheesh G (From Govt. Homoeopathic College)	Dept. of Practice of Medicine, Govt. Homoeopathic Medical College, Thiruvananthapuram

Two Professors or senior Faculty –One each from Government and Private Nursing Colleges		
1	Dr. Nisha Jacob (From Affiliated Govt. Nursing College)	Associate Professor, Govt. College of Nursing, Alappuzha
2	Dr. Roy K George (From Affiliated Private Nursing College)	Principal, Baby Memorial College of Nursing, Kozhikode
One Professor /Senior Faculty from Government Pharmacy Colleges		
1	Dr.Bindu R (From Govt. Pharmacy College)	Associate Professor Pharmaceutical Chemistry, Govt. Medical College, Kottayam
One teacher from Medical Laboratory Technology		
1	Dr.Abdunazir M (Teacher from MLT)	Associate Professor of Pathology, Govt. Medical College, Kozhikkode
One teacher from Physiotherapy in Government or Private Medical Colleges		
1	Smt. Princy Mathew (Teacher from Physiotherapy)	Associate Professor of Physiotherapy, Medical Trust Institute of Medical Sciences, Kochi
Five Professors from among the professors in the University departments or Institutions		
1	Dr. Rajmohan	Professor, School of Public Health, Thiruvananthapuram
2	Dr. Anilkumar	Professor, School of Fundamental Research in Ayurveda, Thrippunithura
3	Dr. Geetha Govindaraj	Professor School for Family Health Studies, Kozhikode
4	Dr. R Sajithkumar	Visiting Professor, Academic Staff College, KUHS
One teacher representing each faculty Co-opted by the Academic Council		
1	Dr. Purushothaman K K (From faculty of Medicine)	Professor and Head, MES Medical College, Malappuram
2	Dr. Seema B Uthaman (From faculty of Allied Health Sciences)	Asst. Professor, IMHANS
3	Dr. Nimimole K.L (From faculty of Homoeopathy)	Professor, Govt. Homoeopathic College, Kozhikode

4	Dr. Ajay K Haridas (From faculty of Dental Sciences)	Professor & Head, Educare Institute of Dental Sciences, Malappuram
5	Dr. Sreeraj S.K (From faculty of Ayurveda)	Associate Professor, KUHS SFRA, Thripunithura
6	Dr. Akash Marathakam (From faculty of Pharmaceutical Sciences)	Professor and Head, National College of Pharmacy, Kozhikode
7	Smt. Lakshmi G (From faculty of Nursing)	Professor of Amala College of Nursing
One Head of recognized Institutions		
1	Dr. Rekha Nair	Director, Regional Cancer Centre, Thiruvananthapuram
One Head or Director of Academic Services Unit of the University		
1	Dr. Shaji K.S	Dean Research, KUHS
Two Eminent Experts in the field of Health and Allied Sciences, Nominated by the Hon’ble Chancellor		
1	Dr. Suma Krishnasastry alias Dr. Suma TK	Former Principal, Govt.TD Medical College, Alappuzha, Director Filariasis Research Centre, Alappuzha
2	Dr. S K Harikumar	Doctor of Medicine, Senior Public Health Consultant, Thiruvananthapuram, Kerala
1	The Director of Medical Education	
2	The Director of Ayurveda Medical Education	
3	The Principal and Controlling Officer of Homoeopathic Medical College	
One teacher belonging to Scheduled Caste or Scheduled Tribe nominated by the Vice Chancellor from among the teachers of the University departments or Affiliated Government Colleges		
1	Dr. Geetha Panarkandy	Professor of Gen.Medicine, Govt. Medical College, Kozhikode

Three Women Teachers nominated by the Vice Chancellor from among the teachers of the University Departments or Affiliated Govt Colleges		
1	Dr. Kavitha Ravi	Professor of Pathology, Govt. Medical College, Tvm
2	Dr. Anoop K R	Principal, Bishop Benziger College of Nursing, Kollam
3	Dr. Indukala	Professor & HoD Govt. Ayurveda College, Kannur

Deans of Faculties

Dr. Harikumar Nair G.S (Faculty of Medicine)	Professor & HoD, Radio Diagnosis, Sree Gokulam Medical College & Research Foundation, Trivandrum
Dr. A Devadathan (Faculty of Dental Sciences)	Professor & HoD, Dept of Conservative Dentistry Pushpagiri College of Dental Science, Thiruvalla
Dr. Jayan D (Faculty of Ayurveda, Siddha & Unani)	Professor, Dept of Swasthavritta,
Dr. Krishnan P (Faculty of Homoeopathy)	Professor & HoD, Dept of Pharmacy, Govt. Homoeopathic Medical College, Thiruvananthapuram
Dr. Sujamol Scaria (Faculty of Nursing)	Professor & HoD, Govt. Nursing College, Thrissur
Dr. Rajasree R S (Faculty of Pharmaceutical Sciences)	Professor & HoD, Pharmaceutical Chemistry, Govt. TD Medical College, Alappuzha
Prof. Dr. S Sankar (Faculty of Allied Health Sciences)	Principal, Govt. Medical College, Kottayam

Faculties

The faculties are the principal academic coordination authorities of the university in respect of studies and research on the subjects included in the faculty and in respect of studies and research on multi-disciplinary faculties.

Faculty of Medicine

Sl No	Name of the member	Address
1	Dr. Harikumar Nair G.S	Professor & HoD, Radio Diagnosis, Sree Gokulam Medical College & Research Foundation, Trivandrum
2	Dr. P.J Babu	Professor & HoD, Dept. of Surgery, Govt. Medical College, Thrissur
3	Dr. Beena V	Professor & HoD of Neurology, Govt. Medical College, Kozhikode

4	Dr. Sheeja Rajan	Professor of Plastic & Reconstructive Surgery, Govt. Medical College, Kozhikode
5	Dr. V.V Unnikrishnan	Professor, HoD of Physiology, Govt. Medical College, Thrissur
6	Dr. Lola Das	Professor of Anatomy, Amala Institute of Medical Sciences, Thrissur
7	Dr. Sareena Gilvaz	Professor & HoD, OBG, Jubilee Medical College, Thrissur
8	Dr. Chandni R	Professor of Medicine, Govt. Medical College, Kozhikode
9	Dr. Viswanathan K.V	Professor of Surgery, Govt. Medical College, Trivandrum
11	Dr. Cibu Mathew	HoD, Cardiology, Govt. Medical College, Thrissur
12	Dr. Joy Augustine	Professor &, HoD Pathology, Amala Medical College, Thrissur
13	Dr. Biju Bahuleyan	Professor & HoD Physiology, Jubilee Medical College, Thrissur
14	Dr. Tigy Thomas Jacob	Addl. Professor, Orthopaedics, Govt. Medical College, Manjeri
15	Dr. C Amarnath	Professor and HoD Radiodiagnosis, Govt. Stanley Medical College, Chennai
16	Dr. K Vijayakumar	Professor of Community Medicine, HAP India, Trivandrum

Faculty of Dental Sciences

Sl. No	Name of the member	Address
1	Dr. A Devadathan	Professor & HoD of Conservative Dentistry, Pushpagiri College of Dental Sciences, Thiruvalla
2	Dr. Tinky Bose C	Professor & HoD of Oral Medicinal Radiology, Govt. Dental College, Thiruvananthapuram
3	Dr. Elbe Peter	Addl Professor of Orthodontics, Govt. Dental College, Kottayam
4	Dr. Muhammed Sagir	Professor & HoD of Conservative Dentistry, Royal Dental College, Challissery
5	Dr. Varghese Mani	Senior Oral and Maxillofacial Surgeon, Former Principal of Mar Baselios Dental College, Kothamangalam
6	Dr. K Rajkumar	Vice Principal and HoD of Oral Pathology, SRM Dental College, Bharathi Salai, Ramapuram, Chennai

Faculty of Ayurveda

Sl No	Name of the member	Address
1	Dr. Jayan D	Professor, Dept. of Swasthavritta, Govt. Ayurveda College, Thiruvananthapuram
2	Dr. Maya Balakrishnan	Professor & Head, Dept. of Prasutitantra and Striroga, Govt. Ayurveda College, Tripunithura
3	Dr. S Gopakumar	Professor & Head, Dept. of Roganidana, Govt. Ayurveda College, Kannur,
4	Dr. M.V Vinod Kumar	Professor & Head, Dept. of Samhita, Sanskrit & Sidhanta, VPSV Ayurveda College, Kottakkal
5	Dr. Sunil John Thykkattil	Associate Professor, Dept. of Kayachikitsa, Govt. Ayurveda College, Tripunithura
6	Dr. P Nazia Farheen	Professor, Markaz Unani College, Kozhikode
7	Dr. P Hariharan	Vice-Principal, Santhigiri Siddha College, Thiruvananthapuram
8	Dr. Jigeesh P.P	Professor & Head, Dep.t of Panchakarma, VPSV Ayurveda College, Kottakkal
9	Dr. Abdul Shukkoor M.M	Professor & Head, Dept. of Shalyatantra, Govt. Ayurveda College, Tripunithura
10	Dr. Ansary P.Y	Professor & Head, Dept. of Dravyagunavigyan, Govt. Ayurveda College, Tripunithura
11	Dr. Deepa M.S	Professor, Dept. of Dravyagunavigyan, Govt. Ayurveda College, Thiruvananthapuram
12	Dr. Roshni Anirudhan	Professor & Head, Dept. of Kaumarabhritya, Govt . Ayurveda College, Kannur, Pariyaram
13	Dr. Mujeeb	Professor, Markaz Unani College, Kozhikode
14	Dr. Nina Priya	Professor, Santhigiri Siddha College, Thiruvananthapuram

Faculty of Homoeopathy

Sl No	Name of the member	Address
1	Dr. Krishnan P	Professor & HoD, Dept. of Pharmacy, Govt. Homoeopathic Medical College, Kozhikode
2	Dr.Sanil Kumar M.C	Professor & HoD, Dept. of FMT, Govt. Homoeopathic Medical College, Kozhikode
3	Dr.P Abdul Hameed	Professor & HoD, Dept. of Practice of Medicine, Govt. Homoeopathic Medical College, Kozhikode
4	Dr.T S Sreeraj	Assoc. Professor, Dept. of Community Medicine, Govt. Homoeopathic Medical College, Trivandrum

Faculty of Nursing

Sl No	Name of the member	Address
1	Dr. Sujamol Scaria	Principal, Govt.Nursing College, Ernakulam
2	Sri. Kishore Kumar P	Vice Principal, College of Nursing, EMS Memorial Co- Operative Hospital(CHN), Malappuram
3	Smt. Seenath K.P	Assoc. Professor, Govt.College of Nursing, Kozhikode, (OBG)
4	Athirarani M.R	Assistant Professor, Community Health Nursing, Govt. College of Nursing, Trivandrum
5	Mrs. Manju S	Assistant Professor, Govt. College of Nursing, Kozhikode (Nursing Education)

Faculty of Paramedical and Allied Health Sciences

Sl No	Name of the member	Address
1	Dr. S Sankar	Professor and HoD of Pathology Govt. Medical College, Kottayam
2	Ms. Jasmine P Charan	Professor of Optometry, Sushruta School of Optometry, Kochi
3	Dr. Abhilash Babu TG,	Professor and HoD, Radio Diagnosis, Govt. Medical College, Thrissur
4	Dr. Suja K Kunnath,	Professor, National Institute of Speech and Hearing, Thiruvananthapuram
5	Mr. Prakashan G	Professor, SME, Angamaly
6	Sri. Sajeevan T	Principal, JDT Islam College of Physiotherapy, Calicut
7	Smt. Sheeba Bhaskar	Professor MHA, Westfort Institute of Paramedical Sciences, Thrissur
8	Dr. Deepa Sundareswaran	Professor & HoD, Occupational Therapy, NIPMER(Bsc OT)
9	Dr. Suny Thomas	Professor, RD Govt. Medical College, Ernakulam
10	Ms. Girija P.C	Professor & HoD, AWH, Kozhikode
11	Sri. J Andrews Milton	Professor, Bethany Navjeevan College, Trivandrum
12	Sri. Rajamohanan K	Professor, School of Public Health, Trivandrum
13	Dr. Harikumaran Nair G.S	Professor & HoD, Radio Diagnosis, Gokulam Medical College, Trivandrum

Faculty of Pharmaceutical Sciences

Sl No	Name of the member	Address
1	Dr Rajasree R.S	Professor & HoD, Pharmaceutical Chemistry, Govt TD Medical College, Alappuzha
2	Dr. Jose Kurien	Asst. Professor, Head of Pharmaceutical Analysis, Govt. Medical College, Thiruvananthapuram
3	Dr. Dileep K.J	Professor & HoD, Pharmaceutics, Govt.T.D Medical College, Alappuzha
4	Dr. Sujith S Nair	Professor & Faculty in charge of Pharm D Course, Crescent College of Pharmacy, Kannur

Board of Studies

The Board of Studies, empowered to recommend the courses of studies, improvement during studies and to decide upon the requirement for each course of study, has been set up separately for the different branches of medicine. 4. Anjima S.M., Co-Operative Institute of Health Sciences, Thalassery
5. Vinay Thomas Abraham, Govt. Medical College, Trivandrum.

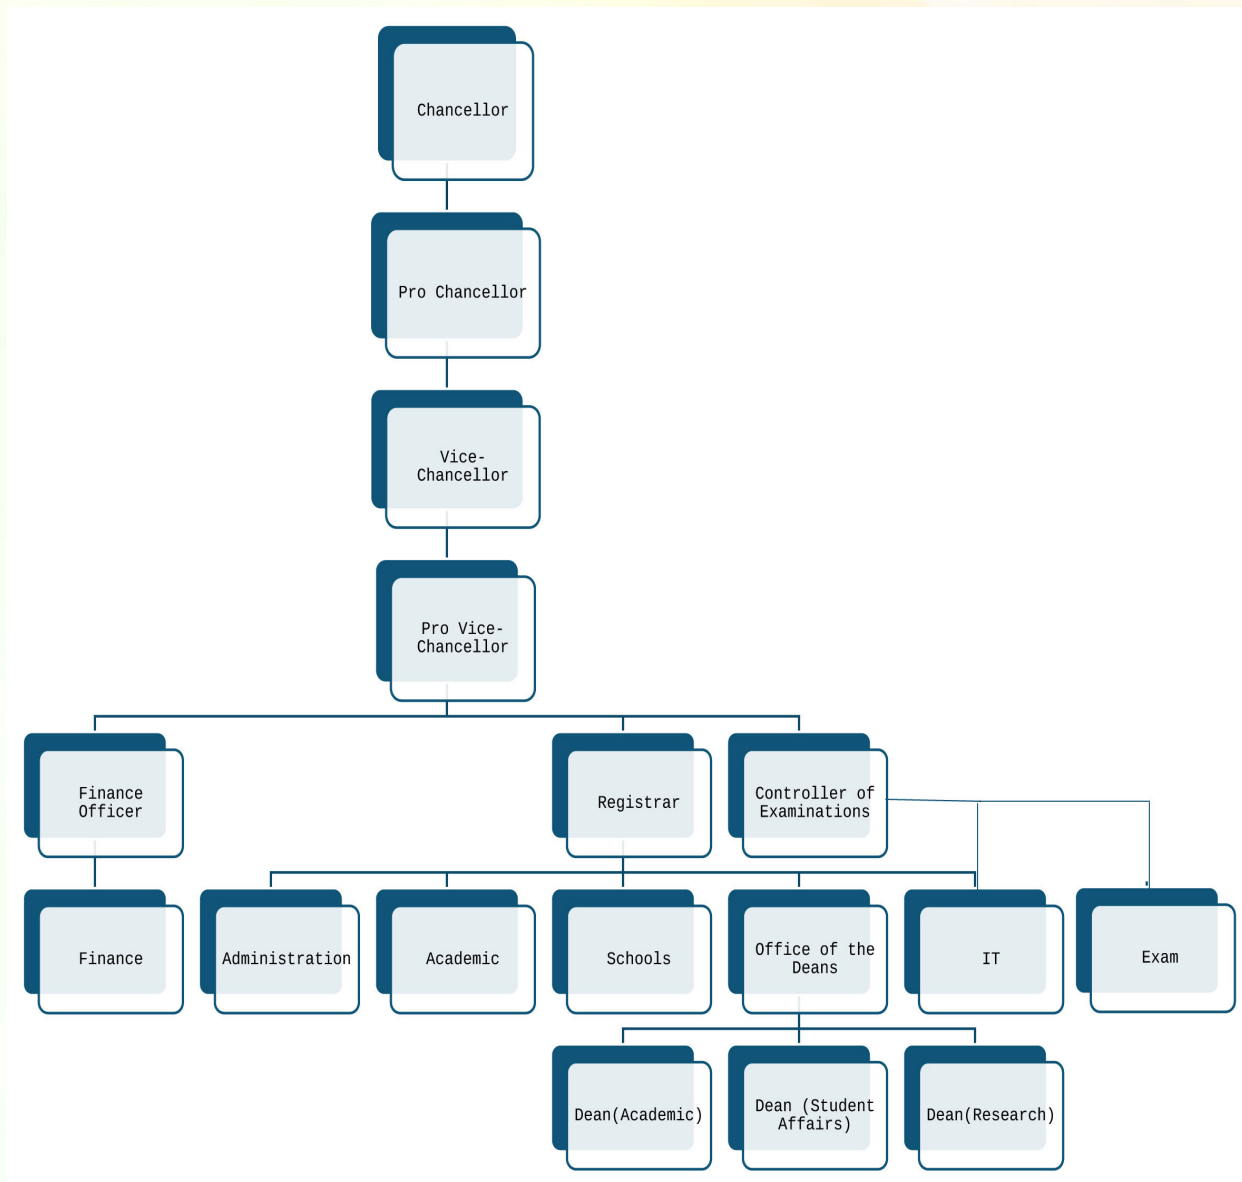

Section 2
REPORT ON
ACTIVITIES OF THE
UNIVERSITY

Administration Branch

ORGANOGRAM OF THE UNIVERSITY

Administration Branch

The Administration Branch is the centre of the university administration. It consists of the offices of the Vice-Chancellor, Pro-Vice-Chancellor, and Registrar. Under their control, the Administration Branch is further divided into Administration-I and Administration-II. Administration-I branch consists of the Administration General Section, Establishment, Planning and Development, Central Tappal, Reception, Security and Maintenance, Housekeeping, and a Vehicles' section. Administration-II consists of the Purchase A & B sections, Works, Stores, Accounts, and Legal sections.

All establishment matters involving staff, ranging from the Vice-Chancellor to casual labourers, are being attended to by the branch. General Administration, Appointments, Transfer and Posting, Promotions, Sanctioning of Leave, Inter-University Transfer, Maintenance of Service Books, Increment, Pay Revision, Provident Fund, Insurance, Medical Reimbursement, RTI, RTS, Allotment of Staff Quarters, Planning and Development, preparation of Annual Reports, convening of Governing Council, Senate, and Planning Committee meetings, delegation of powers, reception and public relations, and legal matters in connection with all the branches, all types of purchases, ID cards for staff, and engineering works are being looked into by the Administration Branch.

The University Registrar is the controlling officer of the branch. The Registrar is assisted by two Deputy Registrars, a University Engineer, and three Assistant Registrars. Eight section officers are manning the fourteen sections of the branch with the support of 22 Assistants and 5 Computer Assistants, besides Engineers, Receptionists, a Confidential Assistant, Data Entry Operators, Office Attendants, Drivers, Clerical Assistants, and Casual Labourers.

The general outline of the Administration wing – Administration Establishment Sections:-

During the period of the report, the university decided to promote the eligible members of its own staff to the posts of Section Officer and Assistant Registrar. This has resulted in the repatriation of some middle level officers who were serving on deputation. The Administration Establishment wing arranged for the necessary training programmes for the newly-promoted Assistant Registrars in collaboration with the IMG.

Further, the university inaugurated the newly constructed Pareeksha-Vigyan Bhavan during the month of May 2023 and shifted the Examination Branch and some other offices there.

After completing a formal vetting process, the university prepared its own disposal policy and put it into practice. The university sanctioned the by-transfer appointment of two computer assistants to the post of assistant. The process of inter-university transfer, which is a continuing one, took place during the period.

Planning & Development Branch

The Planning and Development Section is entrusted with the work of convening Governing Council meetings, Planning Committee meetings and preparation of Statutes of the university. During the FY 2023-24 the section conducted 5 Governing Council meetings. The university has taken steps

to amend the existing statutes by incorporating the suggestions of the Statute Amendment Committee under Justice (Rtd) M.R. Hariharan Nair and from various branches of the university.

The other significant activity undertaken by the section was the preparation of the university's annual Report 2022-23 and it has been placed before the Senate for approval.

Plan Achievements

The main function of the planning section is to obtain sanctions of funds under plan and utilization for the development of academic, administrative, research, and infrastructure development of the university. An amount of Rs.12.5 Crore was earmarked as financial assistance for the year 2023-24 for the university as Grant-in-Aid under the Head of account 2210-05-001-93(P) and 2210-05-001-36(P). Subsequently, the university submitted 6 project proposals seeking Administrative sanction and the Departmental Working Group accorded Administrative sanction for all plan proposals amounting to Rs 11.724558 Crore as mentioned below:-

- a. Construction of new building for School of Fundamental Research in Ayurveda at Thrippunithura-Phase V.
- b. Construction of Type IV Staff Quarters at KUHS Campus.
- c. Public Health interventions for post COVID-19 scenario: an integrative model for improving quality of life and tapping research Potentials Phase I
- d. Phytochemical, metabolic, anti-ageing and immunomodulatory properties of Rasayanas Phase I
- e. Evaluation of Oral Health Status and Treatment Needs among the Elderly patients attending the Tertiary Dental Care Centres of Kerala Phase I
- f. New-born screening for severe inborn errors of immunity – A phase I pilot study
- g. Out of the Rs.12.5 crore, Govt. Sanctioned only Rs 8, 97, 06, 397/- and resumed the amount of Rs. 5, 62, 71, 807/- The university utilized Rs. 3, 34, 34, 590/- in the FY 2023-24.

Legal Section

The section handles the legal matters of all branches of the University and always keeps a liaison with the Standing Counsel to make available the legal advice sought by various sections on matters having legal issues.

In 2023-24 (FY), a total of 298 cases were contested before the Hon'ble High Court of Kerala in which the University was arrayed as a party, out of which 161 cases were disposed of. Similarly, before the Hon'ble Supreme Court of India, 6 cases were contested in which University was arrayed as a party and all these were disposed of. Most of the cases dealt with by the section are filed as Writ Petition(Civil) in the Hon'ble High Court of Kerala, or as Special Leave Petition(Civil) in the Hon'ble Supreme Court of India, however, occasionally cases pending in various Tribunals such as Customs, Excise and Service Tax Appellate Tribunal(CESTAT), Kerala Administrative Tribunal, Mo-

tor Accidents & Claims Tribunal and in various Lower Courts are also managed by the section. Very rarely cases from Human Rights Commission, Women's Commission, and LOKAYUKTHA also come up. The suit register is well-maintained and kept updated by incorporating the latest developments in the court pending cases.

As the University takes a strict legal stand and has a clear view and discipline in its actions, the legal section can get favorable judgments from the Court in almost all cases where the University is a party. All court orders and interim orders were complied with and so far, no contempt proceedings were initiated by the court against the University. Audit Enquiry related to this section were sorted out. Two applications under the RTI Act, 2005 were received in the legal section during the year 2023-2024 and both have been settled in a time bound manner.

Purchase section

The Purchase section of KUHS deals with the purchase of the following items to different sections of the university and to the schools and centers of the university by adopting appropriate mode of purchase.

The purchase of all Electronics/ IT related items like Desktop computers and its peripherals, printer, scanner, laptop, photocopier, computer software etc., machinery and other equipment, items peculiar to the examination section, stationery items, services and maintenance of university vehicles, periodic monthly fuel settlement of fuel purchases for university vehicles, purchase of office seals, purchase of laboratory equipment, chemicals and reagents, glassware to different laboratories at SFRA Thrippunithura using Govt Grant,

AMC/CAMC of different IT and other equipment, printing, stage, and food arrangement works for convocation/special convocation of the university, purchase of furniture for different sections and centers of the university is done by Purchase A section. All audit inquiries relating to this section were also sorted out.

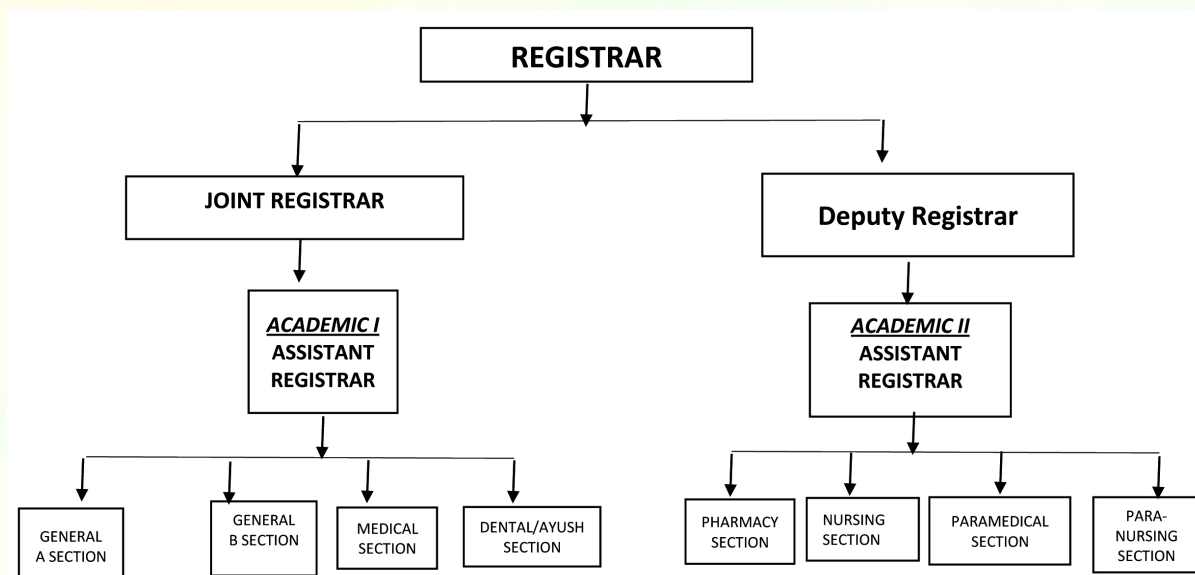

Academic Branch

branch

The Academic Branch of the University is playing a vital role in various academic activities of the University such as affiliation, student registration, preparation of course regulations/syllabus/minimum standard requirements, starting of new courses, approval of appointment/promotions of teachers of aided colleges affiliated to KUHS, conduct of Academic Council and other academic bodies of University. It also plays an important part in the preparation of norms/regulations/ordinances as prescribed in Act/statute of academic nature. Moreover, the branch deals with the issuance of various certificates such as eligibility, equivalence, migration etc. The service of the Academic Branch to students also includes the issue of Transcripts, condonation of Break of study, college transfer and Transfer of Compulsory Internship. Academic Branch is responsible for fixing various fees applicable to the institutions and services to the students for the Academic year.

Activities of the Academic Branch

The main activities of the branch are as follows

Granting affiliation to colleges/ courses

Matters related to Student Registration

Preparation of Statutes related to Academic branch

Preparation of Regulation, Syllabus and Minimum Standard Requirement for courses, inspection proforma and scrutiny proforma

Matters related to Approval of appointment/Promotion of teachers at Aided colleges.

As per the Section 23 (xv) of the KUHS Act 2010, University has the power to approve the appointment of teachers in private and aided colleges coming under direct payment system

Matters related to issuance of various Certificates

Academic Branch issues the following certificates on request

- Eligibility Certificates
- Equivalence Certificates
- Cancellation and Migration Certificates
- Medium of Instruction Certificates
- Translational Certificates
- Affiliation Certificate
- Transcript and Syllabus attestation

Matters related to Faculty Enrolment Programme

FEP is a unique verification programme of KUHS for the faculties working under the affiliated colleges Academic Branch Issues Unique FEP Number to a faculty after verification of academic documents

Matters related to DCB/Furnishing replies to Audit Enquiry/Objections

Academic branch deals with various fees related with the admission and affiliation which collectively exceed an amount above 25 crores each financial year Maintenance of the Demand Collection Balance statement and the time bound furnishing of replies to the Audit queries is done by the Academic branch

Matters related to Reconstitution and conduct of meetings of the various Academic Bodies

Academic Branch is responsible for the timely re-constitution of the following Academic Bodies as per the KUHS Act 2010.

Academic Council- Highest Academic Body of the University 75 members 3 meetings are mandatory per year

Faculties- 13 members At least 1 meeting per year is mandatory

27 Board of Studies- At least 1 meeting per year is mandatory

Conducting the Convocation Ceremony

Matters related to College Transfer/ Condonation of Break of Studies/ CRI Transfer

Achievements of Academic Branch during 2023-2024

- Anticipating the great demand of Nurses in the Health Profession, KUHS has given affiliation to 6 new Nursing colleges under Govt Sector, 17 new Nursing Colleges under private sector This led to the enhancement of 1420 UG seats in the Nursing stream in which 400 seats are under Govt sector
- KUHS also affiliated 5 new Allied Health Science Colleges and 2 new pharmacy colleges under private sector A Private dental college with 50 seats was also started during 2023-24
- Started 5 more Courses in Allied Health Science Stream viz BSc in Medical Imaging Technology, BSc in Radiotherapy Technology, BSc in Neuro Technology and 2 MSc Courses viz MSc in Medical Biochemistry & MSc in Medical Microbiology

List of Colleges, Started During the 2023-24 Academic Year

- Santhi Institute of Allied Health Sciences, Omassery, Kozhikkode with 30 BSc MLT Seats
- Travancore College of Allied Health Sciences, Thathamala, Kollam with 50 BPT, 30 BSc MLT & 15 BSc Optometry seats
- Samaritan Institute of Paramedical Sciences, Ernakulam with 30 BSc MLT Seats
- Al-Azhar Institute of Allied Health Science, Thodupuzha, Idukki with 30 BPT & 20 BSc Optometry seats
- Sree Gokulam College of Allied Medical Sciences and Research, Venjaramoodu, Thiruvananthapuram with 40 BPT, 15 BSc MIT & 30 BSc MLT Seats
- Government College of Nursing, Annex, Thiruvananthapuram- 100 BSc Nursing seats
- Government College of Nursing, Pathanamthitta- 60 BSc Nursing seats
- Government College of Nursing, Kasargod- 60 BSc Nursing seats
- Government College of Nursing, Idukki- 60 BSc Nursing seats

- Government College of Nursing, Palakkad- 60 BSc Nursing seats
- Government College of Nursing, Wayanad- 60 BSc Nursing seats
- Maria Theresa College of Nursing, Kuzhikkattussery, Thrissur- 50 BSc Nursing seats
- SI-MET College of Nursing, Varkala- 60 BSc Nursing seats
- SI-MET College of Nursing, Neyyattinkara- 60 BSc Nursing seats
- SI-MET College of Nursing, Konni- 60 BSc Nursing seats
- SI-MET College of Nursing, Thaliparamba- 60 BSc Nursing seats
- SI-MET College of Nursing, Dharmadom- 60 BSc Nursing seats
- SI-MET College of Nursing, Tanur- 60 BSc Nursing seats
- SI-MET College of Nursing, Nooranad- 60 BSc Nursing seats
- Taliparamba Co-operative College of Nursing, Taliparamba- 30 BSc Nursing seats
- CPAS INE SME Seethathode, Pathanamthitta- 30 BSc Nursing seats
- CAPE College of Nursing, Alappuzha- 50 BSc Nursing seats
- Sanjo College of Nursing & Allied Sciences, Vellapapra, Palakkad- 60 BSc Nursing seats
- Valluvanad Institute of Nursing Sciences, Ottapalam- 50 BSc Nursing seats
- CPAS Institute of Nursing Education, Kanjirapally- 40 BSc Nursing seats
- Edappal Hospitals Nursing College, Edappal, Malappuram- 40 BSc Nursing seats
- Institute of Nursing Education, Kottarakkara- 40 BSc Nursing seats
- Indira Gandhi Memorial College of Nursing, Perumbavoor- 60 BSc Nursing seats
- Travancore Dental College, Kollam- 60 BDS Seats
- The Academic branch has revised the Academic regulations during this year Regulations were also gazetted after placing before the Senate
- Tenure of the Academic Council ended on 16062023 and it was reconstituted on 04072023 Also conducted election of members from the Academic council to the Governing Council

Statistics of Academic Branch during 2023-2024

Examination Branch

Examination Branch

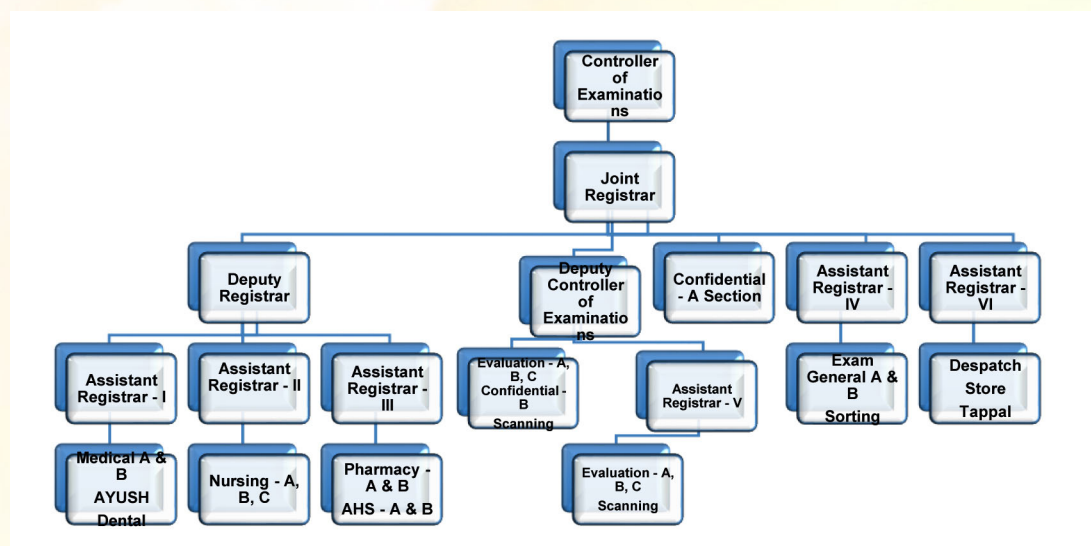

The examination system is a cornerstone of the educational framework, is multifaceted, catering to various stages of a student's academic journey. In Universities we explore its various dimensions, including its structure, challenges, reforms, and the impact of technology. University Examination Systems are systems designed to cater to the complete examination processes of a University. University examination also helps to ensure accurate and reliable tracking of results and statistics pertaining to student performance across various sessions. Kerala University of Health Sciences has been striving to achieve this basic goal since its inception.

Technology integration in conducting examinations is becoming more prevalent these days. The COVID-19 pandemic accelerated the adoption of digital platforms for conducting exams. Kerala University of Health Sciences envisages a digital mode of activities in every aspect of its functioning. Initiations have already been started from the beginning by transmitting question papers of all examinations by online to the Affiliated Colleges. KUHS is the first University in Kerala to conduct examinations by transmitting Question papers online on the day of particular exam. Many attempts were initiated in continuation to online QP transmission in Examination Sections. One aim is to make the University a paperless institution conducting all its activities in digital mode.

Right from its establishment and the conduct of the first Examination in August, 2011, KUHS has been following the practice of publishing the tentative examination calendar before the beginning of each Academic year so that the prospective examinees can have their own plan for learning and taking the examinations. Usually, the tentative calendar once published is not subjected to changes except under unavoidable circumstances. In order to reduce the time gap between the Examination and the result, a Digital Evaluation System was introduced. Hence then, KUHS has been publishing results of examinations in a very short period of time, in spite of all the restrictions.

After successful implementation of digital evaluation system, KUHS put forwarded its next step by introducing a new evaluation system namely **Remote Digital Evaluation**. The term Remote Digital evaluation denotes evaluations conducted digitally away from the university head quarters at approved Remote Digital Evaluation Centers (**RDEC**) established at various colleges affiliated to the university. With the introduction of Remote Digital Evaluation System, the university has taken a leap by reducing the time gap between examinations and results tremendously.

Organogram

Vision

The program of the Examination Branch may be reduced to the following statement:

“Establishment and maintenance of an Examination system that should be efficient, reliable, valid, time-bound, time-tested, foolproof, student-friendly, totally tamper-proof and automated to the maximum possible extent.”

Activities of the Examination Branch: -

All the activities in the examination branch are based on the provisions in the Act, Statutes, Examination Ordinances, Examination Regulations, and Examination Manual. Permission of the Board of Examinations, Academic Council, Governing Council, is required in most cases.

The primary activities of the Examination Branch are: -

- i. Conduct of Theory Examinations
- ii. Conduct of Practical Examinations/Viva voce etc.
- iii. Evaluation of Theory Answer Books
- iv. Evaluation of Theses
- v. Conduct of Entrance Examination of Ph D/MPhil Course
- vi. Publishing of results of the Examinations and issue of Mark list, Degree certificates etc.

Examination activities are fully time-bound and most often require urgent intervention. Examinations are conducted strictly based on tentative examination calendar except for reasons beyond the control of KUHS.

Despite enough staff, the examination wing has been performing its duties flawlessly.

Prominent features of KUHS Examination System: -

The examination system prevailing in KUHS has its own unique features, such as choice-less question papers, electronic transmission of QPs to the theory examination centers just before the commencement of the examination, installation and monitoring of digital surveillance systems in the examination halls etc. The processing of examination results depends heavily on the information tech-

nology system. The answer books from the theory examination centers are dispatched to the university by speed post on the same day of the theory examination itself.

Publishing the tentative calendar before the beginning of the academic year is an assurance for the examination system. Our system for registration for the examination has been made online right from the very establishment of the university. The attendance, marks scored in the internal assessment and practical examinations, and details of the fee remitted by each candidate are to be uploaded to the online system. As a measure to avoid unfair practices in the internal examination, the class average of internal assessment marks is restricted to 75% for the regular examination.

Another milestone of the university is the constitution of the Examination Committee for each examination. This committee supervises the overall conduct of the examination for which it is constituted.

The question paper banks for the examinations are being prepared by national-level experts. These question papers are scrutinised by state-level experts. All these are done to ensure the required standard and confidentiality in the matter. The Examination Committee designates a suitable institution as the nodal centre for a theory examination. Instead of contacting the university to deal with examination-related issues each time, the colleges can contact the nodal centre, which acts on behalf of the university. Moreover, KUHS engages interdisciplinary external vigilance officers to oversee and report the proceedings of the theory examination centers and also to report unfair practices, if any, relating to the conduct of examinations. The installation of a CCTV system in the examination hall is one of the preconditions. Only upon fulfillment of the conditions stipulated by the university, including surveillance, shall a particular institution be granted the status of theory examination centre. The digitised recording of the event in the examination hall shall be sent to the university along with the answer books on the same day, except under exceptional circumstances, with the permission of the Controller of Examinations.

The KUHS examination workflow

- The publication of the tentative examination calendar before the commencement of the academic year. This is a unique feature of KUHS examination system.
- Setting the question papers and their scrutiny at the appropriate time. This involves utilization of the services of teachers outside and within the state.
- Preparations for theory examinations are to be done within a definite time frame. These activities include the issue of examination notification, timetable, examination registration, and finally the issue of an admit card for each examination uninterruptedly.
- Appointment of a Nodal officer/Nodal centre, Subject Experts, Internal Vigilance Officers and External Vigilance Officers at the appropriate time.
- Preparation for the conduct of practical examinations, appointment of external examiners, batching of candidates for each day of the schedule, and enabling the entry of practical examination marks on the same day of the examination itself.

- Candidates must enter the examination hall 30 minutes prior to the commencement of the examination.
- No candidate is permitted to enter the examination hall after the QP transmission from KUHS.
- Secure delivery of the online transmission of question Papers 30 minutes prior to the conduct of the examination to the theory examination centres.
- Provision for correction/modification/replacement of the question, if any, within 15 minutes from the start of the examination.
- Choice-less question papers, which ensures the reasonable standard expected from taking the examinations.
- Online attendance report generation in the theory examination centres.
- Use of 52/32 page QR and bar-coded theory answer books to ensure standardization in the system.
- Coded answer books without identification are given to evaluators for evaluation.
- No additional sheets are provided for writing answers.

Evaluation System

After successful implementation of digital evaluation system, KUHS put forwarded its next step by constituting Remote Digital Evaluation Centres at approved colleges under the university. KUHS has introduced a new evaluation system namely **Remote Digital Evaluation** as a part of introducing more digital mode of activities to its effective functioning.

With the introduction of Remote Digital Evaluation System, the time gap between Examinations and Publication of Results has been considerably reduced.

An Overview of KUHS Evaluation system

Initially, evaluation of the theory answer books was generally performed at the Centralized Valuation Camps, under the complete supervision of KUHS. After successful implementation of the digital evaluation system, KUHS took its next step by constituting remote digital evaluation centres at approved colleges under the university.

The university has adopted the system of double valuation for all Under - Graduate courses. Double valuation will be followed by a third valuation whenever the marks scored by a student in the first and second valuations vary 15% or above of the total marks. This is subject to a condition that the candidate must have secured at least 35 percent in the first or second valuation. The system automatically generates such reports for the third valuation after the entry of marks scored in the first and second valuations. After the third valuation, the average of the two highest (that is, the best two out of the three evaluation marks) marks is taken as the final mark. If a paper does not go for third valuation, the average of the two marks will be the final mark of the student.

For some PG courses the multiple valuation (maximum to 4 valuations) procedure is adopted. But for some PG courses, only double valuation (and third valuations if required) is adopted. Students, if required, can apply for re-totalling of marks within the time allowed. However, there is no revaluation

of answer books.

In order to ensure accuracy and punctuality and also to not leave behind a chance for manipulation, KUHS insists on the online entry of practical marks from the examination centres on the day of the examination itself. Once the permitted time is over, they can have no access to the marks on the website. However, correction of mistakes in marks, attendance, etc. uploaded will be permitted upon some conditions that have been issued as university order. The other prominent features with respect to evaluation are the following: -

- Double bar code-based tabulation
- Digitalized result processing
- The university has fixed a fifty percent (50%) criteria for the theory part. This means that a separate minimum of 50 percent for theory group is a basic minimum requirement for passing the examination.
- Option for seeking copies of theory answer book and score sheets after the declaration of results.
- The examination system has been automated so as to achieve an efficient, reliable, valid, time-bound, student-friendly, and totally tamper-proof system.

Remote digital evaluations:

- The digitalization of evaluations, as a precursor to improvement in efficiency, has been one of the major thrust areas of the university. Remote Digital Evaluation is being introduced with this proposition.
- The entire software and the necessary hardware improvisations for RDE were done by the IT wing of the university. This system was experimentally launched in February 2022, starting with medical post graduate evaluations to be followed by all courses. The RDEC based evaluations have proved to thriving success ever since its inception. In this process, scanned copies of answer books are made available online at approved Remote Digital Evaluation Centres for valuation. The approval of a Remote Digital Evaluation Centre is done after verification of the facilities provided at the centre by qualified inspectors appointed by the university.
- Scanning answer books is done by a panel of staff, which smoothenes the process of the digital evaluation.

Other Examination related functions

- Thesis/Dissertation evaluation at the appropriate time. At present, hard copies of the thesis/dissertation are being sent to external evaluators outside Kerala, which involves a lot of physical activities.
- Settling the claims of remuneration of Examiners/Evaluators/QP setters at the appropriate time so as to avoid unpleasant situations and keeping in view the sustenance of the system. Keep the accounts of financial transactions such as the collection of examination fees, genuineness verifica-

tion fees, fees for photocopies of score sheets and answer books etc. The exact amount of collection as per DCB for the fourth quarter of 2023-2024 is Rs 147, 417, 670 (Rupees Fourteen Crores seventy-four lakhs seventeen thousand six hundred and seventy only).

- Proper and precise tapal and dispatch accounting. This assumes great importance because answer books from theory examination centers are dispatched in bundles. Its proper stocktaking and processing should be precise in order to maintain the credibility of the examination system.
- Safekeeping of evaluated answer books for the prescribed period as per the regulations in force. This also assumes great significance because copies of score sheets and answer books are provided to candidates on request after charging the prescribed fee. Transparency in the system needs to be maintained.
- Disposal of answer books and other stationery and waste papers on a time-bound basis.
- Safe keeping of blank answer books and stationery items and their proper distribution and stock control so that the pre-planned examination schedule is executed uninterruptedly.
- Initiating action to print the answer books, stationery items, certificates and mark lists at the appropriate time with the necessary security features.
- Monitoring the stock of the answer books and other certificates so as to ensure uninterrupted supply and an optimum stock level.
- Issue of provisional certificates and mark lists on a time-bound basis. This assumes great significance because provisional certificates in respect of each examination are to be issued on a time-bound basis, keeping in view the provisions of the Right to Service Act, 2012. Similarly, mark lists, duplicate mark lists, attempt certificates, transcripts etc. are to be issued within the fixed timeframe.
- Issue of degree certificates after convocation. Degree certificates are to be dispatched immediately after the date of convocation.
- Genuineness verification, the issue of transcripts and similar certificates to the students'/employment agencies are done without delay.
- Compliance with the provisions of the Right to Information Act, 2005 which calls for time bound actions. A total of 207 applications under RTI were processed in the year. It is being done by taking into an account the true spirit of the RTI Act, 2005.

Pass Boards

The results of all examinations are finally scrutinized and approved by the respective pass boards before announcements of the results are published on the web site.

Grace Marks/Moderation is restricted to UG courses only. The grace Marks/moderation (up to a maximum of 5 marks) shall be given to students to secure a whole pass in the examination. For some courses, it is given for one paper only, and for others, it is spread for one or more papers, subject to a maximum of five for securing a whole pass in the examination. No student pursuing studies for PG course is eligible for moderation under any circumstances.

Malpractices & Lapses Enquiry Committee (M&LEC):

The Malpractices & Lapses Enquiry Committee is a five member committee including a legal practitioner, two nominated members of the Board of Examinations and two members of faculty nominated by the Board of Examinations. The Controller of Examinations will be the non-member Ex-Officio Secretary of the committee. The M&LEC meets as and when required in instances of malpractices/misconduct/lapses, reported with respect to the conduct of examinations. The Committee conducts hearings on the reported cases and recommends appropriate corrective or punitive actions, whichever applicable, depending on the gravity of the cases and as prescribed by the KUHS Examination Manual, to the Governing Council.

Twelve sittings of M&LEC were held in the year 2023-2024.

Members of the (M&LEC):

1. Dr. S Sankar, Principal, Govt. Medical College, Kottayam.
2. Dr. Rajee Reghunath, Principal, Amala College of Nursing, Thrissur.
3. Dr. Sudha S, Dept. of Oral Pathology, Govt. Dental College, Thrissur.
4. Dr. Gopikrishna S, Associate Professor, Vaidyaratnam P S Varier Ayurveda College, Kottakkal.
5. Adv. D.V Narayanan, Legal expert, Kozhikode.

Prof. (Dr.) S Anilkumar, Controller of Examinations is the non – member Ex – Officio Secretary of the Committee.

Conduct of Convocation

As per clause (4) of Chapter XXV of KUHS Statute, 2013, “Award of Degrees, Diplomas, Certificates, Titles, etc., shall be made at a convocation arranged by the university or in absentia after the meeting of the Governing Council held after the publication of the results of the examinations concerned.”

Sixteen convocations have already been conducted. Kerala University of Health Sciences conducts two convocations in an academic year.

The 17th and 18th convocations were conducted during the academic year 2023-2024. (Annexure II)

University’s social responsibility (USR)-steps taken to provide better services to Persons with Disability

With the concurrence of the Medical Council of India, we have started providing reasonable facilities and extra aids in the conduct of practical examinations taken by hearing and visually impaired candidates. Depending on the situation, the aids given include projecting the Viva Voce questions, using magnifying devices etc. The practice was continued in this year also.

Challenges

Examination System, in spite of all the efforts and endeavors taken, has been experiencing certain challenges, such as a shortage of eligible examiners for the conduct of practical examinations, last minute dropout of external examiners, especially those who have been appointed from outside the state. Another challenge that stands in the way of the timely declaration of the results of the examinations is the shortage of evaluators for the timely completion of the evaluation process. However, there has been considerable improvement in the situation during the period under report, especially after the introduction of RDE System

Above all, there is a pertinent problem of a shortage of administrative staff in the examination wing compared to the optimum requirement of staffs.

From the point of view of the actual conduct of examinations, another problem posed is the one relating to the setting of a Zero error/defect question paper. Loss of network connectivity, sometimes, and logistic issues regarding the printing and transporting of answer books, shortage of enough storage space for valued answer books are also some other important issues to be addressed.

Courses for which examinations are being conducted

Sl No	Faculty	Courses	No of Courses
1	Allied Health Sciences	1. BPT	27
		2. MPT	
		A - Neurology	
		B - Musculo-skeletal and sports	
		C - Cardio respiratory	
		D - Paediatrics

Details of Examinations conducted during 2023-24 is attached as Annexure III

Result status change

Result status of candidates may change after fresh valuation ordered by Governing Council on the recommendations of the Board of Adjudication of students' grievances or on processing the 're-totalling' applications or even when some apparent errors in the score sheets complained of and corrected by the same evaluators. The following are the statistics in this matter. The total number of status change is 57, the breakup of which is as under:

Name of stream	No of Status Change
AYUSH Stream:	10
Medical stream:	15
Dental Stream:	20
Nursing stream	2
Pharmaceutical Sciences stream	4
Paramedical and Allied Health Sciences stream	4
Exam General B	2
Total	57

Meeting of Committees, Councils and Boards: -

- ◆ Conduct of meetings of the Board of Examinations at not less than twice in an academic term.
- ◆ Conduct of Examination Committees -There shall be as many committees as the number of examinations.
- ◆ Conduct of Malpractices and Lapses Enquiry Committee (M&LEC). On an average one sitting of the committee is held in a month.
- ◆ Conduct of Pass Board for each examination. All the above meetings are to be conducted on a regular and systematic basis.
- ◆ Activities in connection with the meeting for the Governing Council, Academic Council, Planning Committee etc. such as:
 1. Submission of Agenda items.
 2. Dealing with the affairs of Senate in so far as they apply to examinations.
- ◆ Preparation for the conduct of convocation, which takes place twice a year.

Details of Meetings held during 2023-24

Sl No	Name of Committee	Number of meetings	Date in which meeting held
1	Board of Examinations	3	36 th – 13.07.2023
			37 th – 14.12.2023
			38 th – 28.02.2024
2	M & LEC	12	143 rd – 06.05.2023
			144 th – 15.05.2023
			145 th – 29.05.2023
			146 th – 24.06.2023
			147 th – 31.07.2023
			148 th – 21.08.2023
			149 th – 20.09.2023
			150 th – 30.10.2023
			151 st – 28.11.2023
			152 nd – 22.12.2023
			153 rd – 29.01.2024
			154 th – 02.03.2024
3	Exam Committee	137	Conduct in different streams
4	Pass Boards	179	Conduct in different streams

Legal Compliance

The examination system functions within the framework of the following enactments/regulations/manual or other relevant Orders: -

- i. KUHS Act, 2010
- ii. KUHS First Statutes, 2013
- iii. A written examination manual was published in July 2018. Amendments, modifications required need to be proposed, approved and implemented.
- iv. The first examination regulation, 2019 has been approved by GC and submitted before the sixth Senate meeting held on 10.10.2019. The first Examination Ordinance (draft) now undergoes the procedure of modification and reexamination.
- v. Many university orders, which in effect modify the examination manual were issued after following the procedures. These modifications to the examination manual are to be in effect in due course.

Other Relevant Facts and Figures: (relevant for the year)

Sl No	Item on which data required	Number/ Qty	Remarks
1.	Punishments to candidates, ordered by GC	92	
2.	Convocations held	2	• 17th Convocation held on 02.08.2023 • 18th Convocation held on 14.02.2024
3.	Court cases during the period	71	
4.	No. of result status change	57	
5.	No. of CV camps held	115	
6.	Audit Enquiries (KSAD, AG, Internal audit)	11	• KSAD – 8 • AG – 2 • Internal Audit – 1
7.	Collection as per the DCB register for the last quarter	Rs.4,74,17,670 /-	
8.	No. of University Orders/Circulars issued	952	
9.	No. of Surveillance CDs examined	3432	
10.	RTI applications processed	203	
11.	RTI First Appeals processed	3	
12.	RTI cases before the KSIC	1	
13.	No. of GC Agenda submitted	15	
14.	No. of AC Agendas submitted	8	

15.	No. of retotalling applications handled	81	
16.	No. of entrance exams held	1	
17.	No. of digital CV camps	218	
18.	No. of answer books printed	20, 01, 906	• 52 Pages = 7, 99, 975 • 32 pages = 3, 00, 000 • 12 pages = 9, 01, 906
19.	No. of fresh valuations conducted	393	
20.	No. of Pass Boards held	179	
21.	No. of examination (Theory)	502	
22.	No. of examination (Practical)	408	

Total courses for which students enrolled in 2023-24 academic year – 151

Total Number of Graduands 2023-24: 21, 423 (UG: 18, 718, PG: 2702, PhD:3)

Total Number of Graduands 2022-23: 23,110 (UG: 19,512, PG: 3,598)

Other general points

- **RTI applications:** A total of 207 applications under RTI were processed in the year. It is being done by considering the true spirit of the RTI Act, 2005.
- **Scrutiny of Surveillance CD recordings:** Above 10 per cent of the CDs of theory examination surveillance were examined (and if necessary, even more numbers). This practice commenced on 22/08/2019.
- **Audit Remarks:** There were 8 KSAD Audit enquiries, 2 AG Audit enquiries and 1 internal audit. Remarks are replied to promptly.
- **Court Cases:** - There were nearly 71 court cases during the period involving the examination branch. There were a very few number of cases from Commission for the Disabled, the State Human Rights Commission, the Youth Commission, the Minority Commission etc. The hearings of these commissions were properly attended.

Initiatives implemented advances in the Examination Process Digital Evaluation System:

Digital evaluation system, a state-of-the-art onscreen evaluation system technology improves the current examination system and the overall evaluation process. Reduce costs and simplify the overall result declaration process, thus making it easier for both teachers and students. In a university setting, a digital evaluation system serves a critical role in managing and conducting various types of assessments efficiently. Implementing a robust digital evaluation system in a university enhances the efficiency, transparency, and effectiveness of assessment practices.

Remote Digital Evaluation Centres

KUHS has introduced a new evaluation system namely **Remote Digital Evaluation** as a part of introducing more digital modes of activity to its effective functioning.

The details of Digital Evaluation Camps are given below.

Sl No	Stream	Number of Digital Evaluation camps
1	Dental	28
2	Medical	18
3	Homoeopathy	21
4	Siddha	12
5	Unani	7
6	PhD	2
7	BAMS	52
8	Pharmacy	47
9	Nursing	26
10	AHS	45
Total		258

Online verification of genuineness of certificates

At an initial stage, verification of the genuineness of certificates were done by KUHS after verification of hard copies of applications received from the candidates along with the required amount of demand draft. An average of 2500 certificates are verified per year, causing labour work for the officials in handling the applications, verification with tabulation registers, handing over DDs to finance, and crediting DDs into concerned account. Delay in crediting DDs after usual procedures resulted in audit objections as well.

To avoid such situations online verification of the genuineness of certificates with online fee payment was introduced from 01.06.2019 and successfully implemented ever since, which eventually transformed into a helping hand to job aspirants.

Online Portal for CRRI Certificates

Graduands who have successfully completed a year of Compulsory Rotating Residential Internship (CRRI) are granted the Second Provisional Degree certificates on detailed verification of the

CRRRI Certificate issued by the principal of the concerned college. While verifying the details of departmental tenure and other contents of CRRRI certificates, there are several mistakes commonly noticed in the sections, and the rectification causes much delay, resulting in the delayed issue of the second provisional certificate to the eligible candidates. To overcome this delay, a template has been prepared by the university and uploaded to the Principals login, enabling them to enter the details correctly. Incorrect details could not be uploaded by the principals as details are predesigned by the software. This will ultimately reduce the delay in the verification of details and enhance the speedy disbursement of the Second Provisional Degree Certificates to the students, thereby avoiding course lag.

Restructuring and Optimization of Digital Evaluations (RODE) project

A new project named "Restructuring and Optimization of Digital Evaluation" (RODE) has been introduced to strengthen the digital evaluation Process. The Kerala University of Health Sciences has been in constant endeavor to improve the delivery of services to its stakeholders. To implement this, the examination branch has been proactively involved in establishing automation in its processes and procedures. Digitization of the examination system is one such method. The processing of evaluations has transformed into the digital mode, setting aside the primitive physical evaluations. To keep abreast of these advancements, the examination branch, with its IT wing, has been in the process of developing an on-screen digital evaluation system. Over the past 4 years, digital evaluation software with an indigenous scanning hardware system has been developed by the IT wing. This digital evaluation software was tested and run initially in a centralized mode at the university headquarters. Later on, it was modified to enable evaluations within the evaluation centres established in the affiliated institutions, called Remote Digital Evaluation Centres (RDEC). This development not only helped to decentralise the evaluation process but also helped to reduce the time involved in the completion of evaluations. Besides this, there has been a huge reduction in the overhead costs involved in the logistics of centralised evaluations. Thus, in short, the introduction of the Remote Digital Evaluation System (RDES) has helped both speed up the publication of examination results and reduce the cost involved in the evaluations.

The RDES has been implemented in the Medical, Dental, Ayurveda, Homoeopathy, Pharmacy, and Nursing streams, extending the same to the remaining Allied and Paramedical streams by the beginning of 2024. It is also noted that the current digital evaluation software has no means to incorporate fresh valuations. This can be a security threat and may also lead to a breach of confidentiality. In order to overcome this, new software for fresh valuation that can integrate with the existing digital valuation system has to be developed. The operating system used by the end users, i.e., the evaluators, needs to be constantly updated. This necessitates frequent updates to the evaluation software to make it function without hindrance and error-free. Besides this, the software needs to be upgraded based on the feedback received from the evaluators.

Thus, it is evident that the restructuring and optimization of the currently used digital valuation software are required for its continued use. But the dearth of IT staff at the university has become a

hindrance to achieving this. A dedicated team comprising programmers and hardware technicians is required for materializing the same. In order to overcome these obstacles, a new project named **“Restructuring and Optimization of Digital Evaluation” (RODE)** has been introduced, and the project execution stage is underway.

Aims

- * Time bound completion of evaluation and declaration of results according to the tentative calendar.
- * Developing a software for fresh valuation.

Objectives

- * Optimization of digital evaluation by reducing the time lag in the evaluation process.
- * Restructuring the existing software to simplify the complicated and time-consuming process of the third evaluation.
- * Optimizing the existing software for incorporating stream-wise variations in the evaluation process to enable easy valuations in all streams.
- * Provide frequent updates of the digital evaluation software in tune with operating system updates and based on feedback from faculties.
- * A dedicated team to handle the problems of software and hardware during the process of digital evaluation, especially with the introduction of RDES.

The project is implemented under the supervision the Systems Manger, the head of the IT section.

The market value of the existing digital evaluation software developed in-house is currently estimated at around Rs.60 lakhs. If the digital valuations were outsourced, as is the usual practice by other universities in the country, it would incur huge expenses for KUHS, including the cost of the software and the recurring expenditures involved for maintenance. By executing this restructuring and optimization of the digital valuation software in project mode, utilizing the in-house IT facilities, lump sum amounts can be saved as compared to the implementation of the same by outsourcing. In the project mode, the only expenditure incurred is the amount needed to pay the salaries of the IT personnel employed, and moreover, no additional amount is required for software maintenance such as AMC, etc.

Online application of Mark Transcript

A mark transcript is a mark list providing the details of all the subjects along with the marks that a candidate gets while completing his/her degree. It makes the candidates hassle-free as it provides information about their degree subjects and does not require separate mark lists for each semester/year. This innovation started with the Medical UG section by April 2023 and may extend to other streams in the years ahead.

Payment of all exam-related services through online

A large number of applications are received in all the sections in offline mode, with demand drafts for transcripts, Thatkal services, attempt certificates, consolidated mark lists, duplicate mark lists etc. Transitioning all university payments to an online system can offer several advantages. It simplifies the payment process, allowing for easier tracking and management of transactions. It reduces the administrative burden associated with handling cash, cheque and demand drafts minimizing the risk of errors or loss. Additionally, online payments provide greater convenience and accessibility, as students can make payments from anywhere at any time, using various digital payment methods. This approach also promotes transparency and accountability in financial transactions within the university community. However, ensuring robust cyber security measures is crucial to protect sensitive financial information and maintain trust in the online payment system.

Other Innovations already executed:

- The design of the Degree Certificate was modified by incorporating a photograph of the candidates and more security features from 2016 with the permission of the Governing Council.
- A software-based inventory control system for answer books and examination stationery has been adopted from March 2018 onwards.
- Since identifying the confidential portion of the answer book (Part I) entry is a mechanical process, errors may creep into the entry. After identifying the problem, a solution was designed and implemented from September 2018 onwards. The solution is the entry of the data at two different points by two different teams without appointing even one additional staff member. The underlying idea is that the possibility of the same mistake occurring at the two entry points simultaneously is almost nil.
- Incorporation of the photograph of the candidates into the admit card by accessing it from the database of the examination. This solves the problem of interchanging data caused by the same/ similar-named candidates in a college and prevents impersonation.
- Evaluation of the theory answer books digitally, that is, by conversion of physical answer books into digital images with the help of software developed in-house.
- Software-based monitoring of the performance of the evaluators by using statistical tools and techniques.
- Software-based stock entry of answer books received from exam centers.
- Software-based genuineness verification (online) has been introduced since April 2019.
- Introduction of online evaluation of theses.
- Introduction of online provision for photocopies of answer books and score cards.
- Introduction of digital signature of the Vice Chancellor in degree certificates.

Areas where Innovation is still required to be implemented: -

- Evaluation of the thesis or dissertation. The possibility of it being done exclusively in online mode is under consideration.
- For keeping registers and DCB accounts electronically, software must be developed.
- A complete version of examination software must be developed that ensures maximum possible automation.
- Writing examinations using electronic pads, the examination wing may achieve cent percent digitization, starting from writing the examination to the publication of results.
- Entry to the National Academic Depository is mandatory as per the general policy of the Government of India and provision for the same is to be initiated by introducing the Digi Locker system.
- Streamlining examination halls with connectivity and real-time projection to enable the Controller of Examinations to view the examination proceedings of all centres if required. (The concept of virtual theory examination centers at the fingertip of the Controller of Examinations.)
- Answering questions under RTI (online version) is halfway through.

Recent developments in examination-related software took place They are:-

- a) Development of software to deal with cases requiring withholding the results in respect of certain candidates for various reasons. This helps largely in avoiding a situation in which the cases for withholding the results go unattended.
- b) Development of software for the generation of mark lists of examinations, without much confusion in the matter.
- c) Online application of Mark Transcript started in the Medical UG stream.

Future Plans to make the system more effective and time-tested:

One of the greatest challenges faced by the examination wing is the emergence of advanced digital technologies utilized by some candidates to perform malpractices during the examinations. Kerala University of Health Sciences knows the examination system prevailing in the university should be foolproof and strong enough to pick out the fraudsters, miscreants, or bad elements that may appear in the conduct of examinations.

In light of the above, it is felt that the system of the examination should, at any point in time, be able to win the test of time and be strong enough so that justice is ensured to the candidates and the fraudsters are picked out and punished accordingly or appropriately. Constant reforms to the system would be needed to cope up with the advancements in technology, and these reforms are intended to bring about qualitative functional improvements in the areas of: -

1. Actual conduct of examination.
2. Conducting Practical Examination with software.
3. Automated DCB Register.
4. Digitally signed mark lists.

5. Provision of Digi locker facility for the university documents.

Actual conduct of theory examination:

University Theory Examination Centre status is granted to affiliated colleges which comprise mainly private self-financing institutions. There may be concerted efforts from the part of the institutions and students to indulge in malpractices during the conduct of examinations. The university is of the opinion that any such attempt should be found out and rooted out so that unhealthy or fraudulent practices can be avoided and the quality and standard of education can be ensured. Candidates approaching or resorting to “shortcuts” to pass the examination should be picked out and punished appropriately. Despite installing a CCTV camera in the theory examination hall, this is not being found satisfactory for all practical purposes. When needed, CD’s of the CCTV recordings are examined, but at times, the visuals are not clear to ensure transparency in the examination hall. This may be because the surveillance cameras installed by the institutions may not meet the required standards in terms of the camera’s reach, the resolution, or the digital definition. In order to overcome this issue, the university proposes to purchase and install its own surveillance camera with the required reach, resolution, and digital definition. Advanced dome cameras moving at a 360-degree angle need to be installed so that the next immediate movement of the camera cannot be predicted. The high-definition digital images caught from even far corners shall be streamed live to the office of the Controller of Examinations, enabling real-time monitoring. This can considerably reduce the malpractices in the theory examinations, such as the use of electronic devices like digital watches, spectacles, invigilators, or any other persons in the hall or veranda helping the candidates, and even the use of a Bluetooth device may be detected.

Conducting Practical Examination with software

In continuation of the digital evaluation of theory answer books, further initiation is required for conducting practical examinations using software to be developed for batching the students into groups for exams, sending intimation to the examiners, fixing dates according to register numbers etc. The required information has been handed over to IT department and the development of the software is at its final stage.

Automated DCB Register

The registration fee for examinations, the due amount of SC/ST/OEC students, and arrears from colleges for each examination are verified with registration reports and calculated manually. Therefore, several mismatches in entries in the DCB register have been noticed, and monthly, quarterly/yearly statements are prepared after rectifying the errors. Hence, to avoid time delays and to ensure accuracy, an online-based accurate fee calculation system and an automated DCB register are required. The IT section is instructed to develop software for the same.

Digitally signed mark lists

A digitally signed mark list, which can be downloaded from the university website, shall be issued to the candidates for all years of the examination of the course after the declaration of results. This may be implemented for students admitted in the forthcoming academic year. A consolidated mark list shall be issued on request after payment of the required fee, once the candidate has been declared to have passed all the examinations of the course. The consolidated mark list will have the name of the examination in which the candidate has passed the subjects and the details of the marks secured in it.

Provision of Digi locker facility for University Documents

Entry to the National Academic Depository is mandatory as per the general policy of the Government of India, with provisions for the same to be initiated by introducing the Digi Locker system. All university documents, including mark lists, duplicate mark lists, transcripts, etc. will be made available in the Digi Locker system.

Conclusion:

The Kerala University of Health Sciences Examination System is designed to achieve high academic standards and quality of education. Hence, it is mandatory to maintain high degrees of accuracy, reliability, integrity, consistency, transparency, and uniformity in the conduct of examinations. To achieve this goal, the examination branch has been reviewing and revising the system from time to time, considering the emerging challenges, reforms, and demands.

The Finance Branch deals with the matters connected with Finance, Accounts and Audit of the university. The Branch is having two wings: -namely: General Finance and Examination Finance.

Finance officer is the controlling officer of the Branch and the principal advisor on all matters connected with Finance, Accounts and Audit of the university. He is assisted by two Deputy Registrars and two Assistant Registrars each, for General Finance and Examination Finance respectively.

To accomplish the assigned responsibilities in a systematic and time bound manner, the rules and orders contained in the following Act, Statutes and codes are relied upon:

- KUHS Act 2010, Chapter III- 16 (2,3,4,5), Chapter IX
- KUHS First Statutes Chapter II-53,54
- Kerala Financial Code
- Kerala Treasury Code
- Kerala Budget Manual

Vision statement of the Branch

To help the university to maintain healthy financial environment in accordance with the Act, statutes and laid down rules.

Mission Statement of the Branch

To design and establish proper accounting/monitoring system to see that the financial aspects of the University are dealt with proactively and efficiently.

Finance Officer

The General Finance deals with accounting of affiliation fees, continuation of affiliation fees, annual administration fees, student registration fees, refundable deposits from the colleges affiliated to the university and such other receipts. It constantly interacts with Government and other agencies for allotment of grants, accounts grants received and submits utilisation certificates for the same. Preparation of Annual Budget for the various receipts and payments anticipated during the ensuing year on a realistic basis, also keeping in view the fund requirements for the infrastructural and developmental activities of the university is also an important function of the General Finance Branch. General Finance

branch also undertakes the preparation of Annual Accounts, payment of work bills, purchase bills, salary bills, other establishment and administrative bills, filing of statutory returns and attends to various audit procedures done by Internal Audit, Tax Audit, Local fund audit (State) and CAG audit.

The Exam Finance deals with all payments related to advances for theory and practical examinations, centralised valuation camps, TA and sitting fee to members of pass boards, examination committees, subject experts, external examiners, practical convenors, question paper setters, dissertation evaluators, and remuneration to the nodal officers. Despite the increasing work load the Examination Finance Branch through its systematic organisational structure manages the work flow and successfully settles all the claims within the stipulated time frame.

The Act and Statutes of the University envisage that all grants and loans received from the State Government, the Government of India, the University Grants Commission and from any other source, all revenues of the university, all fees received, all income such as rent and revenue derived from properties and funds vested in the university, all endowments and donations received from any source whatsoever, all other miscellaneous receipts of the university and deposits, remittances and service of funds, received in connection with the affairs of the university shall form one consolidated fund styled “Kerala University of Health Sciences Fund” and shall be utilized for the purposes in the manner laid down in the Act and Statutes, Ordinances, Regulations, Bye-Laws and Orders. In order to control the inflow and out flow of funds, the university resorts to Budgetary control system.

Summary of the Budget Estimates for the year 2024-25 and revised estimates for the year 2023-24 at a glance were as under:

Kerala University of Health Sciences, Thrissur

Grants received from Government

The University is receiving grants from Government for its day to day operations (Non-Plan) and for creation of infrastructure and Capital Assets (Plan). Plan Grant received during the period 2023-24 was ₹334.35lakh and Non Plan Grant received during the period 2023-24 was ₹441.41 lakh.

Accounting Procedure

Compared to the conventional Government Accounting Single Entry Accounting system with cash basis, the university has adopted Double Entry Accounting system with accrual basis.

The Government accounting system is cash basis of accounting under which transactions are recorded when the related cash receipts or cash payments take place. Thus, the revenue of educational Institutions, such as donations, grants, etc. is recognized when funds are actually received. Similarly, expenses on acquisition and maintenance of assets used for rendering services as well as for employee remuneration and other items are recorded when the related payments are made. The end-product of cash basis of accounting is a statement of Receipts and Payments that classifies cash receipts and cash payments under different heads.

Accrual basis of accounting is the method of recording transactions by which revenue; expenses, assets and liabilities are reflected in the accounts in the period in which they accrue. The accrual basis of accounting includes considerations relating to accrual of income, provisioning of expenses, deferral, allocations like depreciation and amortization. This basis is also referred to as 'Mercantile Basis of Accounting'.

Accrual basis of accounting records the financial effects of the transactions and other events of an enterprise in the period in which they occur rather than recording them in the period(s) in which cash is received or paid. The goal of accrual basis of accounting is to relate the accomplishments (measured in the form of revenue) and the efforts (measured in terms of costs) so that the reported net surplus measures an enterprise's performance during a period rather than merely listing its cash receipts and payments. Apart from income measurement, accrual basis of accounting recognizes assets, liabilities or components or revenue and expenses for amount received or paid in cash in the past, and amounts expected to be received or paid in cash in future.

In cash basis of accounting, no account is taken of whether the asset is still in use, has reached the end of its useful life, or has been sold. Thus, cash based information fails to show a proper picture of the financial position and performance of an organization for the accounting period.

A cash based system does not provide information about total costs of an organization's activities. On the other hand, accrual system of accounting offers the opportunity to the organization to improve management of assets, and provides useful information about the organization's actual liabilities, relating to both debts and other obligations such as employee entitlements.

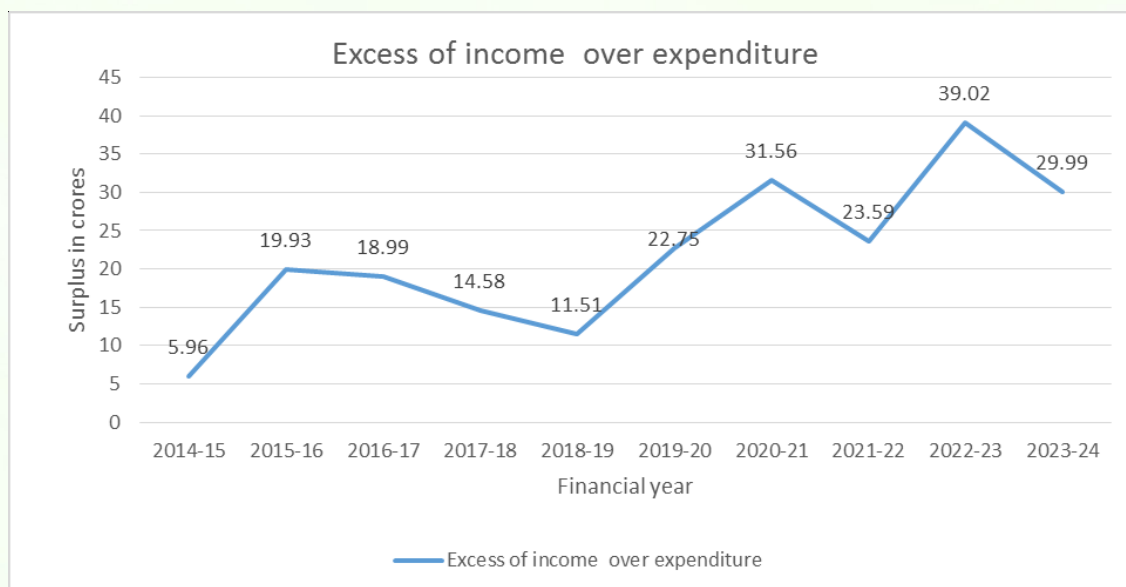

Accrual is the scientific basis of accounting and has conceptual superiority over the cash basis of accounting. The University therefore, has maintained its books of accounts on accrual basis. Such type of accounting enables an organization to create a corpus fund by transferring surplus from its activities every year which can be utilized in furtherance of its objectives.

The cumulative corpus and surplus during the year, of the University since inception till 2023-24 were as under:-

Year	Surplus (Rs. in Lakh)	Corpus Fund(Rs. in Lakh)
2009-10	7.36	24.22
2010-11	806.88	883.90
2011-12	1,599.33	2,540.88
2012-13	1,998.63	5,784.21
2013-14	331.02	7,849.31
2014-15	595.95	10,817.04
2015-16	1,992.95	12,809.99
2016-17	1,898.99	14,708.98
2017-18	1,458.47	16,345.88
2018-19	1,150.73	18,524.53
2019-20	2,275.17	20,968.43
2020-21	3,155.99	24,124.42
2021-22	2,358.98	26,128.07
2022-23	3,902.18	29,530.25
2023-24	2,998.63	32,028.89

A graphic presentation of the surplus made by the university during the period 2014-15 to 2023-24 is shown below:

All accounting transactions are computerized with the help of a software developed through

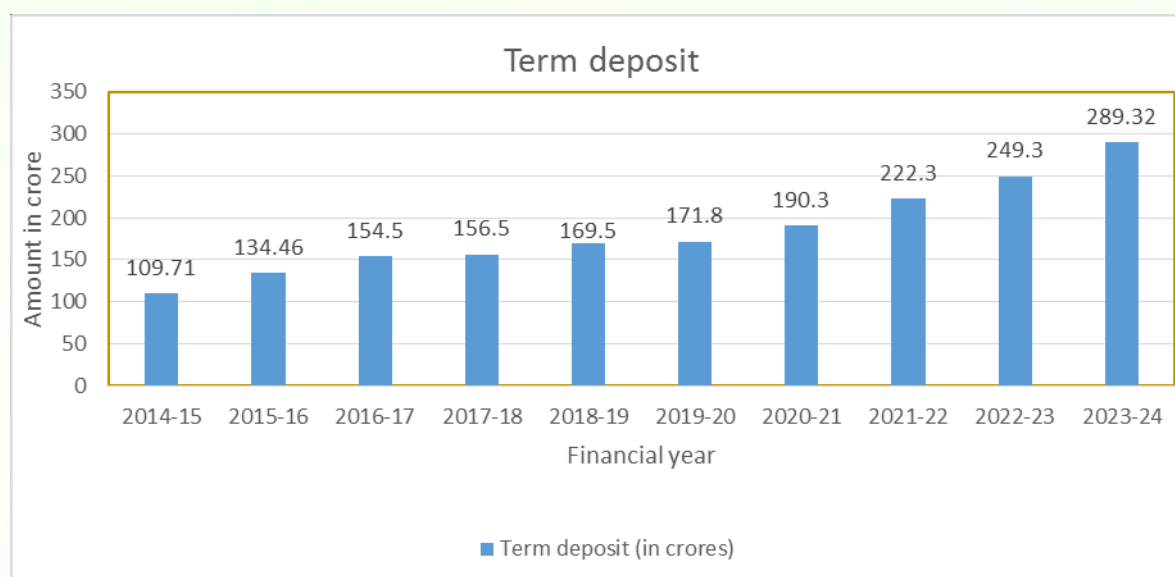

National Informatics Centre, New Delhi. The procedure adopted includes preparation of receipt, payment and contra vouchers at individual seats, checking/verification of the vouchers at Section of-ficer/Assistant Registrar/Deputy Registrar level and approval of the vouchers by Finance Officer. Once the vouchers are approved, the software posts the same to appropriate ledger accounts, prepare trial balance, Income and Expenditure account and Balance sheet for a specified period. Adjustment entries, if any, are passed manually.

Investment of surplus fund in fixed deposits

The fund which are not immediately required were invested in short term fixed deposit with State Bank of India/Government Treasury. The amount of such deposits made during the period 2014-15 to 2023-24 were as under:

Year	Amount of deposit (Rs. in Lakh)
2014-15	10,970.99
2015-16	13,446.38
2016-17	15,450.00
2017-18	15,650.00
2018-19	16,950.00
2019-20	17,180.00
2020-21	19,030.00
2021-22	22,230.00
2022-23	24,930.00
2023-24	28,931.71

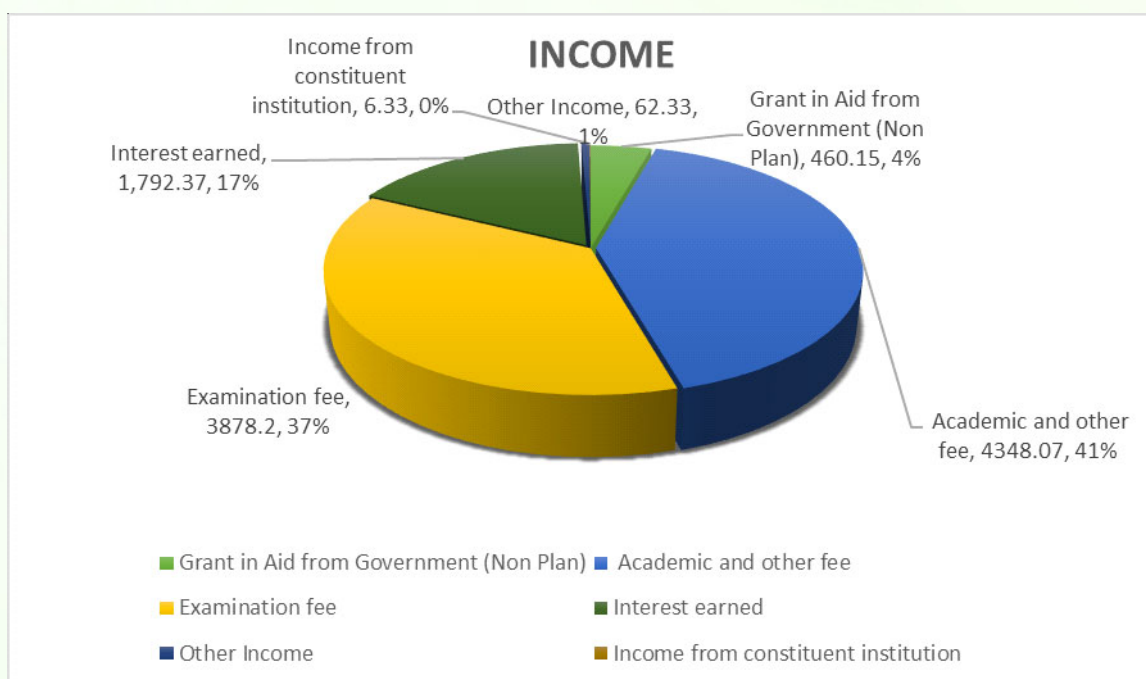

A graphic presentation of the deposits made during the above period is shown below:

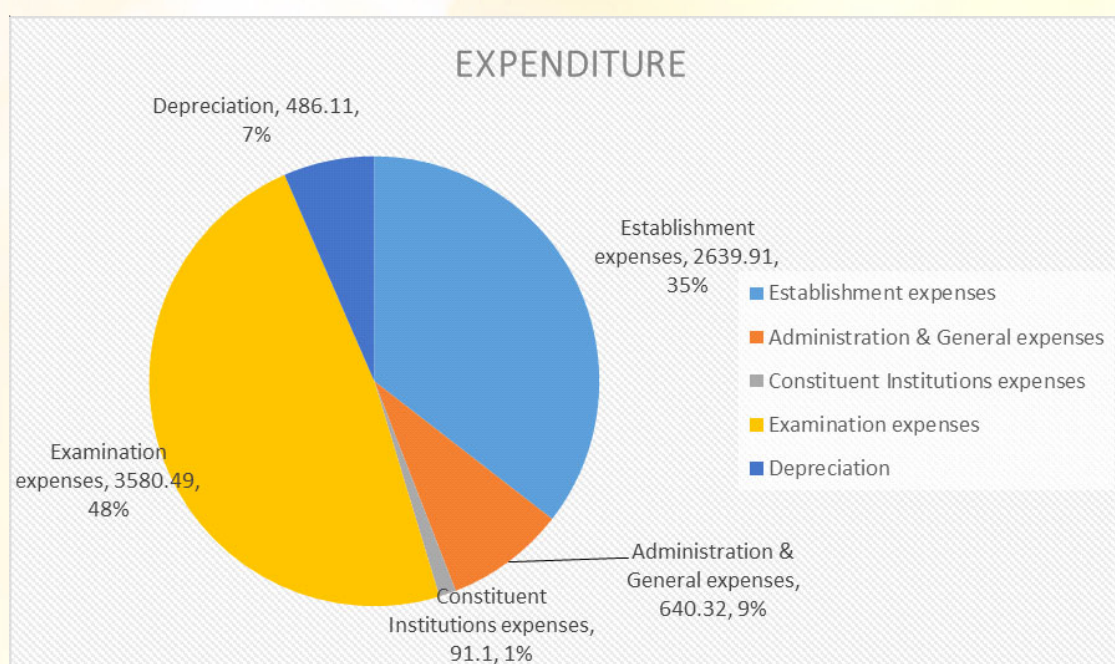

Financial results of the university, the quantum of receipts and payments and other key financial figures for the period 2023-24 are enumerated in the succeeding pages with graphic presentation

Receipts and Payments A/c for the year ended 31.03.2024

Receipts (Rs in lakh)		Payments(Rs in lakh)	
Particulars	Amount	Particulars	Amount
Opening balance	26,731.40	Salary and other employees cost	2,608.25
Grant in aid from Govt	818.71	Academic Expenses	66.23
Academic income	4,609.30	Administration & general expenses	648.24
Affiliation fee	1,238.90	Examination expenses	3,440.64
Examination fee	3,905.36	Research Schemes and Projects - Others	92.69
Other Income	62.16	Student Welfare Expenses	94.39
Interest earned	1,662.67	Extension Activities	927.85
Income from constituent institutions	6.34	Debt heads	5.00
Debt heads	587.50	Endowment Investment	132.02
Endowments	5.05	Closing balance	31,612.08
Total Receipts	39,627.39	Total Payments	39,627.39

Balance sheet as at 31st March 2024 is as under

BALANCE SHEET AS AT 31st MARCH 2024			
Liabilities	Amount (in lakhs)	Assets	Amount (in lakhs)
Corpus/Capital Fund	32,028.89	Fixed Assets	4,342.01
Grant in Aid from Government (Plan)	4,311.34	Project Work in progress	11,763.58
Earmarked Funds	7,195.28	Investment of Earmarked Funds and Other funds in Fixed Deposit	28,931.71
Current Liabilities and Provisions	5,910.26	Current Assets	4,408.53
Endowment fund	8.06	Endowment Fund Investment	8
TOTAL	49,453.83	TOTAL	49,453.83

In order to achieve the vision and mission of the university, the following initiatives have been carried out in Finance Branch.

1.Accounting

All accounting transactions are computerized and includes automatic voucher generation, generation of journal, cashbook, ledger, trial balance, Income & Expenditure, Balance Sheet etc.

2. Annual Financial Statements

As per Section 66 of the Kerala University of Health Sciences Act 2010, the annual Budget Estimates along with the financial statements of the University for ensuing Financial Year shall be prepared by the Finance Officer and presented to Governing Council, under the directions of the Vice Chancellor before such dates as may be prescribed by the statutes for approval. After getting approval of the Governing Council, it shall be presented in the senate for discussion. But the Senate, if required,

can make suggestions and incorporate amendments to the proposed Budget and return the same to the Governing Council for consideration. The Governing Council may accept or reject the recommendations made by the Senate.

As per Statute No. 9(1), Chapter VI of the first Statutes 2013 of the Kerala University of Health Sciences, the Governing Council shall, before the first day of January of every year examine the Financial Estimates of the income and expenditure for the ensuing financial year which has been prepared by the Finance Committee or make such alteration as it deems fit and approve the same with modifications, if any. As a part of innovation in preparing budget estimates, anticipated expenditure under different heads/programmes/works, have been ascertained by consulting all branches of the University, so as to include necessary provisions for expenditure in the Budget Estimates and holding meetings/discussions with Branch heads and other officials for the purpose, besides obtaining the quantum of anticipated expenditure and Introducing new budget heads based on the needs of the branches.

3. Audit observations and Audit Reports

For timely compliance to Audit Observations and Audit Reports, the innovations carried out included:

Conducting meetings with the branch officials concerned on points contained in the observations/reports and formulating strategy for compliance.

Drafting compliance to the observations discussed in meetings before they are finally furnished to audit.

Arranging entry and exit meetings with the auditors for discussing the strategy of Audit and the observations contained in the Audit Report.

Furnishing clarifications/explanations required during Audit within a reasonable time frame and wherever necessary conducting discussions by higher officials with Audit Authorities.

Uploaded Consolidated Audit Reply of 2020-21 to the AIMS software (Audit Information Management System) of Kerala State Audit Department in respect of KSA department audit.

KSA Department audit for the years 2021-22 has been completed and the Report has been published on 01/03/2024. The Audit by Accountant General has been completed upto October 2023.

4. On-line receipts

The University has introduced online receipt system for collections related to examination and academic purposes.

The introduction of online receipt system in association with SBI e-pay, the business department of State Bank of India providing payment aggregation services, has wiped out such impediments. Under the system, the payee institutions and individuals can pay various types of fee to the University using credit cards/Internet banking. The successful payments are credited to the University's accounts

within a period of maximum three days. Thus the loss of interest due to delay in affording credit by the bank as well as wastage of manpower is avoided to a great extent. The online receipt system has also made the job of payee institutions a lot easier.

The fee receipts on account of Affiliation, Continuation of Affiliation, Annual Administration, Examination etc are being received from the constituent institutions/students by way of SBI-epay since November 2019.

KUHS started receiving online payments from various affiliated colleges from November 2019 onwards. For this we have developed our own software so that filling up of relevant application form and payment thereon can be made through the software itself.

5. Employees Provident Fund(KUHS)

PF credit cards till 2022-23(FY) has been issued to the employees.

6. Initiatives in respect of Examination Finance Section

- i) All payments like TA to external examiners for the conduct of practical examinations, TA to observers for the conduct of theory exams and TA and Remuneration to evaluators for paper valuation are made through NEFT/RTGS payments, directly to the bank account of the faculties concerned which has proved to be very effective, easy and time saving. Earlier, the University was sending individual cheques which was time consuming.
- ii) University has introduced text messaging system to the mobile numbers of observers, examiners and evaluators in order to communicate details of payments made to them.
- iii) University is sending system generated e-mails to all colleges with all the settlement details after final settlement of expenditure of each examination for easy disbursement of examination remuneration at college level. Earlier, University was sending individual mails manually.
- iv) Cash Book, Journals, Vouchers, and Payment Registers are computerised so that the accounts and registers are up to date, accurate and systematic, which enable speedy and easy reconciliation and financial year ending adjustments.
- v) Grouping of bills of different examinations of same discipline helped to make the payments organised, fast and this in turn reduced the number of cheques taken for TDS. Now the total amount of TDS deducted from an evaluator can be traced out easily.
- vi) Duplication of bills can be traced out easily through the computerisation of bill entries. Also payment reports can be generated online instantaneously.
- vii) Each course is being dealt under the direct control of an assistant, so that payment and unsettled advances if any can be traced out and queries from evaluators and examiners dealt with easily.
- viii) For making payment prompt and accurate, payment is made to the account number mentioned by the evaluator/examiner in the bill. In case of any discrepancy, evaluators are requested to forward a copy of their Bank pass book page in which account number and IFSC code are mentioned.

- ix) Tapal entry is made online at Exam Finance branch. As a result, the current status of each bill (Advance, settlement & TA) from its receipt to its disposal can be traced out, which also helps in processing of the bills speedily.

Achievements of Finance Branch

1. Timely finalisation of Annual accounts
2. Timely finalisation of Annual Budget Estimates
3. Establishment of PF Account Management System
4. Introduction of On-line receipt system in respect of various types of fees with the help of SBI-‘epay’, has been implemented in respect of Examination receipts and of Academic branch since November 2019. This enabled the university to avoid delay in crediting demand drafts received from the affiliated institutions, students etc. by bank and thereby resulted in saving substantial amount of interest.
5. Computerisation of Examination (Finance) Wing has resulted in prompt payments to examiners and institutions.

OFFICE OF THE Deans

Office of Dean Academic

Duties assigned to Dean (Academic) are:

- To assist the Registrar in Academic Activities.
- Other duties assigned by the Honorable Vice Chancellor and the Registrar.
- In charge of Director of Planning.
- In charge of university website and You tube channel.
- Coordination of submission of data and enrolment of KUHS in Association of Indian Universities.
- Co-investigator of revision of perspective plan, a project initiated by School of Health Policy and Planning, Thiruvananthapuram.
- Nodal officer of implementation of Gender neutrality in all academic documents like regulations, syllabi, curriculum etc.
- Co-ordinator of IQAC Cell.
- Dean Academic is a member of the following committees
 - o School Board
 - o Planning committee
 - o Quality Assurance Council
 - o Quality Accreditation Monitoring Committee
 - o NEP Cell
 - o Academic subcommittee of AYUSH
 - o Research and Development (R&D) Cell
 - o Innovation Cell

World Bioethics Day Celebration

An online webinar was conducted on 19th October 2023 as part of the World Bioethics Day Celebrations in which Dr. Binu Areekkal, HoD of Community Medicine, Govt. Medical College, Idukki, Dr. Ajithkumar K, HoD of DVL, Govt. Medical College, Kottayam, Dr. Suma T K, Former Principal, TDMC Alappuzha & Director WHO CC for Lymphatic Filariasis Morbidity Management and Disability Prevention, Dr. Ravindran C, Addl. Professor of Gen. Surgery & Member Secretary, Institutional Ethics Committee, GMC Thrissur, were the key speakers.

KMTC Stakeholders Connect Meet

The Kerala Medical Technology Consortium (KMTC) has been constituted as a flagship project of the Government of Kerala, in June 2022 to act as a catalyst which will help to realize the dream of making Kerala the Medical Devices hub of the country. The KMTC identifies and engages with the key stakeholders of the medical device ecosystem: Research Institutions, Hospitals,

Academia and Industry Kerala University of Health Sciences and KMTC were jointly hosted the 6th KMTC stakeholders connect meet (SCM) on 30th May 2023 at KUHS headquarters, Thrissur. The theme of the meeting was “Navigating Clinical Research Trials for successful development of Medical devices / Medical technology”.

Developmental projects

Centre for e-learning

The 76th Governing Council has approved the proposal of the planning committee of the Kerala University of Health Sciences to start a center for E-Learning for coordinating and facilitating the online activities of KUHS. Subsequently, a technical committee was constituted to assist in the establishment of the Center for E-Learning at KUHS with the statutory officers of the university and Dr. Ajith Kumar, Director, Centre for E-Learning, Kerala Agricultural University, as an external expert. The committee met on February 20, 2024, and accepted the draft proposal for setting up the Centre for E-Learning (Phase-1) with an expected budget of Rs 29,000,00/- (Rupees twenty-nine lakh only), (including technical manpower for one year).

The primary objectives of the E-Learning Center are as follows:

- **Online Course Management:** Utilise LMS to design, deliver, and manage online courses, ensuring accessibility, interactivity and assessment tools for students and instructors.
- **Content Development:** Collaborate with university schools to develop multimedia content, including videos, presentations, quizzes and interactive modules, based on the syllabus provided.
- **Faculty Training:** Provide training and support to faculty members on effective online teaching methodologies, content creation and LMS usage.
- **Student Support:** Offer technical support, online tutorials, and resources to students to navigate the LMS platform, access course materials and participate in online activities. The 78th Governing Council, vide decision no 78.22, has approved the draft proposal.

The establishment of the E-Learning Center at KUHS will modernize the delivery of education by providing flexible and accessible learning opportunities to students. By leveraging advanced technologies and collaborating with university stakeholders, the center will enhance academic activities, supplement traditional teaching methods and pave the way for innovative learning experiences in healthcare education.

The work on this project is progressing at a faster pace. The e-learning center is expected to be operational by August 2024.

KUHS e-Journal

In pursuit of fostering academic excellence, promoting interdisciplinary research and advancing knowledge dissemination within the field of health sciences, Kerala University of Health Sciences (KUHS) proposes the establishment of an open-access, peer-reviewed academic journal. This initiative aims to provide a platform for scholars and researchers affiliated to the university,

to publish their innovative findings, critical insights, and scholarly perspectives on various dimensions of health sciences.

78th Governing Council vide its decision No.78.42 has resolved to publish the e-journal as an in-house project by the university.

Academic Cell

An academic cell has been constituted vide U.O.No.64/2024/dean/KUHS dated 07.02.2024, to streamline, strengthen, and monitor the academic activities of the university, with the following major responsibilities:

- a. Facilitation of all Board of Studies, Faculty meetings.
- b. Academic components of Academic Council meetings.
- c. Implementation of the decision of the Statutory Bodies with relation to academic matters.
- d. Time bound preparation and updation of Course Regulation, MSR, Curriculum and Syllabus.
- e. Academic monitoring.

Objectives

- To develop a dedicated and empowered wing for achieving academic targets in a time bound manner.
- Moulding personnel with comprehensive understanding of academic matters and to gain experience in managing the intricacies of the three Statutory Bodies (namely Board of Studies, Faculty and Academic Council)
- Serve as a training ground and a platform for long-term development of university workforce in academic matters.
- Contribute to the advancement of academic mission of the university by creating a robust and efficient system that fosters academic excellence and supports the growth and development.

Activities of the Academic Cell

I) Water marking and barcoding of the syllabi

Water marking and barcoding of the syllabi have been implemented to reduce workload in connection with syllabus attestation and to avoid external tampering as well Entrusted IT wing to process further.

II) Regulations

The following regulations have been published in the official gazette:

- i) Academic General Regulations
- ii) Medical PG regulations
- iii) PG Thesis / Dissertation Regulations

Final whetting of the following course regulations has been completed and will be published in the

official gazette shortly:

- i) MDS
- ii) BHMS
- iii) P.G Diploma in Ayurveda
- iv) MD/MS Ayurveda
- v) B.Pharm Ayurveda,
- vi) B.Sc. Nursing – Ayurveda
- vii) Regulations of Paramedical Courses

Analysis of Academic Performance of students in Institutions affiliated to KUHS from 2015 to 2023

Studying academic progress provides institutions with data-driven insights that inform continuous improvement efforts. By analysing trends, patterns, and areas for improvement, institutions can make informed decisions about curriculum development, teaching practices, student support services, and institutional policies. This helps create a culture of continuous improvement and fosters a positive learning environment. Assessing academic progress allows institutions to effectively communicate their performance and outcomes to various stakeholders, such as students, parents, faculty, staff, governing boards, and the wider community. Transparent reporting of academic progress enhances accountability, builds trust, and facilitates informed decision-making by stakeholders.

Foreseeing the above scenario, Hon'ble Vice Chancellor has approved the project proposal for the analysis of the academic performance of students in Institutions affiliated to Kerala University of Health Sciences from 2015 to 2023 and this project is envisaged as a part of Academic Cell.

The project is proposed to be conducted in 2 stages.

1. Stage 1: A pilot project based on one undergraduate course. The suggested course is MBBS.
2. Stage 2: After completion of the pilot project, the results will be reviewed. Necessary changes will be made to fine tune the methodology and other undergraduate courses will be analysed in a phased manner.

KUHS Alumni Association

Academic institutions prepare their students for productive careers and successful lives. Institutions often showcase with pride to the successes of their alumni and their contributions to the society and they are often quoted as the yardstick by which the effectiveness of the academic programs is measured. KUHS is in its second decade of existence. More than a lakh health care professionals have graduated from KUHS till date. Most of the initial batches of graduates probably have attained high positions in the academia, research or have made contributions to the Health Care of the society. But, we have not made a concerted effort to connect with the alumni. In this context, a proposal has been submitted by the Dean Academic to form an Alumni Association of KUHS graduates. The 74th Governing Council vide its decision no. 74.24 has resolved to grant

permissive sanction to form the KUHS Alumni Association. Accordingly, first meeting was held through online mode and measures are being taken to form KUHS Alumni Association.

Collaboration between the Federal State Budgetary Institute NN Petrov National Medical Research Center of Oncology and Kerala University of Health Sciences The Federal State Budgetary Institute NN Petrov National Medical Research Center of Oncology has expressed willingness for collaboration with KUHS and extended an invitation to the Hon'ble Vice Chancellor to join the editorial board of the esteemed scientific and practical journal "Voprosy Onkologii." The 79th Governing Council vide its decision no.79.47 has accepted the proposal in principle and resolved to sign a memorandum of understanding with the Federal State Budgetary Institute NN Petrov National Medical Research Center of Oncology and the developments in this regard are progressing .MoU is ready to be signed.

Office of Dean Research

Duties Assigned

- Matters related to PhD Scholars
- Recognition of Research Guides (PhD)
- Recognition of Centres of Research (PhD)
- Ethics Committee
- Research Council
- Innovation Cell
- IPR Cell
- PhD Programme
- Orientation session for PhD candidates
- Matters related to PG synopsis & Guide change
- Research Capacity Building Programmes for UG & PG students
- KUHS Research Appreciation Awards
- Award for Publication of PG thesis
- Nation Conferences for Research
- Works related to PG Synopsis
- KUHS Central Library

Activities during the year

The Research division of KUHS was constituted with a vision to give an effective direction to the research activities.

Recognition of PhD Supervising Guides

Recognition of PhD Supervising Guides is granted based on the provisions in the PhD regulations 2018, Section 5. List of 632 PhD supervising guides were uploaded in the website (Ayurveda - 68, Dental - 151, Homoeopathy - 11, Medicine - 136, Nursing - 63, Paramedical & Allied Health Sciences - 77 and Pharmacy - 126) Applications for approval of PhD Guide-ship was invited for 2024. 158 applications were received from various streams. The process will be completed in coming months and the next notification will be issued in January 2025.

Recognition of Centres of Research (ANNEXUIRE IV)

Recognition of Centre of Research for PhD programme is granted based on the provisions in the PhD regulations 2018, Section 4. New research centres are approved every year after consulting

scrutiny, and inspection if needed. At present there are PhD centres of research in 97 Institutions in Kerala including KUHS Research Centre. Like every year, applications were invited to recognize as research centre under KUHS for the year 2024. The process will be completed in coming months and the next notification will be issued in January 2025.

Ethics Committee

Five meetings of the University Ethics Committee were held during the period through hybrid mode, the committee approved three new projects. A training program for the UEC members & the Institutional Ethics Committee members of the affiliated institutions was conducted on 06.02.2024.

Research Council

Three Meeting of the Research Council were held during the period through online mode. The research council decided to formulate a research policy for the university. The council also suggested to promote the research under the university using the earmarked fund for research.

Innovation Cell

Two meetings of the university Innovation Cell were conducted during 2023-24 financial year. A training program to the members of the Institution Innovation Cells(IIC) of affiliated institutions is conducted on 27.06.2023.

IPR Cell

IPR Cell was formed and the Dr. K S Shaji was appointed as nodal officer and participated a 2day training programme organised at CET TVM. A workshop jointly organized by the university and the KSCSTE – IPRICK will be conducted under the IPR Cell for the awareness of Intellectual Property Rights, Patents Filing etc.

Matters related to PG synopsis & Guide change

Notifications were issued inviting online submission of synopsis of PG thesis for various PG courses under the university, as per the recommendations from respective Faculty Deans. Reviewers were assigned to the synopsis received. New PG Thesis regulations came into force from 2024. Every process for the review of PG Synopsis will be guided by the respective councils or the KUHS Thesis regulations 2024.

PhD Programme- details

Admission Memo for 93 candidates were served during the year and 93 Nos joined the programme at various Centres of Research as PhD Admissions 2023 (Batch VI). Year End Examination for Batch V was conducted in November 2023 for the 154 PhD Scholars registered in 2022, 2021 and 2020. During this period PhD awarded to 3 candidates one candidate is in the discipline of Pharmacy and two candidates is in the discipline of Nursing.

Publications

One Research Newsletter(online)-ReCab@KUHS.

Programmes conducted Orientation Programmes

Orientation classes for PhD Batch V and VI were conducted through online during this period
Research Capacity Building Programmes for UG & PG students.

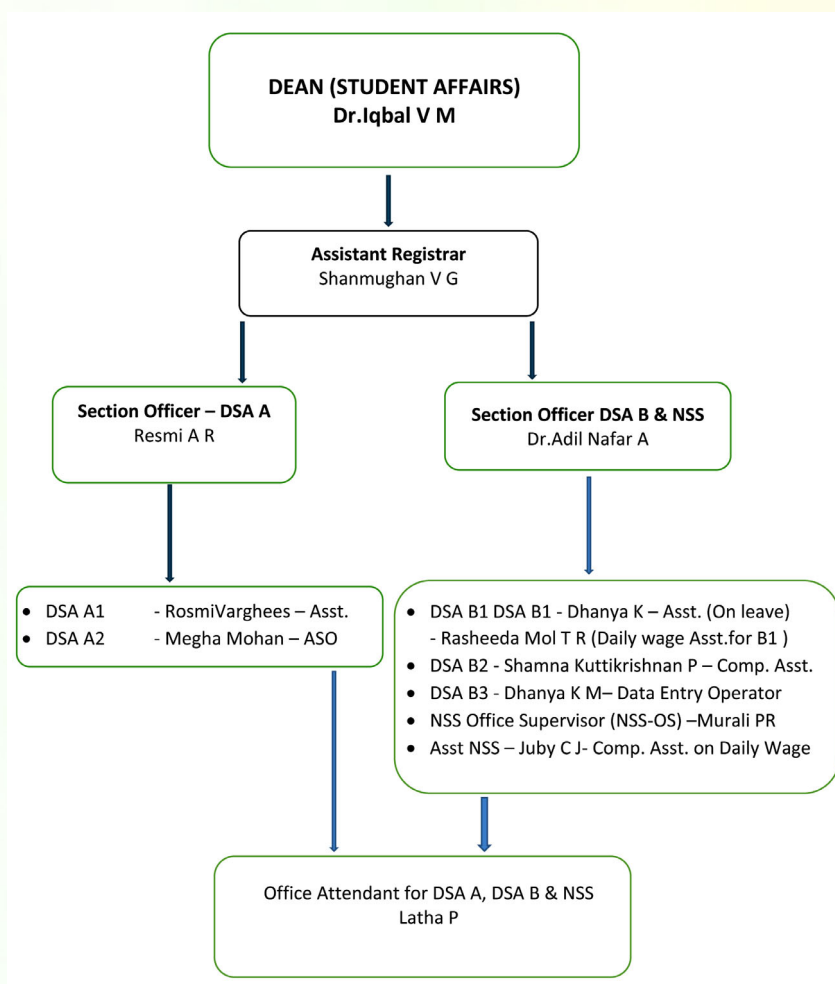

The final guidelines for KUHS Research Appreciation Award program & also for the award for the publication of PG Thesis were prepared by the respective committee formed for formulating the guidelines, was approved by the university. Steps are being taken to invite applications under both programs in the month of April.

Office of Dean Students Affairs

Dean Student Affairs: Dr. Iqbal VM

1 Duties Assigned

- i) Board of Adjudication for Students Grievances
- ii) Students Union Election
- iii) Students Council

Over 200 students from different campuses participated in the programme.

Mamatha Voluntary Service Challenge & Care Kerala Initiative of Kerala University of Health Sciences

In continuation of the efforts of KUHS in imparting personalised care for the needy patients of the state Mamatha Voluntary Service Challenge & Care Kerala Initiative of Kerala University of Health Sciences was conducted on 10.02.2024 at the Senate Hall, KUHS. This is a unique challenge thrown at the students of KUHS by the renowned cine artist Ms. Mamta Mohandas, the brand ambassador of Swasthi Foundation in association with NIIMS, Neyyatinkara.

This programme aims to bring necessary care and support for the needy bed-ridden patients by student volunteers, thus enabling them to learn through social service. Hon'ble Vice Chancellor Prof.(Dr.) Mohanan Kunnummal welcomed all. The challenge was launched by Hon'ble Mr. Justice Amit Rawal, Judge, High Court of Kerala. Ms. Mamta Mohandas, delivered the speech. College Union representatives of KUHS and NSS volunteers accepted the challenge. Dr. Iqbal V.M., the Dean Students Affairs conveyed vote of thanks.

KUHS Students Council for the year 2023

Students Council meeting was held on 24.02.2024 at KUHS Seminar hall in hybrid mode. The council discussed the budget allocation for each event and mode of execution of the events in detail and gave necessary directions to the Chairperson and General Secretary of student's union for the smooth conduct of the Arts fest and other events.

The Students Council recommended to approve the budget presented by the Chairperson limiting to a total amount of Rs. 52, 00, 000 Lakhs as per the allocation for the academic year 2023-24 (FY 2024-25).

KUHS intiation for students security

In the context of the recent issue of the Health Care Professionals, Hon'ble Vice Chancellor convened a meeting of the statutory officers Dean Faculty of Medicine and University Students Union leaders on 11.05.2023. Recommendations of the Meetings were placed before the 74th Governing Council Meeting held on 08.06.2023. The Governing Council resolved to direct all affiliated colleges to install CCTV Surveillance and deploy properly trained security forces in the Casualty and OP area. Also directed to amend the MSR accordingly. The Academic Section issued a Circular to all colleges (With OPD) directing the Above decision to all colleges.

Grievance Redressal for students

- More than hundred complaints were received during the period, in which 94 complaints were from students. Explanations were sought from the Principals of concerned colleges and when the explanation found satisfactory no further action is taken in this regard; when the report was found unsatisfactory and unhelpful to resolve the concerned grievance, the complaint is placed in the Grievance Redressal Committee chaired by Pro-Vice Chancellor, KUHS for recommending a final solution.
- The meeting of the Grievance Redressal Committee for students was held on 18.10.2023 via online meeting. Four complaints were placed before the committee and the recommendations of the committee were implemented.
- The meeting of the Grievance Redressal Committee for students was held on 04.12.2023 via online meeting platform. Two complaints were placed before the committee and the recommendations of the committee were implemented.
- Complaints have been received from students who discontinued the course, but the management was unwilling to return the certificates. Many complaints regarding the same have been processed and solved.
- Complaints have been received from National Human Rights Commission regarding paying less stipend to the interns. It has been informed that the issue of stipend payment to medical course students is currently pending before the Hon'ble High Court of Kerala in Writ Petition (Civil) No. 16138 of 2022 and related cases. The Hon'ble court has issued a stay on initiating coercive steps in the matter of stipend payments, and the cases are yet to be disposed of by the court.
- About three complaints have been forwarded from Nava Kerala Sadassu. Explanations were sought from the principals of the concerned colleges and have been communicated to the concerned petitioners.

Grievance Redressal for teaching/non-teaching staff of affiliated colleges

- Many complaints have been received from teaching/non-teaching staff of affiliated colleges

regarding the withholding of academic certificates/ termination/experience certificates/FEP-related issues/harassment from colleagues etc. Some of the complaints regarding the same have been processed and solved.

- Grievance Redressal Committee for faculty members was held on 18.10.2023 via online meeting. One complaint from faculty member has been placed before the committee and the recommendations of the committee were implemented.

BRIEF ACTIVITY REPORT OF UNIVERSITY NSS CELL DURING THE YEAR 2023-24

Dr. Iqbal V. M., Dean (Student Affairs) is holding the additional charge of NSS Programme Coordinator with effect from 01.04.2020. During the Year 36 self financing units were converted into funded NSS units. At present there are 173 NSS unit under the cell in which 96 units are funded and 77 self financing. All programs like important days were observed by the units by organizing various activities. In addition to that other activities as directed by the State NSS Cell and NSS Regional Directorate from time to time was also conducted by the units and the reports were submitted to the authorities concerned in time. Some of the programs conducted is attached in the last portion of this report for information.

GRANT IN AID

NSS ADVISORY COMMITTEE

The advisory committee of university cell was held on 29.01.2024 at headquarters to discuss the future activities of NSS to be implemented among the units.

SPECIAL CAMP

112 NSS units have reported the details of camp conducted during the year 2023-24.

VILLAGE ADOPTION

69 Government funded units and 42 self financing units have reported the details of villages adopted by them under village adoption programme.

Enrollment of Volunteers: -

Volunteer enrolment was carried on from the month of January 2023 onwards and the status of volunteers are as detailed below:-

Category	No of NSS Volunteers Enrolled 2022-23			
	SC	ST	Others	Total
Government funded Units	278	47	9275	9600
Self-Financing Units	198	32	6125	6355

GLIMPSES OF FEW ACTIVITIES CONDUCTED BY OUR NSS UNITS

- i. Observance on international day against drug abuse and illicit trafficking.
- ii. Blood donation camp.
- iii. Swatchtha action plan & voters awareness.
- iv. Independence day celebration.
- v. Medical camp.
- vi. International womens day.
- vii. Republic day celebration.
- viii. Health survey.
- ix. Environmental activities.
- x. Yuva samvad.
- xi. Mera pehla vote desh ke liye.
- xii. Yoga day.
- xiii. Constitution day.

SWATCHATA PROGRAM

Kerala University of Health Sciences (KUHS) organized program titled ‘Swachhata Action Plan’ under the aegis of NSS on March 29th 2024 with the aim of promoting cleanliness and hygiene among students and staff of Al Shifa college of Pharmacy.

The Swachhata Action Plan Programme held at the ACP Auditorium of Al Shifa College of Pharmacy was inaugurated by Dr. Iqbal V.M., Dean (student affairs) and NSS programme co-ordinator, Kerala University of Health Sciences marking a significant step towards promoting cleanliness and hygiene within the academic community.

WORLD ENVIRONMENT DAY JUNE -5 (2023)

World Environment Day is the largest global platform for environmental public outreach, and millions celebrate it across the globe. The theme for World Environment Day on 5th June 2023 focused on solutions to plastic pollution under the campaign #Beat Plastic Pollution. The world is being inundated by plastic. More than 400 million tonnes of plastic is produced every year, half of which is designed to be used only once.

YOGA DAY

It creates an awareness about the importance of yoga in the overall health of an individual. The

International Day of Yoga is a day in recognition of Yoga, that is celebrated across the world annually on 21st June, following its adoption by the United Nations in 2014.

CONSTITUTION DAY

Samvidhan Diwas (Constitution Day) is being celebrated every year on 26th November to commemorate the adoption of the Constitution of India besides highlighting and reaffirming the ideals & principles it upholds and honour & acknowledge the constitution of founding fathers of our nation.

As part of activities on Constitution day the seven-day National Integration Camp of National Service Scheme Unit of Regional Directorate of Kerala and Lakshadweep was conducted at Central University of Kerala, Kasaragod from March 16th to 22nd.

NATIONAL INTEGRATION CAMP REPORT 2023-24

The Camp had 8 contingents from Kerala State and 11 contingents from outside Kerala and 1 contingent from Union Territory of Mahe.

The Kerala contingents were from the following NSS Cells, name of contingent leader mentioned in brackets –

1. Kerala University of Health Sciences (Dr. K R Mano Rakesh)
2. Kannur University (Mr. Naveen)
3. Abdul Kalam Technical University (Mrs. Ashmitha)
4. Mahatma Gandhi University (Mrs. Sherin Babu)
5. Kerala University (Mrs. Jayadeepa)
6. IHRD (Mrs. Lakshmi)
7. Calicut University (Mrs. Sangeetha)
8. Central University of Kerala (Mrs. Anbazhagi, Mrs. Geetha, Mr Anwar)
9. The contingents that participated from outside Kerala were from the states of
 - a. Haryana (Dr. Anand)
 - b. Himachal Pradesh (Mrs. Ankitha)
 - c. Madhya Pradesh (Mrs. Sunitha)
 - d. Maharashtra (Mr. Somnath)

ASAAD SENA

14 program officers were nominated by the university NSS cell as the district conveners for co-ordinating the district level activities on Azad Sena Programme – Programme against drugs and its ill effects.

As a part of ASAAD Sena formation activities, various programmes have conducted by Colleges.

AWARENESS PROGRAM ON DRUG ABUSE PREVENTION

OBSERVANCE ON INTERNATIONAL DAY AGAINST DRUG ABUSE AND ILLICIT TRAFFICKING

To raise awareness about the significance of treating individuals, especially youth who use drugs, and educate the youth to prevent drug abuse.

WORLD BLOOD DONOR DAY – JUNE 14 (2023)

The slogan for 2023 World Blood Donor Day Campaign, celebrated on 14th June 2023, is “Give blood, give plasma, share life, share often.” It focuses on patients requiring life-long transfusion support and underlines the role every single person can play, giving the valuable gift of blood or plasma. It also highlights the importance of giving blood or plasma regularly to create a safe and sustainable supply of blood and blood products that can be always available, all over the world, so that all patients in need can receive timely treatment.

MERA PEHLA VOTE DESH KE LIYE CAMPAIGN

As instructed by the Ministry of Education and Election Commission, a campaign on “Mera Pehla Vote DeshKe Liye” was conducted to spread the awareness of election among students by National Service Scheme.

YUV SAMVAD-INDIA @2047

NSS YUV SAMVAD-INDIA @2047, the youth dialogue conference. The conference though provided a competing platform for the volunteers, it rather gave much more ideas about the views of young minds on our India @2047 to the listeners. It also awakened the feeling of commitment of NSS towards the society.

INDEPENDENCE DAY

Every year on August 15, people across India celebrate Independence Day to commemorate the country's independence from British colonial rule. As 2023 Independence Day draws closer, this year will be marked as the 77th Independence Day celebration. The theme for Independence Day 2023 is "Nation First, Always First."

INTERNATIONAL WOMEN'S DAY

International Women's day is an occasion to celebrate the progress made towards achieving gender equality and women's empowerment but also to critically reflect on those accomplishments and strive for a greater momentum towards gender equality worldwide.

HEALTH CHECKUP CAMP

Health check-ups are designed not only to detect medical issues, but also to identify risk factors and illnesses before they start to cause problems & to make changes in the lifestyle for long-term healthy life.

Information Technology **BRANCH**

I. Examination System

Modification and Development of Pre-Exam Modules

- New practical batch allotment module for colleges.
- Separate practical admit card for semester candidates, since no registration to practical papers.
- Introduced a new module to calculate the number of attempts made by a student in examinations.
- Implemented a new module for the mercy chance application and approval.
- Developed a new module for retrieving CS/IVO details from colleges.
- Implemented a new module for collecting fines from colleges due to internal examiner shortages.
- Implemented a module to disapprove practical batches based on dates.
- Implemented MBBS Internship report in single page.
- Introduced a provision to reject internships after verification.
- Introduced a new module for entering marks for elective subjects.
- Implemented a mercy chance request report for the section.
- Modification in mercy chance special permission module.
- Implemented a new module for cancelling dissertations for Medical PG.
- Implemented a module for entering research work.
- Made modifications to the batch entry process for the 8th semester B.Pharm project.
- Implemented 8th semester B.Pharm project batch allotment for college.
- Implemented new module for annual examination report.
- Modification in practical batch edit module.
- Practical mark entry for project details.
- Implemented new module for student basic data updation.
- Implemented new login for academic section for student basic data updation.
- Modification in dissertation deletion module.
- Implemented CRRI and CRMI automation.
- Implemented basic data correction module.
- Implemented BCBR, paper presentation and research for PG medical examination.
- Modification in practical excel report.
- Implemented new edit module in AYUSH internship.
- Modification in practical completion note.
- Implemented new module for student basic data updation.
- Implemented new login for academic section for student basic data updation.
- Dissertation criteria for M.Sc. Audiology and M.Sc. Speech Language Pathology
- Implemented miscellaneous payment module for PhD candidates.

- Introduced a new module for optional subject entry of B.Pharm.
- Implemented new module to view student details in section login.
- Introduced a new module for special exam centres during theory examinations.
- Implemented new module for annual examination eport.
- Practical mark entry for project details.
- Included chairman entry in officers entry for Nursing course.
- Implemented new module students count for QP code-wise students list.
- Implemented new module to change/ modify exam name.
- Implemented new criteria settings for MBBS course.
- Modification in invigilators diary for PhD year end examination.
- Modification in practical centre allocation module.
- Implemented interface for allotting clinical posting department for section.
- Implemented students concerned payment in miscellaneous payment module.
- Implemented new module for B.Pharm project entry.
- Implemented absent entry finalization.
- Implemented new module for unfreezing invigilator.
- Implemented new module academic payment for Affiliation and Translational certificate.
- Implemented new internal mark view module for PhD examination section.
- Implemented fine for shortage for evaluators to evaluation section.
- Implemented student basic data updates, including name changes as per gazette or legal requirements.
- Implemented new module for provisional permission for students as per court order.
- 165 tapal processed during this period.
- 12 court order processed.
- RTI - 6 Processed.

Development of Miscellaneous Payment: -

- Developed and successfully implemented unique payment module for examination related service.

PhD Examination Module

- Implemented new module for PhD examination registration.
Online Exam registration/ Practical Exam Count/ Dissertation Registration Process
(please see annexure V)

Development of Post Examination Module -updates

- Developed online attempt certificate for all courses except semester courses.
- Developed mark statement for PhD new scheme.

- Developed tabulation register for PhD new scheme.
- Developed stream wise statistics for PhD new scheme.
- Developed API for malpractice withheld updation from DES.
- Developed DCB reports for photocopy of answer book and scoresheet.
- Different statistics report generation.
- Generate scholarship student details for an examination.
- Decode student details for exam section.
- Cancelled students details for exam section.
- Answer book disposal details for exam section.

Modifications in Post Examination Module

- Modification in various tabulation registers.
- Modification in various consolidate tabulation registers.
- 200 mails processed.
- 250 tapals processed.
- Modification in part1 entry system for entering 12 digit barcode details.
- Modification in confidential part1 entry system for entering 12 digit barcode details.
- Modification in manual camp valuation system for entering 12 digit barcode details.
- Modification in attempt details module.
- Modification in retotal/photocopy/scoresheet list generation for exam section.
- Modification in college statistics report.

List of results published (please see annexure VI)

Digital Evaluation System (DES)

Existing System: -

Modification and Development of Modules

- Implemented stream wise examination selection in various modules of DES.
- Implemented an interface for downloading details of evaluators whose remuneration bills forwarded.
- Implemented revision of remuneration for evaluators.
- Provided QP code wise count for each college in evaluation details.
- Implemented an interface to download QP code wise answer books and score sheets.
- Provided date wise report to display the active examinations and evaluators.
- Implemented provision to send Email to the chairpersons concerned of every Remote Digital Evaluation individually via DES, while the evaluation is in progress to make necessary communications.
- Implemented new feature to evaluate multiple choice questions.
- Implemented centre wise evaluator's remuneration bill for approval.

- Implemented provision to confirm account details of evaluator before downloading remuneration bill.
- Modifications made in cancel evaluation.
- Implemented provision to download answer book for CE confidential section.
- Categorization of approved and pending fresh evaluation requests.
- Modifications have been implemented to generate a consolidated report, final report and remuneration bill based on exams, while also incorporating data from multiple centres for evaluators.
- Modifications made in evaluator's list to integrate cancelled evaluation count and view total marks given by each evaluator.
- Modifications made in evaluator's remuneration report for evaluation section to integrate cancelled evaluation count and to include both RDE centre and currently working college.
- Modifications made in evaluator's remuneration verification for Finance section to integrate cancelled evaluation count and to include both RDE centre and currently working college.
- Modifications made in college wise evaluator's report for Finance section to integrate college wise number of evaluations, number of answer books for a particular exam and camp duration of the exam.
- Implemented provision to resend e-mail to chairperson when new evaluators are assigned.
- Implemented provision to send e-mail when a change in chairperson occurs.
- Implemented an option to give remarks in mail to Chairperson, mail to evaluator, mail to Principal.
- Made necessary changes to implement newly introduced 12- digit barcode.
- Implemented changes in assign evaluator module to rectify common paper issue of PG courses.
- Implemented provision for section to approve or disapprove the malpractices reported by evaluator/ sorting section/evaluation section.
- Developed an API to withhold CE approved malpractices while publishing result.
- Implemented interface for viewing DES statistics.
- Integrated double-checking mechanism into the DES while pulling the answer book.
- Revision of remuneration for evaluation of theory papers of PG Degree/PG Diploma (2 evaluations) examinations to external evaluators.
- Developed an interface for fresh evaluation list (date wise, stream wise).
- Developed an interface for fresh evaluators list (date wise, stream wise)
- Implemented course wise assigning of evaluators for PG courses.
- Modify evaluator list to include evaluation details within completion date.
- Optimized DES for audit related queries and result processing.
- Implemented Triggers and Log tables in DES.
- Implemented malpractice reported from the sorting section/evaluation section in completion note.

Answer Book & Evaluation Count (DES)

Sl No	Stream	Answer Books	Evaluations
1	Medical	1,23,226	2,65,172
2	Dental	41,536	90,627
3	Ayurveda	41,849	91,814
4	Homeopathy	9,735	20,360
5	Siddha	787	1,639
6	Nursing	2,27,883	4,94,083
7	Pharmacy	2,22,251	4,85,279
8	Para Medical	31,972	69,268
9	Unani	1,417	2,985
10	PhD	156	353

Certificates and Mark lists**Newly Implemented Templates for Mark Transcripts:**

- Implemented new templates for mark transcripts in various disciplines: Medical, Para-Medical, Allied Health, Pharmacy, and Ayush courses.
- Templates designed to align with specific course requirements and latest academic schemes.

e-Provisional Certificate System:

- Developed a system for e-provisional certificates accessible via college login.
- Implemented a workflow where certificates are verified by the exam section before being downloadable by the college.

Special Case Mark list Generation:

- Added functionality for generating special case mark lists.
- Implemented a system for generating mark lists at both college and exam levels.

Consolidated Mark list for M Pharm Course:

- Developed a system for generating consolidated mark lists specifically for M. Pharm courses.
- Implemented a functionality for generating mark lists at both college and exam levels.

New Template for BSc Nursing:

- Created a new template tailored for the latest scheme in B.Sc. Nursing.
- Ensured compliance with updated curriculum requirements.

New Template for MBBS 2019 Scheme:

- Designed and implemented a new template for MBBS under the revised 2019 scheme.
- Incorporated specific formatting and information fields as per regulatory guidelines.

Name Change Update via API Integration:

- Integrated API functionality for updating name changes directly from suite systems.
- Improved efficiency and accuracy in name change processes.

Photograph Addition in Certificates:

- Enhanced provisional certificates and second provisional certificates by adding student photographs.
- Improved visual identification and authenticity verification.

Transcript Generation Project:

- Initiated a new project for automated transcript generation based on student requests.
- Implemented a verification process to ensure transcript authenticity and compliance.

II. Finance

Modifications & Maintenance

Exam Finance

As part of FEP integration in finance suite, various forms are created to match finance data with FEP data in terms of pan, mobile, pan+bank+mobile, pan+bank, pan+mobile, bank+mobile, bank forms are created for purposes like verification of the data from FEP, for removal of duplication of data, for addition of new beneficiary by FEP id and to link already existing data using the menu link by FEP id.

- FEP Integration done in payment of CV camp, meeting entry, EG payments and TA halt modules.
- A new module created to implement QR code RDEV bills.
- Scanning employees remuneration payment module created.
- In Exam Finance adv/Settlement Internal vigilance officer(IVO) amount is not reflected in journal. A form created to update journal to correct these entries.
- CV entry form is updated to integrate RDEV CAMP bills.

General Finance

- In online receipt module a new report created to view failed transactions.
- In online receipt, modification done for receiving miscellaneous payment from exam.
- In online receipt, a report regarding ledger account created for auditors.
- Modification of online receipt module for new payment purposes.
- Created a form to view all linking budget heads in meeting entry.
- Compound entries blocked in new finance suite.

CE Finance

- Fresh valuation bills are entered in Exam Finance section. Bill entry is changed to CE Finance corresponding forms created.

Payroll

- Menu table created for mapping menu to seats.
- Anticipatory income tax statement modified.
- A new form related to view salary deducted for each employee month wise.
- A form created to update pan number of employees with a verification by higher officer.

III. University Suite**New Modules & Feature Updates**

- Provisional affiliation module issue debugged and fixed.
- Online payment option enabled for Govt. colleges who opted 'Pay Later' during provisional affiliation application submission.
- Continuation of affiliation code issues studied and feature updated.
- Feature added for availing fee exemption for CBS maternity case.
- Feature added for availing fee exemption for cancellation of deceased students.

IV. Software Developments and Modifications**Faculty Enrolment program(FEP)**

- Payment module for collecting certificate fee for certificate course in Health Ageing Generic Care and certificate course in Disability Management and Rehabilitation.
- Online application for UG/PG thesis award.
- Module for guides to send UG thesis awards submitted by students to university.
- Module for selecting reviewers/evaluator for UG/PG thesis award.
- Module for submitting Ethics Committee details of colleges.
- Module for verifying Ethics Committee details submitted by college.
- Module for collecting declaration for Ethics committee clearance.
- Module for generating certificate for online classes attended by faculty members regarding ethics committee.
- Module for verifying bank details of faculty members for Finance section.
- Provided various APIs for mobile application.
- Module for downloading UG/PG teachers certificate for faculty members.
- Module for collecting student's details for KUHS students alumni.
- Module for sorting faculty members by age.

V. Hardware Assets added during the Year: -

- Purchased: Laptop High
- Purchased: Headset or Headphone Hama HS USO 300pc, for amount : Rs.3,230/-
- Purchase: Webcam, for amount: Rs.1,755/-.
- Purchased: SHARP Digital multifunction printer (BP-30M31), for amount: Rs.6,19,200/

- Purchased A3 Sheet Fed Scanner, for amount: Rs.1,03,392/-
- Purchased: Zebra ZD Barcode printer batch, for amount: Rs.14, 892/-
- Purchased: Webcam on 20.12.2023, for amount: Rs.1,15,687/-
- Purchased: Webcam(Microphone) stand, for amount: Rs. 2,661/-
- Purchased: Webcam(Microphone) stand, for amount: Rs. 4,995/-
- Purchased: Webcam(Microphone) stand, for amount: Rs. 1,762/-
- Purchased: Barcode scanner Model: TVS BS-I201G, for amount: Rs. 6,980/-
- Purchased: HP USB 2.0 Flash drive Model V222W2.0 (16 gb), for amount : Rs. 35,164/
- Purchased 6 G DP 10K 900 GB Hard disc, for amount : Rs. 21,980/-

VI. Further Expansion visualised:

- Development of new and independent file flow software.
- Development of affiliation application modules and connected modules.
- Development of separate modules which are to be made available in college login.

Details of staffs and duties

- a. University Engineer - Head of the Engineering wing of the university, responsible for the implementation of all infrastructure development works of the university including checking of plan and estimates, checking of tender documents, site supervision, checking of work bills etc and liaisoning with the accredited implementing agencies.
- b. Assistant Engineer (Civil) – Responsible for the preparation of plan and estimates, tender documents, site supervision, preparation of work bills etc. and all related matters connected with the civil works executed by the university. Also functions as the Estate Officer of the university. The Estate Officer is responsible to arrange to carry out petty repairs to the building, upkeep of garden and lawns using daily waged laborers, to ensure proper supply of water and power etc.
- c. Assistant Engineer (Electrical) - Responsible for the preparation of plan and estimates, tender documents, site supervision, preparation of work bills etc and all related matters connected with the electrical works executed by the university and maintenance of HVAC systems, elevator, generator and firefighting installations in the university.
- d. Section Officer – Handles all files related to Civil & Electrical works executed by the university.
- e. Assistant (A 3) - Custodian of all files related to civil works.
- f. Assistant (A 4) – Custodian of all files related to electrical works. Also handles permanent advance and temporary advance sanctioned for petty works.

Details of Infrastructure works during the year**New infrastructure projects taken up during 2023-24****Establishment of Thematic Herbal Garden at KUHS Campus**

KUHS has decided to develop an herbal garden for academic purpose of our students all over Kerala under this university headquarters campus in Thrissur. This project could help them to study about the medicinal plants from a single centre, which could in turn develop into a research centre later, after successful establishment of the garden. It is planned to use 8 hectares of land which is already gifted with various types of medicinal plants.

Details of Works Completed

- i. Minor civil works is administrative office building.
- ii. Minor civil works is university campus.
- iii. Partition work is second floor of administration building.
- iv. Providing university emblem on the front structural glazing of administrative office building and sticker work in Pareeksha Bhavan building.
- v. Reconstruction of the collapsed compound walls in SFRA, Thripunithura.
- vi. Renovation of conference room in the 6th floor of administrative office building.
- vii. Repainting of apartment II, type II, Staff quarters in KUHS.

- viii. Repairs to the damaged vitrified tile flooring in different floors of administrative office building.
- ix. Urgent civil works in academic block building and university campus.
- x. Aerobic composting unit for quarters.
- xi. Setting up of Vice Chancellor's confidential room.
- xii. Installation of 15kWp pump in the sump.
- xiii. Installation of CCTV surveillance in KUHS Thrissur campus.
- xiv. Additional electrical and data works in Academic staff college.
- xv. School of Health Policy and Planning at Thiruvananthapuram.

Construction of Building for School of Research in Ayurveda at Thrippunithura-Phase-V

Ayurveda is the most ancient system of medicine, and it flourished in India as the most effective system of treatment. For Ayurveda to be promoted as a source of health care, it is crucial to promote efforts to identify the safest and most effective therapy and their rationale use. This necessitates intensive research in all fields of Ayurveda ie fundamental research, drug research, pharmaceutical research and clinical research. To achieve this objective, KUHS decided to establish a school of research in Ayurveda and to create the required infrastructure in the land allotted by the Government at Thrippunithura.

The building for the school is designed as a nine storied building (G+8) with a total plinth area of 10,994 m². The 3 phases are completed, and work of Phase IV is in progress and is almost in its finishing stage.

The Government vide order No. G.O. (Rt.) No.2421/2023/H&FWD dated 21-09-2023 has accorded administrative sanction for Phase V of the work for an amount of Rs.650 lakhs. M/S FIT is the implementing agency.

Works in Progress

Construction of Building for School of Family Health studies at Kozhikode

The KUHS has decided to set up a school of Family Health studies at Kozhikode for addressing family health in all its dimensions by developing strategies to promote family as the most important social unit for human survival and development. The school is expected to adequately address the family health issues of the society and will also facilitate developing comprehensive service models in improving health of individuals, families and communities by working together to understand, teach, counsel and lead the whole community for healthy living and lifestyles.

The required land for constructing a building for the school was allotted in the Govt. Medical College campus, Kozhikode by the Govt. and the Government also accorded administrative sanction for constructing the building for an amount of Rs.714.37 lakhs. The execution is entrusted with KPWD and the work progress and about 98% of the works is completed.

Construction of Building for School of Research in Ayurveda at Thrippunithura-Phase-IV

Ayurveda is the most ancient system of medicine, and it flourished in India as the most effective system of treatment. For Ayurveda to be promoted as a source of health care, it is crucial to promote efforts to identify the safest and most effective therapy and their rationale use. This necessitates intensive research in all fields of Ayurveda ie fundamental research, drug research, pharmaceutical research and clinical research. To achieve this objective, KUHS decided to establish a school of research in Ayurveda and to create the required infrastructure in the land allotted by the Government at Thrippunithura.

The building for the school is designed as a nine storied building (G+8) with a total plinth area of 10,994 m². Government accorded administrative sanction for constructing of the building as Phase-I vide G.O. (Rt.) No.3466/2015/H&FWD dated 20-10-2015 for an amount of Rs.746 lakhs and Phase-II vide G.O. (Rt.) No.3233/2017/H&FWD dated 15-11-2017 for an amount of Rs.1360 lakhs and Phase III vide G.O. (Rt.) No.2301/2018/H&FWD dated 20-07-2018 for an amount of Rs.462 lakhs. M/s FIT is the implementing agency and all the 3 phases are completed.

The Government vide order No. G.O. (Rt.) No.2293/2022/H&FWD dated 20-09-2022 has accorded administrative sanction for the work for an amount of Rs.450 lakhs. M/s FIT is the implementing agency and the execution of the work and is in progress and is almost in its finishing stage.

Establishing solar power plant in University – 15 kWp

KUHS had established a 250kWp solar power plant in the campus as part of achieving self-sufficiency in energy consumption by using a Government grant of Rs.161 Crore. Now university has decided to set up another 15kWp solar power plant in the roof top of administration building using the balance amount out of the grant of Rs.1.61 Crore sanctioned by Government. Necessary sanction has also been accorded from the Government for the utilization of the balance fund from the 250 kWp project. The work is entrusted with M/s KELTRON and is nearing completion.

Video conferencing solution in KUHS

The work of supply installation testing and commissioning of video conferencing solution in the Vice Chancellor's officer is going on. Estimate submitted by KPWD has been approved by the university and the work is entrusted with KPWD. As per the information received from KPWD, tendering of the work has been completed and the work order has been awarded.

Installation of High mast lights in KUHS Thrissur campus

Administrative sanction has been accorded for the installation of five high mas lights in KUHS Thrissur campus on an estimate amounting to Rs. 18,50,000/-. Scarcity of light inside the campus and surroundings will be cleared by this which will in turn enhance vision for the security personnel. File is under process and is in the stage of tendering.

Future programmes

Construction of Type IV Staff Quarters at KUHS Campus

The Government vide order G.O.(Rt.)No.2422/2023/H&FWD Dated, 21-09-2023 has accorded administrative sanction for the work for an amount of Rs.3,92,00,000/-.The work will start when fund is received from the Government.

KUHS Translational Research Centre

Govt. of Kerala has announced a scheme to set up Translational Research Centers in the Universities of Kerala (Project/Scheme Code HEDN_12 Translational Research Centers) with an allotment of Rs. 20 crore for each center KIIFB Project in the annual State budget 2023-24. Kerala University of Health Sciences has been included under the scheme.

Construction of VC- PVC Quarters

Kerala University of health sciences decided to provide residential accommodations to their officers and the staff in the campus. In this phase of construction, two villa type accommodations are included for the residential purpose of the Vice Chancellor and the Pro-Vice Chancellor.

The design is based Indian Standard Specifications, CPWD/PWD specifications. The proposed building will be two storied RCC framed structures. The building will contain mainly 3 bedrooms with attached toilet, living, dining, kitchen, work area, office room and a car porch. The foundations will be isolated footings on hard strata available at shallow depth.

The Government vide order G.O.(Rt.)No.1551/2024/H&FWD Dated, Thiruvananthapuram, 27-06-2024 has accorded administrative sanction for the work for an amount of Rs. 2, 68, 40, 000.

Construction of Staff Quarters (10 Storied building)

The KUHS campus located at Mulamkunnathukavu at a distance of 13 kms from Thrissur town and it is highly necessary to provide family quarters for employees of university, as it is difficult to get rental buildings near to the campus for employees, the majority of them being non localities. Hence it is decided to construct a flat type staff quarters including Type II, Type III & Type IV housing 60 units. It is proposed to construct a ten storied building with total plinth area of 7,500 m² with RCC framed structure and brick filled walls. Each floor housing 6 units.

Provision for electrification, plumbing, construction of septic tank, installing overhead water tank etc are also provided in the estimate. The design is based Indian Standard Specifications, CPWD/PWD specifications. The proposed building will be ten storied RCC framed structures. The approximate cost of the works comes to Rs. 48,54,91,000/-including GST.

Establishing of solar power plant – Phase II

University has decided to reduce the dependency in conventional energy by harnessing solar energy. For this KUHS already established a 250 kWp ground mounted solar power plant in the university campus Thrissur and it is producing electricity since 2021 February 25th. As per the overall report this plant producing only 60% of the actual consumption as present. It is proposed to establish another 1 Mega(1000kWp) Watt Solar power plant in the university premises in the possible areas and accorded administrative sanction for an amount of Rs.500 lakhs. Once it is established university can produce approximately 1, 50, 000 units monthly and the additional power produced can export to the grid and it can use for the future energy requirements. The work is about to start on receiving Government fund.

Construction of an Auditorium

It is decided to construct an auditorium of capacity 1000 seat in the campus utilising the savings amount from the construction of the utility building and the construction of the academic block building. CPWD is selected as the implementing agency. The plan submitted by CPWD in approved and the estimate to be approved by the university to start the work.

EV charging station through ANERT

A proposed EV charging station is also to be established in the KUHS Thrissur campus through ANERT.

Establishment of Thematic Herbal Garden at KUHS Campus – Phase II

KUHS has decided to develop an herbal garden for academic purpose of our students all over Kerala under this university headquarters campus in Thrissur. This project could help them to study about the medicinal plants from a single centre, which could in turn develop into a research centre later, after successful establishment of the garden. It is planned to use 8 hectares of land which is already gifted with various types of medicinal plants. Including planting bed, pathway, steel work for foot bridge across canal etc the estimate amount 36,48,024 /- prepared. CPWD is selected as the implementing agency based on prevailing CPWD rates.

KUHS Central Library

- i. KUHS Central Library was shifted from the Administrative Block to the new Academic Block consisting of the Pareeksha Bhavan and Vigyan Bhavan in 2024 January and started functioning at the third floor of the Vigyan Bhavan.
- ii. The Central Library is now more spacious and have a good ambience with immense presence of fresh air and natural light with centralized air condition.
- iii. A Research Hub was adjacent to the Central Library for the literature search facility for research scholars, faculties and students.
- iv. Proposal for the purchase of library furniture- 7 two sided wooden racks, 3 CD racks and one Property Counter- was submitted.
- v. Completed the first phase of the digital Library project using the open source software 'DSpace' and uploaded PG Theses in the DSpace. The process of uploading the medical PG Theses of 2019-22 batch, 2018-21 batch and of 2017-20 batch were completed.
- vi. Waiting for the server to incorporate these digital library data and thus make it accessible to the public/outside the university.
- vii. ReCab Newsletter – An online Newsletter for Research Capacity Building - was prepared and started publishing monthly from January 2024 onwards under the guidance of Dean Research.
- viii. Initiated for the signing of the MoU between KUHS and INFLIBNET Centre Gujarat for uploading the PhD Thesis to the INFLIBNET Shodhganga.
- ix. Uploaded 3 PhD Theses to Shodhganga- A Reservoir of Indian PhD Theses.
- x. The new Indian Origin Plagiarism Detection Software (PDS) Drillbit provided by INFLIBNET Centre Gujarat was activated to the PhD Guides of the university.
- xi. Checked for Plagiarism of 5 PhD Thesis which was submitted to the university for evaluation.
- xii. Participated in the meeting of university coordinators in the southern region organised by INFLIBNET Centre Gujarat and Bharathiyar University Coimbatore held at Bharathiyar University Coimbatore on 29th November 2023.
- xiii. Ground works of the tender for starting a new journal was done.
- xiv. Participated in the meetings of the KUHS e-resources initiatives organized by Dean Academic.
- xv. The access to the E- resources provided by the KSHCE consortium through Knimbus was ensured for the research guides and research scholars of KUHS.
- xvi. KUHS Newsletter blog was started and updated frequently.
- xvii. Convened the Library Committee meetings and got received approval of the proposal from SFRA for the purchase of books.

- xviii. Taken in to stock of 63 books purchased for the School of Fundamental Research in Ayurveda and 62 books for the Central Library and transferred the books to SFRA accordingly.
- xix. The process of taking stock of the hard copy of P G and super speciality. Theses submitted to the KUHS from the year 2012 to 2023 is started and is continuing.

University Schools

THE SCHOOL OF PUBLIC HEALTH (SPH), THIRUVANANTHAPURAM**Description:**

The School of Public Health (Formerly “School of Health Policy and Planning studies”), Thiruvananthapuram is one of the three affiliated schools under KUHS started functioning from 29.06.2015. The new name came to effect from 30.03.2021.

The mandate for the school

The University Act Chapter II, Section 5 contemplates the school as a centre for facilitating health sector policy formulation and implementation. The school is engaged in research methodology promotion as a capacity building activity for a production of good-quality research evidence to health policy studies (health policy methodology promotion, policy analysis and giving feedback on existing policies, interventions in key policy areas and finding a research agenda in this policy implementation research).

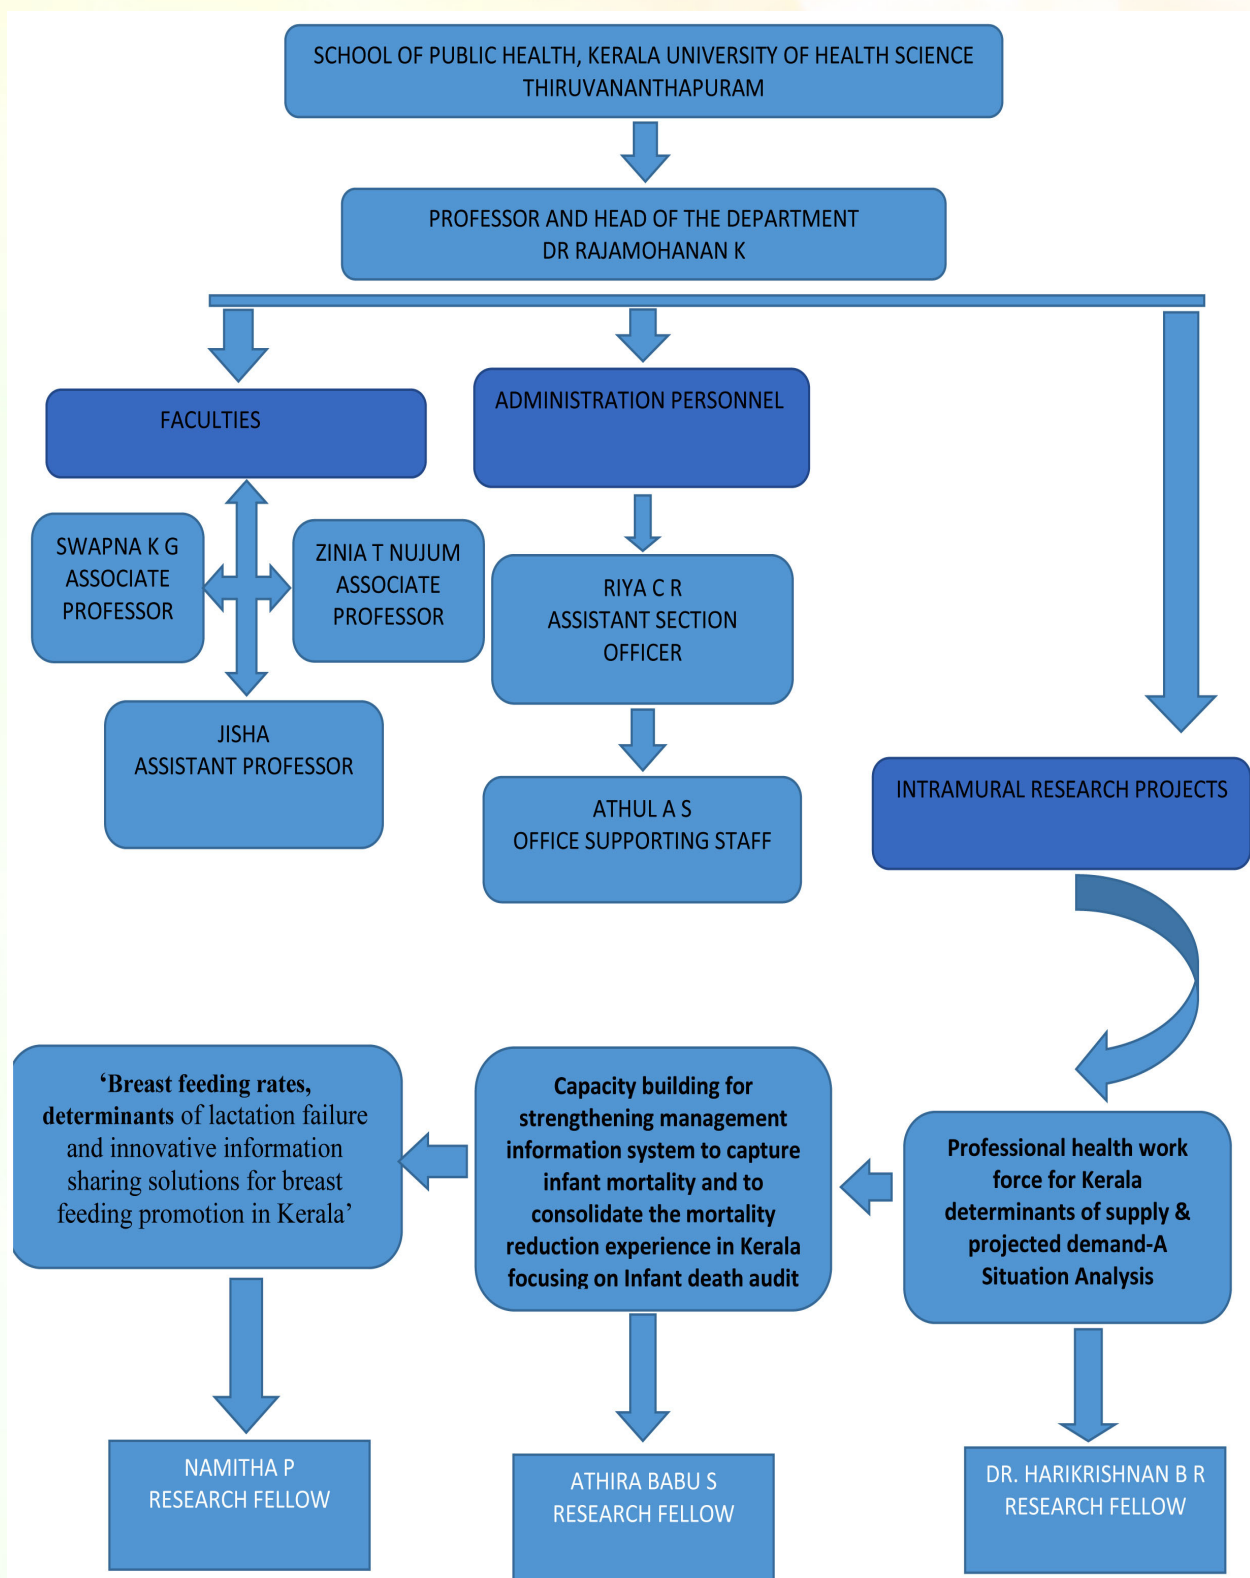

Now the school is designed as an advanced training and research centre with two departments under the school.

1. Department of Epidemiology
2. Department of Health Policy Studies

Location and staff structure

The School is located at Govt. Medical College Campus, Thiruvananthapuram and from 10.06.2019. The school is having a full time Professor, two Associate Professor joined on 17.08.2022 & 02.02.2024, Assistant Professor, Biostatistics joined on 01.08.2022, one Office administrative assistant (joined on 01.08.2023) and one office supporting staff (joined on 16.01.2019). There are three research fellows, one for each project; Breast feeding promotion (joined on 05.03.2021), Professional Health Workforce (joined on 01.02.2022) and Capacity building for mortality reduction (joined on 02.03.2022).

Activities

The activities of the school are given below:

Research methodology Promotion:

Teaching learning activities targeted to faculty of all streams conducting certificate programs and short courses in research methodology.

Certificate programmes

New 5 certificate courses sanctioned

The courses are:

1. Certificate programme on Medical certification of cause of death and essential Nosology for clinicians: Notification called for.
2. Certificate programme on Practice of Clinical epidemiology and evidence based medicine and clinical appraisal: Notification called for.
3. Certificate programme on Introductory Health policy.
4. Certificate programme on Essential clinical health economics for KUHS faculty.
5. Certificate programme on Database Management in Health Science Research.

M-Phil Clinical Epidemiology Course (Part time)

Second batches are going on for this course. All students of the first batch have successfully completed the course and convocation was conducted on July 26, 2023. This is a program of post PG course in Clinical Epidemiology for the faculty in affiliated colleges under KUHS. Now the course is renamed as M.Sc. (Advanced PG Programme) Clinical Epidemiology (Part-time) course.

INAUGURATION OF SCHOOL'S NEW BUILDING

The completed School of Public Health building at Thiruvananthapuram Medical College Campus, which serves as Kerala Medical University's off-campus centre for continuing education research, was officially inaugurated by Honourable Minister of Health, Women, and Child Development, Smt Veena George, under the chairmanship of Hon'ble Kazhakootam Constituency MLA Shri Kadakampally Surendran on March 4 at 4.30 pm. The School of Public Health represents a significant turning point in the areas of scientific study, health research, giving clinicians guidance and other research-related activities in the capital city. Hon'ble Vice-Chancellor, KUHS – Dr. Mohanan Kunnummal, Dr. C P Vijayan (Pro-Vice-Chancellor, KUHS), Dr. A K Manoj Kumar (Registrar, KUHS), V R Anil (Councillor, Medical college ward), Dr. M.K.C Nair (Former Vice Chancellor, KUHS), Dr. Harikumar Nair (Dean- Faculty of Medicine), Dr. Linnet Moris (Principal, GMC, TVM), Dr. Biju Soman (Director, SCTIMST), Rekha R Nair (RCC Director) Dr. P R Sudhakaran (G C Member), Justice Hari Haran Nair (Ethics Committee Chairman, KUHS) were the eminent person who had enlightened the event.

Workshop – “Public health interventions for post COVID-19 scenario: an integrative model for improving Quality of Life and tapping research potentials”

We have conducted a workshop for finalising the protocol on “Public health interventions for post COVID-19 scenario: an integrative model for improving quality of life and tapping research potentials” (Project awarded by Govt. of Kerala under the Plan Scheme as per G.O. (Rt.) No. 2467/2023/H&FWD Dated Thiruvananthapuram 27/09/2023). The date and time of the workshop on 29/12/2023, 10.00 am to 01.00 pm at the conference hall, super specialty block, Govt. Medical College, Thiruvananthapuram.

The major points of discussion are

- a. Review of common symptoms- customisation of symptomatology in our context- characterising symptomatology and pathophysiological markers.
- b. Biomarkers and viral markers -what literature says- how to go, what and where to go - research gaps.
- c. Rationale for existing guidelines- evidence gap analysis- Existing management framework review and evidence base for management in Kerala context.

The Hon’ble Vice Chancellor, Kerala University of Health Sciences (KUHS), inaugurated the meeting Dr. P K Jameela, Member, State Planning Board; Dr. Thomas Mathew, DME; and Dr. P R Sudhakaran, Member, GC, KUHS, and Public Health Expert were presented.

Workshop for Discussion of the results of Mortality reduction Project

“Capacity Building for Strengthening Management Information Systems to Capture Infant Mortality and Consolidate the Mortality Reduction Experience in Kerala, focusing on Infant Death Audit” is one of the main projects under SPH, Tvpm, and now this is getting finished. So we have conducted a workshop for discussion of the results. This project is intended to provide input for making the mortality information capture complete and improve the efficiency of surveillance systems. We sought the involvement of key persons like all District RCH officers, the State Demographer, the Additional Director and Deputy Director of Family Welfare and other key state-level officials of family welfare. The workshop was conducted on February 24, 2024, at NHM Hall, Thiruvananthapuram. The Honourable Vice Chancellor, KUHS, inaugurated the program. Dr. Rahul, the State Child Health Nodal Officer, was a full-time participant in the same.

Other research Methodology Training Programs

For postgraduates from affiliated institutions where research methodology training facilities are inadequate or absent. The school has developed an e- module and uploaded this in the site.

Research methodology consultations:

Faculty from various affiliated Institutions come regularly for consultations. In addition to this, through e-mail and other social blogs, faculty are involved in consultation. Most of the consultations are now happening online. The professor also takes classes or guide students from affiliated institutions and takes part in teaching.

Improving the Research environment in Affiliated Institutions:

MCI has identified Journal club as a teaching learning platform. In many of the institutions the journal clubs are not active. In order to make journal clubs more efficient the faculty need to be trained in critical appraisal techniques. The school has started a project for training faculty towards critical appraisal techniques and other capacity building for updating of faculty through journal club activities.

Chief Minister's Nava Kerala postdoctoral fellowship: One post is awarded to Dr. Simi Mohan and the School is the centre.

Webinar on World NTD day

International webinar was conducted on neglected Tropical Diseases on 31.01.2022, 6:00-9:00 PM, Dr. Mohanan Kunnummal, Hon'ble Vice-Chancellor, KUHS inaugurated the programme. The topics discussed were

Responsibility of community and primary care in the global road map for neglected tropical diseases 2021-2030.

Indian example of LF elimination program and its success and challenges.

Kerala scenario of LF elimination programme and its challenges and need for community participation.

Public health bill discussion

Right to health is one of the fundamental human rights which is often compromised by outcomes of human behaviour either individually or as a social group, which are faced by the entire population in everyday life. This can be managed by changing the health behaviour through one of the basic approaches like- regulatory approach, service approach and health education approach. Though health education is the ideal approach but many times regulatory approach is also necessary considering the seriousness of the issue.

Public health legislation concerns the legal power and duties of the state to improve the health of the general population and the limitations on the power of the state to constrain the autonomy, privacy, liberty, proprietary or other legally protected interests of individuals for the protection or promotion of community health. It's mainly aimed at supporting the development programs, fighting new and re-emerging communicable diseases and combating the continuing poverty and inequities in health.

Committee to study Gender inequality in Kerala

Study on gender inequality, harassment against women and the practice of dowry in Kerala. Gender equality is a constitutional right of every citizen of India and Article 14 of the Indian Constitution confers equal rights and opportunities to both men and women in the political, economic and social spheres. Article 15 prohibits discrimination against any citizen inter alia on the grounds of sex. Article 15(3) provides affirmative discriminations in favour of women to correct discrimination. Article 16 provides for equality of opportunities in matter of public appointments for all citizens. Article 39 (a) related to state policies towards securing all citizens, men and women, equally, the right to means of livelihood. Article 39(d) requires public institutions to ensure equal pay for equal work. Article 42 directs the State to make provision for ensuring just and humane conditions of work and maternity relief. Finally, the Constitution imposes a fundamental duty on every citizen through Articles 51 (A) (e) to renounce the practices derogatory to the dignity of women.

On- going Research:

Interventions in key policy areas through research projects (Intramural research projects)

Breast feeding promotion activity

Breast feeding support tools development is a major activity carried by the school associated with IAP and Govt. of Kerala. The school has organized a discussion and open vetting of the experts in this field to finalize the breast feeding resource materials at Thiruvananthapuram and Calicut and the support tools were developed. The lactation management training course were conducted. Training were given for staff involved in care of pregnant and lactating women especially caretakers within the maternity ward as well as health workers who deliver services to mother and child. A state level Breast feeding promotion program with certificate program on lactation management were given to nurses across Kerala. We are planning to continue this activity every year.

A research project named “Breast feeding rates, determinants of lactation failure and ‘innovative information sharing solutions’ for breast feeding promotion in Kerala” has started on 05.02.2021.

Consolidating the experience gained in Mortality reduction in Kerala

The school was already involved in Infant Mortality Reduction activities in partnership with Indian Academy of Paediatrics: Last year we have conducted workshop on mortality reduction experience of Kerala. Infant death review is an activity in partnership with Indian Academy of Paediatrics. Now an intramural research project namely “Capacity building for strengthening management information system to capture infant mortality and to consolidate the mortality reduction experience in Kerala is focusing on infant death audit” and got ethical committee clearance. The project has started on 01.03.2022.

Preparation of Perspective plan for KUHS: The primary responsibility of KUHS is to provide professional human resource for health sector. For this a perspective plan for KUHS was developed

and accepted by the Governing Council.

- A checklist for screening applications for starting new institutions or new courses was developed as a part of this activity. Further validation is needed and as an extension of this activity an intramural research project namely “Professional health workforce for Kerala, determinants of supply and projected demand- a situation analysis.
- A workshop on Allied health care professional in Kerala was conducted and the proceedings are available.
- The project has started on 01.02.2022.

Prevalence of menstrual health problems and its’ determinants among health science students in Kerala- an analytical cross-sectional study

Menstruation is a normal physiological process indicating the capability of women for procreation. Menstruation as a process involves physical, psychological, and social responses, not every woman perceives it the same. It is associated with physical and emotional problems of its own. Physical problems such as spasmodic pain of the abdomen, thighs, back pain, nausea, vomiting, etc. In addition to physical problems, she is plagued with emotional problems such as irritation, anxiety, and mood changes. They should be provided with emotional and physical support to cope with the problem.

Objectives

Primary objectives:

- To estimate the prevalence of menstrual health problems among women in KUHS.
- To identify the determinants of menstrual health problems among women in KUHS

Secondary objectives:

- To identify the menstrual health practices of women in KUHS.

Public health interventions for post COVID-19 scenario: an integrative model for improving Quality of Life and tapping research potentials

“Public health interventions for post COVID-19 scenario: an integrative model for improving quality of life and tapping research potentials” (Project awarded by Govt. of Kerala under the Plan Scheme as per G.O. (Rt.) No. 2467/2023/H&FWD Dated, Thiruvananthapuram 27.09.2023)

Quality of life (QoL) after COVID-19 infection is a relevant issue. The QoL of these patients are greatly affected irrespective of the time since discharge or recovery. It is reported that elderly patients, those having comorbidities, admitted in the ICU regardless of the duration of stay, who had mechanical ventilation are the ones who have the highest risk of poor QoL after the infection. Women need special attention as they are more vulnerable for poor QoL following the infection. Policy makers and health care providers should seriously investigate robust strategies to improve the QoL of such patients. Community based health care programs are recommended to Improve the QoL of such patients.

In this context this project aims to contribute to the QoL of post-COVID-19 patients through an

integrative approach in the domains of respiratory, psychological and cognitive systems.

Objectives

1. Assessment of quality of life of COVID-19 survivors (physical health, psychological health, functional capacity and perspective)
2. Delivery of Evidence-based, cost effective and culturally appropriate condition targeted interventions in different settings in a planned and periodic manner
 - a. Post COVID-19 respiratory complications (e.g. Rowling exercise)
 - b. Post-traumatic stress disorder (e.g. Psychological interventions)
 - c. Cognitive impairment (e.g. Mental mapping)
3. Describe the role of ayurgenomics in boosting immune system in post COVID-19 patients

Special focus

- To describe the immunobiological disruptions due to COVID-19 by monitoring biomarkers and cell counts, assessing herd immunity levels including vaccine-induced immunity and reinfections and endocrine disruptions.

Completed Intramural Research Project

Changing family health status and its impact on health of family

A research project on "Changing families and its effects on physical, mental, and social health of family members in Kerala - A KUHS study" is conducted by the School of Public Health. The final report of the project submitted to the university. Three publications have been already made from this project. The next manuscript is being prepared. A Malayalam booklet for dissemination of findings is also ready.

Health policy methodology promotion

Promotion of health policy methodology

An interest group was constituted from among the faculty of KUHS and series of workshop has organized. Separate expert group for epidemiology, economics, and sociology in the context of health policy development has identified and discussion held, the proceedings were published in journal of KUHS. This group need to be sustained and policy evaluation is being planned.

Training activities

Training for Nurses in Lactation management and counselling

COVID-19-related Activities

Academic consortium for COVID-19 related research initiatives

As part of the COVID-19 related activities, KUHS formulated an academic consortium for COVID-19 related research initiatives. COVID research cell was started.

A research interest group was developed involving faculty from various affiliated institutions and proposals developed. One of such protocols by Dr. Chandini, Professor, Medicine, Govt. Medical College, Kozhikode as team leader has been approved by ICMR for funding. Collaborative activity with veterinary university in the direction of one health is being planned.

Faculty development and research facilitation:

In continuation with the COVID-19 related activities SPH have conducted series of Webinar sessions for the faculty under KUHS.

Documentation of COVID experience of Kerala:

Document on COVID experience of Kerala. Like other parts of this globe, Covid was the most painful experience for Kerala people also. As a country, we had the second maximum number of cases and deaths. Kerala was one of the worst hit states of the country. Though we had sizable mortality and caseload, all our walks of life have been suspended with activity restrictions. Our collective efforts under a determined governmental action have shown the best-case of resilience for the whole world. Now all spheres of social life have returned and we have learned to live with COVID. The KUHS being the singular university for health science education in Kerala have been working on war-footing to contribute to these resilient efforts of the state. In addition to routine functioning of university, like teaching-learning activities and conduct of examinations etc we had an additional commitment of regularly updating our faculty on changing COVID literature. We have conducted series of national and international webinars, scientific consultations, and expert group meetings and regular release of advisories; we also monitored regularly what is happening in the campus and gave all support to institutions to survive this unprecedented crisis. Documenting these problems and the solutions we found and the measures taken to thrive are really important for tomorrow. School of Public Health, Kerala University of Health Sciences is doing this documentary work which will definitely be useful for the next generation or even for this generation as we don't know when another pandemic is going to happen. A team has been developed and activity is done. The book had published on the National Conference on 23rd and 24th September by Smt. Veena George (Honourable Minister of Health and Family Welfare).

AWARDS

- Our Poster presentation on “Functioning of Human Ethics Committees during COVID period in affiliated Institutions under Kerala University of Health Sciences”, as part of the international webinar organized by FERCI, won the first prize.
- Executive board of IAP-RCH Group to confer the IAP RCH Group Lifetime Achievement Award and Oration-2024 received by Dr.Rajamohanan K, Professor, School of Public Health, Tvpm. This award is given to a person of eminence who has made significant contributions to the improvement of the life of children through research in different aspects of child health.

Other activities

- Prepared detailed project report (DPR) for the school.
- Now the work of starting preparation of Detailed Project Report for Dr. Palpu memorial centre for epidemiological studies has been started.

SCHOOL OF FUNDAMENTAL RESEARCH IN AYURVEDA, TRIPUNITHURA

The School of Fundamental Research in Ayurveda is an institution dedicated to conducting research in various aspects of Ayurveda. The school offers a range of programs designed to orient candidates towards research in this field.

This office collaborates with a professor, two associate professors, an assistant professor and a ministerial staff.

The details of the activities conducted at the school and its report are as follows:

Student Research Conclave “VEEKSHA IV” - 2023, 20 May 2023

SFRA conducts Student Research Conclave every year to promote and create awareness among PG students. The Veeksha 2023 was conducted on 20.05.2023 at SFRA.

The inaugural function started at 10 AM with Prayer, presided by Dr. Sudhikumar K.B., Professor and Director-in-charge SFRA. Dr. Sreeraj S.K., Associate Professor, SFRA and Chairman of Veeksha 2023 did the welcome address, explained the objective of the conclave and pointed out the need for further innovative programs such as startups in Ayurveda. Dr. C.P. Vijayan, Hon’ble Pro-Vice Chancellor inaugurated the conclave by lighting the lamp.

As part of the Research conclave, the Best Thesis Award competition was held for PG scholars who submitted their thesis in 2022 and the Best essay competition was conducted for UG students. In total 27 thesis abstracts were received, and they were forwarded to three member-panel for scrutiny. The selected first 5 were submitted for 2nd round evaluation. After evaluation, two of them were selected for 1st and 2nd prizes. For the essay competition, out of 5 essays received from UG Students, two of them were selected for 1st and 2nd prize respectively.

Registration for the program was closed on the 17th of May and a total of 131 registrations. PG and UG students from Govt. AVC Thiruvananthapuram, Govt. AVC Tripunithura, Govt. AVC Kannur, Ahalia Ayurveda College Palakkad, VPSV Ayurveda College Kottakkal, Vaidyaratnam Ayurveda College Ollur,

Nangelil Ayurveda College Kothamangalam and KMCT Ayurveda College Kozhikode participated.

KUHS – SFRA Research Orientation Workshop for PG Scholars; 31.07.23 to 10.08.23 (1st phase)

In an effort to better prepare first-year postgraduate students for their future careers as researchers, KUHS-SFRA hosted an annual research orientation course. The vision and mission of NCISM had one objective: “Encourage medical professionals to adopt the latest medical research in their work and to contribute to research.” Therefore, cultivating an aptitude for research and scientific thinking among postgraduate students was of the utmost importance. The proposed classes were

planned on an online platform and included expert academicians from the research field. The online classes were scheduled from 31.07.23 extending for 10 days which ends by 10.08.23. The timing of orientation class was from 2pm to 4pm.

PG students from Govt. Ayurveda College Thiruvananthapuram, Govt. Ayurveda College Kannur, Govt. Ayurveda College Thrippunithura, VAC Ollur, VPSV Ayurveda College Kottakkal, Pankajakasthuri Ayurveda Medical College, SN Ayurveda College Puthur, Mannam Ayurveda College Pandalam, PNNM Ayurveda College Cheruthuruty, and MVR Ayurveda College Parasinikkadavu were participated in the programme.

Research Orientation Hands- On Training for PG Scholars on Overview of Scientific Writing & Method of Writing (2nd phase)

On 4th September 2023, the Kerala University of Health Sciences (KUHS), in association with the School of Fundamental Research in Ayurveda (SFRA), successfully conducted a comprehensive hands-on training program titled "Research Orientation Hands-On Training for PG Scholars on Overview of Scientific Writing & Method of Writing." For the second phase, participants were limited to one hundred, and the session focused on protocol writing based on their level of enthusiasm and commitment to the program. This event is part of an ongoing initiative aimed at equipping first-year postgraduate (PG) students with essential research skills, in alignment with the National Commission for Indian System of Medicine's (NCISM) objective to encourage medical professionals to integrate and contribute to the latest medical research in their practices. The program's goal is to cultivate a research-oriented mindset and scientific thinking among postgraduate scholars.

Observance of National Ayurveda Day

On 10th November 2023, KUHS - School of Fundamental Research in Ayurveda observed National Ayurveda Day. In connection with this, the school conducted two programs on 10 November 2023 and 18 November 2023.

The first programme was an offline session on 10th November 2023 the subject was "Human, Animal & Environmental Well- Being with emphasis on Zoonotic Diseases- by DR TOMS C JOSEPH, Principal Scientist, CMFRI.

- The second programme was an Online session on 18/11/2023 the subject was Ayurveda for the 22nd century, Globalizing innovations & practice inspired by Interdisciplinary & Transdisciplinary Research & Evidence – by Dr. Madan Thankavelu, Genome Biologist, Cambridge University.

Global Ayurveda Festival: - December 1-5, 2023 at Green Field International Stadium, Thiruvananthapuram.

GLOBAL AYURVEDA FESTIVAL is recognised as an essential event of global repute, GAF-2023 aims to convincingly position Ayurveda's healing potentials, by showcasing its conceptual foundation and infinite application possibilities, by reaching out to the health seeking global mankind, and by readying young physicians to address emerging healthcare challenges. It provides a platform to further the knowledge, facilitate research initiatives, formalize collaborations, firm up policies and to familiarize with global players and processes.

It was an ensemble of scholars from all over the world, the student community, and policymakers for one common cause – to expose and exchange knowledge for a wider and more impactful reach of Ayurveda.

The School of Fundamental Research in Ayurveda (SFRA) considered it a privilege to showcase its vision and mission at this event by setting up a stall.

2 days Offline "Hands-on workshop on Data Analysis using SPSS (Statistical Package for the Social Sciences)", Dated on 14/12/23 & 15/12/23 by Dr. Jeby Jose Olickal MD (Ay), MPH, PhD.

On 14th and 15th December 2023, the School of Fundamental Research in Ayurveda conducted an intensive hands-on training program on SPSS software for MPhil Translational Ayurveda scholars and faculty members from Ayurveda colleges affiliated with the Kerala University of Health Sciences (KUHS). The training, facilitated by Dr. Jeby Jose Olickal, an Assistant Professor from the Department of Public Health at Amrita Institute of Medical Sciences & Research Centre, Kochi, aimed to provide a practical, application-oriented introduction to IBM SPSS Statistics. The program enabled participants to conceptualize and perform data analysis and statistical computations through real-life case studies. A total of 30 participants benefitted from the training, including 16 MPhil scholars, 4 faculty members from SFRA, and 10 faculty members from various Ayurveda colleges under KUHS. The training was instrumental in enhancing their statistical analysis skills, fostering a deeper understanding of SPSS for practical research applications in the field of Ayurveda.

Observance of World Cancer Day

Indian Dental Association conducted a class on Oral Pre Cancer Management by Dr. Deepu George Mathew MDS, Professor & Head, Dept. of Oral & Maxillofacial Pathology, Annoor Dental College & Hospital Muvattupuzha, on 6th February 2024 at School of Fundamental Research in Ayurveda, Tripunithura in accordance with World Cancer Day

Interactive session on Research aspects: -

On 22nd December 2023, the School of Fundamental Research in Ayurveda, in collaboration with the Directorate of Ayurveda Medical Education and Government Ayurveda College, Thiruvananthapuram, organized an interactive session with Dr. Sivarama Prasad Vinjamury, a Senior Scientist and Professor at Southern California University of Health Sciences, USA. Held from 11 am to 1 pm, this event featured Dr. Vinjamury delivering a hybrid-mode lecture from the auditorium of Government Ayurveda College, Thiruvananthapuram. He provided insights into contemporary research

methodologies and their applications in Ayurveda. The session included engaging discussions with faculties, postgraduate students, and PhD scholars affiliated with the Kerala University of Health Sciences, Thrissur, fostering an enriching exchange of knowledge and ideas. Dr. Vinjamury's participation highlighted the global linkages and collaborative spirit essential for advancing Ayurveda research and education.

KUHS-SFRA Research Orientation Workshop for PG Scholars

Research Orientation Workshop for PG Scholars from 11/03/24 to 26/03/24

From 11th March to 26th March 2024, the School of Fundamental Research in Ayurveda (SFRA) successfully conducted its annual orientation program for first- year postgraduate (PG) scholars in Ayurveda. This program, crucial for instilling the importance of research within the field, was held over multiple online sessions using the Zoom platform. The sessions ran over a span of two weeks, with each session lasting two hours, providing a thorough overview of the research process and its applications in Ayurveda.

The orientation program saw enthusiastic participation from PG scholars across various Ayurveda colleges under the Kerala University of Health Sciences (KUHS). Institutions including Government Ayurveda Colleges in Thrissur, Trivandrum, Kannur, and others actively ensured that their students could attend these valuable sessions, often organizing group viewings to facilitate engagement.

During the program, experts from the field of Ayurveda and research provided detailed lectures and interactive discussions, covering essential topics such as research methodologies, literature reviews, and the integration of contemporary research practices into Ayurveda. These sessions not only broadened the students' understanding of research principles but also highlighted the critical role of research in advancing Ayurvedic knowledge and practice.

Memorandum of Understanding Discussions

- MOU with Nirmala College of Pharmacy & Annoor Dental College & Hospital, a NAAC Accredited institution in areas of Dental health & oral pre cancer management.
- MOU with Vaidyaratnam Ayurveda Research Institute on various Multidisciplinary Research such as New Product Design & Development.

School of Family Health Studies, Kozhikode

The family is the smallest social unit enabling survival, growth, development and achieve the optimal potential of every member of the family from children to grandparents across the whole life cycle. However, there are huge impediments for this in many areas - physical, mental, psychological, educational, social, economic, religious and spiritual dimensions. These issue has not been adequately addressed in a comprehensive manner especially the huge regional variations. The School of Family Health Studies to be set up at Kozhikode in Malabar region, often considered as a relatively backward area of Kerala.

The National Family Health Surveys (NFHS) have been addressing some of these issues in totality.

Recent studies report that chronic diseases have displaced communicable diseases as the leading cause of death and disability in India. Identification of risk factors through screening is an important tool in the fight against chronic diseases.

Divorce rate is increasing tremendously in Kerala. Domestic violence is a global issue, reaching across national boundaries as well as socio-economic, cultural and class distributions. It is a widespread, deeply ingrained evil, which has serious impact on woman health and well-being. Domestic violence can be described as the power, misused by one adult in a relationship, to control another.

Relationship problems can arise at various stages of our lives. Keeping relationships on track is not always easy. Having a shaky moment does not mean the relationship is in trouble but it may be a sign that one could do with some help. Family counselling can guide and support couples to meet the challenges of life. Family counselling can help maintain valued family relationships even after separation. At this time, parents need to focus on what is best for their children. Children will have feelings and emotions that they may not be able to understand or deal with.

By setting up a school for addressing family health counselling in all its dimensions will benefit the society by developing strategies to prevent family disruption in our country.

Objectives

1. To evaluate the latest National Family Health Survey result trends for the State and districts (if available) and chalk out feasible research strategies to address the most relevant issues.
2. To understand the burden and aetiology of problems in the family set up and develop counselling facilities for addressing family problems.
3. To study feasible intervention strategies within the family context to enable the Government to make modifications in various programs.
4. To collaborate with local community based organisations and government services in strengthening the institution of family by capacity building of grass-root level care givers.
5. To develop supportive services in parenting and child care issues.

6. To assess the risk factors in family breakdown and to develop strategies to manage the process of divorce/separation in the best interest of children.
7. To develop Specialised Family Violence Services which aim to assist vulnerable Families.

Organogram

- ◆ Professor-1
- ◆ Associate Professor-2
- ◆ University Assistant-1

Activities:

• School of Family Health Studies Kozhikode and Academic Staff College, KUHS conducted a webinar series for faculties of colleges affiliated to Kerala University of Health Sciences, with the aim of bringing an awareness on the significance of Health Humanities that can exceptionally prepare the healthcare professionals to confront the intricacies of health in the public sphere—as rigorous, articulate, and, perhaps above all, critically empathetic evaluators. Duration of the webinar: 2-hour program on every Wednesday, 26.04.2023, 03.05.2023, 17.05.2023, 24.05.2023, 31.05.2023 at 7.00 pm – 9.00 pm.

Five eminent resource persons, Dr.P Ravi Shanker Professor of Medical Education IMU Centre for Education International Medical University Kuala Lumpur, Malaysia, Dr. Upreet Dhaliwal Former Director-Professor of Ophthalmology University College of Medical Sciences, University of Delhi, Dr. Sheba DMani, Associate Professor & PhD Director, Centre for Bioethics and Humanities International Medical University Kuala Lumpur Malaysia, Dr.Satendra Singh Professor of Physiology, University College of Medical Sciences, University of Delhi India, Dr. Gayathri Prabhu Coordinator, Student Support Centre Associate Professor, Manipal Centre for Humanities Manipal Academy of Higher Education were invited as Resource Persons for webinar series.

Dr. Ravi Shankar spoke on 'Medical Humanities- An Overview.' Dr. Upreet Dhaliwal spoke on 'Developing humanistic competencies within a competency based curriculum.' Dr. Satendra Singh spoke about the topic 'Using the Health Humanities to impart disability competencies to undergraduate medical students.' Dr. Gayathri Prabhu spoke about the topic 'Narrative Medicine'. Dr. Sheba D Mani spoke on 'Short stories in Medical humanities'.

• School of Family Health Studies Kozhikode conducted one-day training programme for mothers of children with neurodevelopmental disorders along with Institute of Mental Health and Neuro sciences (IMHANS), Indian Academy of Paediatrics, National Health Mission Wayanad on 04.05.2023, at Newform Hotel Kakkavayal Wayanad. Welcome speech was given by Eby Scariya (DEIC Manager). The Presidential address was given by Dr. Shijin John Aloor (District RCH Officer). Dr. Sameeha Saidalavi DPM was the Chief Guest of the program. Program was inaugurated by Deputy DMO Dr. Sawan Sara Mathew who focused on the need of such programs for parents. Dr. Geeta Govindaraj (Professor, School of Family Health Studies) gave the introduction about the program. The gathering was felicitated by Dr. Nimmy (Pediatrician, CHC Meenangady). Dr. Anoop Kumar N Associate Professor SFHS gave overview of the program. The vote of thanks was delivered by Mrs.

Jasmine Jolly (Staff Nurse DEIC). 70 participants participated in the program. Topics discussed were spoken language training from home, pre academic skill training programme, training the child on their daily routine though fine motor skills from home and on role of parents in early intervention. Mrs. Mumthas CPM (Audiologist cum Speech Language Pathologist, IMHANS), Mr. Justin P Kurian (Early Interventionist IMHANS), and Mrs. Sandhya M (Special Educator, IMHANS) were resource persons. “Veetiloru Therapist” book was distributed to all parents who attended the program.

- Conducted a one-day workshop on “Connect to Collaborate: Enhancing Health Research” at Government Medical College, Kozhikode in association with Kerala State Higher Education Council and Government Medical College, Kozhikode on August 1st 2023 at NILA Hall IMCH Government Medical College. The programme started off with the registration from 9.30 am. Inaugural session started at 10.00 am with Dr. Geeta Govindaraj, Professor, SFHS welcomed the gathering. Dr. N Asokan, Principal, GMC Kozhikode spoke about the research scenario at GMC Kozhikode. Dr. Rajan Varughese, Member Secretary KSHEC spoke about role of KSHEC in developing research scenario in Kerala. Inaugural address was given by Smt. Veena George Hon’ble Minister for Health and Family Welfare. Madam spoke about the importance of conducting programs for the upliftment of research in state. Guest of Honour for the program was Dr. Mohanan Kunnummal Hon’ble Vice-Chancellor, KUHS. The gathering was felicitated by Dr. Sreejayan MP Superintendent, NMCH, GMC Kozhikode, Dr. Supriya N.K. Professor of Pathology, Nodal Officer, MRU, GMC Kozhikode and Dr. Shaji K.S. Dean Research KUHS. Scientific sessions started by 11.00 am. The first session was by Dr. Salim Yusuf, Distinguished Professor, School of Medical Science, McMaster University, Canada on the topic “Reducing the Burden of Cardiovascular Diseases.” Sir spoke about high burden of cardiovascular disease (CVD) and subsequent studies, such as the Prospective Urban Rural Epidemiological [PURE] study. The second session was conducted by Dr. Gagandeep Kang Professor, Department of Gastrointestinal Sciences, CMC Vellore. Third session was by Dr. Vinod Scaria, Principal Scientist, CSIR Institute of Genomics and Integrative Biology Delhi. Around 12.30 pm experience sharing session was conducted, Dr. K P Aravindan Retd. Professor & Head, Dept. of Pathology, GMC Kozhikode spoke about multidisciplinary research unit, Dr. M Feroze, Former Professor of Pathology, GMC Kozhikode spoke about Sick Cell Anemia Project. Dr. Krishnakumar, Former Director, IMHANS spoke about Centre for Interdisciplinary Brain Research the origin, functions and facilities available in the centre. He also spoke the projects and grants received by the centre.

Collaborative research experience from GMC Kozhikode was presented from 1.00 pm to 1.30 pm by Dr. Chandni R, Professor and Head, Dept. of Emergency Medicine, GMC Kozhikode, Dr. Geeta Govindaraj, Professor, School of Family Health studies, KUHS Kozhikode, Dr. Sreelatha M, Professor and Head, Department of Nephrology, GMC Kozhikode and Dr. Santhosh Kuriakose, Associate Professor, Department of Obstetrics and Gynecology, GMC Kozhikode presented during this session,

After lunch panel discussion and brainstorming session on “Developing an Ecosystem for Medical Research in Kerala-way forward” was done with Dr. UC Jaleel, Principal Scientist, OSPF-NIAS

Drug Discovery Lab, NIAS IISc Bangalore as Moderator. Dr. Aravindan, Retd. Professor & Head, Dept. of Pathology, GMC Kozhikode, Dr. Feroze M, Former Professor of Pathology, GMC Kozhikode, Dr. Vinod Scaria Principal Scientist, CSIR Institute of Genomics and Integrative Biology Delhi, Dr. Gagandeep Kang, Dr. Rajan Varughese, Member Secretary KSHEC, Dr. Krishnakumar, Former Director, IMHANS, Dr. Santhosh Kuriakose, Associate Professor, Department of Obstetrics and Gynecology GMC Kozhikode interacted with the participants.

A total of 160 participants from various institutes like NIT Kozhikode, Govt. Nursing College Kozhikode, IMHANS, KMCT Medical college, MES Medical College etc. actively participated in this program,

- Conducted training workshop on Qualitative research with N Vivo for Academic Staff of Schools and Centres on 21.08.2023.
- Conducted an online panel discussion on World AIDS day on 1st December 2023 for faculty of affiliated colleges. The program started by 2pm. The gathering was welcomed by Dr. Subhadra K T, Associate Professor, School of Family Health Studies. Prof. Dr. CP Vijayan, Pro-Vice Chancellor, KUHS inaugurated the program. Dr. Sajith Kumar, Visiting Professor, Academic Staff College before introducing the speakers gave a good recap about the history of fight against HIV/AIDS in world in general and India and Kerala in particular and highlighted the importance of involving the affected communities in the battle against HIV/AIDS.

Prof. Dr. Geeta M Govindaraj, Professor, School of Family Health Studies, Kozhikode was the moderator of the panel discussion.

Panelist Dr. Sheela Mathew, Professor, Department of Medicine, KMCT Medical College, Kozhikode, a person with 35 years of experience in the field of HIV/AIDS shared her experience in the field. The panellist Dr. Ajith Kumar K, Professor and Head, Department of Dermatology, GMC Kottayam a pioneer in field of HIV care in Kerala, and head of ART clinic of GMC Thrissur too mentioned that though he was optimistic in the last 10 years were HIV/AIDS in Kerala have reached a level of not a public health problem, but about the elimination. The panellist Dr. Atmaja Nair, Additional Professor, Department of Obstetrics and Gynecology and GMC Kozhikode and a faculty for Kerala Federation of Gynaecologists shared her experiences with PPTCT over the last few years. She mentioned that the last positive case from mother to child was in 2019.

The panellist Dr. Annamma, ART Medical officer GMC, Kozhikode responded about the demographic characteristics of affected individuals that a shift towards younger population getting affected is found out in the last few years that too among the population who had awareness about the HIV incidence nature. The panellist Dr. Lathika Nair, Additional Professor, Department of Paediatrics, GMC Thrissur talked about her experience working with paediatric area as well as with HIV affected families. The panellist Mrs. Mini, Peer Counsellor, Care and support Centre Kozhikode for the past 17 years, discussed about the theme of the year “Let communities lead.” She said that the stigma and discrimination had decreased in the past recent years.

All panellists unanimously agreed to the fact that awareness programs are to be conducted

from upper primary classes itself. Dr. Sheela, added stating a statistic on the stigma against HIV of 69%, that the stigma persisted among the junior doctors and yearly training was required for the changing batches of resident doctors. Also it was added that involving all the stake holders like policy makers, politicians, NGOs, teachers in the fight against the HIV/AIDS was necessary in curbing the disease. Also, advertisements and awareness sessions should be adapted to the changing trend in the society. Dr. Geeta added that sharing the wealth of knowledge and experiences by the panellists itself can help in creating awareness among the public and SFHS will be trying to make some efforts towards the end. The program concluded by 4 pm with a vote of thanks by Dr. Subhadra, Associate Professor, School of Family Health Studies, KUHS.

- Conducted training on MOODLE for the staff of KUHS with the help of Kerala Higher Education Council.

International Day for people with disability was observed on December 4, 2023 with Dr. Shabina Ahmed, Founder Assam Autism Foundation.

- The School of Family Health Studies at the Kerala University of Health Sciences conducted a one-day hands-on training workshop for Pediatricians, Ophthalmologists, and Optometrists as a team from the affiliated colleges of the Kerala University of Health Sciences on January 6, 2024, from 9:30 am to 5:00 pm at Vigyan Bhavan, KUHS.

The program commenced with a brief inaugural session in the presence of Dr. Manoj Kumar, Registrar, KUHS, Prof. Sajith Kumar, Visiting Professor, Academic Staff College, and Dr. Subhadra K.T, Associate Prof. SFHS, KUHS. Prof. Geetha Govindaraj, SFHS, KUHS, shared her thoughts online.

The first session focused on "Introduction to CVI" by Dr. Geetha VKP, Ophthalmologist, District Hospital, Kozhikode, which was well-received by the participants. The session dealt with the definition of CVI, what's the importance of early diagnosis of CVI instead of diagnosing the condition as visually impaired alone and what the early diagnosis will help for the child in having a better quality of life. The subsequent session, "Recognizing CVI - What a pediatrician should know?" by Dr. Parvathy Mohan, Former Professor of Paediatrics, GMC Thrissur & Nodal Officer Regional Early Intervention Center, GMC Thrissur, was remarkable, with the presentation of numerous case studies that allowed participants to connect with Dr. Parvathy's journey in identifying and managing CVI. Following a short tea break, Dr. Tharakeswary, Senior Optometrist, Pediatric & Low vision care clinic, Department of Optometry, Medical Research Foundation, Sankara Nethralaya conducted a session on "How to approach children with CVI – Functional Vision Assessment". The class was followed by discussions and as the program was running short of time, it was kept short.

Ms. Jeeva Muthusamy, coordinator for the Vision Centre at Vidya Sagar, Chennai and Arvind Eye Hospital, Coimbatore discussed about "Vision interventions for CVI habilitation" based on her 17 years of experience working with children of various disabilities. A small discussion took place after the hands-on training, allowing participants to share their experiences and provide feedback. The program was concluded with a brief vote of thanks by Dr. Subhadra, Associate Professor, School of Family

Health Studies, KUHS.

- Workshop on Healthy Ageing & Dementia Care on 12.01.2024. The workshop provided a platform for meaningful discussions and laid the groundwork for future endeavors aimed at addressing the evolving needs of our aging population. The program was blessed to have stalwarts in the field like Dr. M.V Pillai, Clinical Professor of Oncology, Sidney Kimmel Medical College, Thomas Jefferson University US, Prof. Balakrishnan (Kichu) R Nair Professor of Medicine, School of Medicine and Public Health, Newcastle Australia, Prof. Thomas Iype, Emeritus Professor, Department of Neurology, Govt. Medical College, Thiruvananthapuram to name a few.

- Orientation program on Inborn Errors of Immunity (IEIs) for Medical officers/

SFHS on 27th February 2024 conducted a one-day orientation program was conducted at Government Mental Health centre, Kuthiravattom, Kozhikode for Medical Officers/Pediatricians in Kozhikode District. The programme started off with the registration from 9.00 am. 51 participants had registered for the programme. Welcome speech was given Dr. Anoop Kumar N, Associate Professor, SFHS KUHS, Kozhikode. The Presidential address was given by Dr. Geeta Govindaraj (Professor, School of Family Health Studies Program) was inaugurated by Dr. Rajendran, DMO Kozhikode who focused on the importance of programs for paediatricians and medical officers. The gathering was felicitated by Dr. Sachin Babu, RCH officer. Dr. Shaji, Superintendent, Government Mental Health Centre, Dr. Bindu Thomas K and Deputy DMO, Dr. Mohandas also attended the program. Around 9.30 am first session started. Topic was Clinical approach to Inborn Errors of Immunity by Dr. Priya Saravanan, Assistant Professor, Dept. of Pediatrics, GMC Kozhikode, who discussed the clinical approach to IEI with special reference to usefulness of Jeffrey Modell warning signs for an IEI in children. Session included group work with case-based scenarios and laid the foundation for rest of topics.

Second session started at 10.30 am, and topic was Lab based approach to inborn errors of immunity by Dr. Shiny P.M, Associate Professor, Dept. of Pathology, GMC Manjeri, Dr. Shiny enumerated various lab investigations to be performed during evaluation of child for an IEI. This included nephelometry, flow cytometry and interpretation of peripheral smear and bone marrow aspirate. At the end of session participants worked in groups to solve actual case-based problems.

Third sessions started at 11.30 am and topic was Genetic Counselling and Prenatal Diagnosis by Dr. S Gireesh, Additional Professor, Dept. of Pediatrics, Govt. Medical College Kasargod. Dr. Gireesh explained necessity for genetic counselling including prenatal diagnosis and the rationale for genetic confirmation of diagnosis by tests including karyotyping, FISH, MLPA, Sanger sequencing and next generation sequencing.

Fourth session started at 12.30 pm and topic was pattern recognition synthesizing clinical and lab clues by Dr. Geeta M Govindaraj, Professor, School of Family Health Studies, KUHS, Kozhikode. Dr. Geeta stressed the importance of recognising patterns based on clinical and lab clues. Participants actively took part in working out problems based on actual cases.

There was also a crossword puzzle to be solved in pairs based on IEIs.

Fifth session started at 2.00 pm and topic was Inborn errors of immunity in OPD practice by Dr. Sindhu T.G, Additional Professor, GMC Kozhikode. She elaborated on common IEIs which would be encountered in day to day outpatient practice. She discussed clinical characteristics and investigations of these cases with illustrative examples. The session was dealt by Dr. Sindhu. Next session was dealt with by Dr. Geeta M Govindaraj, Professor, School of Family Health Studies, KUHS, Kozhikode who discussed the common management strategies for IEIs including antimicrobial prophylaxis IVIG prophylaxis hematopoietic stem cell transplantation and use of biologicals. Final session was Group Discussion with Resource persons regarding early diagnosis and management.

Participants actively participated in sessions and group work and feedback was excellent. Program concluded by 5 pm with a vote of thanks from Dr. Anoop Kumar N, Associate Professor, SFHS, KUHS Kozhikode.

Certificate Programs:

Second Certificate Program on Healthy Ageing and Geriatric Care- MOOC-CHAGC-II conducted as a faculty development initiative of Kerala University of Health Sciences on Moodle platform with around 600 participants (564- outside the university and 44 faculties from affiliated colleges of University). The program started on June 20, 2023 till December 2023. An online interaction section was conducted with Dr. Aneesh, Associate Professor, Dept. of Community Medicine, Govt. Medical College, Thiruvananthapuram and Mrs. Dhanya Sebind Kumar, Clinical psychologist, Dept of Psychiatry, Govt. Medical College, Thrissur on 23.08.2023. There was good interaction between the participants and the resource persons Successfully completed participants will be provided certificate after a final online examination which requires 1000/- registration fee.

A session on Health Care Counselling in MOOC-CHAGC-II

- ◆ Certificate Program on Childhood Disability Management and Rehabilitation MOOC-CCDMR has started by 15.09.2023 with 125 participants. The program is for the faculty of affiliated colleges of KUHS and various Directorates and other Health Care workers. This is to impart awareness on the early identification and effective management of disability effectively from childhood itself.
- ◆ A session on Introduction to Childhood Disability Management by Dr. Arun Kumar Singh.
- ◆ "Young Innovators Programme 50" for PhD scholars and MPhil scholars of affiliated colleges of KUHS by Kerala Development and Innovation Strategic Council conducted an orientation program from on 30th March 2023 (12.00 noon to 1.00 PM) on the topic "Democratising Innovation" through online mode. This was intended to transform the knowledge society has in a way that is suited to our state through the promotion of innovations that bring about equitable and sustainable development of Kerala and also for promoting innovation and creativity among young students.
- ◆ As a faculty development initiative, proposal for MOOC-CYAGC-III certificate program in

young adults guidance and counselling in Moodle Platform was submitted. Notification was uploaded in website and 176 participants had registered for the program. Course will commence soon.

- ◆ Submitted proposal for certificate program on Basics of Genomics and Genetic Counselling (CBGGC) for medical faculty of KUHS affiliated institutions.
- ◆ Research projects - brief description, funding, status
- ◆ Submitted concept proposal to ICMR titled 'Comprehensive clinical and genetic characterisation of still births from a tertiary centre in Kerala' in collaboration with Department of Obstetrics, GMC Kozhikode and IMHANS

Status: Submitted, awaiting decision.

- ◆ Submitted plan proposal for funding of phase I of new-born screening for Lethal inborn errors of immunity to Planning Board.

Status: Approved by Government of Kerala as per G.O. (Rt.) No:2435/2023/HFWD dated 21/09/2023.

- ◆ Submitted collaborative research proposal to DBT on TREC / KREC Assay for Screening of newborns with severe inborn errors of adaptive immunity.

Status: Submitted awaiting decision

- ◆ Development and Validation of a Composite Scale to Assess Healthy Ageing and to develop an Inter-Disciplinary Guideline on Healthy Aging in Kerala- started from Nov 2021 as intramural project (U.O. No. 90/2021/schools and centres/KUHS dated 22.06.21) This is to develop, validate and test a composite scale to measure "Healthy aging" and to formulate an inter-disciplinary guideline from the perceptions of health science. One of the objectives (Mapping of resource utilization by the older persons in Kerala) completed (U.O.90/2021/Schools and Centres/KUHS dated 22/06/2021- UEC/1/KUHS/2021(version 3))

Principal Investigator- Dr. Subhadra K.T, Research fellow- Gowtham S Dev

- ◆ Developing Home Based Dementia Care Model: A mixed methodology approach (U.O.No.4/M/15621/2022/A1/S&C/KUHS dated 20-06-2022). The project started by January 3, 2023 after University Ethics Committee approval (UEC/3/KUHS/2022(Version2). The project intends to develop a Home based dementia care module to scientifically take care of these patients at home itself, as well as tackling the care givers burden scientifically. The project is undergoing its data collection phase as in-depth interviews and home based dementia care module development.

A budget of 19, 40, 000 has been sanctioned for the utilization of the project. The fund is being utilized in the form of advance sanctioning in the name of Principal Investigator in a separate account started solely for the purpose of the above project.

Principal Investigator- Dr. Subhadra K.T, Co-investigator -Dr. Shaji K.S,
Dean Research, Research fellow- Sruthy S Babu,

Centre for Disability Management Studies

Evaluating the impact of COVID-19 on differently abled people and re-identifying their needs -A mixed method approach (U.O.No.112/2022/Schools and centres/KUHS dated 18.06.2022) with a sanctioned fund of 17,45,000/- 2 years. University Ethics Committee gave sanction for the study on December 2022. The project started by 04.05.2023. The project intends to study the impact of COVID-19 on differently abled people and re-identifying their needs and plan strategies for better preparedness for future pandemics and other emergencies. **Data collection is going on.**

Principal Investigator- Dr. Subhadra K.T, Co-investigator- Dr. Lathika Nair, Dept. of Pediatrics, Govt. Medical College, Thrissur, Research fellow- Dr. Tony T George.

Paper presentation and publication

a. Participated and presented a paper in 16th Global Conference on Ageing Challenge- Transformation – Change conducted at Bangkok, Thailand on 27-30 June 2023 Topic was- The ethical and privacy concerns associated with the use of digital technologies in aging populations, and how can these concerns be addressed- a narrative review. The same is to be submitted for publication.

b. Dev, Gowtham; Thrivikraman, Subhadra Kudukkasseri | Resource Utilization for Healthy Aging in Kerala: A Mixed Methods Approach Journal of the Indian Academy of Geriatrics 19(4): p 249-256, Oct–Dec 2023 | DOI: 104103/jiagjiag_42_23

c. Paper presentation on ‘Ethics related to geriatric research’ at FERCICON 2023.

d. Acknowledgements for the research fellows associated with the School.

a. COSTFORD-fellowship program (2023-24) - The proposal was on Resource Utilization Index for Healthy Ageing in Kerala. Gowtham Dev, Research fellow in the Centre’s project and has been selected for fellowship by Costford for the novelty of the topic with Dr. Subhadra as the Guide and Dr. Ramankutty as the Advisor.

b. COSTFORD-fellowship program (2024-25)- Sruthy K.B was awarded with a fellowship of 25,000/- by COSTFORD on “Out of pocket expenses for older persons below poverty line.”

A. Community Extension programs

- a. “Implementation of home-based dementia care model in Kerala” to Department of Social Justice, Govt. of Kerala. One of the common themes in global and national action plans for addressing the dementia crisis is the need for an adequately trained workforce in all aspects of dementia care. Development and preparation of a dementia competent workforce to offer a range of home-based care services is critically needed 15,20,000 for 3 years. Result awaiting.
- b. Sanctioned State resource Centre on old age policy development and research, funded by Social Justice Department, Govt. of Kerala. This is for conducting various implementation researches in the field of Geriatric area. A MoU has been signed on 14.02.2024 between KUHS and SJD and 50% of fund has been sanctioned.

Online meetings were conducted with SJD and SRC.

A document on the requirements for sick room in old age homes and a proforma for collecting the details of staff of old age home were shared with SJD.

- c. Registered with KDisc for YIP program and the Research fellow's project approved for funding.
- d. A project of School of Healthy Ageing by Wadakkanchery Municipality, first of its kind in Kerala, is advised and supported by Centre of Gerontological Studies, School of Family Health Studies. The Centre participated in the October 1st International Old Age Day celebrations at Wadakkanchery.

The research fellow participated in the Vayomitram camps for the Older people. Two symposiums were undertaken for the same at KUHS.

Academic Staff College

Activities Carried out in the Academic Staff College from March 2023 to March 2024.

SL No	Title of the Program	No of Participants	Date of the program
1	Laerdal Medical- Educational Services one-day Refresher Training SIMMOM Objectives of the Program - To understand Birthing Simulator (SIMMOM) as a learning tool for skills development in management of normal labor. - To learn how to train the students using a birthing simulator to improve management and communication skill in labour room. - To discuss the possibilities of SIMMOM in different scenarios- complicated labour, placental abnormalities, third stage complications, neonatal resuscitation, new born care, breast feeding, postpartum haemorrhage, eclampsia etc. - To develop confidence to use SIMMOM as a stand-alone simulator. - To expand the skill of training possibilities with high-quality add-ons and available low fidelity equipment. - To identify skill improvement areas for individuals as well as those essential for a team to function together, such as communication, behavior, and leadership. Beneficiaries Modern Medicine and Nursing teachers from the affiliated colleges of KUHS. Number limited to 10 participants (Preference given to OBG)	7	09.03.2023
2	Laerdal Medical- Educational Services one-day refresher training SIMMAN refreshes the skill and knowledge. To provide high-quality simulation training in a multitude of different medical procedures and patient cases. To train the team with state-of-the-art simulation technology designed to improve team performance within a risk-free environment. To develop confidence to use SIMMAN 3G as a stand-alone simulator. To expand the skill of training possibilities with high-quality	10	10.03.2023

	Beneficiaries Modern Medicine and Nursing teachers from the affiliated colleges of KUHS. Number limited to 10 participants.		
3	Training of trainers in simulation based Medical Education - Trauma management, one-day program 1 To orient and introduce simulation technology and different simulators used in teaching learning activities of trauma management. 2 To demonstrate the role of simulation in acquiring skills in various trauma management scenarios. 3 To perform procedures on the simulators and give hands on training on various scenarios. 4 To assess the effectiveness of the training program in terms of knowledge and skill. Beneficiaries Modern Medicine and Nursing teachers from the affiliated colleges of KUHS. Number may be limited to 40 participants (preference given to Medical surgical and Paediatrics nursing faculty and emergency department medical faculty)	40	29.03. 2023
4	Health Humanities webinar series combined with School of Family Health Studies		26.04. 2023 to 24.06. 2023
5	Conducted a seminar on Cyber Security and Cyber Ethics This Seminar was intended to serve as a remedial and refresher program for the administrative staff of KUHS to get updated with recent advancements in the field of cyber security and cyber ethics. Dr.Prof. R Sajith Kumar, Emeritus Professor, Dept. of Infectious Diseases, Govt. Medical college, Kottayam, Visiting Faculty, Academic staff college, KUHS conducted the class in the senate hall of KUHS, Thrissur on 08.06.23. Approximately 263 staff participated in the seminar and clarified the doubts in the discussion time.	263	08.06. 2023
6	A Two-day training in SIMMAN by Laerdal Medical-Educational Services. The objectives ➤ To provide high-quality simulation training in a multitude of different medical procedures and patient cases. ➤ To train the team with state-of-the-art simulation	9	on 6 th & 7 th July 2023

	➤ Technology designed to improve team performance within a risk-free environment. ➤ To develop confidence to use SIMMAN 3G as a stand-alone simulator. ➤ To expand the skill of training possibilities with high-quality add-on and your own equipment. ➤ To identify skill improvement areas for individuals as well as those essential for a team to function together, such as communication, behavior, and leadership.		
7	Refresher Program for CCSS -2018 Batch Participants on High Fidelity Simulator -An Orientation Program. Broad Objective of the certificate program was to equip the health science faculty with knowledge in managing simulations labs of their institution, competence in clinical skill training to teach their students safe and competent health care and positive attitude in using simulation based teaching methods to amplify preclinical teaching and ensuring patient safety. 1. Refresh their basic knowledge in simulation training. 2. Update information in high fidelity simulation training. 3. Renew their skills in using different types of simulators in preclinical training of their students. 4. Update the latest trends and technology in simulation based health science education.	15	07.06.2023
8	Orientation Program on the Rules and Regulations in the Conduct of University Examinations for Dental Sciences, Faculty of Affiliated Institutions of KUHS objectives 1. To update the rules and regulations regarding the conduct of University Examinations to be followed by affiliated centers of the university. 2. To learn the role and responsibility of faculty who are posted as invigilators, Internal Vigilance Officers (IVO), External Vigilance Officers (EVO / Observer), Chief Superintendent etc. 3. To refresh the knowledge on procedures related to the conduct of examinations, and rectify communication gaps with the exam section of KUHS.	590	On 24.07.2023 7.00 pm to 9.00 pm 26.07.2023 at 7.00 pm to 9.00 pm
9	Training program in SIMMOM high fidelity simulator by Laerdal Medical- Educational Services	8	3 rd and 4 th of August 2023

9	The objectives - To understand Birthing Simulator (SIMMOM) as a Learning Tool for Skills Development in Management of Normal Labour. - To learn how to train the students using a birthing simulator to improve management and communication skill in labour room. - To discuss the possibilities of SIMMOM in different scenarios- complicated labor, placental abnormalities, third stage complications, neonatal resuscitation, new born care, breast feeding, postpartum haemorrhage, eclampsia etc. - To develop confidence to use SIMMOM as a stand-alone simulator. - To expand the skill of training possibilities with high-quality add-ons and available low fidelity equipment. - To identify skill improvement areas for individuals as well as those essential for a team to function together, such as communication, behaviour and leadership.	8	3 rd and 4 th of August 2023
10	Orientation Program on the Rules and Regulations in the conduct of University Examinations for Nursing Sciences, Faculty of Affiliated Institutions of KUHS. - To update the rules and regulations regarding the conduct of university examinations to be followed by affiliated centers of the university. - To learn the role and responsibility of faculty who are posted as invigilators, Internal Vigilance Officers (IVO), External Vigilance Officers (EVO/Observer), Chief Superintendent etc. - To refresh the knowledge on procedures related to the conduct of examinations, and rectify communication gaps with the exam section of KUHS.	1000	6 th October 2023 at 7.00 pm to 10.00 pm
11	Work shop Skill Lab Training Unit in Medical Colleges Phase I (STU Medicine) Simulation and skills training is now recognized as part of standard educational methodology in health professional education. The standards of skills lab, equipment and utilization vary across institutions. This proposal is aimed at establishment	30	05.10.2023, 06.10.2023, 07.10.2023

11	and utilization of skill labs for training across all institutions. The proposal to conduct the workshop to establish the simulation training units (STU) was implemented as scheduled and planned. The first phase was conducted on 5th to 7th October 2023. The second phase was conducted on 14th to 15th November 2023, 18th to 19th December 2023 and 16th to 17th January 2024. A total of 147 participants from 31 medical colleges affiliated to KUHS has been trained in using simulation lab. A simulation lab module has been prepared in the first phase of the program and the content were verified (content validity) by the second phase participants and resources persons. The module has been submitted the schools and centres office for the publication and distribution and the use by the colleges. Participants were updated regarding the existing facilities in the KUHS simulation lab. The certificates of the program were distributed among the participants and resource persons.	30	05.10.2023, 06.10.2023, 07.10.2023
12	Work shop Skill Lab Training Unit in Medical Colleges Phase 2 program 1.	33	14.11.2023, 15.11.2023
13	Orientation Program on the Rules and Regulations in the conduct of University Examinations for Pharmaceutical Sciences, Faculty of Affiliated Institutions of KUHS. 1. To update the rules and regulations regarding the conduct of university examinations to be followed by affiliated centers of the university 2. To learn the role and responsibility of faculty who are posted as invigilators, Internal Vigilance Officers (IVO), External Vigilance Officers (EVO / Observer), Chief Superintendent etc. 3. To refresh the knowledge on procedures related to the conduct of examinations, and rectify communication gaps with the exam section of KUHS.	488	22.11.2023 7.00 pm to 9.00 pm
14	Workshop on Faculty Development in affiliated Dental Colleges Phase 1. The objective is to raise the capacity of faculty members in developing a scientific and structured teaching learning process for the undergraduate and post graduate courses being run by them. Based on the above objectives and guide line Phase 1 one program was conducted on-22.11.2023 to 24.11.2023 with 31 participants and in phase II, two programs were conducted on	31	22.11.2023 to 24.11.2023

14	29.01.2024 to 31.01.2024 with 32 participants and on 28.02.2024 to 01.03.2024 with 52 participants respectively. The Academic Staff College has completed faculty training for 117 dental faculty from all (26) affiliated dental colleges and from GMC Idukki. They have been trained with the purpose of starting Faculty Development Units and regularly conducting similar training programs for peer faculty through Faculty Development Units in their colleges. The trained faculty has been empowered to organise three-day FDP in colleges using the handouts developed and shared with the participants.	31	22.11.2023 to 24.11.2023
15	Training Program on effective implementation of New Competency Based Dynamic Curriculum (First Professional BHMS). Inaugural session was attended by Hon'ble Vice Chancellor Dr. Mohanan Kunnummel, Pro-Vice Chancellor Dr. C P Vijayan, Registrar Dr. Manoj Kumar, Controller of Examinations Dr. S Anil Kumar, Dr. Sajith Kumar R, Dr. Geetha Govindaraj, Dr. Mercy, P J , Dr. Sheela A S, and Principals of Homoeopathy colleges. Teachers from 05 Homoeopathic colleges attended the program fruitful.	25	06.12.2023 to 07.12.2023
16	Work shop Skill Lab Training Unit in Medical Colleges Phase2 Program 2	34	18.12.2023, 19.12.2023
17	Workshop on Faculty Development Units in affiliated Nursing colleges (FDP Nursing) phase 1 Objectives 1. To raise the capacity of faculty members in developing a scientific and structured teaching learning process for the undergraduate and post graduate courses in their own institutions. 2. Identification of core faculty trainers in each stream. 3. Development of curriculum, modules and other training material. 4. Establishment of Faculty Development Units (FDU) in all colleges. 5. 373	MDS Degree Part I (Regular /supplementary) Examinations (MDS Oral and Maxillofacial Surgery) (2021 Scheme), January 2024.

374	MDS Degree Part I (Regular /supplementary) Examinations (MDS Periodontology) (2021 Scheme), January 2024.
375	MDS Degree Part I (Regular /supplementary) Examinations (MDS Conservative Dentistry & Endodontics) (2021 Scheme) January 2024.
376	MDS Degree Part I (Regular /supplementary) Examinations (MDS Orthodontics and Dentofacial Orthopaedics) (2021 Scheme), January 2024.
377	MDS Degree Part I (Regular /supplementary) Examinations (MDS Oral and Maxillofacial Pathology and Oral Microbiology) (2021 Scheme), January 2024.
378	MDS Degree Part I (Regular /supplementary) Examinations (MDS Pediatric & Preventive Dentistry) (2021 Scheme), January 2024.
379	MDS Degree Part I (Regular /supplementary) Examinations (MDS Oral Medicine and Radiology) (2021 Scheme), January 2024.
380	Second Year Post Basic B.Sc. Nursing Degree (Regular/Supplementary) Examinations (2016 Scheme), January 2024.
381	Medical PG Degree (MD/MS) (Supplementary) Examination, January 2024.
382	First Year B.Pharm Degree (Supplementary) Examinations (2012 Scheme), January 2024.
383	MDS Degree Part II (Supplementary) Examinations (MDS Periodontology) (2018 Scheme), January 2024.
384	MDS Degree Part II (Supplementary) Examinations (MDS Orthodontics and Dentofacial Orthopedics) (2018 Scheme), January 2024.
385	MDS Degree Part II (Supplementary) Examinations (MDS Oral Pathology and Microbiology) (2018 Scheme), January 2024.
386	MDS Degree Part II (Supplementary) Examinations (MDS Pedodontics & Preventive Dentistry) (2018 Scheme), January 2024.
387	First Year BPT Degree (Supplementary) Examinations (2012 Scheme), January 2024.
388	First Year BPT Degree (Regular/Supplementary) Examinations (2016 Scheme), January 2024.
389	First Year B.Sc. Nursing Degree (Supplementary) Examinations (2016 Scheme), January 2024
390	First Year B.Sc. Nursing Degree (Supplementary) Examinations (2010 Scheme), January 2024.
391	First Year BDS Degree (Supplementary) Examinations (2010 Scheme), January 2024.
392	Medical PG Diploma (Supplementary) Examinations, January 2024
393	Second Year B.Sc.Optomtry (Regular /supplementary) Examinations (2014 Scheme), January 2024.
394	Second Year B.Sc. Medical Biochemistry (Regular/ Supplementary) Examinations (2014 Scheme), January 2024.
395	MDS Degree Part II (Supplementary) Examinations (MDS Oral and Maxillofacial Surgery) (2018 Scheme), January 2024.
396	Second Year B.Sc. Nursing Degree Supplementary Examinations (2016 Scheme), January 2024.
397	MDS Degree Part II (Supplementary) Examinations (MDS Prosthodontics & Crown and Bridge) (2018 Scheme), January 2024.

398	Second Year B.Sc. MLT (Regular/ Supplementary) Examinations (2016 Scheme), January 2024.
399	Second Year B.Sc. MLT (Regular/Supplementary) Examinations (2015 Scheme), January 2024.
400	Fourth Year B.Sc. Medical Biochemistry (Regular/ Supplementary) Examinations (2016 Scheme), January 2024.
401	Second Year M.Sc. Nursing Degree (Regular/Supplementary) Examinations (2016 Scheme), January 2024.
402	Second Year M.Sc. Nursing Degree (Regular/Supplementary) Examinations (2016 Scheme), January 2024.
403	Second Year M.Sc. Nursing Degree (Regular/Supplementary) Examinations (2010 Scheme), January 2024.
404	First Year BDS Degree (Regular/Supplementary) Examinations (2016 Scheme), January 2024.
405	First Professional MBBS (Supplementary) (SAY) Examinations (2019 Scheme), January 2024.
406	First Professional MBBS Degree (Supplementary) Examinations (2010 Scheme), January 2024.
407	Second Year B.Sc, MLT (Regular/Supplementary) Examinations (2010 Scheme) , January 2024.
408	First Year BCVT (Regular/Supplementary) Degree Examinations (2014 Scheme), February 2024.
409	Second Year B.Sc. Perfusion Technology (Regular/Supplementary) Examinations (2012 Scheme) , February 2024.
410	Second Year B.Sc. Perfusion Technology (Regular/Supplementary) Examinations (2016 Scheme) , February 2024.
411	Third Year B.Sc. Medical Biochemistry (Regular/ Supplementary) Examinations (2016 Scheme), February 2024.
412	First Year B.Sc. Dialysis Technology (Regular/Supplementary) Examinations, February 2024.
413	Final Year MD/MS(Ay) (Supplementary) Examinations (2012 Scheme), February 2024.
414	Final Year MD/MS(Ayurveda) Degree (Ayurveda Vachaspati - Ayurveda Samhita evum Siddhant) (Regular/Supplementary) Examinations, February 2024.
415	Final Year MD/MS(Ayurveda) Degree (Ayurveda Vachaspati -Kriya Sharira) (Regular/Supplementary) Examinations, February 2024.
416	Final Year MD/MS(Ayurveda) Degree (Ayurveda Vachaspati - Dravyaguna Vigyana) (Regular/Supplementary) Examinations, February 2024.
417	Final Year MD/MS(Ayurveda) Degree (Ayurveda Vachaspati - Roga Nidana evam Vikriti Vigyana) (Regular/Supplementary) Examinations, February 2024.
418	Final Year MD/MS(Ayurveda) Degree (Ayurveda Vachaspati - Swasthavritta) (Regular/Supplementary) Examinations, February 2024.
419	Final Year MD/MS(Ayurveda) Degree (Ayurveda Vachaspati - Kaumarabhritya - Bala Roga) (Regular/Supplementary) Examinations, February 2024.
420	Final Year MD/MS(Ayurveda) Degree (Ayurveda Vachaspati - Agada Tantra) (Regular/Supplementary) Examinations, February 2024.

421	Final Year MD/MS(Ayurveda) Degree (Ayurveda Vachaspati - Kayachikitsa) (Regular/Supplementary) Examinations, February 2024.
422	Final Year MD/MS(Ayurveda) Degree (Ayurveda Vachaspati - Panchakarma) (Regular/Supplementary) Examinations, February 2024.
423	Final Year MD/MS(Ayurveda) Degree (Ayurveda Vachaspati - Mano vigyana evam Manasa Roga) (Regular/Supplementary) Examinations, February 2024.
424	Final Year MD/MS(Ayurveda) Degree (Ayurveda Vachaspati - Rasa Shastra evam Bhaishajya Kalpana) (Regular/Supplementary) Examinations, February 2024.
425	Final Year MD/MS(Ayurveda) Degree (Ayurveda Dhanvantari - Prasuti evam Stri Roga) (Regular/Supplementary) Examinations, February 2024.
426	Final Year MD/MS(Ayurveda) Degree (Ayurveda Dhanvantari - Shalya) (Regular/Supplementary) Examinations, February 2024.
427	Final Year MD/MS(Ayurveda) Degree (Ayurveda Dhanvantari - Shalakya) (Regular/Supplementary) Examinations, February 2024.
428	First Year Bachelor of Occupational Therapy Supplementary Examinations (2020 Scheme), February 2024.
429	Fourth Year B.Sc. Medical Microbiology (Regular/ Supplementary) Examinations (2014 Scheme), February 2024.
430	Fourth Year B.Sc. Medical Microbiology (Regular/ Supplementary) Examinations (2016 Scheme), February 2024.
431	Third Year B.Sc. Perfusion Technology (Regular/ Supplementary) Examinations (2016 Scheme), February 2024.
432	First Year Post Basic B.Sc. Nursing (Supplementary) Examinations (2016 Scheme), February 2024.
433	Third Year B.Sc. Perfusion Technology (Regular/ Supplementary) Examinations (2012 Scheme), February 2024.
434	Second Year BPT Degree (Supplementary) Examinations (2012 Scheme), February 2024.
435	Second Year BPT Degree Supplementary Examinations (2010 Scheme), February 2024.
436	Third Professional BHMS Degree (2015 Scheme) (Regular/Supplementary) Examinations, February 2024.
437	Fourth Semester B.Sc. Nursing Degree (Regular) Examinations (2021 Admission), February 2024.
438	Seventh Semester B.Pharm Degree (Regular/Supplementary) Examinations (2017 Scheme), February 2024.
439	Second Year BPT Degree (Regular/Supplementary) Examinations (2016 Scheme), February 2024.
440	III BCVT (Regular/Supplementary) Degree Examinations (2014 Scheme), February 2024.
441	Second Year B.Pharm Degree (Supplementary) Examinations (2010 Scheme), February 2024.
442	First Year B.Sc. Perfusion Technology (Regular/ Supplementary) Examinations (2012 Scheme) , February 2024.
443	Fourth Semester B.Pharm Degree (Regular/ Supplementary) Examinations (2017 Scheme), February 2024.
444	First Year B.Sc. Perfusion Technology (Regular/ Supplementary) Examinations (2016 Scheme), February 2024.

445	Third Year BPT Degree (Regular/Supplementary) Examinations (2016 Scheme), February 2024.
446	Third Professional MBBS Degree Part I (Supplementary) Examinations (2019 Scheme), February 2024.
447	Third Professional MBBS Degree Part I (Regular) Examinations (2019 Scheme), February 2024.
448	Second Professional BAMS Degree (Supplementary) Examinations (2012 scheme), February 2024.
449	Second Professional BAMS Degree Supplementary Examinations (2016 scheme), February 2024.
450	Third Year BPT Degree Supplementary Examinations (2012 Scheme), February 2024.
451	Second Year B.Pharm Degree Supplementary Examinations (2012 Scheme), February 2024.
452	Second Year BCVT (Regular/Supplementary) Examinations (2014 Scheme), February 2024.
453	Third Year B.Sc. Medical Microbiology (Regular/ Supplementary) Examinations (2014 Scheme), February 2024.
454	Second Year Bachelor of Occupational Therapy (Supplementary) Examinations, February 2024.
455	Third Year B.Sc. Medical Microbiology (Regular/ Supplementary) Examinations (2016 Scheme), February 2024.
456	Third Year BPT Degree (Supplementary) Examinations (2010 Scheme), February 2024.
457	Third Professional MBBS Degree Part I (Supplementary) Examinations (2010 Scheme), February 2024.
458	Sixth Semester B.Pharm Degree (Regular/Supplementary) Examinations (2017 Scheme) February 2024.
459	Second Professional MBBS Degree Supplementary Examinations (2010 Scheme), March 2024.
460	First year MHA Supplementary Examinations, March 2024.
461	Second Year MASLP Supplementary Examinations (2016 Scheme), March 2024.
462	Second Year M.Sc. MLT Degree Biochemistry (Supplementary) Examinations (2011 Scheme), March 2024.
463	Second Year MSc MLT Degree Pathology (Supplementary) Examinations (2011 Scheme), March 2024.
464	Third Professional MBBS Degree Part II (Regular) Examinations (2019 Scheme), March 2024.
465	Second year MHA (Supplementary) Examinations, March 2024.
466	Fourth Year B.Sc. Nursing Degree (Regular/Supplementary) Examination (2010 Scheme), March 2024.
467	MD (Hom) Degree Part I Supplementary Examinations (2016 Scheme), March 2024.
468	Second Semester M.Sc. Audiology Regular/Supplementary Examinations (2019 scheme), March 2024.
469	Third Year B.Pharm Degree (Supplementary) Examination (2010 Scheme), March 2024.

470	Third Year B.Pharm Degree (Supplementary) Examination (2012 Scheme), March 2024.
471	Fourth Professional B.Sc. Nursing Ayurveda Degree (Regular/Supplementary) Examinations (2016 Scheme), March 2024.
472	Third professional MBBS Degree Part II (Supplementary) Examinations (2010 Scheme), March 2024.
473	Fourth Year B.Sc. Nursing Degree (Regular/Supplementary) Examination (2016 Scheme), March 2024.
474	Second Year B.Sc. Dialysis Technology (Regular/Supplementary) Examinations (2020 Scheme), March 2024.
475	Second Semester M.Sc. Speech Language Pathology (Regular/Supplementary) Examinations (2019 scheme), March 2024.
476	MD (Hom) Homoeopathic Practice of Medicine Part II (Regular/Supplementary) Examinations (2016 Scheme) , March 2024.
477	MD (Hom) Homoeopathic Psychiatry Part II (Regular/Supplementary) Examinations (2016 Scheme), March 2024.
478	MD (Hom) Homoeopathic Repertory Part II (Regular/Supplementary) Examinations (2016 Scheme) March 2024.
479	MD (Hom) Homoeopathic Materia Medica Part II (Regular/Supplementary) Examinations (2016 Scheme), March 2024.
480	First Year Pharm D Degree (Supplementary) Examinations (2010 & 2016 Scheme) March 2024.
481	First Year Pharm D Degree (Supplementary) Examinations (2010 & 2016 Scheme), March 2024.
482	Third Professional B.Sc. Nursing Ayurveda Degree (Regular/Supplementary) Examinations (2016 Scheme), March 2024.
483	Third Year Bachelor of Occupational Therapy (Supplementary) Examinations, March 2024.
484	Second Professional MBBS Degree (Regular/Supplementary) Examinations (2019 Scheme), March 2024.
485	First year B.Sc. MRT Degree (Regular/Supplementary) Examinations (2016 Scheme), March 2024.
486	MD (Hom) Homoeopathic Philosophy Part II (Regular/Supplementary) Examinations (2016 Scheme) , March 2024.
487	Final Professional BSMS Degree Supplementary Examinations (2016 Scheme), March 2024.
488	Second Professional BSMS Degree (Supplementary) Examinations (2016 Scheme), March 2024.
489	Fourth Professional B.Pharm Ayurveda Degree (Regular/Supplementary) examinations (2010 Scheme), March 2024.
490	Second Year B.Sc. Medical Microbiology (Regular/ Supplementary) Examinations (2016 Scheme), March 2024.
491	Second Professional B.Sc. Nursing Ayurveda Degree (Regular/Supplementary) Examinations (2016 Scheme), March 2024.
492	Second professional B.Pharm Ayurveda Degree (Regular/Supplementary) examinations (2010, 2020 Scheme), March 2024.
493	Second year MHA (Supplementary) Examinations (2013 Scheme), March 2024.

494	Third Professional BUMS Degree (Regular/Supplementary) Examinations (2016 Scheme), March 2024.
495	First year B.Pharm Ayurveda Degree (Regular/Supplementary) Examinations (2010, 2020 Scheme), March 2024.
496	Third Professional B.Pharm ayurveda Degree (Regular/Supplementary) Examinations (2010, 2020 Scheme), March 2024.
497	First professional B.Sc. Nursing Ayurveda (Supplementary) Examinations (2016 Scheme), March 2024.
498	First year B.Sc. Nursing Ayurveda (Regular) examinations (2016 Scheme) , March 2024.
499	First Year M.Sc. MLT Biochemistry Degree (Supplementary) Examinations, March 2024.
500	First Year M.Sc. MLT Microbiology Degree (Supplementary) Examinations, March 2024.
501	First Year M.Sc. MLT Pathology Degree (Supplementary) Examinations, March 2024.
