

ANNUAL REPORT

2018-19

KERALA UNIVERSITY OF HEALTH SCIENCES

KERALA UNIVERSITY OF HEALTH SCIENCES

Foreword

Health care is undergoing fundamental change from solely treating acute illness to focusing on a person's whole needs for wellness—where physical health, mental health and social supports are explored—involving a team of health care professionals, including doctors, nurses, health specialists and others. In this scenario, Kerala University of Health sciences has emerged as a pioneer institution in creating the team of health care professionals required for maintaining the wellness of human beings.

We have had another fruitful year, during which eight (8) new colleges were affiliated during the year. This included 1 Homoeopathic college, 2 Paramedical colleges and 5 Pharmacy colleges. With this, the University now has a total of 310 affiliated colleges.

Ever since the Establishment of Kerala University of Health Sciences, it has been striving hard for achieving one of its basic objective – the timely conduct of Examinations and declaration of results so that students would not lose time during the period of a Course. Examinations were continued to be conducted successfully in several undergraduate, postgraduate and super-specialty courses with promptness, maintaining absolute confidentiality, both during the examinations and evaluations, and effectively preventing misdemeanours of any kind.

During the year under review, the University, as usual, conducted numerous regular as well as supplementary examinations. All the examinations were completed in a flawless manner, which is by now well accepted and has become the hallmark of the University.

After conducting examinations, we had been able to declare results as quickly as possible and had even gone to the extent of declaring the results within five working days of conducting examination. It is of great satisfaction to understand that early publication of results enables the students to appear for national level competitive examinations/ entrance examinations for admission to higher studies without losing a year. We have introduced the process of digital evaluation in some select courses which will enable us to declare the results more quickly and efficiently.

The Research Division continued to undertake a number of programmes to create a research-enabling environment and enhance research in the affiliated colleges.

We had been publishing official journal of the University – “Health Science” every year. During the year however, title registration has been done to start peer reviewed indexed scientific journal with registration for research studies, for public circulation both in printed and soft copy versions.

The University has already established a School of Health policy and Planning with the intention of playing a leadership and facilitatory role in health policy and planning, disease surveillance and monitoring, and the promotion of preventive, promotive and rehabilitatory aspects of health. Further, establishment of several centers and schools in different geographical areas of Kerala for promoting research in all systems of medicine and establishment of an academic staff college for training health professional teachers are in the initial stages of implementation. NSS activities of the University through 94 units in affiliated colleges has gathered momentum and intensified during the year.

I am happy that the University has started celebrating its first decennium in a magnificent manner. A year-long multi-dimensional program has been chalked out, which, I am sure, will bring all the stake-holders of the University together. These activities will enable to take a stock of the situation to assess where we are and the long way to go ahead.

The role of the University in improving the health sector of the State and carving a healthier society through its activities in health education is brought to the notice of the people of Kerala through this Annual Report.

Prof. (Dr). Mohanan Kunnummal

Vice Chancellor

Summary

- *The Kerala University of Health sciences was established under the Kerala University of Health Sciences Act 2010.*
- *The objectives of the University, as envisaged in the Act, are to ensure proper and systematic teaching, training and research in all systems of Medicines - Modern Medicine, Homoeopathy and Indian systems of Medicine including Ayurveda, Siddha, Yoga & Naturopathy and Unani, Dentistry, Nursing and other areas of health care and health sciences in the state by providing the necessary implementation and oversight mechanisms.*
- *Kerala University of Health Sciences conducted a Conclave of Principals of the affiliated institutions on 29.10.2018. Shri. Justice (Retd). P. Sathasivam, Hon'ble Chancellor and Governor of Kerala inaugurated the function and Smt. K.K. Shailaja Teacher, Hon'ble Minister for Health and Social Justice and Pro- Chancellor of the University presided over the function.*
- *Ever since the Establishment of Kerala University of Health Sciences, it has been striving hard to achieve this basic objective – the timely conduct of Examinations and declaration of results so that students would not lose time during the period of a course.*
- *The examinations conducted by the University has its own unique features such as choice less question papers, electronic transmission of question papers to the theory examination centres, installation of digital surveillance system in examination halls etc.*
- *As far as evaluation system is concerned, the University has adopted the system of double valuation for all under-graduate courses, followed by a third valuation whenever the marks scored by a student in the two valuations vary more than 15% of total marks.*
- *The University has introduced the process of digital evaluation in some select courses which will enable us to declare the results more quickly and efficiently.*
- *Important features of Examination system include existence of a Committee called Malpractices and Lapses Enquiry Committee and Board of Adjudication for student grievances.*
- *As a result of timely conduct of Exams and timely declaration of results of examinations, the prevailing course-lag could be avoided. All the more KUHS could establish a brand value for KUHS Degree /Diploma.*
- *At the end of the year 310 institutions were affiliated to the University, including 8 institutions affiliated during the year.*
- *There were 20821 students enrolled during the reporting year.*

- *The 8th and 9th convocations of the University were conducted on 28th April 2018, and 3rd December 2018 respectively in which degrees/diplomas were awarded to a total of 16,605 students.*
- *During the year under Report, the University received a total income of Rs. 72.61 crore, which included Rs. 52.37 crore on account of fees and Rs. 14.04 crore on account of interest on fixed deposits. The excess of income over expenditure during the year was Rs. 11.51 crore. As a result of continued excess of income over expenditure since inception, the Corpus fund of the University has grown up to Rs. 185.25 crore as at the end of the year.*
- *Besides involving itself in conducting sports and cultural activities of the Students Union, the Dean (Student Affairs) has actively monitored the NSS activities through 94 units established in affiliated colleges.*
- *Besides monitoring research activities of PhD aspirants of the affiliated institutions, the Dean (Research) has organised several workshops and training programmes including Research Methodology training programmes for the faculty and students.*
- *Besides formulation and finalisation of Academic Regulations and Course Regulations, the Dean (Academic) has undertaken programmes under Schools and Centres, most of which are in the initial stages. In addition, the prestigious academic activity of KUHS oration was also conducted successfully. The Dean has also conducted several workshops, training programmes as also 'SAMAGRAM' Programme - A Unique Strategy for Comprehensive Development of KUHS.*
- *The IT branch of the University supported the various information technology needs suitable for the various activities of the University, especially for conducting examinations.*
- *The Engineering Branch of the University has started several works, completing the 1st phase of the work and entered the 2nd phase viz. the Construction of Building for School of Research in Ayurveda which is nearing completion. The other works, Construction of staff quarters, Construction of building for Utility Centre and construction of Mezanine floors were also nearing completion during the reporting year. Future projects in the anvil included Construction of Building for School of Health Policy and Planning at Thiruvananthapuram Phase-II, Construction of Dormitory type accommodation, Construction of Auditorium, construction of Sewage Treatment Plant and establishment of Solar power plant.*
- *During the year 494 complaints were received under the Right for Information Act, which were all complied within the time specified under the Act.*

INTRODUCTION

1. Introduction

The Kerala University of Health sciences, established under the Kerala University of Health Sciences Act 2010 strives to maintain high academic standards and quality of Health Sciences education. On completing almost ten years of its glorious existence, this institution can place on record the various achievements and contributions made by it in health education.

The University was established with the purpose of ensuring proper and systematic instruction, teaching, training and research in modern and Indian systems of medicine. Empowered to affiliate all health care professional Colleges throughout the State of Kerala, the University, as at the end of March 2019 has 310 colleges, belonging to all the disciplines and all the branches of health sciences affiliated to it.

2. Objectives

- ✚ The objectives of the University, as envisaged in the Act, are to ensure proper and systematic teaching, training and research in all systems of Medicines (Modern Medicine, Homeopathy and Indian systems of Medicine including Ayurveda, Siddha, Yoga & Naturopathy and Unani, Dentistry, Nursing and other areas of health care and health sciences in the state by providing the necessary implementation and oversight mechanisms.
- ✚ The University is expected to play a leadership and facilitatory role in health policy and planning, disease surveillance and monitoring, and the promotion of preventive, promotive and rehabilitative aspects of health.
- ✚ The University is also mandated to address local and regional health issues, provide a platform for the dialogue as well as integrative research between different systems of health care and encourage the development of indigenous medicine and Homeopathy through research.
- ✚ To design new courses and curricula based on the advances in the field of health sciences.
- ✚ To regulate the standards of the affiliated colleges /institutions
- ✚ To organize programs to track health problems of the society.
- ✚ To give leadership to the medical human resource development in the state.
- ✚ To give leadership to the health planning and health policy formulation for the state.
- ✚ To give thrust to epidemiological studies, monitoring and surveillance system of the diseases prevalent in the State.
- ✚ To develop a platform for the dialogue between different systems of health care.
- ✚ To explore the possibilities of joint research programs and integration between different systems of medicine.
- ✚ To promote equitable distribution of facilities for education in health and allied Sciences
- ✚ To promote acquisition of Knowledge in a rapidly developing and changing society and to continuously offer opportunities for upgrading knowledge and imparting training and development of skills in the context of innovations, research and discovery in all fields of human

endeavor by establishing educational network related to health sciences with the use of modern communication media and technology appropriate for a learning society.

- ✚ To give more thrust for the development of Indian systems of Medicine and all its branches and Homoeopathy by encouraging research and other academic activities in the relative areas.

3. Vision & Mission

Vision

- To create a unique learning environment enriched to face any challenges in the Health care sector of the State of Kerala.
- To provide ethical and value based education.
- To create competent and compassionate professionals who are heirs to the rich traditions of the world of science and ancient wisdom.
- To enrich the art and science of health care through research, by incorporating of traditional knowledge, and integration of best practices and to engage with the societies to address local and regional issues of health and wellbeing.
- The University is committed to bring about a paradigm shift in training health care professionals, so as to enable them to provide competent and compassionate care, motivate them to engage in research that address the health problems relevant to the state and country and prepare them to render leadership for the health and development of mankind.

Mission

- To produce, in a humanistic tradition, health care professionals and biomedical knowledge that will enhance and extend the quality of life in our communities and coming generations.
- To ensure high quality education in all branches of health care:
- To encourage Research
- To promote stake holder participation and Community Engagement by (1) establishing and maintaining an efficient and transparent administrative mechanism which is responsible and responsive to the needs of all the stake holders (students, Parents, Teaching and non-teaching staff, affiliated colleges and the general public) and (2) by facilitating greater community/stake holder participation in the affairs of the University; and through health awareness and health promotion programs.

STATUTORY AND ACADEMIC BODIES

STATUTORY AND ACADEMIC BODIES

1. SENATE

The Senate is the statutory authority constituted to formulate the broad policies and programmes of the University and to suggest measures for improvement and development of the University. The Senate shall consist of ex-officio members, nominated members and elected members. The ex-officio members include

- The Chancellor
- The Pro-Chancellor
- The Vice Chancellor
- The pro-Vice Chancellor
- The Secretary to Government, Health Department in-charge of Medical Education.
- The Secretary to Government, Finance Department
- The Director of Medical Education
- The Director of Health Services.
- The Directors of various systems of Medicine
- A member of the Kerala State Higher Education Council
- The Chairman of the University Students Union
- The Registrar and
- All Deans of the Faculties of the University.

The Nominated members consists of heads of University Departments or schools, Principals of Government colleges of various systems of Medicine and persons having interest in health sciences nominated by Government.

The elected members consist of Medical practitioners of various systems of medicine, principals of private colleges of various systems of medicine, members elected from Legislative Assembly of Kerala, members elected from the teachers of Government/Private colleges of various systems of Medicine, members of Managers of Private Medical and allied colleges, members elected form Non-teaching staff of affiliated colleges/University etc.

2. GOVERNING COUNCIL

The Governing Council is the supreme administrative body of the University. The important powers of the Governing Council *inter alia* envisage that

- Make statutes and ordinances necessary for the working of the University.
- Hold, control and administer the properties and funds of the University.
- Consider and pass the financial estimates and budget of the University.
- Affiliates medical institutions in accordance with the terms and conditions of such affiliation provided by the Act and Statute

- Approve the appointment of the faculty members and members of the board of studies etc.
- Fix and regulate fee payable by the students in colleges affiliated to the University.
- Approve appointment of teachers in private and aided colleges.
- Hold, control and arrange for administration of assets and properties of the University.
- Acquire movable or immovable property for the University.
- Provide buildings, premises, furniture, apparatus, equipments, instruments and other means needed for the conduct of the University.
- Institutes and confer degrees, diplomas, certificates and other academic distinctions as recommended by the Academic Council and arrange for convocation for conferment of the same as provided by the Statute and ordinances.
- Create regular post of officers and other employees of the University with the prior approval of the State Government.
- Consider and approve annual report, annual accounts and audit report of the University.

3. ACADEMIC COUNCIL

The Academic Council is responsible for laying down the academic policies in regard to maintenance and improvement of standards of teaching, research and collaboration programmes. The council has the power to advise the University generally on all academic matters and submit to the Governing Council feasibility reports on academic programmes recommended by the Senate at its last annual meeting.

4. BOARD OF EXAMINATIONS

The Board of examinations is the authority for conducting examinations and making policy decisions in regard to organizing and conducting examinations, improving the system of examinations, appointing paper setters and examiners, preparation of the schedule of dates for holding examinations and declaration of results, subject to the control and review of the Governing Council.

5. BOARD OF STUDIES

The Board of Studies, empowered to recommend the courses of studies, improvement in the course of studies and to decide upon the requirement for each course of study, has been set up separately for the different branches of medicine. The Board of Studies is to recommend to the Board of Examinations, names of persons suitable for inclusion in the panels for appointment of paper-setters and Examiners at the university examinations and evaluators for evaluation of thesis and dissertations and for conduct of viva voce examinations.

6. FACULTIES

The Faculties are the principal academic co-ordination authorities of the University in respect of studies and research on the subjects included in the faculty and also in respect of studies and research on multi-disciplinary faculties.

7. FINANCE COMMITTEE

The Finance Committee expected to give advice to the University authorities on matters related to the finances of the University has the following powers:

- To prepare the budget estimate of the University and to review the accounts of expenditure and to make recommendations to the Governing Council.
- To consider and make recommendations to the Governing Council on the proposals for new expenditure on major works and purchases
- To scrutinise re-appropriation statements and audit notes and make recommendations to the Governing Council
- To review the finances of the University and to suggest concurrent audit conducted wherever necessary.
- To give advice and make recommendations to the Governing Council on any other financial question affecting the affairs of the University.

8. PLANNING COMMITTEE

The Planning Committee is responsible to plan the development of the University, both physical and academic, and it shall conduct academic audit of the University departments, institutions, colleges and recognised institutions. The Planning Committee is empowered to recommend to the Senate or Governing Council the development and collaborative programmes for the departments, colleges, and the University.

9. RESEARCH COUNCIL

The Research Council, one of the authorities of the University, consists of the Vice-Chancellor, Pro-Vice-Chancellor, Heads of the University Departments and Directors or eminent scientists from the Research institutes within or outside Kerala. The members of the Council shall be nominated by the Vice-Chancellor in consultation with the Governing Council.

10. UNIVERSITY QUALITY ASSURANCE COUNCIL

The Quality Assurance Council in the University is constituted for periodic examination of the academic standards, democratic functioning and social commitment of the affiliated colleges and University centres. The members of the Council shall be nominated by the Vice-Chancellor in consultation with the Governing Council.

11. UNIVERSITY ETHICS COMMITTEE

University Ethics Committee shall be formed as per the guidelines of national agencies like the Department of Biotechnology, Indian Council of Medical Research and other Research Councils for examining the research projects undertaken by the University centres and to give advice to the affiliated colleges for maintaining ethical principles in research and clinical trial work. The members of the Ethics Committee shall be nominated by the Vice-Chancellor in consultation with the Governing Council.

12. STUDENTS' COUNCIL

The Students' Council of the University is to encourage and promote student's co-curricular and extra-curricular activities, and to bring notice of their grievances before the authorities. The Students' Council has the power to make recommendation to the Governing Council and Academic Council in the matters related to academic work of students, the co-curricular and extra-curricular activities in the University.

32	Faculty of Nursing	6	2
33	Faculty of Medicine	16	2
34	Faculty of Homoeopathy	6	2
35	Faculty of Ayurveda & Siddha	14	3
36	Faculty of Paramedical & Allied Sciences	12	2
37	Board of Examinations	13	6
38	Planning Committee	13	2
39	Finance Committee	7	7

In additions to the above a combined meeting of BoS Clinical and Allied Health Sciences and Rehabilitation Sciences conducted during the period.

ACADEMIC BRANCH

Introduction

The Academic Branch of the University is playing a vital role in various academic activities of the University such as affiliation, student registration, preparation of course regulations/syllabus/minimum standard requirements, starting of new courses, approval of appointment/promotions of teachers of aided colleges affiliated to KUHS, conduct of meeting of Governing Council, Academic Council and other academic bodies of University. It also plays an important part in preparation of norms/regulations/ordinances as prescribed in Act/statute of academic nature. Moreover, the branch deals with issuance of various certificates such as eligibility, equivalence, migration etc. The service of the Academic Branch to students also includes issue of Transcript, condonation of Break of study, college transfer and Compulsory Internship Transfer.

Academic Branch is responsible for fixing various fees applicable to the institutions and services to the students for the Academic year.

Activities of the Academic Branch.

A. Granting of Consent of Affiliation/Provisional/Continuation of Provisional Affiliation

Procedure for the grant of Consent of affiliation.

- Issue of Notification inviting applications for starting new college/course/enhancement of seats
- Verification of the eligibility of the applicant to submit applications- NOC/Essentiality certificate from Councils/Govt.
- Receiving of the online applications and documents
- Verification of documents submitted by the applicants
- Legal scrutiny of documents.
- Conduct of inspection in the institutions
- Scrutiny of the inspection report
- Issue of Consent of affiliation to the college if the inspection commission and scrutiny committee recommends

Procedure for the grant of Provisional affiliation

- Issue of Notification inviting applications for starting new college/course/enhancement of seats
- Verification of the eligibility of the applicant to submit applications- NOC/Essentiality certificate from Councils/Govt.
- Receiving the print out of online applications and documents
- Verification of documents submitted by the applicants
- Legal scrutiny of documents.
- Conduct of inspection in the institutions
- Scrutiny of the Inspection Reports for recommendation
- Approval of the Sub Committee of Governing of Council
- Approval of the Governing Council
- Issue of orders granting provisional affiliation to the college

Procedure for granting Continuation of Affiliation.

- Issue of Notification inviting applications for starting new college/course/enhancement of seats
- Receiving of the online applications and documents
- Verification of documents submitted by the applicants
- Conduct of inspection in the institutions
- Scrutiny of the Inspection Reports for recommendation
- Approval of the Governing Council
- Issue of orders granting continuation of provisional affiliation to the college

B. Student Registration.

It is one of the core activity of the Academic Branch. The University fixes a cut off date for uploading the basic data of the students who have been admitted to various courses in the affiliated institutions under Kerala University of Health Sciences. Each of the affiliated colleges will be given a date for verification of the documents pertaining to the students admitted in a particular course.

- Original Qualifying certificates/ Transfer certificate of admitted students
- Consolidated report of the concerned course
- Student proforma of the candidate
- Government Agreement
- Prospectus of the concerned college
- Certificate to provide evaluators by the Principals of concerned colleges
- Student Admission Register
- Allotment memo of students to the concerned college issue by the authorized institutions such as Commissioner for Entrance Examinations, LBS etc-of the Government, if any.
- The consolidated report of the students' admission produced by the Institution at the time of verification should tally with the details already available in the University database. The deficiency if any found on verification is intimated to the respective institutions in the form of a verification report. Only after rectifying these deficiencies permanent Registration number, ID Card etc are allotted to the students.

C. Gazetting of Academic Regulations and Ordinances

The Gazetting of regulations related to various courses conducted by the University is one of the major activities of the Academic Branch. During the period University issued and published the modification regulation regarding the General Course Regulation and Academic Regulation of BHMS, BDS and Paramedical Courses.

D. Preparation of Minimum Standard Requirement for courses, inspection proforma and scrutiny proforma.

The minimum standard requirements of all UG courses (except paramedical courses) are prepared by Boards of Studies and Faculty and approved by Academic Council and Governing Council and Senate.

E. Approval of Affiliation statute

The procedure for conducting inspections as per present Statutes needs to be modified in order to make the process more transparent and effective. Moreover, the Statute requires more clarity since the same is questioned in the Courts on the event of rejection of affiliation due to serious deficiencies pointed out by the inspection team. Lack of statutory provisions in the existing statutes leads to judgements against the University in many cases regarding granting of affiliation /continuation of affiliation. As such University had constituted a Committee under the Chairmanship of Justice (Retd). M.R. Hariharan Nair for the detailed study of 1st statute and to make recommendations. The report of the committee was placed before the Academic Council and Governing Council and the Governing Council decided that deviation statement with regard to the existing statutes for affiliation with the reasons for amendments/inclusion of new provisions is to be prepared and forwarded to Government for approval.

The amendments proposals approved by Government. The same has been submitted to Hon'ble Chancellor for assent.

F. Reconstitution of Governing Council and Academic Council of the University

- The Governing Council of the University and Academic Council of the University are being reconstituted in a time bound manner on expiry of term of members as per provisions in KUHS Act. The meetings of GC and AC are being conducted as prescribed in Act.
- The Agenda for the meeting are being sought from various sections, compiled and circulated to members with approval of Hon'ble Vice Chancellor.
- The minutes of the meeting prepared and circulated to members and stake holders for information/implementation.
- Action taken report on the decisions of the previous meeting is presented in next meeting of GC/AC.
- Elections are being conducted for selecting one member each from Modern Medicine, Ayurveda and Homoeopathy to the Governing Council from Academic Council members.

G. Reconstitution of Board of Studies and Faculty

Various academic bodies (27 Boards of Studies and 7 Faculty) of the University was reconstituted in a time bound manner as stipulated in the provisions of the KUHS Act and Statute.

Conduct of meetings /workshop

1. Principals Conclave

As part of its endeavour to bring quality in Academic, Research and all other University activities, Kerala University of Health Sciences conducted a Conclave of Principals of the affiliated institutions on **29.10.2018**. Shri. Justice (Retd). P. Sathasivam, Hon'ble Chancellor and Governor of Kerala inaugurated the function, distributed Best Teacher award in various streams, KUHS Studentship amounting to Rs. To the students belonging to the BPL category in the affiliated institutions, issued letter of appreciation to Principal, Govt. Medical College, Kozhikode for their contribution in hindering Nipah outbreak, released hand books on the Achievements of Teachers in Affiliated colleges and compilation of PG thesis.

Smt. K.K. Shailaja, Hon'ble Minister for Health and Social Justice and Pro- Chancellor of the University presided over the function.

An orientation programme regarding the establishment of Academic Monitoring cell was also conducted in the after session of the programme.

2. Workshop on initiating Public Health Awareness Programmes to the students of the institutions affiliated to KUHS.

Based on the recommendations of the Senate subcommittee under the chairmanship of Sri. K.V. Abdul Khader, MLA University conducted a work shop on initiating Public Health Awareness Programmes to the students of the institutions affiliated to KUHS on 04.07.2018. Experts from various streams were participated in the workshop. In the work shop group discussions were made on the following topics.

1. Public Health Training in Medical & Dental Colleges
2. Public Health Training in Paramedical Institutions
3. Linking with Health Centres
4. Assessment of Public Health Activities.
5. Administrative and Legal issues.

The recommendations of the committee were placed before the Senate and Governing Council and the same was submitted to Government for further action.

H. Approval of appointment/Promotion of teachers of Aided colleges

As per the Section 23 (xv) of the KUHS Act 2010, University has the power to approve the appointment of teachers in private and aided colleges under direct payment system of the college. During the period University has approved the appointments and promotions of teachers in Aided Ayurveda and Homeopathic Colleges.

Full fledged details of all institution with courses and intake during the year 2018 is shown as Annexure.

Details of the Government, Aided and Unaided colleges affiliated under various streams

Sl. No	Stream	Govt.	Aided	Unaided	Total
1	Medicine	11	0	22	33
2	Ayurveda Medicie	3	2	12	17
3	Homoeo Medicine	3	3	0	6

EXAMINATION BRANCH

I. Introduction

Conduct of Theory/practical Examinations and also declaration of results in a time-bound manner, are among others, the two most important duties of a University because Universities are generally judged, among other things, on the basis of the effectiveness, punctuality, reliability etc. in the matter of conducting Examinations. This is the crucial challenge faced by any University now-a-days. More than the motto, the establishment of a well – designed and conducted Examination system is the basic responsibility of any University. Ever since the Establishment of Kerala University of Health Sciences, it has been striving for achieving this basic objective – the timely conduct of Examinations and declaration of results so that students would not lose time during the period of a Course. This enables the students to appear for national level competitive examinations/ entrance examinations for admission to higher studies without losing a year.

Right from the establishment, and from the conduct of the first Examination in August, 2011, KUHS has been following the practice of publishing the **Tentative Examination Calendar** before the beginning of each academic year so that the prospective examinees can have their own plan for learning and taking the examinations. Usually, the Tentative Calendar once published is not subjected to changes except under unavoidable circumstances. However, the magnitude of such changes is kept at the minimal rate.

II. The programme of Examination Branch may be reduced to the following statement

"Establishment and maintenance of an Examination system which should be efficient, reliable, valid, time bound, time tested, fool proof, student friendly and totally tamper proof and also automated to the maximum possible extent. The limits of the scope of operation are the four corners of the foundation built by: -

Provision in the Act and Statutes: Mainly Section 26 and 27 of the Act and related provision in the Statutes.

Provisions of the Examination Ordinances and Examination Regulations (Examination Manual)

Approval of BoE/AC/GC. Permission of Board of Examinations, Academic Council, Governing Council etc. are required in most cases.

III. Outline of Programme Implementation

The primary activities of the Examination Branch are: -

- a) Conduct of Theory Examinations
- b) Conduct of Practical Examinations/Viva voce etc.
- c) Evaluation of Theory Answer Books at Centralized Valuation Camps/at Practical Examination Centers in the case of Medical PG/Super-Speciality/MDS Examinations

- d) Evaluation of Theses
- e) Conduct of Entrance Examination of Ph. D/Mphil Course
- f) Publishing of results of the Examinations and issue of Mark list, Degree certificates etc.

IV. Prominent features of KUHS Examination System

The Examination System prevailing in KUHS has its own unique features such as Choice- less question papers, Electronic transmission of QPs to the Theory examination centres, installation of digital surveillance system in the Examination Halls etc. The processing of results of Examinations depends heavily up on Information Technology system. The Answer Books from the Theory Examinations Centres are despatched to University by speed post on the same day of the Theory Examination itself.

Publishing the Tentative Examination Calendar before the beginning of the Academic year itself, is the hallmark of the Examination System. Our system for registration for Examinations has been made online right from the very establishment of the University. Colleges are enabled to register online, their candidates for Examinations. The marks scored in the Internal Assessments, Attendance details of students appearing for the Exams and details of fee remitted and mark scored by each Candidate in Practical Examinations are to be uploaded to the System online. As a measure to avoid unfair practices in the Internal Examinations, class average of Internal Assessment Marks is restricted to 75% for Regular Examinations.

Another remarkable point is that there is an **Examination Committee** for each examination. This committee supervises the overall matters for the conduct of the particular Examination.

The Question Paper Banks for Examinations are being got prepared by national level experts. These Question Papers are scrutinized by state level Experts. These are all done ensuring required standard and confidentiality in the matter. The Examination Committee designates a suitable Institution as the Nodal Centre for each Theory Examination. Instead of contacting the University every time for dealing examination related issues, the colleges can contact the Nodal Centre which acts on behalf of the University. Moreover, KUHS engages interdisciplinary Observers to oversee and report the proceedings of the Theory Examination Centres and also to report any unfair practice relating to the conduct of Examinations. Installation of CCTV System in the Examination Hall is one of the pre-conditions, only up on the fulfillment of this, a particular Institution shall be granted the status of Theory Examination Centre. The digitized recording of the proceedings of the examination hall shall be sent to the University along with the Answer Books on the same day except under exceptional circumstances, that too with the permission of the Controller of Examinations.

The following are the significant points about the prevailing Examination System in KUHS

- online Registration for Examination
- Issue of Admit Card online
- Candidates have to enter the Examination hall 30 minutes prior to the commencement of the Examination
- No candidate can enter into the Examination Hall after QP for the Exam is transmitted from KUHS.
- Secure delivery of online transmission of Question Papers 30 minutes prior to the conduct of the Examination to the Theory Examination Centres.
- Correction/modification/replacement of question, if any, within 15 minutes from the start of the Examination.
- Choice-less question papers which ensures the reasonable standard expected from taking the Examinations.
- Online attendance report generation in the theory examination Centres.
- Use of 52/32 pages' bar- coded theory Answer Books to ensure a standardization in the System.
- No additional sheets are provided for writing Answers
- Coded Answer Books are given to Evaluators for evaluation.

V. Evaluation System

The System of Evaluation is designed, in addition to own contributions of KUHS, by taking the noteworthy and remarkable points on evaluation adopted by other Health Universities already established in India. The intention of the University is to ensure maximum possible objectivity in the Evaluation Process. We conduct evaluation camps in a centralized manner. Three Zonal evaluation camps have been started to speed up the process of evaluation so that the duration of Centralized evaluation camps being conducted can be minimized and results can be processed more quickly.

How Evaluation System functions?

Unlike the conduct of examinations, which is a decentralized process spreading over all the affiliated Colleges, evaluation process is a centralized task, for the execution of which a lot of work and planning are necessary. Evaluation of Theory Answer Books is done at the Centralized Valuation Camps, fully under the supervision of KUHS. The lengthy and heavy nature of the work of evaluation can be understood just with a look at the total number of valuations done in the academic year.

We have adopted the system of **Double Valuation** for all Under - Graduate courses. Double valuation will be followed by a Third valuation whenever the marks scored by a student in the first and second valuation marks vary more than 15% of total marks. This is subject to a condition that the candidate must have secured at least 35 per cent in the first or second valuation. Our System will automatically generate such reports after the entry of marks scored in the first and second

valuations. After the third valuation, the average of the two higher (that is the best two out of the three evaluation-marks) marks is taken as the final mark. If a paper does not go for third valuation, the average of the two marks will be the final marks of the student.

For some PG Courses and Super Speciality Courses, Multiple valuation procedure is adopted. For courses like M Sc Nursing, only double valuation (and third valuation if required) is adopted. Students can apply for re totaling of marks within the time allowed. However, there is no revaluation of Answer Books. In order to ensure accuracy and punctuality and also for not leaving behind chance for manipulation, KUHS requires Colleges for online entry of practical marks from the examination centres on the day of examination itself. Once the permitted time is over, they can have no access to the marks in the Web site. However, correction of mistakes in marks, attendance etc uploaded shall be permitted upon some conditions which have been issued as University Order. The other prominent features with respect to Evaluation are the following: -

- Double bar code based tabulation
- Digitalized result processing
- University has fixed a fifty per cent (50%) criteria for University Theory part. This means that a separate minimum of 50 percent for Theory Group is a basic requirement for pass in the Examination
- Option for seeking the photostat copies of theory answer book and score sheets after the declaration of results.
- Examination System has been automated and also efficient, reliable, valid time bound, student friendly and totally tamper-proof.

The main activities mentioned above have many associated sub-activities. These activities are listed below: -

- Preparations for theory examinations are to be done on a definite time frame. These activities include issue of examination notification, timetable, exam registration and finally issue of Admit card for each examination, un interruptedly.
- Appointment of Nodal officer/Nodal centre, Subject Experts, Observers etc. at the appropriate time.
- Preparation for conduct of practical examinations, which runs into thousands, appointment of External Examiners, batching of candidates for each day of the schedule, enabling the entry of practical examination marks on the same day of examination.
- The conduct of Centralized Valuation Camps on zonal basis. Also these activities are on an expansion state. Initially, CV Camps on zonal basis were conducted for Medical Exams. Followed by this, CV Camps were conducted for Dental stream. Now, preparations are under way to expand this to Nursing and other streams.

- So many minor or major complaints are received which need appropriate attention and redressal measures.
- The publishing of the Tentative Examination Calendar before the commencement of the Academic Term. This is a unique feature of KUHS Examination system.
- Setting the Question Papers and their scrutiny at the appropriate time. This involves utilization of the services of Teachers outside and inside the State.
- Theses/Dissertation Evaluation at the appropriate time. At present hard copies of Theses/Dissertation are being sent to External Evaluators Outside Kerala, which involves a lot of physical activities.
- Settling the claims of remuneration of Examiners/Evaluators/QP setters at the appropriate time so as to avoid unpleasant situations and keeping in view the sustenance of the system.
- Keeping the Accounts of Financial Transactions such as collection of Examination fee, genuineness verification fee, fee for photocopies of score sheets and answer books etc. Since this involves nearly 25 crores of Rupees (as per 2017-18 accounts), this work assumes great significance.
- Proper and precise tappal and dispatch Accounting. This assumes great importance because answer books from theory examination centers are dispatched in bundles. Its proper stock taking and processing should be precise and full proof in order to maintain credibility of the examination system.
- Safe keeping of evaluated Answer Books for the prescribed period as per the Regulations in force. This also assumes great significance because copies of score sheets and answer books are provided to candidates on request after charging prescribed fee. Transparency in the system need be maintained.
- Disposal of Answer Books and other Stationery /waste paper on a time bound basis.
- Safe keeping of blank Answer Books and stationery items and their proper distribution and stock control so that the pre- planned examination schedule are executed uninterruptedly.
- Initiating action to print the Answer Books, stationery items, Certificates and Mark lists at the appropriate time with necessary security features.
- Monitoring of the stock of the Answer Books and other Certificates so as to ensure uninterrupted supply and optimum stock level and watching the reorder level.
- Issue of Provisional Certificates and Mark lists on a time bound basis. This assumes great significance because provisional Certificates in respect of each examination are to be issued on a time bound basis keeping in view the provisions of Right to Service Act, 2012. Similarly mark list, duplicate mark list, migration certificate, equivalency etc. are to be issued within the fixed timeframe.
- Issue of Degree Certificates after Convocation. In each Convocation, approximately 8000-9000 Graduands are Convocated. Degree Certificate are to be despatched immediately after the date of Convocation.

- Genuineness verification, issue of Transcripts and similar Certificates to the students'/Employment agencies without delay.
- Compliance to the provisions of Right to Information Act, 2005 which calls for time bound actions.

The volume of work associated with the examinations conducted in 2018-19 can be briefed as:

- 1,958 Question Paper Codes (Question papers)
- 21,806 Regular/Supplementary Theory Examinations
- 9,561 Regular Practical Examinations

346 results (114 Examination Notifications covering candidates of different years of admissions and schemes) of various Examinations have been published during the period from April, 2018 to June, 2019.

Details of re totaling and status change during the Academic Year 2018-19

- Number of first valuations 4,81,062
- Number of second valuations 4,81,062
- Number of Third Valuations 76,442
- Number of fourth valuations 6,138
- Total valuations 10,44,704
- Number of cases for retotaling 9,686
- Number of cases in which marks have changed after retotaling 121
- Number of cases in which result changed 28

Meeting of Committees, Councils and Boards

- Conduct of meetings of Board of Examinations at least two times in an Academic term. But actually five to six meetings, depending upon the necessity are conducted in an Academic term.
- Conduct of Examination Committees. There shall be as many Committees as the number of Examinations.
- Conduct of Mal Practices and Lapses Enquiry Committee. On an average one sitting of the Committee is held in a month.
- Conduct of Pass board for each Examinations. All the above meetings are to be conducted on a regular and systematic basis.

Details of Meetings held during 2018-19

Sl.No	Name of Committee	Number of times Meetings held	Remarks
1	Board of Examinations	06	93 Agenda
2	M&LEC	12	255 cases heard
3	Pass Boards	135 Regular only	Will be increased by the number of Supplementary
4	Examination Committees	135 for Regular only	Will be increased by the number of Supplementary

- Activities in connection with the meeting for Governing Council, Academic Council, Planning Committee etc. such as: -
- Submission of Agenda items and implementation of the decision. Dealing with the affairs of Senate in so far as it applies to Examinations.
- Preparation for conduct of Convocation which takes place twice in a year, at present.

Legal Compliance

1. KUHS Act, 2010
2. KUHS First Statutes, 2013
3. A written Examination manual was to be published. This was done in July 2018. Amendments, modifications required need to be proposed, approved and implemented.
4. The First Examination Ordinance 2019, the first Examination Regulation 2019 have been approved by GC and submitted before the sixth Senate meeting held on 10.10.2019.

Special features of the Examination activities: -

- Examination activities are hundred per cent time bound. we cannot keep a file pending for a single day.
- Examinations are conducted strictly as per the pre published Examination Calendar except for reasons beyond the control of KUHS
- Leave of a member of the staff, over burden with work, that you have to attend an Orientation class on a day, or today is the Convocation etc. are not reasons to postpone any work.

In all other Sections of the University, probably nothing happens if a delay occurs in the disposal of a file for a day or two. No one may even notice it.

Achievements in the matter of release of results of Examinations: -

We could release results of many examinations in a very short period of time. Given below are some of the Examples: -

- KUHS could publish final MBBS examinations, February-2018, February 2019 results within 16 days of completion of theory/practical examination.
- Second year M. Sc Nursing (R/S) Examinations, Sept-2017 result was published within 6 days of conduct of last practical examination.
- First year B Sc Nursing examination, November-2017 (appearing nearly 7,000 students) result was published within 40 days of conduct of last practical examinations.
- M Pharm Regular / Supplementary examinations September, 2017 within 5 working days of the completion of examinations there by enabling the students to apply for higher studies without losing a year.

We are taking every effort, in spite of the shortage of Supervisory staff, to conduct more zonal valuation camps and to publish the results of examinations within a shorter time possible.

Pass Boards: -The results of all Examinations are finally scrutinized and approved by the respective Pass Boards before announcements of the results by publishing in the Web site.

Grace Marks/moderation restricted to UG courses only – The Grace Marks/moderation (maximum 5 marks) shall be given to students to secure a whole pass in the Examination. For some Courses, it is given for one paper only and for others, this is spread for one or more papers subject to a maximum of 5 for securing a whole pass in the Examination. No student pursuing studies for PG Course is eligible for moderation under any circumstances.

Board of Adjudication for Students Grievances: A student not satisfied with the decision of the Examination Wing, for the petitions or complaints submitted by him can approach the Board for redressing of his/her grievances. The Board, after hearing the concerned persons or Institution declare appropriate decision on any complaint filed before it.

Board of Examinations (BoE): BoE functions as an authority for conducting the examinations and making policy decisions in regard to organizing and holding examinations, improving the system of examinations, appointing the Question Paper setters and Examiners and for preparations of the schedule of dates of holding examinations and declaration of the results, subject to the control and review of the Governing Council. 6 (six) meetings of the BoE were conducted in the year under Report.

Malpractices & Lapses Enquiry Committee (M&LEC): The M&LEC meets as and when required, in the instances of malpractices/misconduct/lapse, reported with respect to the conduct of Examinations. The Committee conducts hearing on the reported cases and recommends appropriate corrective actions/punishments whichever applicable depending upon the gravity of the cases and as prescribed by the KUHS Examination Manual, to the Governing Council. 17 (seventeen) sittings of M&LEC were held in the year 2017-18. 12(Twelve) sittings of M& LEC were held in the year 2018-19.

Challenges:-

Examination System, in spite of all the efforts and endeavors taken by the Wing, has been experiencing certain challenges such as shortage of eligible Examiners for the conduct of practical examinations, last minute drop out of external Examiners especially those who have been appointed from outside the State. Another challenge which stands in the way of timely declaration results of Examinations is the shortage of Evaluators for timely completion of Evaluation process. However, there has been considerable improvement in the situation during the period under report.

Above all there is the pertinent problem of shortage of accountable Administrative staff in the Examination Wing when compared the optimum requirement of staff.

From the point of view of the actual conduct of Examinations, another problem posed is the one relating to the setting of Zero error/defect Question paper. Loss of network connectivity, at least at times, and logistic issues regarding the printing and transporting of Answer Books, shortage of enough storage space for valued answer books are also some other important issues to the addressed.

Innovations already executed:

- Design of Degree Certificate modified incorporating the Photograph of the candidates and more security features from 2016 with the permission of the Governing Council.
- A software based answer books and examination stationery – inventory control has been adopted from March 2018 onwards.
- Since the Confidential portion of the answer book (Part I) entry is a mechanical process, errors may creep in the entry. After identifying the problem, a solution to this was designed and implemented from September 2018 onwards. The solution is entry at two different points by two different teams without appointing even one additional Staff. The underlying idea is that the possibility of occurrence of the same mistake at the two entry points simultaneously is almost nil.
- Incorporation of the photograph of the candidate in the admit card by accessing it from the data base from the Examination of First BSc MLT conducted on 13.02.2019. This solves the problem of interchange of data caused by the same name of two candidates in a College.
- Evaluation of theory answer books digitally, that is by conversion of physical answer books in to digital images with the help of Software developed in house.
- Using Software fully developed in- house
- Software based monitoring of the performance of Evaluators by using statistical tools and techniques.
- Software based stock entry of Answer Books received from Exam Centers
- Software based genuineness verification (online) introduced from April 2019–halfway through.

- Online evaluation of theses
- Introduction of Online Provision for Photocopies of Answer books (not actually implemented, but decision already taken)
- Answering for questions under RTI –online version – half way through.

Innovations planned for implementation in Academic year 2019-20

The following are the initiatives/action taken by the Examination wing during the Academic year 2019-20:-

Sl.No	Area of action/initiative	Action taken
1	Initiatives to improve the affairs of Examination Wing during 2019-20	1. Digitization of theory answer book evaluation on a trial basis:- A comprehensive software for Digital Evaluation process has been developed in-house and digital evaluation of answer books of many examinations are planned to be done digitally. It is expected that digital evaluation will reduce time involved in the entire process and will certainly reduce the mistakes in adding up of marks to zero level. 2. Online remittance (fee) system. 3. Extension of the CV Camps on Zonal basis to Dental and Nursing streams (In addition to the already existing Medical stream). 4. Intensive efforts to examine the CC TV recordings (at least 10 per cent) of Theory Examination proceedings. 5. Shortening the time taken to publish the results of Final Year BSc Nursing Examination (where the number of Candidates is the maximum) to 20 working days. 6. Initiatives to set up a highly secured Pareeksha Bhavan. 7. Genuineness verification (of certificates) - online facilities. 8. Monthly quality Circle meetings of middle level Officers.
2	E- governance initiative	1. Processing of files through University SUITE (Software based file processing). Physical files will be reduced to the essential minimum. 2. Introduction of more security measures in result-data processing.

3	Measures in place to uphold the confidentiality of the examination process and the efficiency, reliability and security of the examination software in use	1. CC TV recording of the key areas of the Examination Wing 2. A systems-audit to be conducted by a team of experienced officials from other Health Universities.
4	Universities' social responsibility (USR)-steps taken to provide better services to specially - abled students/persons	• With the concurrence of Medical Council of India, efforts to be taken in providing reasonable facilities/ extra aids in the conduct of practical examinations taken by hearing impaired and candidates with visual impairments. Depending upon the situations, the aids given may include projecting the Viva voce questions, use of magnifying devices etc.

Areas where Innovation is still required to be implemented:

- Evaluation of Theses/Dissertation. The possibility of it being done online is under consideration
- Keeping Registers/ DCB Accounts electronically. Software to be developed.
- A complete version 2 Examination software to be developed which ensures maximum possible automation
- We will have to keep pace with the current trend of writing examination using electronic pads so that evaluation can be started simultaneously. Conversion to digital images shall not be necessary. Many more benefits.
- Entry to National Academic Depository is a must as per the general policy of Govt. of India. We have to accept it.
- Expansion of digital evaluation to maximum possible streams.
- Biometric identification catching of candidates appearing for examination.
- Online surveillance of examination halls with connectivity so that the Controller of Examinations can view the examination proceedings of any Centre if required. (the concept of virtual theory examination centers at the finger tip of the Controller of Examinations.)

Future Plans to make the system more effective and time-tested:

Certain challenges are being faced in the conduct of examinations with the advancements in technology. Therefore, Kerala University of Health Sciences is well aware of the fact that examination system prevailing in the University should be fool-proof and strong enough to pick out the fraudsters, miscreants or bad elements which may appear in the conduct of examinations.

In the light of the above, it is felt that system of examination should, at any point of time be able to win the test of time and strong enough so that Justice is ensured to the candidates and the fraudsters are picked out and punished accordingly or appropriately. Reforms to the system would be needed to cope up with the advancements in technology and these reforms are intended to bring about qualitative functional improvements in the area of: -

- (a) Actual conduct of examination.
- (b) Precautions to find out fraud of impersonation and
- (c) Online Evaluation system development.

Actual conduct of theory examination:

University Theory Examination Centre status is granted to Affiliated Colleges which comprises mainly of Private Self-financing Institutions. There can be concerted efforts from the part of the Institutions and students to indulge in Malpractices in the conduct of examinations. University is of the opinion that any such attempt should be found out and rooted out so that unhealthy or fraudulent practices can be avoided and the quality and standard of education can be ensured. Candidates approaching or resorting to “shortcuts” to pass out the examination should be picked out and punished appropriately. Though Kerala University of Health Sciences has already made it mandatory to have installed Video Camera in the theory examination hall, this is not being found satisfactory for all practical purposes. Some times when the CD’s of Video Camera recordings are examined, the visuals are not clear or in other words the recordings are not clear enough to ensure transparency in the Examination Hall. This may be because of the fact that the surveillance Camera required to be installed by the institutions may not be of the required standard in terms of the reach of the Camera, the resolution or the digital definition. In order to get over this difficulty, Kerala University of Health Sciences proposes to install its own surveillance camera with required reach and digital definition at the cost of Kerala University of Health Sciences. The peculiar feature of this camera is that it should be moving in 360-degree angle so that the next immediate movement of the camera cannot be predicted. The high definition digital images caught from even far of corners shall be sent to the confidential room of the Controller of Examination on line. The examination proceedings of all theory examination centres shall be connected online so that it is open for the Controller of Examination to view the proceedings of any institution at his monitor. In this way the alleged malpractices in theory examinations, such as use of electronic devices like digital watches, spectacles, invigilators or any other persons in the hall or veranda helping the candidates and even the use of Bluetooth device may be detected. But one of the pre-conditions is that surveillance system used should be of such a digital definition and reach. So that the visuals received in the University shall be of a required clarity. The cost of one camera is expected to be Rupees Three Lakhs, three cameras may be needed in one centre. There are approximately 300 Affiliated Institutions for which the required expenses may be nearly 27 Crores.

Bio-metric identification catching of candidates:

Another probable fraud is the act of impersonation by the candidates taking examination. There can be a situation when one candidate writing the examination for another candidate which might not have been identified by the invigilator/ Assistant Chief Superintendent in the examination hall. It is expected that this problem can be solved by a procedure which consists of getting the Biometric identification mark of all the students registering with Kerala University of Health Sciences and issuing University Identity card with this Biometric Identification marks. Secondly the candidates when attending a theory examination shall be required to produce this identity card and record the Biometric Identification. So that the system will ensure the candidate taking the examination is no one else.

The implementation of this system would need investments the details of which shall be submitted in due course.

Digitizing the evaluation system

It is the objective of the University to declare the results of all examinations within a period of 45 days from the date of conduct of last practical examination of a particular course. In the existing system of centralized valuation this cannot be ensured invariably in all cases. However, achieving this objective shall be easier if the system of digital evaluation is implemented further issue of photocopies of the answer books shall also be made easier so that candidates can save a good amount of time. Certain manual works now been performed at the centralized valuation camp can be avoided, this saving time and labour.

However, developing this system shall require cost of developments of software and procurement of required number of EDP systems. The proposal in this direction is to conduct evaluation process with help of centralised valuation camps but digitizing the process so that the identity of the evaluators can be ensured. The outlay required would include installation of required number of scanners to input the answer books to the system and additional labour to manage the entire system.

Regarding the programmes proposed for next year, it may be informed that KUHS is planning to digitize the Evaluation process with the help of software developed in-house, under the leadership of Mr K Harilal, Systems Manager. We are planning to conduct digital evaluation for the coming B Pharm semester pattern Examinations on a trial –and-error basis. If it is found successful, the process can be extended to all Examinations with which we expect to release the results even at a shorter period of time. This will enable the students to take national level entrance examinations without losing a year. Also the student community shall be enabled to take up employment without losing time.

Digital Evaluation System (DES) – Standing Committee of BoE for examining arising issues and submission of recommendations for finalization of Software:

Five (5) trials of Digital Evaluation of Theory Answer books are already over. The trials were completed in the stream of Pharmaceutical Sciences (B Pharm semester) and Allied Health Sciences (BSc MLT, BASLP, BPT). During the course of Digital Evaluation, we got feedback and suggestions from Evaluators and Chairpersons. Moreover, we have encountered several problems demanding the Software improvisation. All the suggestions/ problems encountered have been successfully incorporated or solved and the Software is refined to that extent. However, the parameters for certain issues can be set only in consultation.

Examples of such issues are:-

1. How to deal with an answer against which the question number is wrongly written.
2. Whether, in addition to the facility of selection of fraction marks already provided for such as, .25, .50, .75, the facility for selection of still more fraction to be provided (eg.3,.4,.7, etc.)
3. Redefined duties and responsibilities of Chair persons of Digital Valuation Camps
4. The Examination branch requires the services of a Standing Committee of BoE and other experts in order to finalize the Software after incorporating the above parameters. The proposal for a standing Committee has been approved by the 57th meeting of the Governing Council.

Digital Evaluation trials already conducted at a Glance

Sl.No	Name of Examination	No. of Answer Books	No of valuations	Time taken for completion of valuation	Remarks
1	II Semester B Pharm Jan, 2019	1,904	4,079	21 days	There were only 5 lap top computers available then.
2	II B Sc MLT (S) Exam, March, 2019	1,243	2,640	4 days (with 25 computers)	
3	III BASLP R/S Exam, July, 2019	734	1,497	3 days	
4	IV BPT (S) Examination, Aug, 2019	2,010	4,165	4 days	
5	I Semester B Pharm (S) Exam, Aug, 2019	2,108	4,607	In progress. Expected to finish valuation in 7 days

Details of awards given to students for passing examinations meritoriously

Dr. C K Jayaram Panicker Endowment Award (Amount: Rs.25,000/-)

The Award has been instituted by C K Foundation for the top-scorer of Microbiology among all the MBBS students of affiliated Medical Colleges under KUHS, to commemorate Late Dr Jayaram Panickar (who was the Principal of Govt Medical College, Calicut during 1983 -1987. Under his stewardship, the Dept of Microbiology, Govt Medical College, Calicut was recognized by WHO as the reference centre for testing samples from suspected smallpox cases in South-west India. His Research papers were published in various national and International Journals. He was one of the youngest recipients of the Dr B C Roy Award for Medical Research in 1978).

Dr. C K Jayaram Panicker Endowment Awards given away during the year under Report is detailed below:-

Sl. No.	Name of Student	Name of College	Details of Convocation in which award was given
1	Malavika Shaji	Govt. Medical College, Thrissur	6 th Convocation dt. 20.04.2017
2	Aparna P L	Karuna Medical College, Palakkad	8 th Convocation dt. 27.04.2018 (Award was shared by the two students)
3	Mithun Anilkumar	Mount Zion Medical College, Pathanamthitta	
4	Rose Christy Jossy	P K Das Institute of Medical Sciences, Palakkad	10 th Convocation held on 29.04.2019

The unique examination system of KUHS sustains flawlessly and creditably ever since the conduct of first Examination in August, 2011.

Human Resources - Some Facts in a Nut-shell:

Serial No.	Name of Post	Number of Post
1	Controller of Examination	1
2	Joint Registrar	1
3	Deputy Registrar	1
4	Assistant Registrar	6
5	Section Officer	17
6	Assistant	54
7	Computer Assistant	4
8	Data Entry Operator	2
9	Confidential Assistant	1
10	Clerical Assistant	2
11	Office Attendant	6
12	Daily Wage Staff	35
13	Provisional Data Entry Operators	10
	Total	140

Note:- A point is to be expressly stated. A situation of over extraction of the Human Resources exists in the Examination Branch. The Staff are working straining every nerve. There are only 11 Sections in the Examination conduct (9) and Evaluation (2) taken together. A situation similar to that of under capitalization in Financial management exists in H R, which cannot prolong. The sustenance of the Branch will be affected in the long run. Just a comparison of the working of the Pareeksha Bhavans of other Universities will prove it.

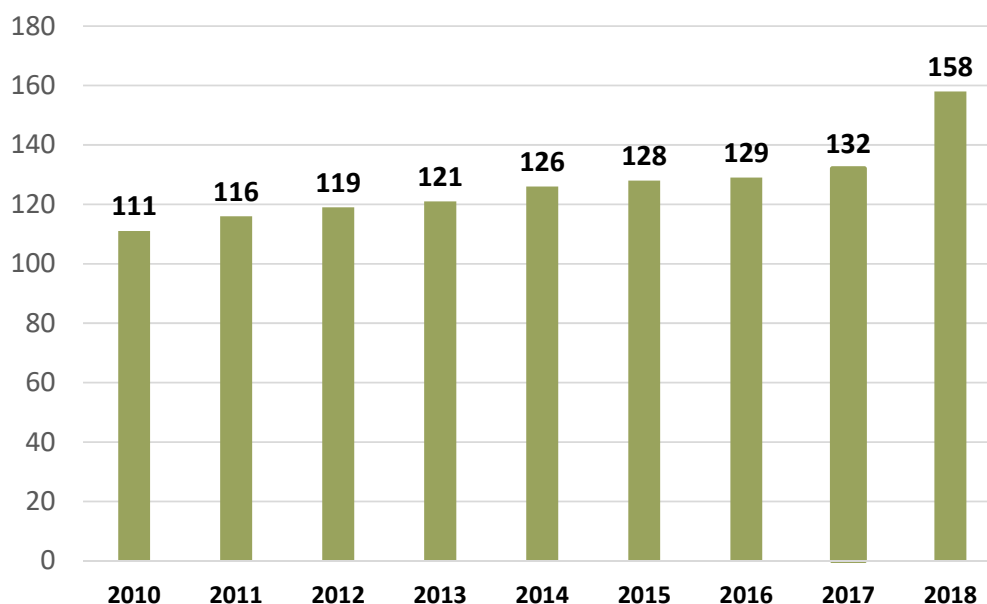

DETAILS OF COURSES

Allied Health Science	11 UG (B.Sc. MLT, BPT, BASLP, BSc Opto, BSc Perfusion Tech, BCVT, BSc MRT, BSc Micro and BSc Biochemistry, BOT, BSc Dialysis Technology), 20 PG (MSc MLT (3), MPT (4), MASLP, MSc Opto, MHA, MSc Medical Physiology, MSc Diploma in Radiological Physics, MPH, M.Sc Audiology, M.Sc. Clinical Nutrition, M.Sc speech language Pathology, Post M.Sc. Diploma in Radiological Physics (Dip.RP)), 4 MPhil (MPhil Clinical epidemiology and Psychiatric Social Work, MPH, MPhil in Clinical Psychology, M.Phil in Early intervention for Developmental Disorders)	35
Ayurveda, Sidha & Unani	6 UG(BAMS, BSMS, BUMS, B Pharm Ayurveda and B.Sc. Nursing Ayurveda, BNYS), 21 PG (MD/MS Ayur)	27
Dental	1 UG(BDS), 10 PG (MDS)	11
Homoeopathy	1 UG(BHMS) , 5 PG (MD.Hom)	6
Medical	1 UG (MBBS), 25 (MD/MS) , 14 (PG Diploma), 22 (DM/Mch)	62
Nursing	2 UG(B.Sc & Post Basic Nursing), 5 PG (MSc Nursing)	7
Pharmacy	1 UG (B Pharm), 9 PG (M Pharm, Pharm D ,Pharm D PB)	10
PhD in all Faculties

4	Quantity of used answer books disposed	25.655 tons

CONVOCATION

Convocation

As per Section 62(4) of the KUHS Act 2010, Convocation of the University shall be held at least once during an academic year in the manner prescribed by statutes for conferring degrees, post graduate degrees or diplomas or for any other purpose.

Accordingly, the **eighth Convocation** of the University for conferring Degrees, post graduate degrees and diplomas to the students who have passed their qualifying examinations under various disciplines was held on 28th April 2018 at Alumini hall of Medical College, Thrissur. Smt. K.K. Shailaja teacher, Hon'ble Pro Chancellor of the University and the Hon'ble minister for Health and Social Justice conferred the degrees/diplomas to the students and Dr.B. Eqbal, Member, Kerala State Planning Board delivered the convocation address.

In the 8th Convocation the following rank holders were granted cash awards: -

Sl.No	Name of Student	Name of College	Subject	Rank
1	Smt.Aswathy Subramanian	Kannur Dental College, Kannur	BDS	First
2	Smt. Sruthy J.S	Holy Cross College of AHS, Kollam	B.Sc MLT	FIRST
3	Smt. Nayana.K.T	Al salama Eye Hospital, Perinthalmanna	B.Sc Optometry	FIRST
4	Smt. Mufeeda .M.P	Govt. Medical College, Kottayam	BCVT	FIRST
5	Smt. Tasni Joseph	Sanjo College of Nursing, Ernakulum	B.Sc Nursing	FIRST
6	Smt. Rajalakshmi.R.S	Josco College of Nursing, Pandalam	B.Sc PB Nursing	FIRST

The **ninth Convocation** of the University for conferring Degrees, post graduate degrees and diplomas to the students who have passed their qualifying examinations under various disciplines was held on 3rd December 2018 at Lulu International Convention Centre, Thrissur. Smt. K.K. Shailaja teacher, Hon'ble Pro Chancellor of the University and the Hon'ble minister for Health and Social Justice conferred the degrees/diplomas to the students and Dr.V.K. Ramachandran, Vice Chairman, Kerala State Planning Board delivered the convocation address.

In the 9th convocation, the following rank holders were granted cash awards:

Sl.No	Name of Student	Name of College	Subject	Rank
1	Dr. Athira.S	Govt. Ayurveda College, Kannur	BAMS	First
2	Dr. Najma.P. N	Santhigiri Siddha Medical College, Thiruvananthapuram	BSMS	FIRST
3	Dr. Ashima R Chandran	Sree Narayana Institute of Medical Sciences, Ernakulam	MBBS	FIRST
4	Smt. Anusree Vijayan M	Co-Operative Institute of Health Sciences, Thalassery	B.Sc Medical Microbiology	FIRST
5	Smt. Najmath.P	Moulanan College of Pharmacy, Perinthalmanna	B.Pharm	FIRST
6	Smt. Aleena Varghese	Co-Operative Institute of Health Sciences, Thalassery	B.Sc Medical Biochemistry	FIRST
7	Smt. Shafna.K.P	Govt. TD Medical College, Alappuzha	BCVT	FIRST
8.	Smt.Jeneesha J Kooply	Govt. Medical College, Thiruvananthapuram	B.Sc Perfusion Technology	FIRST
9.	Sri. Sreerenth S Viswan	Baby Memorial College of Allied Medical Sciences, Kozhikode	BASLP	FIRST
10	Smt. Josephina Nimmy	Lourde Institute of Allied Health Sciences, Kannur	BPT	FIRST
11	Smt. Arya.S.S	Govt. Medical College, Thiruvananthapuram	B.Sc-MLT	FIRST
12.	Smt. Anjana.J	Malabar Cancer Centre, Thalassery, Kannur	B.Sc-MRT	FIRST
13.	Dr.Pooja Prakash	Athurasram N.S.S Homoeopathic Medical College, Kottayam	BHMS	FIRST

A total of 16605 students were convocated in the two convocations together in the following categories:

Degrees/ Diplomas awarded (Convocatted) during the year 2018-19

Sl. No.	Name of the Course	Number of Students
1	Medical PG	1068
2	Medical UG	3010

TOTAL		494	494

During the year (2018-19), a total of 494 applications were received under Right to Information Act, which were all complied with within the time limit specified under the Act.

Delegation of Powers

As per Section 82 of KUHS Act 2010 any officer or authority of the University may, by order, delegate any of its powers, except the power to make Statutes, Ordinances and Regulations to any other officer or authority of the University subject to the condition that the ultimate responsibility for the exercise of the powers so delegated shall continue to vest in the officer or authority delegating them. Based on this, order, delegating powers of Registrar, Controller of Examinations and Finance Officer up to a certain limit has been issued.

FINANCE BRANCH

Finance Branch

The matters connected with Finance, Accounts and Audit of the University are dealt with, by the Finance Branch. The Branch is having two sub branches:- viz: General Finance and Examination Finance.

Finance officer is the controlling officer of the Branch and the principal advisor on all matters connected with Finance, Accounts and Audit of the University. He is assisted by two Deputy Registrars and two Assistant Registrars, for the smooth functioning of General Finance Sub Branch and Examination Finance Sub Branch respectively.

To accomplish the assigned responsibilities in a systematic and time bound manner, the rules and orders contained in the following Act, Statutes and codes are relied upon:

- KUHS Act 2010, Chapter III- 16 (2,3,4,5), Chapter IX
- KUHS First Statutes Chapter II-53,54
- Kerala Financial Code
- Kerala Treasury Code
- Kerala Budget Manual

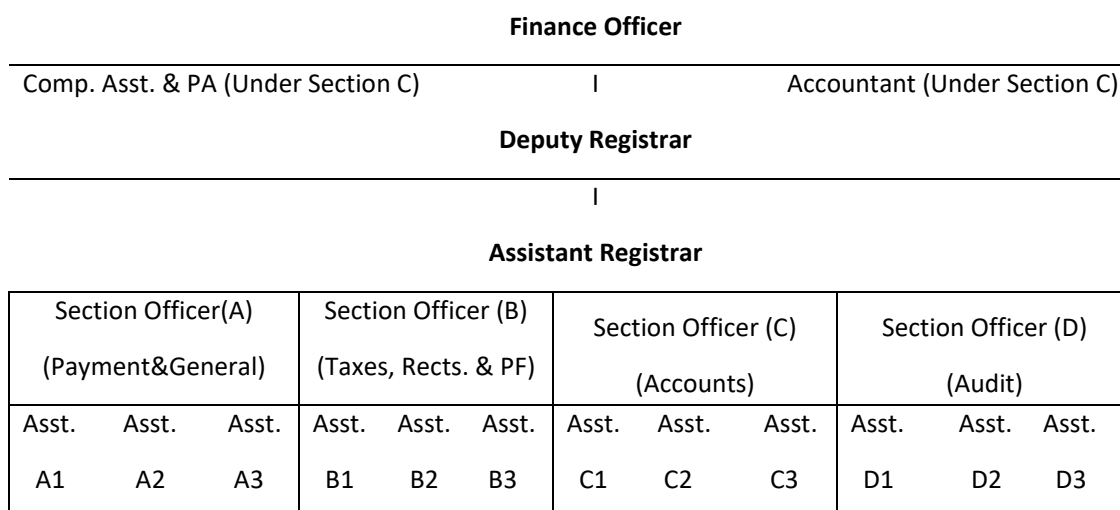

Vision statement of the Branch

To help the University to maintain healthy financial environment in accordance with the Act, statutes and laid down rules.

Mission Statement of the Branch

To design and establish proper accounting/monitoring system to see that the financial aspects of the University is dealt with proactively and efficiently.

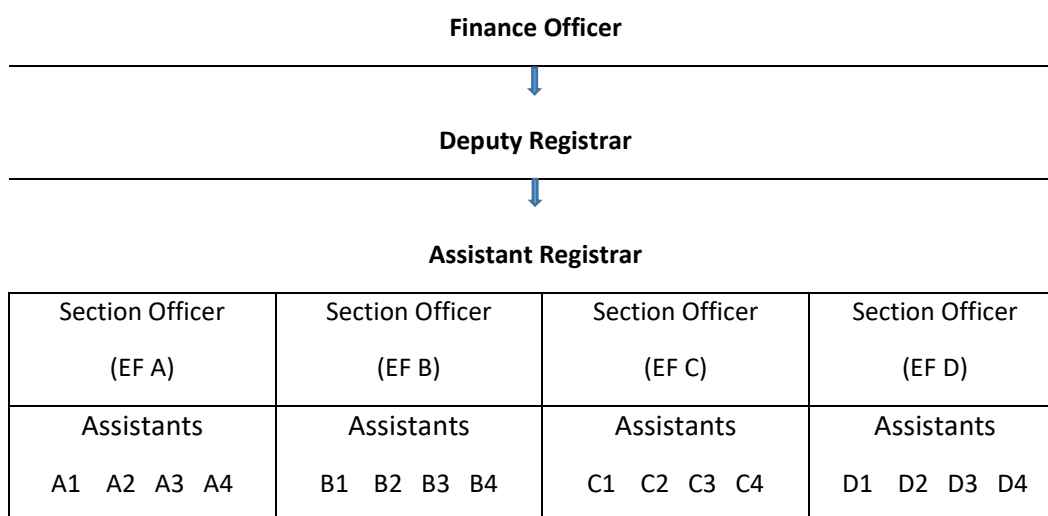

Organogram of General Finance

The General Finance Sub Branch deals with accounting and monitoring of affiliation fees, continuation of affiliation fees, annual administration fees, student registration fees, refundable deposits from the colleges affiliated to the University and such other receipts. It constantly interacts with Government and other agencies for allotment of grants, accounts grants received and submits utilisation certificates for the same. Preparation of Annual Budget for the various receipts and payments anticipated during the ensuing year on a realistic basis, also keeping in view the fund requirements for the infrastructural and developmental activities of the University is an important function of the section. Preparation of Annual Accounts, payment of work bills, purchase bills, salary bills and other establishment and administrative bills, filing of certain statutory returns, attending to internal audit, Local fund audit (State) and CAG audit are also the responsibility of the section.

The Exam Finance Sub Branch deals with all payments relating to conduct of examinations namely payment of advances for theory and practical examinations, centralised valuation camps, TA and sitting fee to members of pass boards, examination committees, subject experts, external examiners, practical convenors, question paper setters, dissertation evaluators, remuneration to nodal officers etc. The Exam Finance Sub Branch has been very keen in timely processing of the claims and disbursing them through RTGS mode despite large quantum of work load which is increasing day by day.

Organogram of Exam Finance

The Act and Statutes of the University envisage that all grants and loans received from the State Government, the Government of India, the University Grants Commission and from any other source, all revenues of the University, all fees received, all income such as rent and profits derived from properties and funds vested in the University, all endowments and donations received from any source whatsoever, all other miscellaneous receipts of the University and deposits, remittances and service of funds, received in connection with the affairs of the University shall form one consolidated

fund styled “Kerala University of Health Sciences Fund” and shall be utilized for the purposes and in the manner laid down in the Act and in the Statutes, Ordinances, Regulations, Bye-Laws and Orders. In order to control the inflow and out flow of funds, the University resorts to Budgetary control system.

Summary of the Budget Estimates for the year 2019-20 and revised estimates for the year 2018-19 at a glance were as under:

Budget code	Particulars	Budgeted Figures		
		2018-19	Revised estimates for 2018-19 (in Rupees)	Estimates for 2019-20 (in Rupees)
I	Income			
A	Non Plan			
01	Grant in Aid from Government and other agencies	52,24,75,000	4,50,00,000	15,50,00,000
02	Fee collection	31,75,00,000	21,74,57,950	26,01,32,000
03	Refundable deposits	3,50,00,000	60,00,000	20,00,000
04	Student Registration Fee	3,50,00,000	3,08,00,000	3,60,00,000
05	Examination Fee	27,19,00,000	24,75,00,000	29,56,06,510
06	Other income	15,95,00,000	13,89,00,000	14,16,50,000
	Total Income from Non plan	1,34,13,75,000	68,56,57,950	89,03,88,510
B	Plan			
01	Grant from Government	30,00,00,000	24,50,00,000	24,50,00,000
	Total Cash Inflow (A & B)	1,64,13,75,000	93,06,57,950	1,13,53,88,510

III	Deficit for the year			-19,03,70,940

Grants received from Government

The University is receiving grants from Government for its day to day operations (Non-Plan) and for creation of infrastructure and Capital Assets (Plan). Such grants released during the period 2018-19 were Rs. 1148.56 lakh under Plan and Rs.600 lakh under Non-Plan.

Accounting Procedure

Compared to the conventional Government Accounting system of accounting only receipts and expenditure, the University has adopted a system of accrual basis of accounting. The Government accounting system is cash basis of accounting under which transactions are recorded when the related cash receipts or cash payments take place. Thus, the revenue of educational Institutions, such as donations, grants, etc. is recognized when funds are actually received. Similarly, expenses on acquisition and maintenance of assets used for rendering services as well as for employee remuneration and other items are recorded when the related payments are made. The end-product of cash basis of accounting is a statement of Receipts and Payments that classifies cash receipts and cash payments under different heads.

Accrual basis of accounting is the method of recording transactions by which revenue; expenses, assets and liabilities are reflected in the accounts in the period in which they accrue. The

accrual basis of accounting includes considerations relating to accrual of income, provisioning of expenses, deferral, allocations like depreciation and amortization. This basis is also referred to as 'Mercantile Basis of Accounting'.

Accrual basis of accounting records the financial effects of the transactions and other events of an enterprise in the period in which they occur rather than recording them in the period(s) in which cash is received or paid. The goal of accrual basis of accounting is to relate the accomplishments (measured in the form of revenue) and the efforts (measured in terms of costs) so that the reported net income measures an enterprise's performance during a period rather than merely listing its cash receipts and payments. Apart from income measurement, accrual basis of accounting recognizes assets, liabilities or components or revenue and expenses for amount received or paid in cash in the past, and amounts expected to be received or paid in cash in future.

In cash basis of accounting, no account is taken of whether the asset is still in use, has reached the end of its useful life, or has been sold. Thus, cash based information fails to show a proper picture of the financial position and performance of an organization for the accounting period.

A cash based system does not provide information about total costs of an organization's activities. On the other hand, accrual system of accounting offers the opportunity to the organization to improve management of assets, and provides useful information about the organization's actual liabilities, relating to both debts and other obligations such as employee entitlements.

Accrual is the scientific basis of accounting and has conceptual superiority over the cash basis of accounting. The University therefore, has maintained its books of accounts on accrual basis. Such type of accounting enables an organization to create a corpus fund by transferring surplus income from its activities every year which can be utilized in furtherance of its objectives.

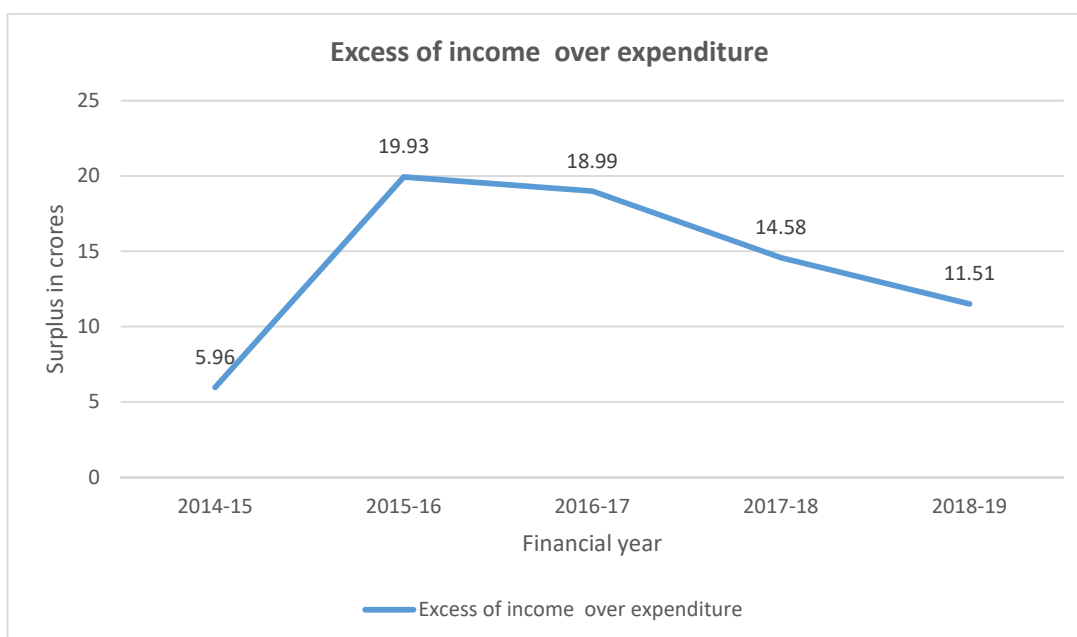

The cumulative corpus and surplus income during the year, of the University since inception till 2018-19 were as under:-

Year	Surplus income(Rs in Lakh)	Corpus Fund (Rs. in Lakh)
2009-10	7.36	24.22
2010-11	806.88	883.90
2011-12	1,599.33	2,540.88
2012-13	1,998.63	5,784.21
2013-14	331.02	331.02
2014-15	1,898.99	10,817.04
2015-16	1,992.95	12,809.99
2016-17	1,898.99	14,708.98

2017-18	1,458.47	16,345.88
2018-19	1,150.73	18,524.53

A graphic presentation of the surplus made by the University during the period 2014-15 to 2018-19 is shown below:

All accounting transactions are computerized with the help of a software developed through National Informatics Centre, New Delhi. The procedure adopted includes preparation of receipt and payment vouchers at individual seats, checking of the vouchers at Section officer/Assistant Registrar level and approval of the vouchers by Finance Officer. Once the vouchers are approved, the software posts the same to appropriate ledger accounts, prepare a trial balance, Income and Expenditure account and Balance sheet for a specified period. Adjustment entries, if any, are passed manually.

Investment of surplus fund in fixed deposits

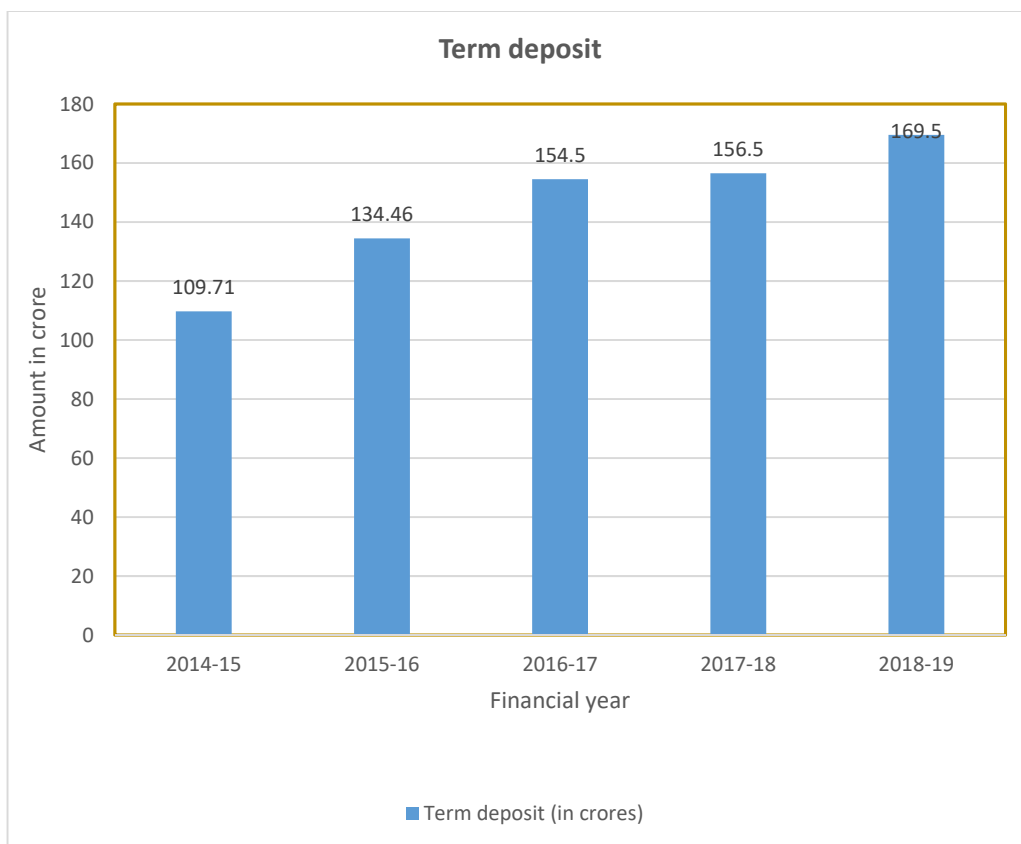

The fund which are not immediately required were invested in short term fixed deposit with State Bank of India/Government Treasury. The amount of such deposits made during the period 2014-15 to 2018-19 were as under:

Year	Amount of deposit (Rs in Lakh)
2014-15	10,970.99
2015-16	13,446.38

2016-17	15,450.00
2017-18	15,650.00
2018-19	16,950.00

A graphic presentation of the deposits made during the above period is shown below:

Financial results of the University, the quantum of receipts and payments and other key financial figures for the period 2018-19 are enumerated in the succeeding pages with graphic presentation.

The receipts and payments during the financial year 2018-19 were as under:

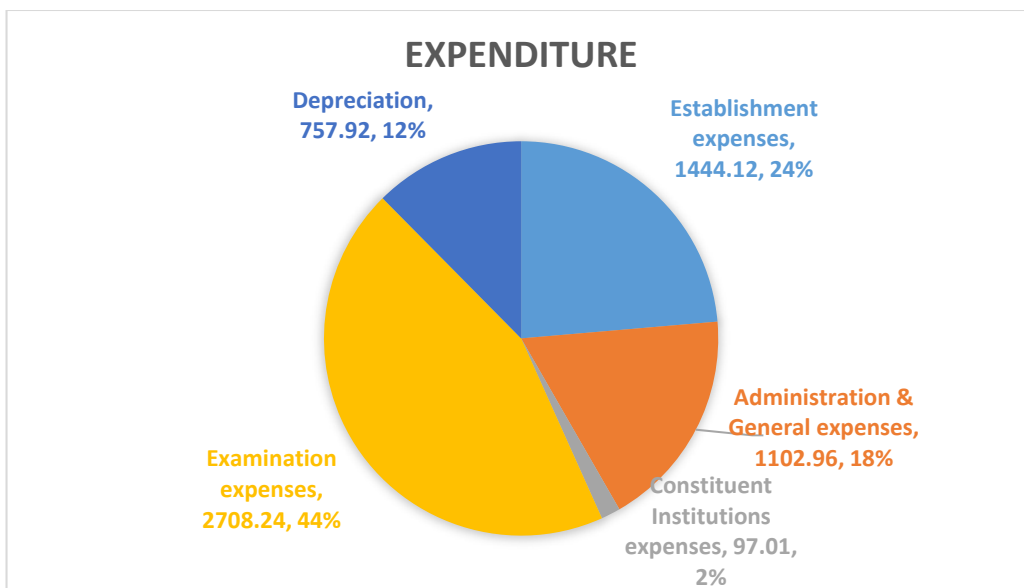

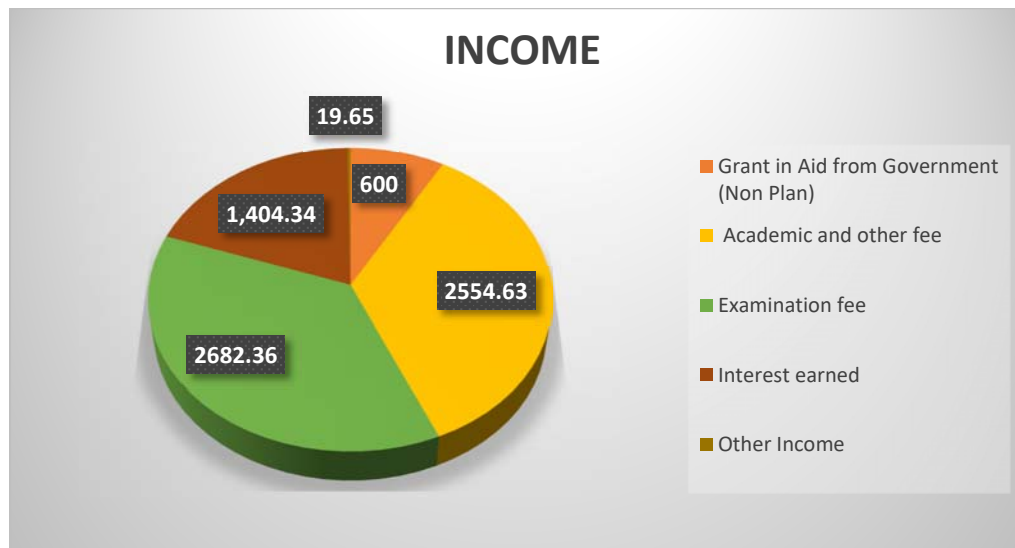

Receipts (Rs in lakh)		Payments (Rs in lakh)	
Particulars	Amount	Particulars	Amount
Grant in aid from Govt (Non Plan)	600.00	Salary and other employees cost	1421.24
Academic income	1871.30	Academic Expenses	37.11
Affiliation fee	644.00	Administration & general expenses	675.04
Examination fee	2668.62	Examination expenses	2678.19
Other Income	21.13	Research Schemes and Projects - Others	98.81
Interest earned	1373.33	Student Welfare Expenses	666.23
Debt heads	646.79	Debt heads	227.98
		Scholarships/ Fellowships/ Prizes	0.19
Total Receipts (Non-Plan)	7825.17	Total Payments (Non-Plan)	5804.79
Grant in aid from Govt (Plan)	1148.56	Works- Building and other works	1638.54
		Fixed assets other than building	125.29
Total Receipts (Plan)	1148.56	Total Payments (Plan)	1763.83
Total Receipts (Plan & Non Plan)	8973.73	Total Payments (Plan & Non Plan)	7568.62
		Surplus	1405.11
Total	8973.73	Total	8973.73

The financial results of the University for the Year 2018-19 are enumerated below:

Expenditure	Amount (Rs. In lakh)	Income	Amount (Rs. In lakh)
Establishment expenses	1444.12	Grant in Aid from Govt (Non Plan)	600.00
Administration & General expenses	1102.96	Academic and other fee	2554.63
Constituent Institutions expenses	97.01	Examination fee	2682.36

Examination expenses	2708.24	Interest earned	1404.34
Depreciation	757.92	Other Income	19.65
Excess of Income over expenditure transferred to Corpus/Capital Fund.	1150.73		
TOTAL	7260.98	TOTAL	7260.98

Other key financial figures for the year 2018-19 were as under:

	Particulars	Rs. In crore
1	Corpus fund at the end of the year	185.25
2	Fund earmarked for research	5.00
3	Fund earmarked for the development of schools and centres	50.00
4	Fixed Assets	56.01
5	Investment of earmarked fund and other fund in fixed deposits	169.5
6	Current Assets	29.14
7	Grant from Govt. of Kerala for Campus Infra structure development	18.24

In order to achieve the vision and mission of the University, the following initiatives have been carried out in Finance Branch

1. Initiatives in respect of accounting

All accounting transactions are computerized and includes automatic voucher generation, generation of cashbook, ledger, journal, trial balance etc.

2. Initiatives in preparing better Financial Estimates

As per Section 66 of the Kerala University of Health Sciences Act 2010, the annual Budget Estimates along with the financial statements of the University for Ensuing Financial Year shall be prepared by the Finance Officer and presented to Governing Council, under the directions of the Vice Chancellor before such dates as may be prescribed by the statutes for approval. After getting approval of the Governing Council, it shall be presented in the senate for discussion. But the senate will have no power to reject the Budget, but it can make suggestions and amendments to the Budget and return the same to the Governing Council for consideration. The Governing Council may accept or reject the recommendations made by the Senate.

As per Statute No. 9(1), Chapter VI of the first Statutes 2013 of the Kerala University of Health Sciences, the Governing Council shall, before the first day of January of every year examine the Financial Estimates of the income and expenditure for the ensuing financial year which has been prepared by the Finance Committee or make such alteration as it deems fit and approve the same with modifications, if any. As a part of innovation in preparing budget estimates, anticipated expenditure under different heads/programmes/works, have been ascertained by consulting all branches of the University, so as to include necessary provisions for expenditure in the Budget Estimates and holding meetings/discussions with Branch heads and other officials for the purpose, besides obtaining the quantum of anticipated expenditure and Introducing new budget heads based on the needs of the branches.

3. Initiatives aiming better compliance to Audit observations and Audit Reports

For timely compliance to Audit Observations and Audit Reports, the innovations carried out included:

Conducting meetings with the concerned branch officials on points contained in the observations/reports and a strategy formulated for compliance.

Draft compliance to the observations discussed in meetings before they are finally furnished to audit.

Arranging entry and exit meetings with the auditors for discussing the strategy of Audit and the observations contained in the Audit Report.

Furnishing clarifications/explanations required during Audit within a reasonable timeframe and wherever necessary conducting discussions by higher officials with Audit Authorities.

Uploading final compliance to the Audit Reports to the AIMS software (Audit Information Management System) of Kerala State Audit Department in respect of KSA department audit.

KSA Department audit for the year 2018-19 is in progress and audit by Accountant General has been completed up to November 2018.

4. Initiatives aiming better investment of surplus funds

Investing surplus funds in short term deposits with government treasury, properly monitoring and timely reinvesting or otherwise utilizing according to the needs ascertained through mutual discussions with Branch heads.

The investment transactions have been computerised.

5. Initiative in respect of timely release of TA and remuneration payments

Payment of TA and remuneration bills in respect of inspection and meetings after scrutinising manually according to the rules are effected through a software, in which all details of the inspector or employee making such claims are incorporated. An SMS is also sent for informing the incumbents regarding release of TA payment. The software also provides for deductions in respect of TDS, from the remuneration wherever applicable, above the limits as per the Income Tax Act.

6. Initiatives regarding on-line receipts

During the Academic Year, the University has introduced online receipt system for payments related to examination and academic purposes. Previously, the University was receiving various types of fee from affiliated colleges, institutions and students by way of demand drafts. The section concerned, on receipt of DD's, cross checks with records and transmit the same to General Finance section, within a period of one to two weeks, for remittance. General Finance section, in turn, would

send the DDs to Bank, usually within a day or two. Bank credits the DDs proceeds to the University's account usually within five days, but sometimes stretched up to 20 days. A lot of manpower was being utilised for this exercise. DD statements and other records in respect of DD's received and credited to the bank were prepared by two sections. Moreover, the delay in crediting the DD's by bank has resulted in loss of interest to the university.

The introduction of online receipt system in association with **SBI e-pay**, the business department of State Bank of India providing payment aggregation services, has wiped out such impediments. Under the system, the payee institutions and individuals can pay various types of fee to the University using credit cards/net banking. The successful payments are credited to the University's accounts within a period of maximum three days. Thus the loss of interest due to delay in affording credit by the bank as well as wastage of manpower is avoided to a great extent. The online receipt system has also made the job of payee institutions a lot easier. The system has been introduced on trial basis at present which will soon operate in a full-fledged manner.

7. Initiatives regarding Employees Provident Fund

Computerisation of the PF credit cards to the employees has been completed and credit cards are being issued to the employees.

Computerisation of provident fund ledger is in hand and will be completed soon.

8. Initiatives in respect of Examination Finance Section

- i) All payments like TA to external examiners for the conduct of practical exams, TA to observers for the conduct of theory exams and TA and Remuneration to evaluators for paper valuation are made through NEFT/RTGS payments, directly to the bank account of the concerned faculties which has proved to be very effective and time saving. Earlier, University was sending individual cheques which was time consuming.
- ii) University has introduced text messaging system to mobile numbers of observers, examiners and evaluators with details of payments made to them.
- iii) University is sending system generated e-mails to all colleges with all the settlement details after final settlement of expenditure of each examination for easy disbursement of examination remuneration at college level. Earlier, University was sending individual mails manually.
- iv) Cash Book, Journals, Vouchers, and Payment Registers are computerised so that the accounts and registers are up to date, accurate and systematic, which enable speedy and easy reconciliation and financial year ending adjustments.
- v) Grouping of bills of different examinations of same discipline helped to make the payments very fast and in turn reduced the number of cheques taken for TDS and now the total amount of TDS deducted from an evaluator can also be traced out easily.
- vi) Duplication of bills can be traced out easily through the computerisation of bill entries. Also payment reports can be generated online within in no time.

- vii) Each course is being dealt under the direct control of an assistant, so that payment and default if any can be traced out and queries from evaluators and examiners dealt with easily.
- viii) For making payment expeditiously and accurately, payment is made to the account number mentioned by the evaluator/examiner in the bill. In case of any discrepancy, evaluators are requested to forward a copy of their Bank pass book page in which account number and IFSC code are mentioned.
- ix) Tapal entry is made online at Exam Finance branch. As a result, the current status of each bill (Advance, settlement & TA) from its receipt to its disposal can be traced out, which also helps in processing of the bills speedily.

FINANCE COMMITTEE

Finance Committee is one of the important authorities of the University empowered to give advice to the University authorities on matters relating to the finances of the University. It consists of the following members

- i) the Vice Chancellor
- ii) the Pro-Vice Chancellor
- iii) the Registrar
- iv) the Finance Officer
- v) two members elected by Governing Council members from among themselves and
- vi) one member from the Planning Committee nominated by the Vice Chancellor.

The Finance Committee has the following powers.

- i) to prepare the Budget estimates of the University and to review the accounts of expenditure and to make recommendations to the Governing Council.
- ii) to consider and make recommendations to the Governing Council on the proposals for new expenditure on major works and purchases.
- iii) to scrutinise re-appropriation statements and audit notes and to make recommendations to the Governing Council
- iv) to review the finances of the University and to suggest for conducting concurrent audit wherever necessary.
- v) to give advice and make recommendations to the Governing Council on any financial matter affecting the affairs of the University.

The Finance Committee of the University has conducted 47 meetings since inception till date for deciding upon various issues concerning the financial affairs of the University.

Achievements of Finance Branch

1. Timely finalisation of Annual accounts
2. Timely finalisation of Annual Budget Estimates
3. Establishment of PF Account Management System
4. Successfully defended demand of service tax on affiliation and related income by Central Tax and Central Excise Authorities about Rs. 5.00 crore. The show cause notice issued by the department for non- payment of the amount demanded on this account was dropped by the adjudicating authority, on representation by the University. An appeal filed by the Revenue authorities is under consideration of the CESTAT.
5. Introduction of On-line receipt system in respect of various types of fees with the help of SBI-‘epay’, has been implemented in respect of majority of Examination receipts and that of academic branch is in the final stages of implementation. This will enable the University in avoiding delay in crediting demand drafts received from the affiliated institutions, students etc.by bank and thereby will result in saving substantial amount of interest.
6. Computerisation of Examination (Finance) Section has resulted in speedy payments to examiners and institutions.

DEAN
(STUDENT AFFAIRS)

Activities of Dean (Students Affairs)

Dean: Dr. A.K Manoj Kumar, Dean (Student Affairs).

1. Duties Assigned

The duties assigned to Dean (Student Affairs) pertains to the matters related to -

- i) Board of Adjudication of Students Grievances
- ii) Students Union Election
- iii) Students Council
- iv) Anti Ragging
- v) School of Research in Ayurveda
- vi) Sports activities
- vii) Students Support Scheme and Cash awards
- viii) School of Family Health Studies
- ix) Student Support Guidance Programme
- x) Students Union Activities and programmes
- xi) Centre for Young Adults
- xii) Centre for History of Medicine and Museum
- xiii) Works related to Complaint Committee
- xiv) News letter and Publications
- xv) Works related to NSS

2. Activities during the year

During the year 2018-19, the activities of Dean (Student Affairs) were as under:

- Electoral roll for election to KUHS Students Union Executive Council, election of 10 student representatives to the senate, election of 7 members to students Council and election of one student representative to Board of Adjudication was published. Election notification for the above four elections published on 06.04.2018. Results of the above four elections were declared on 13/04/2018. Oath taking ceremony of KUHS Students Union, 2018 was conducted on 18/04/2018.
- College Union elections, 2018-19 in affiliated colleges were conducted on 21/12/2018. 278 Colleges were conducted election and furnished the details of UUC's to KUHS.
- As per KUHS Act and Statute, election schedule was prepared. Election to KUHS Students Union General Council from Affiliated private, self financing and unaided colleges was held on 16.02.2019 at KUHS and result was declared on the same day.
- Electoral roll for election to KUHS Students Union Executive Council, 2019-20, election of 10 student representatives to the senate, election of one member from General Council of KUHS Students Union to the Board of Adjudication and election of 7 members to students Council published on 19.02.2019. Election Notification for the above four elections published on 28.02.2019. Results of the above four elections were declared on 07/03/2019.

Preparation of Bye Laws

The following Bye Laws were prepared as per the provisions in Chapter V, Clause 45 of KHS Act, 2010.

1. College Students Union
2. KUHS Students Union
3. PTA
4. Sports and Games Competitions

The above 4 Bye Laws were approved by 49th Governing Council and implemented vide UO.No.209/2018/Dean SA/KUHS dated 22/11/2018. As per the Bye Laws, College Union election and KUHS Students Union election, 2019-20 were conducted.

Meeting of Students Council

Meeting of Students Council, 2018 was held on 23/05/2018 at KUHS, Thrissur. The Budget of University Students Union was approved in the Student's council meeting. Second meeting of Students Council (2018-19) was held on 16.11.2018. The revised budget of University Students Union was approved in the Student's council meeting.

One day Workshop of University Union Councillors

One-day Workshop of University Union Councillors of KUHS was held on 03.05.2018 vide UO No.48 /Dean SA / KUHS /2018 dated 30.04.2018. Classes on various topics were given to students. Topics covered included 1) Psychological issues of Young Adults 2) Prevention of Life Style disorders 3) Health Science Education-Academic issue 4) Reproductive health issues among young adult and 5) Student Support schemes. The objective of the workshop was to make the UUC's aware of these subjects which in turn will learn the respective college students through college union activities.

One day Seminar on Implementation of SSGP

Oneday Seminar on Implementation of SSGP at KUHS was held on 15.08.2018 vide UO.No.136/2018/Dean SA/KUHS dated 10/08/2018. Focus Group Discussions among students regarding Implementation of SSGP was held. Classes on various topics were given to students. Topics covered included Implementation of SSGP in colleges and Stress Management faced by the students.

Board of Adjudication for Student Grievances meeting

Board of Adjudication of Student Grievances meeting held on 18/04/2018 (8 cases), 06/06/2018 (7 cases), 04/07/2018 (6 cases), 14/08/2018 (14 cases), 16/10/2018 (11 cases), 27/12/2018 (27 cases) 20/02/2019 (28 cases) to hear grievances of students. Grievances of Students having valid reasons were considered and the Controller of Examinations was requested for appropriate actions as per university rules in this regard and orders were issued. Other grievances were rejected and the concerned students were informed. In certain cases, the evaluators were called for and collected explanations/statements regarding the discrepancies noted therein.

Committee for Redressal of Complaints

80 Numbers of complaints were received during the period and processed. Explanations were sought from the Principals of concerned colleges in order to place in next Committee for Redressal of Complaints for proper decision.

Anti ragging Complaints

Six anti ragging complaints (PMS College of Dental Sciences and Research, MOSC Medical College, Kolencherry, Jubilee Mission Medical College, Thrissur, Govt. Ayurveda College, Kannur, MGM MMC College of Nursing, Pathanamthitta and Betheny Navjeevan College of Physiotherapy, Thiruvananthapuram) received and reports have been sought from the principals concerned.

SPORTS AND GAMES

1. KUHS Athletic Meet

KUHS Athletic Meet was conducted on 21th November and 22nd November 2018 at Govt. Medical College, Kozhikode under the co-ordination of Binoy K, Asst. Prof. & HOD, Department of Physical Education, Govt. Medical College, Kozhikode.

2. Zonal Sports with a budget amount of ₹ 3,00,000/- for each zone

DEAN (RESEARCH)

Activities of *Dean (Research)*

Dean: Dr. Harikumaran Nair G.S., Dean (Research)

1. Duties Assigned

The duties assigned to Dean (Research) pertains to the matters related to -

1. PhD Scholars.
2. Research Guides. (PhD)
3. Research Centre. (PhD)
4. Ethics Committee
5. Research Council.
6. KUHS Journal "Health science"
7. KUHS Malayalam Journal "കുടുംബാരോഗ്യകൗൺസലർ"
8. Matters related to Centre for Gerontological Studies.
9. Matters related to Centre for Basic Sciences and Bioethics.
10. Matters related to Centre for Health Care Counselling
11. Quarterly Report to Governor
12. Governor's Address related documents.
13. Chancellor's Award related documents.
14. Bio statistics workshop
15. KUHS Oration
16. National Conference on Students Medical Research
17. National Conference on PG medical Research.
18. Workshop for PG Thesis Guides.
19. Workshop for PhD candidates
20. Workshop on Medical Education
21. Workshop on Research Methodology for UG, PG students.
22. Workshop for Institutional Ethics Committee Secretaries.
23. Workshop on Gerontological Studies
24. Workshop on Dementia
25. Conference on Oral Maxillofacial Surgery in Collaboration with GDC Thrissur
26. Preparation of RTI Reply related to works.
27. Works related to PG synopsis.
28. PG thesis guide change
29. University Library

2. Activities of Dean (Research)

The Research division of KUHS was constituted with a vision to give an effective direction to the research activities.

The following were the activities of Dean Research during the year 2018-2019 under report:

I. Research Centres under Dean (Research)

Following are the Research Projects and certificate programmes in 2018-19, under different centres

KUHS Centres	Research Projects
1. Centre for Basic Sciences Research and Bio-ethics	Ethical Consideration in Research among PG Guides in Health Science Teaching Institutions Under KUHS

Certificate Programmes

There were three certificate programmes under Office of Dean (Research), conducted at KUHS Head Quarters in six different sessions in the year 2019.

KUHS Centres	Certificate Programs
1. Centre for Basic Sciences Research and Bio-ethics	Certificate Programme in Advances in Basic Sciences-Diagnostic, Therapeutics and Rehabilitation Technology (CABSDTRT)
2. Centre for Gerontological Studies	Certificate Program in Healthy Ageing and Geriatric Care, Counselling & Palliation (CHAGCCP), Phase II
3. Centre for Health Care Counselling	Certificate Programme in Bio-Psycho Social approach in Health Care Counselling (CBPSHCC)

- i) **Certificate Programme in Advances in Basic Sciences-Diagnostic, Therapeutics and Rehabilitation Technology (CABSDTRT):-** Conducted on May 14th and 15th, July 02nd and 03rd, July 25th and 26th, August 29th and 30th, September 19th and 20th and October 03rd and 04th. Thirty-nine faculty members under KUHS have successfully completed the course.
- ii) **Certificate Program in Healthy Ageing and Geriatric Care, Counselling & Palliation (CHAGCCP), Phase II :-** Conducted on May 20th and 21st, June 20th and 21st, July 18th and 19th, August 26th and 27th, September 17th and 18th and October 10th and 11th. Fifty four faculty members under KUHS have successfully completed the course.
- iii) **Certificate Programme in Bio-Psycho Social approach in Health Care Counselling (CBPSHCC):-** Conducted on May 27th and 28th, June 20th and 21st, July 18th and 19th, September 04th and 05th and September 30th & October 1st. Thirty five faculty members under KUHS have successfully completed the course.

II. Other notable Workshops to promote Research are the following:-

- Research Methodology Workshop for PG Students :- Six different two day sessions were conducted at different parts of Kerala and 700 students participated.
- Research Methodology Workshop for PG Thesis Guides :- Seven different one day sessions were conducted at different parts of Kerala and 570 faculty participated.
- Sensitisation Programme on Medical Research for Under Graduate Students :- Six different sessions were conducted at different parts of Kerala and 1250 students participated.

III. PhD programme

- i) PhD Regulations 2018 is ready for gazetting.
- ii) Provisional Registration of 3rd batch of PhD Students is going on.
- iii) 66 Numbers of Research Centers are recognised so far.
- iv) List of a total of 297 PhD Guides (Approved-152; Provisionally Approved-141;

Transitory Provision-4) eligible for guiding PhD students has been published in KUHS website.

IV. Research Council : - Research Council was re-constituted as per the provisions in the University Act chapter IV clause 35.

V. University Ethics Committee

- University Ethics Committee was re-constituted as per the provisions in the University Act chapter IV clause 37.
- The committee met at least once in three months.
- Now the committee is formulating the Standard Operating Procedure for the University Ethics Committee.

VI. Library and Publication Division

The Library and publication Division was established in the KUHS in December, 2018 with one Assistant Librarian. The KUHS Library is responsible for printing and publishing the KUHS Newsletter, official journal of KUHS 'Health Science - A KUHS Journal', Malayalam journal 'Kudumbarogya Counsellor' and other books and publications.

Health Science – A KUHS Journal

Title registration of the official journal of KUHS '*Health Science – A KUHS Journal*', a peer reviewed scientific journal for research studies, is in the final stage.

KUHS Malayalam Journal "കുടുംബാരോഗ്യകൗൺസലർ"

The 1st and 2nd issues of the Malayalam journal 'Kudumbarogya Counsellor' has published in the year 2018-19 as private circulation.

Compilation of P.G. Thesis Abstracts

The compilation of P.G. Thesis abstracts of various streams is started. Presently the Medical P.G. Thesis submitted in 2019 and Medical Super speciality Thesis submitted in 2019 were started for compilation.

VII. Post Graduate synopsis- Research Thesis related activities

- About 3000 synopses are being verified every year
- With repeated reviews repeatedly if required, for already reviewed.
- To avoid the delay in getting approval from reviewers KUHS conducted **Protocol/synopsis Review Enhancement Programme** at School of Health policy and Planning, Thiruvananthapuram from 01.01.2019 to 05.01.2019

VIII. Programmes conducted

All the workshops are conducted with a view to encourage Research aptitude among the students and faculty.

1. Sensitization Programme on Medical Research for UG Students on 21.03.2018 at Educare Institute of Dental Sciences, Malappuram.
2. KUHS Research Methodology workshop for PG Thesis Guides on 20.04.2018 at Govt. Ayurveda College, Thiruvananthapuram.
3. KUHS Research Methodology workshop for PG Thesis Guides on 07.05.2018 at Govt. Medical College, Alappuzha.
4. PhD review committee for 2013-14 batch on 24.10.2018 at KUHS Head Quarters.
5. PhD review committee for 2014-15 batch on 25.10.2018 at KUHS Head Quarters.
6. Orientation class for PhD Aspirants on 26.10.2018 at KUHS Head Quarters.
7. Orientation class for PhD Aspirants on 27.10.2018 at Child Development Centre, Thiruvananthapuram.
8. Two-day training programme on Biostatistics on 18.01.2019 to 19.01.2019 at Child Development Centre, Thiruvananthapuram.
9. National Conference on Post Graduate Medical Research on 24th and 25th October 2018 at Govt. Medical college, Thrissur.
10. National Conference on Student's Medical Research on 9th and 10th November 2018 at Govt. Medical College, Thiruvananthapuram.
11. One day workshop on "Clinical Aspects and Research in Geriatrics in India on 19.11.2019 at KUHS HQ.

DEAN (ACADEMIC)

Activities of Dean (Academic)

Dean : Dr. V.V. Unnikrishnan, Dean (Academic)

1. KUHS Updates Series

The recent advances in all streams need to be brought to light by the University. The various departments of affiliated institutions were informed about the concept and guidelines were drawn-up for conduct of the programs, approved by the GC. Accordingly, 8 such programs were conducted in different Medical and Dental Colleges.

2. Quality Circle

Quality in administration begins with transparency, collaboration and effective communication. This is the basic principle of Quality Circles. As a part of this the Dean meets the subordinate staff every week and conducts a planning and evaluation session of the ongoing activities. Recognising its effectiveness, the concept of Quality Circle was implemented in the office of the Dean (Academic) and subsequently up-scaled to the whole University.

3. SAMAGRAM' Programme: A Unique Strategy for Comprehensive Development

'SAMAGRAM' Program is a Comprehensive Program for Integrated Academic Development of KUHS. The University has several programs which need an integrated and comprehensive implementation strategy. This includes Academic Monitoring Cell, Accreditation of Teachers and Institutions, Student Support & Guidance Program, Research Enabling initiatives, Digital Evaluation etc. However, it requires a professional scientific approach, expertise, human resource, equipment and documentation. The present system may not be able to undertake this task in its entirety.

The Samagram program is envisaged to incorporate all the Academic, Research and Student Support initiatives of KUHS, which were hitherto implemented through the offices of the three respective University Deans under a single umbrella and implemented in a time bound, monitored manner and evaluated periodically. The program was approved by the 50th Governing Council on 31/12/2018.

Vision based, collaborative, time-bound, monitored implementation of the program is expected to bring to reality the necessary outputs to raise the University to the levels envisaged in the Act and Statutes. Effective implementation of the 'Samagram' Program is expected to establish the Kerala University of Health Sciences as a significant contributor to the Health Science Sector of the State & make it a Model Health Sciences University of the Country. With the active support of the Government, Administrative and Academic bodies and collaboration of all other stakeholders, this is immensely achievable.

4. Quality Assurance Council

Meeting of the Quality Assurance Council was conducted on 26th June 2018 with representation from IIM Kozhikode, Prof. Dr. Unnikrishnan Nair and Asso. Prof. Dr. Abhilash Nair. The SAMAGRAM concept was presented before the Quality Assurance Committee. It was proposed to form 3 levels of management namely, Statutory Officers Committee, SAMAGRAM Core Committee and Implementation Committee

5. Faculty Enrollment Program (FEP)

Faculty Enrolment Programme” (FEP) embarked upon by the KUHS is aimed at compiling a comprehensive database of all the teachers in the institutions affiliated to KUHS. As per this program, a unique ID are being created and issued to each of the faculty members. FEP will be the basis for selection /appointment of examiners, observers, scrutinisers, thesis evaluators, QP setters, inspectors and nominees into various academic bodies of KUHS. Various Quality Enhancement programmes, training and awards will be based on the FEP data. For the institutions, the affiliation process will be made easier and more objective.

For the University inspection, procedure will be simplified and selection of examiners, observers, scrutinisers, thesis evaluators, QP setters, inspectors and nominees into various academic bodies, selection to Quality Enhancement Programmes, training and awards will be systematised. The first series of FEP registrations was conducted in July 2017. The verification of documents started from 1st November 2017. The 2nd Phase started on 1st January 2018. The process continued unabated and 11512 faculty were registered till 31st March 2019.

The Faculty Enrolment Program (FEP) verification process met with some unexpected roadblocks since the Government Medical college faculty refused submit their original documents for verification by the University. However, this was settled by a special arrangement with the DME whereby the documents were verified by the DME being a member of the Governing Council on behalf of the KUHS. FEP QR coded cards were designed and finalised and the consignment given for printing.

6. Full Additional Charge of Controller of Examinations

Upon the relieving of Prof. Dr. P K Sudheer, the Dean (Academic) was directed to hold full additional charge of Controller of Examinations from 1st September 2018 to 12th December 2018.

7. Nomination to the Academic Council

The Dean (Academic) was nominated to the Academic Council as the “Academic Officer of the KUHS”.

8. Quality Assurance System of KUHS (KUHS-QAS)

In order to realize the goals of ensuring academic excellence to ensure the effectiveness of teaching-learning process and to devise methodology for maximum academic outcomes from faculty members as well as students, it was decided to formulate a system for ensuring Quality Assurance Standards for Health Science Institutions under KUHS. Accordingly, a QAS Formulation Committee with Chairman Prof. Dr. K Karthikeya Varma, Statutory Officers of KUHS, Principals of 3 NAAC Accredited Institutions Dr. Assuma Beevi, Dr. Anoop. K.R, Prof. Sajeevan.T, Member from NAAC Accredited University Dr Beena Ravikumar, NABH Expert: Dr. M.G. Sivadas, NAAC Consultant: Prof Dr. M.P. Rajan as members was constituted. Ten Quality Indicator Domains were identified namely;

1. Infrastructure Facilities
2. Teacher Profile and Teaching Learning
3. Curriculum Implementation Monitoring
4. Existing Quality Assurance Systems
5. Research Enabling Environment
6. Out Reach Programmes
7. Student Support & Guidance Programme
8. Institutional Governance
9. Innovation & Best Practices
10. Feedback Implementation Process.

The steps are being taken to create handbook and training the assessors of QAS.

9. Centre for Simulation Studies

A detailed Project Report on Centre for Simulation Studies was prepared by a committee formed for the purpose with Dr. Ravindran C as Chairman. This was presented before the Governing Council. The Technical Committee of Centre for Studies in Medical Simulation fine tuned specifications.

10. Perspective Plan

The broad objective of preparing the KUHS perspective plan is to develop an evidence based, scientifically sound and equity sensitive guideline that can be used with administrative ease for prioritising the applications for new courses and new institutions. The methods adopted to achieve the objective involved several steps such as: constituting the committee, brain storming session by members of the committee, desktop review of available secondary data on health human resources (HHR) of the state, analysis of primary data from respective councils, KUHS and professional organisations on HHR, mapping of health education facilities of the State was done to detect geographical inequity, identification of stakeholder categories that could give inputs for the proposed perspective plan, qualitative study using focus group discussions and key informant interviews,

preparation of quantitative grid based on qualitative study findings, prioritization of domains based on ranking method and relevant statistical analysis and preparation of weightage based score card to be used by KUHS for prioritisation. The final product of Perspective plan should serve not only as a guideline towards permitting courses and colleges, but also outlines a series of goals to be achieved as a vision that spans multiple sectors of the University Activities.

11. Best Teacher Awards 2018

The Kerala University of Health Sciences, as part of its mission to recognize the Teachers of the Affiliated Institutions, established the Annual 'KUHS Best Teacher Award' [KUHS-BTA] from 2018 onwards in each of the seven streams of Health Sciences (Medicine, Ayurveda, Dental Sciences, Homeopathy, Nursing, Pharmacy and Allied Health Sciences). The first among the series were conferred on September 29th October 2018, by the Hon'ble Chancellor.

The Award is based on transparent criteria, which have been formulated in accordance with the Faculty Academic Credit System of KUHS, by the duly constituted committees of the Academic Council and approved by the Governing Council. It will be awarded only once to any single person. He/she shall not be eligible to apply for the award again.

12. Certificate Programs

Four Certificate program for affiliated institution faculty are being conducted

- Certificate program in Clinical Skills Simulations
- Certificate program in University Administration and Management
- Certificate program in Childhood Disability Management
- Certificate program in Good Clinical Laboratory Practices

13. University Anthem

The University Anthem, written by the noted lyricist and poet Shri. Rafeek Ahmed and set to tune by Shri. Vidyadharan master was copyrighted in 30th April 2019, by the Registrar of Copyrights. Guidelines for playing the anthem were also finalised. The anthem was made available in a downloadable manner in the KUHS Website.

14. Basic Life Support Program for KUHS Staff

Basic Life Support is essential for saving life in witnessed cardiac arrest, foreign body ingestion and such emergencies where precious life is in threat. One of our University Assistants, Shri. Shantilal lost his life in a sudden cardiac arrest. This was the triggering factor in administering this program. Basic Life Support Program for KUHS Staff was conducted on 7th April 2019 in collaboration with Govt. Medical College Thrissur.

15. Young Entrepreneurship Conclave

Young Entrepreneurship Conclave, an initiative to inculcate the spirit of Entrepreneurship among students was held on 16/11/2018 at Al Shifa College of Pharmacy, Perinthalmanna with financial assistance from KUHS. The Office of the Dean (Academic) coordinated this collaboration.

16. Publications

1. Detailed Project Report on Establishment of Simulation Centre.
2. Detailed Project Report on SAMAGRAM project.
3. KUHS-QAS Handbook prepared and scrutinised.
4. Towards Frontiers of Excellence, A Handbook on Institutions Affiliated to KUHS.

SCHOOLS

Schools under Kerala University of Health Sciences

University Act Chapter II Section 5 contemplates that the university may establish study centers at such other places within the state of Kerala. The Governing Council of the University in March 2011, had decided to establish schools as a centre for facilitating health sector policy formulation and implementation on specific areas of studies.

- School of Health Policy and Planning Studies, Thiruvananthapuram- professor in charge:- Dr.Rajamohan.K
- School of Fundamental Research in Ayurveda, Thrippunithura- professor in charge:- Dr. Sudhikumar.K.B
- School of Family Health Studies, Kozhikode - professor in charge:- Dr. Rajamohan.K

1. KUHS-School of Health Policy and Planning Studies, Thiruvananthapuram

Location and staff structure

Originally the School was located at Rohini, Robston lane, General Hospital Junction; it was shifted to Principal Office building, Medical College TVM on 10-6-2019.

From the inception the school was working on a project mode with a project manager only. The School is now having a full time Professor who took charge from 12-6-2018. Research Asst (6-3-2019) and one Office assistant (16-1-2019) joined subsequently as full time. For administrative purposes, the School is considered as a department of the University.

Purpose of the School

The centre is supposed to facilitate sound health care practices and policies by enabling all stakeholders in health care delivery to make informed decisions by sensitizing and interpreting available evidence and by carrying out new research efforts to fill in gap in existing knowledge. The centre will be engaged in data collection, compilation and analysis and institute appropriate research and surveys for the purpose in order to develop evidence based and feasible plans. In short the school is supposed to give academic support to health policy formulation and implementation. This is towards direction of evidence informed health policy which is the most scientific and state of art across the globe. So the school is engaged in research methodology promotion as a capacity building activity for a production of good quality research evidence to health policy studies (health policy methodology promotion, policy analysis and giving feedback on existing policies, interventions in key policy areas and finding a research agenda in this policy implementation research).

Description of the general activities of the school are given below,

A. Research methodology Promotion: Teaching Learning Activities

- 1. Research Methodology Training Program for postgraduates from affiliated institutions where research methodology training facilities are inadequate or absent.**

We are regularly conducting research methodology training program for Post graduate students. We have successfully completed the 37th batches of Research methodology program till now.

- 2. Certificate course in Research Methodology (CRM) for faculty**

We have completed the first batch of CRM course for the faculties in KUHS and awarded the certificates to all those who successfully completed the course. The second batch was divided in to two groups and successfully completed the course and awarded the certificates in the month of October 2019.

- 3. Certificate course in Biostatistics (CBS) for faculty**

The certificate program in Biostatistics for faculty is regularly conducted as monthly contact classes at KUHS and the first batch has successfully completed in the month of October 2019.

- 4. M-Phil Clinical Epidemiology Course (Part time)**

Notification was called for post doctoral training program of M-Phil Clinical Epidemiology Course for the faculty in affiliated colleges under KUHS. There were 64 applicants from all stream for whom, the entrance examination was conducted on 23-10-2019. The classes are expected to be started from December. There are 12 seats.

- 5. Synopsis review-** We are regularly reviewing post graduate synopsis of KUHS. So far 700 synopses have been reviewed.

- 6. Research methodology consultations:** Faculty from various affiliated Institutions do come regularly for Consultations. In addition to this through e-mail and other social blogs faculty are involved in consultation.

- 7. Improving the Research environment in Affiliated Institutions:** MCI has identified Journal club as a teaching learning platform. In many of the institutions the journal clubs are not active. In order to make journal clubs more efficient the faculty need to be trained in critical appraisal techniques. The school has started a project for training faculty towards critical appraisal techniques and other capacity building for updating of faculty through journal club activities. This is planned to be operational- zed through funding of Govt. Of Kerala under plan scheme.

B. Interventions in key policy areas (health policy implementation feedback)

1. Breast feeding promotion activity

Breast feeding support tools development is a major activity carried by the school associated with IAP and Govt.of Kerala. The school has organized a discussion and open vetting of the experts in this field to finalize the breast feeding resource materials at Thiruvananthapuram and Calicut. The Training of trainers for doctors and senior nursing faculty is over. The development of support tools is now complete. A state level Breast feeding Promotion program with certificate program on lactation management for nurses is going on.

2. Experience sharing of- Flood relief activities by affiliated institutions under the KUHS

We have undertaken enquiry regarding the follow up of the activities affiliated institutions under the KUHS. Few institutions have sent us the report. The final report will be ready soon. As this can be showcased as a scientific document, Hon VC suggested making this as a special issue of the health science journal.

Leptospirosis Update: Experts consultative discussions done in this regard and prepared a technical update on Leptospirosis uploaded in University site.

3. Consolidating the experience gained in Mortality reduction in Kerala

IMR reduction activities in partnership with IAP: Conducted workshop on Mortality reduction experience of Kerala. Infant death review is an activity in partnership with Indian Academy of Paediatrics.

4. Non communicable disease prevention intervention: Certificate course on lifestyle disease prevention is to be started. The course has been sanctioned by Governing council.

C. Health policy methodology promotion

1. Promotion of health policy methodology

An interest group was constituted from among the faculty of KUHS and series of workshop has organised. Separate expert group for epidemiology, economics, and sociology in the context of health policy development has identified as and discussion held, the proceedings were published in journal of KUHS. Continuing the series of health policy methodology and discussion on National and State health policy, Neethi Ayog report on health etc.

- Health economics sensitization workshop for the faculty was done on 27-9-2019.

2. Preparation of Perspective plan for KUHS the primary responsibility of KUHS is to provide professional human resource for health sector. A perspective plan for KUHS was developed and accepted by the governing council. In continuation of the activities further research is being planned.

- A workshop on Allied health care professional in Kerala was conducted and the proceedings are available.

D. Intramural Research Project

Project: Changing family health status and its impact on health of family

A research project on "Changing families and its effects on physical, mental, and social health of family members in Kerala- A KUHS study" is currently conducting by the School of Health Policy. The data collection is going on. All the investigators have completed 5 interviews each. An advisory committee is planned to be held on 22-7-2019 at School of Health Policy and planning studies, Thiruvananthapuram.

E. Other activities

- Prepared detailed project report (DPR) for the school.
- A proposal has been submitted to KUHS to purchase SPSS (Statistical software) which can be utilised for the project at School.

Activities in nutshell

Sl no	Activity done	Targeted to whom	Purpose	Achievements	Current Status
1	Research methodology promotion for evidenced informed policy practice (Health policy methodology Studies)	Practitioners and clinical faculty	-To involve in health policy development process, respect and comply National and State health policies.	Published as a separate section of journal (Health Science) Published a monograph on Leptospirosis	Sanctioned ongoing
2	Research methodology training - PG research methodology monthly workshop for PG students - Certificate program in Research Methodology - Certificate Program in Biostatistics	All faculty under KUHS	- To enhance capacity building for good quality Research conduct, output and collaboration -Capacity building for effective mentorship in the campus	Trained total nearly 600 faculties in Biostatistics and Research methodology Updated RM training modules and book available	Continuing

3	Intervention in key policy areas				
	- Mortality reduction initiative in Kerala	All stakeholders of mortality registration and analysis	-To document mortality reduction process in Kerala	Workshops conducted for Mortality reduction experience in Kerala	Sanctioned and continuing
	- Selected interventions for Infant mortality reduction	Stake holders of Reproductive child health system in Kerala	- To consolidate the gains and develop guidelines for infant death audit.	1.Workshops in Breast feeding promotion 2. Consolidated document on experience of breastfeeding promotion initiative in Kerala	
	- Disaster response and documentation	Flood victims and rescuers and rehabilitators Physician community of Kerala	-To document and share the experience by medical Institutions so that it can be a learning resource for future.	Workshops in flood rehabilitation experience sharing Produced a monograph	
	- Response to Fever epidemic		- by expert consultation and systematic review, developed guidelines	Published guidelines for prevention of Leptospirosis on website of KUHS	
	- Update on Leptospirosis				

4	Training activities in policy relevant areas				
	a) Certificate course in life style modification	Peripheral Practitioners	-To empower peripheral practitioners and concept of wellness, primordial prevention of cardio vascular disease, social determinants of non communicable diseases and one health approach.	Going on	Sanctioned and continuing
	b) Certificate program in Basic life support (BLS)	For students of affiliated Institutions			Submitted the proposal
5	Perspective plan for University	Stakeholders of KUHS	To develop a futuristic plan for the coming five years as directed by the Hon" High court and envisaged in the University act.	Document is ready and accepted by the Governing council, plan for validation prepared	Sanctioned and continuing
	The coordination and technical data generation done in the school.				
6	Miscellaneous activities	All faculty	To explore the scope of allied professionals in Kerala and streamline the distinctive functionalities of operation	Monograph submitted to Hon VC	Sanctioned and finished
	- In consequence to the presentation of the allied bill of parliament by Govt. of India, faculty of allied sciences is suggested develop a to situation analysis report				

	- Changing family health status and its impact on health of family - Health human resource profile and determinants of professional nurses' supply in Kerala. - Current breast feeding pattern and determinants of breast feeding practices in Kerala. - Mortality studies				Data collection going on Proposals submitted

Inauguration of lactation counselling course by Hon. VC at Kozhikode

2. School of Fundamental Research in Ayurveda– Thripunithura

Ayurveda is known for its inherent strength and potential to provide holistic health care and help people to lead healthy lives. However, its potential has not been tapped to meet the health needs of the country and bridge the gaps that the conventional medical system carries. In order to get better prepared and equipped to face the emerging challenges and international developments in the area of health care, the extent and quality of research has to be augmented to widen the evidence base and generate new knowledge. Development of evidence based clinical approaches is crucial for Ayurveda to establish the utility of traditional and time tested knowledge imbibed in classical texts. It is also important that the knowledge generated with scientific efforts is properly disseminated for awareness building of masses in general and other stakeholders in particular. A meaningful interface between the research institutions, academia and industry is therefore required to translate research outcomes for public use and bridge the knowledge gaps. One of the objectives of the University is to give more thrust for the development of Indian systems of medicine and all its branches by encouraging research and other academic activities in the related areas. It is in this context that the School of Research in Ayurveda is proposed in Thripunithura.

Total 21 programmes were conducted by School of Fundamental Research in Ayurveda Thripunithura

11 Workshops

9 one day Workshops for specialty subjects to identify the research areas in each specialty, 2 workshops for syllabus formation for MPhil course in Ayurveda and PG Diploma course in Sports medicine Ayurveda

7 Training programmes for faculty

2 in research methodology and 5 as Certificate program in Research methodology Ayurveda

Two awareness program

2 Research awareness & promotion program for students of Ayurveda

One Symposium Scope and Need of Ayurveda Research

One Project completed Structured Data Base of PG Dissertations – Kerala

Books Published

- Notes on Qualitative Research and Tool development
- Guidelines for Protocol Writing
- Structured database of PG dissertations of Kerala
- Clinical Consensus for research in Ayurveda – Spectrum Approach

Detailed Report

Workshops

I. Department of Swasthavritha conducted a one day workshop on research proposals “PRAJNANAN 2019 on 21-02-2019

After the registration and inaugural function by Dr T K Uma Principal, Dr Sudhikumar K B Professor School of Research in Ayurveda made an introductory speech on the need of research and role of faculties of Swasthavritha. The systematic documentation and data collection is the most important in research.

The areas where research needed are 1 Adanakala and visargakala the incidence of fever 2 the effect of yoga on anxiety 3 exercise and yoga 4 improvement of endosulfan affected patients by yoga 5 effect of abhyanga among athletes 6 epidemiological determinants of dysmenorrhea 7 improvement of QUL among geriatric with dinacharya 8 role of swasthavritha in reducing the incidence of diabetes.

II. Department of Prasoothithantra conducted Dyuthi 2019 a one day workshop on research proposals on 4-02-2019

After registration of faculties from 13 colleges, inauguration was done by Dr G Jai VicePrincipal an introductory session by Dr Sudhikumar K B emphasizing the need of research and making Ayurveda as evident based medicine to attain the world acceptance.

Dr. Giby Thomas highlighted the areas of research are 1 High risk pregnancy 2 Pre conceptional care 3 Ante natal care 4 Post natal care 5 Clinical trials in streeroga 6 Tool development and validation of academic areas. There were serious discussion about the proposals and decided to submit them to University at the earliest.

III. Department of Kaumarabhrithya one day workshop on research proposals PRAMA

The workshop was conducted on 22- 02- 2019 at Hospital auditorium on 22nd February with welcome speech by Dr Sohini Asso Professor & HOD. Dr T P Sarasa presided and Dr T K Uma Principal inaugurated the workshop. Introductory speech was Dr Sudhikumar K B, explaining the need of converting Ayurveda into evidence based Ayurveda. 11 faculties from outside colleges participated.

Dr S K Ramachandran S N College lead the discussion. The programme ended at 4 PM.

IV. Department of Dravyagunavijnanam one day workshop on 26 – 02 – 2019

The workshop began with an inaugural session in which Dr Ansary P V Professor & HOD welcomed, Dr G Jai Vice Principal presided and Dr T K Uma Principal inaugurated the programme. Later Dr Sudhikumar K B Professor spoke on the need of research in the field of dravyaguna in Ayurveda as the plant research is an integral part of research in Ayurveda. He detailed the DPR of School of Ayurveda and the importance given to Dravyaguna.

The identified areas of research are Taxonomic, pharmacognostic, phytochemical, invitro and in vivo experimental studies and clinical validation of identified plants. Total fifteen faculties participated and 22 proposals were discussed in detail. The meeting concluded by 3.30 PM

V. Department of Panchakarma KARMA SAMSKRITI 2019 –one day workshop

Department of Panchakarma organized a one day workshop to discuss the research areas and protocol preparation on 27 -02 -2019 at Govt Ayurveda college Tripunithura. The programme started at 9.00 AM by registration of faculties in which 15 faculties registered out of this 10 were outside colleges.

After the inauguration introductory remarks made by DR Sudhikumar K B Professor SFRA. He pointed that Panchakarma and Rasayana are the two main weapons in Ayurveda management.

There were heated discussions about the need of standardization of all procedures. Finally decided to adopt the methodology of Consensus statement development of Panchakarma procedures, including poorvakarma, paschatkarma and samyak lakhana. The meeting ended by 4.00 pm.

VI. Department of Shalakyathantra DISHITA 2019 – one day workshop on Research proposals

Department of Shalakyathantra conducted a one day workshop to discuss the areas of research in Shalakyathantra and analysis some research projects submitted.

There were representative from eleven colleges other than home college. There were discussions about 14 projects presented by various faculty such as Dr Sunilkumar from Govt AVC Trivandrum, Dr Balakrishnan from Kannur, Dr Arathy from Nangeli Dr Ajayaghosh from SN Puthur and Dr Bijila from Parasnikadavu. The areas where research has to be concentrated identified as Prevention and management of cataract, Refractive errors in children, Diabetic retinopathy and Glaucoma. All actively participated in discussion and group discussion. The meeting ended by 4 PM.

VII. VEEKSHA 18-19” – Student Research Conclave

Ayurveda has to be evidence based, then only scientific community will accept it. For that rigorous research has to be conducted. PG scholars are doing research as a part of their study, so it is a mechanical process. The research has to be done more seriously, for that students have to be motivated. As a part of motivation this programme Veeksha 2019 in association with PG students association on 7th and 8th March 2019..

The first day of conclave is exclusively for P G Scholars and second day was open to Final BAMS students and House Surgeons. PG Scholars from all the PG centres were attended the programme. Competition for best thesis for last batch PG Scholars, and Evidence Based Case Presentation competition was held for final year BAMS Students and House surgeons.

Competition for best thesis, these have three steps 1 Submission of abstract in IMRAD Step 2 submission of a duly filled format by students, these were scrutinized by external experts and the marks will be send to the convenor Step 3 Presentation of selected thesis before the audience followed by discussion finally all the marks awarded by the external experts and marks obtained after presentation will be added together and the winners will be selected. Evidence based case presentation by Final year students and house surgeons were monitored by judges designated and the winners selected.

Dr. Nalinakshan in his inaugural speech emphasised to maintain the quality of academic research as they are considered as pilot study for the future research. He congratulated the organisers for student conclave, which will stimulate the students to conduct genuine research in future. He further advised the students to be more observation mentality to find problems and seek remedy to solve those. An overview of “Research in Ayurveda” was presented by Dr. Ram Manohar, Research Director, Amrita School of Ayurveda.

Gopika P, VPSV AVC Kottakkal, won the first prize and Akhinna Ashok GAC Kannur won the second prize. Award was given by Dr. T.K. Uma, Principal, GAC, Tripunithura. Vote of thanks was given by Dr. Abhilash. M.

VIII. Training programme

Research Methodology –

Faculty Improvement Programme – Series 3

26th & 27th April 2019 Govt AVC Tripunithura

This is a continuous programme on research methodology, a two day workshop on research protocol writing. The participants are previous 20 faculties who attended Phase I & II and another 20 fresh faculties, who are eligible to guide PG students.

The University format was introduced by Dr Aneesh Associated Prof Govt Medical college Trivandrum, followed by a lecturer by Dr. Ansari, Faculty Dean, KUHS. The second day was writing of model protocol and discussion.

Dr AK Manojkumar Dean SA Presents paper.

Latter a book was published based on this training program Guidelines for Protocol writing (2019)

IX. Certificate Programme on Ayurveda Research Methodology

On May 8th & 9th at KUHS head quarters

This is intended to enhance the research qualities of Ayurveda faculties within the university and making them enable to conduct active research. Evidence based Ayurveda is the vision of university.

Classes by Dr. K Murali, Prof AVC Kannur, followed by Dr Manoj SMO, ISM. The second day by Dr Biju George Aso Professor Govt Medical College Kozhikode.

X. Certificate Programme on Ayurveda Research Methodology

On 6th& 7th August 2019

The 4th session of the program was conducted on 6th& 7th August 2019 at Seminar hall at KUHS head quarter.

Introduction by Hon Vice Chancellor Dr MKC Nair, followed by address by Dr. A.K. Manojkumar, Registrar. The class by Dr Rajmohan Asst Prof Govt AVC Kannur on 6th and the second day by Dr Biju George Associate Prof Govt Medical College Kozhikode.

XI. Symposium on Research in Ayurveda “Need, Scope and Future in the purview of STRIDE” at Thrissur on 25th August 2019 conducted by AMMOI in association with KUHS – SFRA Tripunithura

The symposium was inaugurated by Dr N Srikanth Deputy Director General CCRAS Dr A Nalinakshan Pro Vicechancellor KUHS, Presided Dr Bhushan Patwartan Vice Chairman UGC, Chief Guest, welcome by Dr D Ramanathan President AMMOI, Dr P Ramkumar gave away the vote of thanks.

- | | |
|-------------|---|
| Session I | Dr. Bhushan Patwartan, Scope of Research in Ayurveda |
| Session II | Dr. AK Manojkumar, Registrar KUHS, Translational Research |
| Session III | Dr. Sudhikumar K B, Prof KUHS- SFRA, Current Scenario in Academic Research |
| Session IV | Dr. Vignesh Devaraj, Technical Director Sitaram, Potential areas in Pharmaceutical Research |
| Session V | Dr. Suma Arun Dev, Scientist, FRI Current Scenario in Raw Drug Research |
| Session VI | Dr. Rahul R Nair, Asso Prof Ashtangam Need for Clinical research and Documentation. |

60 invited Doctors from KUHS, AMMOI, AMAI with keen interest in research or already conducted research were the audience. Dr Bhushanji in his speech focused the need of research particularly in the field of life style diseases, which is threat to society. He also explained how to get sanction of fund from STRIDE up to 5 cores. Dr Srikanth explained what is happening in CCRAS and the future plan of research.

Dr A K Manojkumar pinpointed the need of research to be translated into practise. Dr Sudhikumar narrated the history of Ayurveda academy and present standard of PG Dissertations and the lacuna with possible solutions.

Dr Vignesh Devaraj focused the research in enteric nervous system and gut microbe with examples of simple Ayurveda medicine. Dr Suma Arun spoke the barcoding of Ayurveda raw drugs to prevent adulteration. Dr Rahul Nair explained, how the clinical research has to be focused instead of proving the validity of a drug.

There was a plenary session after the presentations and the delegates cleared their genuine doubts. Dr Bhushanji was present through out the symposium. A committee was formed to look after the future research submitted to STRIDE.

XII. Certificate Programme on Ayurveda Research Methodology

On 2nd & 3rd September

The fifth session of classes - Dr. Biju George took the class on 2nd September, he completed the biomedical statistics needed for research. The second day was addressed by Dr. A. K. Manojkumar, Registrar and Dr K. Murali about the need of research and how to conduct it.

XIII. Research Methodology Faculty training Phase IV

on 23rd & 24th September 2019

Faculty Improvement Programme – Series IV

2 DAYS Training on **Clinical Consensus for Research** - conducted in Association with Dept of Kriya Sareera Govt AVC Tripunithura- 2019 September 23, 24

Aim: To derive consensus on clinical evaluation and their adaptation into research.

Delegates: Total 44. (Teachers 37 & PG Scholars 7)

- Faculties who have attended previous 3 training programmes.
- Other faculties who have undergone basic training programmes on research and who are interested to submit research proposals on clinical consensus for diagnosis and evaluation in Ayurveda.
- Selected PG scholars with aptitude in research

Output: Projects for clinical consensus statements and publication of general guidelines. Guidelines for clinical evaluation based on existing guidelines and further research plans will be published.

Schedule: 10 AM – 1 PM

Standards for Diagnosis and evaluation of Diseases for Research in Ayurveda

-Dr. Mukesh E, Asst Professor, Dept of Roganidana,
VPSV Ayurveda College, Kottakkal

2 PM – 5 PM

Summary of works by AYUSH and CCRAS

- Dr. Prakash Mangalassery, Professor, Dept of Kayachikitsa,
VPSV Ayurveda College, Kottakkal

24/09/19 – 9.30 AM – 10.30 AM

Consensus on clinical concepts – epitome of qualitative research workshop

– Dr. Abhilash M, Asst Professor, Dept of Kriyasareera,
Govt Ayurveda College, Tripunithura

10.30 AM – 1.30 PM

Clinical Consensus – Materials and Methods

– Dr. Ravi Prasad Varma, Associate Professor,
Achutha Menon Centre for Health Science Studies (AMCHSS),
Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST),
Trivandrum

2.30 – 4 PM

Interactive session on formulation of new projects

– Moderator Dr. Sudhikumar K B, Professor, KUHS – School of Research in Ayurveda

Output: Projects for clinical consensus statements and publication of general guidelines

The fourth series of the faculty improvement programme on Clinical Consensus for Research was conducted at Govt Ayurveda College, Tripunithura on 23rd and 24th of September 2019. Apart from the delegates who attended the previous training programmes, 12 new faculties from various Ayurveda Colleges have also attended the programme. Also, 7 PG scholars from Govt Ayurveda College, Tripunithura were also included since the topic created interest in them and it needs their enthusiasm and support for fruitful completion.

On 23-09-2019, the programme was inaugurated by Dr. V. S. Syamaladevi Principal, Govt. Ayurveda College, Tripunithura. The first 2 sessions were handled by Dr. Mukesh E, Asst Professor, Dept of Roganidana, VPSV Ayurveda College, Kottakkal. In the afternoon, the 2 sessions were handled by Dr. Prakash Mangalassery, Professor, Dept of Kayachikitsa, VPSV Ayurveda College, Kottakkal. All the sessions were highly interactive and issue based.

On the second day, a summary of previous programmes were given by Dr. Abhilash M, Asst Professor, Dept of Kriyasareera, Govt Ayurveda College, Tripunithura. This was followed by 2 sessions

of class by Dr. Ravi Prasad Varma, Associate Professor, Achutha Menon Centre for Health Science Studies (AMCHSS), Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST), Trivandrum. In the afternoon, the feasibility issues of projects were discussed in which Dr. Sudhikumar K B, Professor, KUHS – School of Research in Ayurveda was the moderator. The programme concluded by 4.30 PM.

XIV. Syllabus and Regulations for MPhil course in Ayurveda

Professor SFRA took initiative to prepare syllabus and regulations for MPhil courses in Ayurveda. It will be better to conduct research oriented MPhil for faculties as a part time course to nurturing a research atmosphere among them, and as a part of the course some research works can be conducted. So had discussions with Faculty Dean and experts about the preparation of syllabus and Dr Ansary, Dr Abhilash, Dr Vinuraj, Dr Janeesh were entrusted to prepare the syllabus. They prepared the draft syllabus and had several round of discussions, finally syllabus for five courses were approved by the committee. They are

1. Ayurveda Dietetics and Yoga
2. Ayurveda Diagnosis
3. Fundamental research in Ayurveda
4. Ayurvedic phytochemistry
5. Standardisation of ASU drugs

These were presented in University planning committee, Research council after acceptance it was presented to Registrar. He sends it to Feasibility committee formed by Governing Council and they vetted and pointed some corrections. After correction it was placed before the combined PG board of Studies on 10-10-2019 and it was accepted.

The Professor presented it on the Academic council conducted on 17-10-2019. The AC approved all the five courses and decided to conduct Fundamental research in Ayurveda course from next academic year.

XV. PG Diploma course in Sports medicine Ayurveda

Sports medicine is an emerging specialty in Ayurveda. Govt of India recognised it very early and used the help of Ayurveda doctors in the Delhi Asiad. Govt of Kerala accepted it and started a new specialty hospital exclusively for sports rehabilitation at Trissur. Moreover, it created posts and started OP in District Ayurveda hospitals.

Even though Govts are encouraging the use of Ayurveda in sporta, there are no specialised course for sports medicine Ayurveda. Hence the Professor SFRA prepared a syllabus for PG Diploma course as the subject is skill oriented, more than theory. It was submitted to Registrar, he forwarded it to Board of studies, after discussion they formed a subcommittee to vet the syllabus. The subcommittee vetted it and submitted it. Now it was decided to vet it by another three-member committee experts in sports medicine.

XVI. CERTIFICATE PROGRAMME ON AYURVEDARESEARCH METHODOLOGY

The last session of the programme held at KUHS Head Quarters on September 30th and October 1st. Dr. Biju George took the class on 30th and afterwards evaluation started with a written examination and followed by assignment evaluation on the second day. Hence the certificate programme was concluded. The certificate, those who are successfully completed were distributed on 23-10-2019.

XVII. Structured Database of PG Dissertations PROJECT REPORT

Structured Database of PG dissertations a project as a part of literary research of the School of Fundamental Research in Ayurveda. The objective of the project was to assess the status of research and areas of research done in Ayurveda academy since the beginning of PG education at Kerala. Ayurveda PG education started on the year 1971 at Govt Ayurveda College Trivandrum, simultaneously with Jaypur Rajasthan, after the establishment of CCIM. Knowing the past will be helpful for the PG scholars to make hypothesis for future research. At present there is no data available of the research done in Ayurveda academy. If we are knowing the past, the move towards future will be easier. Hence, the project Structured database of PG dissertations.

A project proposal was submitted to university on 11-10-2017, but after discussion requested me to resubmit with details of work and budget. Hence submitted the project with more details and budget on 20-02-2018 and it was sanctioned as per U.O. No 124/2018/Dean SA dated 27-07- 2018. The project is having three areas, 1 Data collection 2 converting it into a structured data base 3 Publish it as a book and online for reference.

PG education started in Kerala at Government Ayurveda college on 1971. It started as PG Kayachikitsa, latter it was divided into Kayachikitsa Visha, Kayachikitsa Netra and Kayachikitsa marma based on the subject selected for the dissertation. In 1979 PG Dravaguna vijana and Rasasatra Bhaishajyakalpana. Later PG started in many subjects and from 2005 there are 11 PG departments. On 2001 Manasika roga PG started at VPSV Ayurveda college and presently there are 6 PG departments. On 2002 Government Ayurveda College Kannur started PG in Roganidana and Kriyasareera. In Govt Ayurveda college Tripunithra PG started on 2005 with Salyatantra and presently there are 9 PG departments. On 2008 PG started at M V R Ayurveda medical college Parasinikadavu in Agadatantra and later on Rasasastra and Panchakarma department.

Data collection

This was the most difficult part in this project. Firstly, send an email to all PG colleges including Amritha Ayurveda College, explaining the project and requesting to send the abstracts of dissertations available with them. None of the colleges responded positively. Hence, request was send to all HODs of PG department, this was also not successful. So decided to collect the abstracts or copy the dissertations directly from the colleges. Research assistant visited all colleges several times as in Trivandrum college the available volume was huge.

Conversion into structured format: - This was a tedious process, as the older dissertations contain no abstract, hence the whole dissertations had to read and converted into structured format.

Title, Introduction, Objective, Methodology, Assessment, Result & Conclusion.

The collection and conversion done simultaneously. Altogether 1720 dissertations were collected and converted into word format and excel so as to upload in university website for online reference.

Publication

Before publication the structured database format has to be edited into 14 specialties such as Agadatantra, Drvyaguna, Kayachikitsa, Kaumarabhritya, Kriyasareera, Manasikaroga, Panchakarma, Prasoothitantra, Rasasastra, Roganidana, Salyatantra, Salakyatantra, Samhita sidhanta and Swasthavritha in chronological order. Meantime quotations invited for printing, page setting, design and layout. This was finalized on September 2019 and on October gave to the press. Due to number of dissertations were more the pages will be more, hence it was difficult to make into a single book. So made into two volumes, Volume I the dissertations up to 2012 and Volume II the dissertations from 2013 to 2017 ie the KUHS dissertations. Even though it was decided to print in black and white, later for the betterment of the book decided to print the cover, editorials and messages from VC, Pro VC and Registrar in colour. It took 2 years to complete the project.

Book Release

The book Structured Database of PG dissertations was released by Hon Vice Chancellor of KUHS Prof (Dr) M K C Nair Dsc, at a meeting conducted at University headquarters on 21-10-2019 in presence of Dr Dr. A. K. Manojkumar, Registrar, Sudhikumar K B, Professor SFRA, Dr. Rajmohan, Professor SHPPS TVM, Dr. Anilkumar, Dr. Jithesh and Dr. Sailekha P, Research Assistant SFRA.

XVII. Specialty meeting Kriyasareera

A meeting of faculty of Kriyasareera from all affiliated colleges were conducted on 5th November 2019, with an objective to find the area where research is essentially needed. The meeting was inaugurated by Principal Dr. V.S Syamaladevi, presided by Dr. Pradeep K, HOD Dept of kriyasareera Govt. AVC Tripunithra. Dr. sudhikumar explained the need of conceptual research.

Faculty from 11 colleges other than Tripunithura participated in the meeting Dr. Ananthalekshmi, Professor GOVT AVC Trivandrum lead the discussion. Five projects were discussed. Meeting ended at 3.30 pm with distribution of certificates.

XIX. Specialty meeting Salyatantra

Meeting of Salyatantra faculties from different colleges conducted on 11th November 2019 at Govt Ayurveda College tripunithura. Dr G Jai Vice Principal inaugurated the meeting, Dr M M Abdulshukoor presided and Dr Sudhikumar explained the status of salya research in Kerala and the need of in depth research.

Participants from 10 colleges other than Tripunithura participated. 9 projects were presented and discussed. 5 of them were preliminary selected to send to School of Research in Ayurveda for consideration to be approved.

XX. Samhita, Sanskrit & Sidhanta Department

The department of Samhita, Sanskrit & Sidhantha, Government Ayurveda College Tripunithura in association with KUHS-School of Fundamental Research in Ayurveda organised a one day workshop on setting priorities in fundamental research for Samhita and Sidhanta faculty of Ayurveda colleges affiliated to KUHS, on 22nd November 2019. The objective of the workshop was to explore priority areas and form consensus in research conducted by the faculty of the department.

The meeting was inaugurated by Dr V S Syamaladevi, Principal Govt Ayurveda College Tripunithura, presided by Dr Resmy T HOD Dept of Samhitha, facilitated by Dr K Murali, Professor Kayachikitsa, Dr PY Ansari, Faculty Dean Ayurveda, KUHS and Dr Vijayanath Secretary Adhyapaka samghatana.

After the inaugural session Dr Sudhikumar K B Professor KUHS- SFRA spoke about the initiatives taken by KUHS in the field of Ayurveda research. Dr Resmy T Professor made a review of fundamental research in Kerala based on the structured database of PG dissertations published by SFRA. She pointed the research area was concentrated on cross sectional studies. The conceptual studies were less and have to give more importance to Ayurveda concepts by conducting exploratory research. Dr Vinodkumar M V, Professor, VPSV Ayurveda college Kottakkal narrated the fundamental research conducted at their college and the scope of fundamental research.

There were six projects presented by Dr. Nithanth, Dr. Anoop, Dr. Jineesh, Dr. Nandhini and Dr. Binoy and they were discussed. After discussion it was decided to submit the projects to SFRA for further proceedings.

Faculties from eleven colleges other than the host college attended the meeting. The meeting ended at 4.00 PM after the valedictory session.

3. School of Family Health Studies - Kozhikode

WHO defines health as--The family is the smallest social unit enabling survival, growth, development and achieve the optimal potential of every member of the family from children to grandparents across the whole lifecycle. However, there are huge impediments for this in many areas - physical, mental, psychological, educational, social, economic, religious and spiritual dimensions. These issue has not been adequately addressed in a comprehensive manner especially the huge regional variations. The School of Family Health Studies to be set up at Kozhikode in Malabar region, often considered as a relatively backward area of Kerala. The National Family Health Surveys (NFHS) have been addressing some of these issues in totality. The latest NFHS – 4 to be implemented in 2014-15 has two specific objectives: i) to provide essential data on health and family welfare needed by the Ministry of Health and Family Welfare and other agencies for policy and programme purposes, and ii) to provide information on important emerging health and family welfare issues.

Therefore, NFHS -4, will:

1. Provide estimates of the levels of fertility, infant and child mortality, and other family welfare and health indicators by background characteristics at the national and state levels; and
2. Measure trends in family welfare and health indicators over time at the national and state levels.
3. Provide information on several other emerging issues including: -
 - a. Perinatal mortality,
 - b. adolescent reproductive health,
 - c. high-risk sexual behaviour,
 - d. safe injections,
 - e. tuberculosis, and malaria;
 - f. Family welfare and health conditions among slum dwellers;
 - g. Non-communicable diseases;
 - h. Use of emergency contraception; and
 - i. HIV prevalence for adult women and men

Recent studies report that chronic diseases have displaced communicable diseases as the leading cause of death and disability in India.⁸ Identification of risk factors through screening is an important tool in the fight against chronic diseases. Among the Indian states, Kerala is at the most advanced stage of an epidemiologic transition that has brought about a dramatic change in the disease profile. Now lifestyle diseases are the major cause of death in Kerala. The burden of deaths from cardiovascular diseases now exceeds that of industrialized countries.¹⁰ However, necessary reorientation of a public health strategy that focuses on chronic diseases has not yet taken place. This has resulted in high prevalence of many chronic diseases and risk factors in Kerala which necessitates development and implementation of preventive strategies, early detection and early intervention for lifestyle diseases.

Divorce rate is increasing tremendously in Kerala. Domestic violence is a global issue, reaching across national boundaries as well as socio-economic, cultural and class distributions. It is a widespread, deeply ingrained evil, which has serious impact on woman's health and well-being. Domestic violence can be described as the power, misused by one adult in a relationship, to control another. It is perpetrated by and on both men and women. However, most commonly the victims are women and the perpetrators are their husbands.¹ Domestic violence not only causes physical injury, it also undermines the social, economic and psychological well-being of the victim, the perpetrator and the society as a whole. It has serious consequences on women's mental and physical health, including their reproductive and sexual health. These include injuries, gynaecological problems, temporary or permanent disabilities, depression and suicide amongst others.

Every family is different. But many families face similar issues. Relationship problems can arise at various stages of our lives. Keeping relationships on track is not always easy. Having a shaky moment does not mean the relationship is in trouble but it may be a sign that one could do with some help. Family counselling can guide and support couples to meet the challenges of life. Family counselling can help maintain valued family relationships even after separation. At this time, parents need to focus on what is best for their children. Children will have feelings and emotions that they may not be able to understand or deal with.

Human relationship education during the school years that provides skills in communication, problem solving and conflict resolution, and which encourages self-esteem, may also prepare young people for mature relationships as partners, parents and community members. Since relationships are dynamic and family circumstances alter over the life course (birth of a child, dealing with teenagers, a change in employment, illness of a family member), couples may benefit more from ongoing opportunities for a range of education and counselling options across the different stages of marriage and family life along with premarital education sessions. A range of programs and services can be made available to develop understanding and skills in interpersonal relationship and parenting competence. By setting up a school for addressing family health counselling in all its dimensions will benefit the society by developing strategies to prevent family disruption in our country.

Objectives

1. To evaluate the latest National Family Health Survey result trends for the State and districts (if available) and chalk out feasible research strategies to address the most relevant issues
2. To understand the burden and aetiology of problems in the family set up and develop counselling facilities for addressing family problems
3. To study feasible intervention strategies within the family context so as to enable the Government to make modifications in various programs
4. To collaborate with local community based organisations and government services in strengthening the institution of family by capacity building of grass-root level care givers.
5. To develop supportive services in parenting and child care issues.

6. To assess the risk factors in family breakdown and to develop strategies to manage the process of divorce/separation in the best interest of children.
7. To develop Specialised Family Violence Services which aim to assist vulnerable families

During the year Certificate Programme in Family Health Care for faculty members belonging to various systems and streams of medicine have been conducted.

IT BRANCH

IT Branch

The activities of IT section during the year can be broadly categorised into -

- Examination related
- Finance related
- University suite related and
- Others

1. Examination System

i. Development in Pre Examination Module

- Implemented Optional Subject detail entry System from college for B. Pharm Course
- Implemented Photo Affixed Admit Card including Date of Birth.
- Implemented Debar System Implemented as per G C.
- Revamped Examination Registration Software.
- End Semester Mark entry System implemented for Pharmacy Courses.
- Scheme wise Registration Reports to all Courses.
- Developed a Module for verification of fee for all Courses.
- Module for examination registration on special permission Implemented.
- A new Module for M. Pharm Speciality wise registration Count for Examination Section.
- New module for Submitting Final thesis- Integrated with Synopsis.
- Developed DD Verification Module.

ii. Modification in Pre Examination Module

- Modified Examination/Dissertation registration Report to Examination Section.
- Modified Practical Code to avoid duplication of data during network failure.
- Modified Faculty Section Report – Separate Internal/External Examiner list.
- Modified Performa for Examiners for Medical PG Courses.
- Modified Practical Report for subjects having Combined QP.
- 421 Tapals Processed during this period.
- 67 Court Order Processed.
- 2 RTI Processed.

iii. Development of Examination Store module

- Development of “Examination store Inventory” completed
 - o Implemented in University and affiliated Colleges
 - o Full-fledged implementation running successfully
- Telephonic and Email Support to help college Admins

- Modifications and new Features are made as per the requirement from University Examination Store.
- 67 help requests/errors from colleges addressed and solved.
- Completed preliminary documentations of all modules.
- New module to view dispatch details in university user login completed.

iv. Examination Software Ver.2.0

- Database Design Completed.
- User Interface Completed.
- Basic Settings Completed.
- Notification Module completed.
- Module for setting Time table completed.
- Module for allotting exam centre completed.
- Module for Attendance completed.
- Module for Internal Assessment completed.
- Module for Special permission completed.
- Module for Student login completed.
- Module for Student registration completed.
- Module for Online payment (students & colleges) completed.
- Module for Report generation (Attendance, Internal assessment) completed.

v. On Line Exam registration / Practical Exam Count

SLNo	Course	Speciality	Count of Exam
1	PG Medical	MD Degree in Anaesthesiology	7
2		MD Degree in Anatomy	4

vi. Development in Post Examination Module

- Duty Certificate
- Chairperson report
- Confidential Part1 entry system
- Generation of subject wise toppers of UG examinations.
- Attempt Certificate for MBBS
- Attempt Details of Students
- Stock register in evaluation sorting section.
- Invigilators report for sorting section
- Semester based - B Pharm & M Pharm results preparation, tabulation register and provisional mark statement generation.
- Consolidated tabulation register for various courses developed.
- Documentation of Post Examination System.
- Conducted Training to IT persons in all affiliated colleges and KUHS staff.
- Result withheld and release module.
- Student Debar module
- MPH – tabulation register and provisional mark statement generation.

vii. Modification in Post Examination Module

- Time table report modified.
- Modification in Various tabulation registers.
- Modification in Tabulation Registers M. Pharm (Semester).
- 425 tickets processed.
- 596 tapals processed.

viii. Certificates and Marklists

- Mark lists issued for all UG and PG Examinations
- Provisional certificates Generated – 16477 Nos
- Degree certificates Generated – 16500 Nos
- Designed and developed modules of the web application 'E-Verification of Certificates' for the genuineness verification of certificates issued by KUHS.

ix. List of results published

The following are the details of results published during the year:

UG Course	No. of Results Published	PG Course	No. of Results Published
MBBS	60	PG Degree	98
BDS	54	PG Diploma	38
BHMS	37	MDS	28
B.Sc Nursing	48	PG Ayurveda	50
Post Basic B.Sc. Nursing	15	M Sc Nursing	69

x. List of Retotal processed and published

The following are the details of retotaling of the results processed and published:

UG Course	No. of Retotal Results Published	PG Course	No. of Retotal Results Published
MBBS	53	PG Degree	68
BDS	45	PG Diploma	22
BHMS	18	MDS	27
Bsc Nursing	42	PG Ayurveda	21
Post Basic B.Sc. Nursing	13	M. Sc Nursing	45
B Pharm	44	M Pharm	19
BAMS	38	Pharm D	18
B Sc MLT	42	MHA	7
BPT	30	MPT	1
B Sc Optometry	13		
B. Sc.MRT	7		

2. Finance related

a. Modification & Maintenance

i. Exam Finance

- Personal Register for exam finance
- CV camp Software Modification-Tax calculation on approval
- Evaluation Guideline (EG) Modification-Tax calculation on approval
- Meeting- Tax Introduced

ii.Finance

- Budget Head Integration in Finance Module
- KUHS employees PF Management & Credit Card System.
- Major Reports format changes Eg: cashbook etc.

3. University Suite

3a. Academic/Administration related

3.a(i)Modification & Maintenance

- Student Registration for PHD Courses
- Showing All files always in the Registrar's Login
- File notes display last 10 notes only
- Display the file received date in my files
- Quick Student Check View
- CBS Tapal regeneration
- Remark mandatory for affiliation calendar
- Verification status view option for principals
- Student ID Card download interface changed
- Made File notes entry mandatory

3.a(ii) New developments

- DCB Reports for Student Registration and affiliation fees.
- Feature of All tapals to SO.
- Adding new fields in Student registration
- File View to LFA
- Option to add RTGS fee in COA
- Additional intake merge with normal intake at the time of porting
- FEP Unique Id generation

- Malayalam fonts in template documents
- Added sticky remarks in my files
- Student Convocation Willingness module
- Examiners and Evaluators list from FEP
- Verification Status to Students Via E-mail & SMS

3.b Others

Digital Evaluation

- Designed and developed digital evaluation system.
- All suggestions from evaluators have been implemented.
- Digital evaluation of 7 examination completed and result published.
- 8602 answer books evaluated.

PhD Registration Portal

- Developed a portal for registration for PhD.

AISHE

- Supported colleges for AISHE Online Data Submission.

4. Major Hardware Assets added during the Year: -

- 2 Scanners (Fujitsu SP1425) on 10-07-18 of value 1, 28,000/-.
- A Scanner (Fujitsu SV 600) on 10-07-18 of value 65, 000/-.
- 6 Projectors (Panasonic PTLW373) on 10-07-18 of value 4, 17, 000/-.
- 20 High-end Desktops (Dell Optiplex 5055) on 15-05-18 of value 9, 58, 980/-.
- 80 Medium-end Desktops (HP 280 G3 MT) on 15-05-18 of value 30, 82,640/-.
- 7 Laptops (Lenovo V 310) on 15-05-18 of value 2, 33,114/-.
- 2 Firewall (Fortigate 500E box with Bundle Renewal) on 14-03-19 of value 30, 44,400/-.
- 1 A3 Scanner (HP N9120) on 22-03-19 of value 2, 46,620/-.
- A Scanner (Fujitsu SP1425) on 14-03-19 of value 51,517/-.

ENGINEERING BRANCH

I. Details of staff and duties

A. University Engineer

He is the head of the Engineering wing of the University. He is responsible for the implementation of all infrastructural development works of the university, including checking of plan and estimates, checking of tender documents, site supervision, checking of work bills etc. and all related matters, including liaisoning with the accredited implementing agencies.

B. Site Engineer (Civil)

He is responsible for the preparation of plan and estimates, tender documents, site supervision, preparation of work bills etc. and all related matters connected with the civil works executed by the university. Also functions as the Estate Officer of the university. The estate Officer is responsible to arrange to carry out petty repairs to the building, upkeep of garden and lawns using daily waged labourers, to ensure proper supply of water and power etc.

C. Site Engineer (Electrical)

Responsible for the preparation of plan and estimates, tender documents, site supervision, preparation of work bills etc. and all related matters connected with the electrical works executed by the university and maintenance of HVAC systems, Elevator, generator and fire fighting installations in the University.

D. Assistant

Custodian of files. Also handles the permanent advance amount and temporary advance sanctioned for petty works.

II. Details of Infrastructure works during the year.

New infrastructure projects taken up during 2018-19

A. Construction of Staff quarters Type-III and in Type-II in KUHS Campus, Thrissur

Since it is very difficult to get rental family accommodation near the KUHS campus at Mulamkunnathukavu the employees of the university, majority of them non localites are put to untold sufferings. At present we have a Type –III staff quarters block which can accommodate six families and one block of Type-II quarters of the same capacity. Considering the persistent demand for more staff quarters, it was decided to construct one block of Type-III Quarters and Type-II quarters, each housing six units utilising the budget allocation for the year 2018-19. The Government accorded Administrative sanction for the project for an amount of Rs.423 lakhs. KPWD is the implementing agency and the execution will commence after the funds for the project is released by the Govt, and deposited with the KPWD.

B. of Sewage Treatment plants in the KUHS Campus, Thrissur

The KUHS has its main campus located in the land allotted by the Government in the Medical college campus at Mulamkunnathukavu, Thrissur. The main building, Valuation centre, Utility building, and staff quarters are located in this campus. All these buildings are provided with independent septic tanks and soak pits. But the soil in this area consists of impermeable hard laterite and hence the effluents from the septic tanks are not absorbed by the soak pits and are overflowing, resulting in the collection of waste water in the soak pit area. This is highly unhygienic and is posing health hazards. The only solution is to establish Treatment plants for treating the Sewage.

It was proposed to establish two sewage treatment plants, one with a capacity of 30 CMD for the Administrative block and another of 70 CMD for the valuation centre and the Utility block, adopting Moving Bed Bio Reactor (MBBR) technology. The total project cost comes to Rs.75 lakhs. The Government accorded Administrative sanction for the project for an amount of Rs.75 lakhs. The CPWD is the implementing agency and the execution will commence after the project cost is released by the Govt, and deposited with the CPWD.

C. Construction of Building for School of Research in Ayurveda at Thripunithura-Phase-III

Ayurveda is the most ancient system of Medicine, and it flourished in India as the most effective system of treatment. For Ayurveda to be promoted as a source of health care, it is crucial to promote efforts to identify the safest and most effective therapy and their rationale use. This necessitates intensive research in all fields of Ayurveda ie. Fundamental research, drug research, pharmaceutical research and clinical research. To achieve this objective, KUHS decided to establish a school of research in Ayurveda and to create the required infrastructure in the land allotted by the Government at Thripunithura.

The building for the school is designed as a nine storied building (G+8) with a total plinth area of 10994 m². Government accorded Administrative sanction for constructing two floors of the building as Phase-I vide G.O (Rt) No.3466/2015/H&FWD dated 20-10-2015 for an amount of Rs.746 lakhs and vide G.O (Rt) No.3233/2017/H&FWD dated 15-11-2017 accorded Administrative sanction for the construction of Phase-II for an amount of Rs.1360 lakhs. Under Phase-II, it is proposed to take up the construction of structural work of remaining floors (second to ninth) including the brick masonry walls and it's plastering. The execution of the work is in progress.

Even if the construction of the Phase-II of the building is completed it can not be put to use and the investment made will remain infructuous. Hence it was decided to take up the execution of the Phase-III of the project utilising the allotment provided in the state budget for the year 2018-19 as grant in aid. The provisions included Phase-III is for carrying out the balance civil works, sanitary and water supply works, electrification, construction of septic tank, overhead water tank etc. to make the entire building occupational.

The Government accorded Administrative sanction for the project for an amount of Rs.462 lakhs. M/s FIT is the implementing agency and the execution will commence after the structural work under Phase-II is completed.

D. Additional civil works in Admin building-The works included new partition works in Ground floor, 2nd, 3rd, 4th and 5th floors, construction of toilets in 2nd floor, guest room in ground floor etc. at an estimated cost of Rs.44.75 lakhs.

E. Extension of HVAC System in Admin Block-Air conditioning facility was extended to additional rooms in 6th, 4th and 3rd floor of the admin building.

F. Construction of arch- A work was arranged to construct a Concrete Arch across the panchayat road leading to the University campus at an estimated cost of Rs.4 lakhs.

III.Details of Works Completed

A. Construction of Mezzanine floor in the Administrative block and improving the ventilation system in the administrative block.

The project is intended to construct mezzanine floors in the wings of the Administrative Block, to provide additional storage space. For providing adequate ventilation in the third and fourth floor, it was decided to install ventilating fan in the central atrium. The project cost is Rs.53 lakhs. Administrative Sanction was accorded by the Govt. utilising the budget allocation for the year 2016-17. The project was completed by the end of June 2018.

B. Additional civil works in Admin building costing Rs.44.75 lakhs was completed in this year. The works included new partition works in Ground floor, 2nd, 3rd, 4th and 5th floors, construction of toilets in 2nd floor, guest room in ground floor etc.

C. Extension of HVAC System in Admin block-Air conditioning system was extended in 3rd, 4th and 6th floor at cost of Rs.11 lakhs

D. Staff Quarters-Type-II

The construction of a block of Type-II Quarters housing six units, costing Rs.191 lakhs. It was completed by KPWD 2018-19.

IV.Works in Progress

A. Construction of Building for School of Research in Ayurveda at Thripunithura-Phase-II

Ayurveda is the most ancient system of medicine, and it flourished in India as the most effective system of treatment. For Ayurveda to be promoted as a source of health care, it is crucial to promote efforts to identify the safest and most effective therapy and their rationale use. This necessitates intensive research in all fields of Ayurveda ie. Fundamental research, drug research,

pharmaceutical research and clinical research. To achieve this objective, KUHS decided to establish a school of research in Thrippunithura.

KUHS entrusted the planning, design and execution of the project with M/s FIT, Aluva. M/s FIT appointed M/s Pithavadian & Partners, Chennai as their consultants. The building is designed as a nine storied building (G+8) with a total plinth area of 10994 m².

Government accorded Administrative sanction for constructing two floors of the building as initial phase vide G.O (Rt) No.3466/2015/H&FWD dated 20-10-2015 for an amount of Rs.746 lakhs. The execution of the work is completed. For making the building functional the balance works are also to be arranged

Hence it was proposed to take up the execution of the Phase-II of the project utilising the allotment provided in the state budget for 2017-18 as grant in aid. Under Phase-II, it is proposed to take up the construction of structural work of remaining floors (second to ninth) and to construct the brick masonry walls and its plastering. The project cost is Rs. 1360 Lakhs. Government accorded Administrative sanction for the project. M/s FIT, Aluva is the consultant and the execution of the work is in progress and about 30% of the works is completed.

B. Establishment of Solar power plant.

Government accorded Administrative sanction for establishing 250KWp solar power plant at a cost of Rs.161 lakhs and we had entrusted its execution with the M/s KSEBL. The work was tendered by M/s KSEBL and they had awarded the execution to M/s KELTRON and agreement was executed in September 2019. The work is to be completed by the end of March, 2020 as per the agreement.

C. Academic Complex, KUHS Campus, Thrissur

KUHS has decided to establish academic staff college in the main campus at Thrissur and has also established eight centres for felicitating higher studies and research in various fields of medicine. It is decided to construct a building to accommodate the staff college and the eight centres.

CPWD was entrusted with the creation of the required building including preparation of plan and its execution. Accordingly, they had prepared the design of a six storied building having a plinth area of 9689 m² incorporating all the requirements. The estimated cost of the building including cost of furniture is Rs.45 crores. University's own funds is being used for the construction. Govt. has accorded Administrative sanction for the work for an amount of Rs.45 crores. The construction of the building is in progress.

D. The construction of building for the Utility Centre

A new building to accommodate the bank, post office, canteen, student's union office, a mini conference hall, dining space for staff and two guest rooms, etc. with a total plinth area of 1945 m² is being constructed in the campus. The building with an estimated cost of Rs.856 lakhs is being constructed utilising the Grant in aid provided by the State Government. CPWD is the implementing agency. The work is expected to be completed by the end of May 2019.

E. Construction of Building for School of Family Health studies at Kozhikode

The KUHS has decided to set up a school of Family Health studies at Kozhikode for addressing family health in all its dimensions by developing strategies to promote family as the most important social unit for human survival and development. The school is expected to adequately address the family health issues of the society and will also facilitate developing comprehensive service models in improving health of individuals, families and communities by working together to understand, teach, counsel and lead the whole community for healthy living and lifestyles.

The required land for constructing a building for the school was allotted in the Govt. Medical College campus, Kozhikode by the Govt. and the Government also accorded Administrative Sanction for constructing the building for an amount of Rs.714.37 lakhs. The execution is entrusted with KPWD and the work is in progress.

V. Future programmes

A. Construction of Building for School of Health Policy and Planning at Thiruvananthapuram -Phase-II

The KUHS has decided to set up a school of Health Policy and Planning studies at Thiruvananthapuram with the intension of creating a health data base and for starting initiatives for bringing out a sound health policy and to achieve excellence in delivery of quality health services. The school is expected to strengthen capacity building for improved health policy planning, advocacy and governance. The school is expected to facilitate sound health care practices and policies by enabling all stakeholders in health care delivery to make informed decisions by synthesizing and interpreting available evidence and by carrying out new research efforts to fill in gaps in existing knowledge.

Accordingly, the Governing Council vide item No.26.08 resolved to construct a building for the school of Health Policy and Planning studies at Thiruvananthapuram. Government vide order No.G.O(MS)NO.46/2015/H&FWD dated 10-03-2015 allotted 15 cents of land in the Govt. Women & Children Hospital campus at Thiruvananthapuram for setting up the school. The execution of the project is entrusted with the CPWD. A three storied building with a total plinth area of 1917m² was designed to suite the provided land and the Government vide order No.2692/2017/H&FWD dated 28-09-2017 has accorded Administrative sanction for the work for an amount of Rs.650 lakhs. Later the Government vide order No.G.O(Rt)NO.211/2018/H&FWD dated 19-01-2018 allotted land in the Govt. Medical College campus at Thiruvananthapuram for setting up the school in lieu of the earlier

allotted land in Govt. Women & Children Hospital campus at Thiruvananthapuram, with a condition that 5000 sq ft of built up area in the building to be constructed is to be provided for the recreation of the medical teachers.

The original design was thus modified to suite the new land and incorporating the area to be allotted to medical teachers and also considering the future expansion and now it is proposed to construct a three storied building with a cellar floor having a total plinth area of 3145.54m², with RCC Framed structure and brick filler walls. In the cellar floor, space is provided for vehicle parking, electrical room, lobby etc, recreation area for medical teachers, multi purpose hall and lobby in the ground floor, guest rooms and evaluation halls in the first floor and office rooms and conference hall in the second floor.

The Government vide order No.2692/2017/H&FWD dated 28-09-2017 has accorded Administrative sanction for the work for an amount of Rs.650 lakhs utilising the allocation provided in the state budget for the year 2017-18 as Grant in aid to the university. This amount is sufficient only for constructing the cellar floor, the land development works, and the retaining. For the construction of the remaining portion of the building, an estimate amounting to Rs.1000 lakhs is prepared and the Govt. accorded Administrative Sanction for the project utilising the allocation provided in the state budget for the year 2019-20.

CPWD is the implementing agency.

B. Construction of Dormitory type accommodation in the campus of Kerala University of Health Sciences, Thrissur

There is persistent demand from the staff for providing additional accommodation facilities in the campus. Considering this demand, it is decided to construct a new building to provide bachelor type accommodation.

It is decided to construct a two storied building with a total plinth area of 500 m² with RCC Framed structure and brick filler walls. Each unit will have a drawing room, a bedroom, a toilet and a work area. Each floor will house eight units. A total of sixteen units is proposed to be included in the building. An estimate amounting to Rs.320 lakhs was prepared and the Govt. accorded Administrative Sanction for the project utilising the allocation provided in the state budget for the year 2019-20.

KPWD is the implementing agency and the execution will commence after the project cost is released by the Govt, and deposited with the KPWD.

C. Construction of a Sewage Treatment plant attached to staff quarters in the KUHS Campus, Thrissur.

The KUHS has its main campus located in the land allotted by the Government in the Medical college campus at Mulamkunnathukavu, Thrissur. The main building, Valuation centre and staff quarters are located in this campus. The construction of utility building in the campus is nearing

completion. All these buildings are provided with independent septic tanks and soak pits. But the soil in this area consists of impermeable hard laterite and hence the effluents from the septic tanks are not absorbed by the soak pits and are overflowing, resulting in the collection of waste water in the soak pit area. This is highly unhygienic and is posing health hazards. Only solution is to establish Treatment plants for treating the Sewage.

There are two staff quarters blocks, one each of Type-II and Type-III at present in the campus. Government has already accorded Administrative sanction for constructing two more blocks. Another building for providing bachelor type accommodation is also planned. Considering the present and the immediate future requirements, it was proposed to establish a sewage treatment plants of capacity 100 KLD attached to staff quarters in the KUHS Campus, Thrissur.

It is proposed to adopt Moving Bed Bio Reactor(MBBR) technology for the Sewage Treatment plants. The total project cost and is Rs.80 lakhs.

CPWD is the implementing agency and the execution will commence after the project cost is released by the Govt, and deposited with the CPWD

VI. Construction of an Auditorium

It is decided to construct an auditorium of capacity 4260 seat in the campus utilising the savings amount from the Construction of the Utility Building and the construction of the academic block building. CPWD is selected as the implementing agency and the construction is expected to commence in the year 2020-21.
