

KERALA UNIVERSITY OF HEALTH SCIENCES

Annual Report for 2011-12

MARCHING FORWARD.....

The Kerala University of Health Sciences was established in December 2009 for the purpose of ensuring proper and systematic instruction, teaching, training and research exclusively in Modern Medicine, Homoeopathy and Indian Systems of medicine including Ayurveda, Siddha, Yoga, Naturopathy, Unani and other Allied Sciences in the state of Kerala and to have uniformity in the various academic programmes in medical and allied subjects in the state and to provide for matters connected therewith or incidental thereto.

The University established with the intention of bringing the entire health and allied institutions in the state under one umbrella was in an infant stage during the Year 2011-12.

MILESTONES

- 24th day of January 2011 is observed as the foundation day of the university.
- The first vice chancellor of the university took charge on 18th December 2009.
- The first Governing council of the University was constituted on 23rd April 2010.
- Other statutory bodies like Finance committee, The Board of studies, etc. were constituted by November of the same year.
- Constitution of Monitoring cell on ragging was one of other major achievements.
- Having started its venture with 189 affiliated colleges with a strength of students, it has made an enviable leap to have affiliated colleges with 12500 ambitious students during the year 2011-12. Even with an acute shortage of staff and necessary infrastructure the University was able to cope up with the challenges.

MISSION

- Impart high standard of quality to Medical and allied education branches by stream lining the entire academic system by novel and systematic approach
- To establish Schools of research and to play a pivotal role in attracting the enthusiastic students to research works.
- To advance and disseminate learning and knowledge in health sciences and allied fields by fostering and promoting medical research;
- To design new courses and curricula based on the advances in the field of health science
- To regulate the academic standards of the affiliated colleges or institutions
- To promote preventive curative and rehabilitative aspects of health
- To organize programs to tackle health problems of the society
- To give leadership to the medical human resource development in the state

- To give leadership to the health planning and health policy formulation for the state
- To give thrust to epidemiological studies, monitoring and surveillance system of the diseases prevalent in the state
- To act as the nodal agency for linkage with other national and international institutions
- To develop a platform for the dialogue between different systems of health care
- To explore the possibilities of joint research programs and integration between different systems of medicine
- To promote equitable distribution of facilities for education in health and allied sciences
- To promote acquisition of knowledge in a rapidly developing and changing society and to continually offer opportunities for upgrading knowledge and imparting training and development of skills in the context of innovations, research and discovery in all fields of human endeavor by establishing educational network related to health sciences with use of modern communication media and technologies appropriate for a learning society
- To give more thrust for the development of Indian systems of medicine and all its branches by encouraging research and other academic activities in the related areas.

VISION

- To improve health and maximize quality of life through education and research.
- To bring about possible changes by relentlessly transforming expertise, learning and discovery into unrivalled care.
- As the states leader in advanced health care improve by interdisciplinary team work, co-ordination and accountability across the state and to generate the performance and resources that fuel the rising trajectory of our reputation.
- Focusing more on quality health status of communities by providing replicable models and approaches for the medical field.
- Foster and support a vibrant health science learning community in the rapidly changing world, where health care is being reformed and revolutionized look forward to ensure that our students are responsible and amenable to the emerging trends in health care.
- To be the pioneers in educational developments and research.

PIONEERS OF THE UNIVERSITY

Chancellor and Pro chancellor

During the period under Report, his Excellency Sri M.OH Farooq, Honourable Governor of Kerala adorned the post of Chancellor and the Honourable Minister for Health and Coir, Government of Kerala was the Pro chancellor of the university.

Vice chancellor

Dr k. Mohandas, former Director of Sri Chithra Thirunal Institute for Medical sciences and Technology assumed the office of Vice Chancellor on 18.12.2009

Pro vice chancellor

Dr. C. Retnakaran, former Director Ayurvedic Medicine

Registrar

Rd. V. Pie, Varghese an eminent educationist who formerly occupied the post of Principal, Government Dental College Kozhikode was a good choice to the post and played a pivotal role in the tough times.

Controller of Examinations

Dr.P.K.Sudhir was another gift to the university and proved to the hilt that he was a right choice to the post. By his enthusiastic way of approach and positiveness he has laid a good foundation to the functioning of the university.

Finance officer

Sri G. Gopakumar, an expert in the field hails from the office of the Accountant general and has enviously co-ordinated the functioning of the entire system by his valuable remarks and suggestions. Amidst several limitations he miraculously succeeded in bringing about a systematic financial network.

ACTIVITIES OF THE UNIVERSITY

AT A GLANCE

Finance section

Effecting payments of salary, and other miscellaneous payments, maintaining cash books and preparing reconciliation statement and preparation of annual accounts are the major functions. Also has undertaken the fixation of remuneration rates and framing of rules for various payments including examination related duties. Remarkable achievement was made by this section by making spot payments of TA, Remuneration and special camp allowances to Evaluators on the date of release from the Centralised Valuation camp.

. Grants received from the Govt for this financial year towards infrastructure development is to the tune of Rs 5,00,00,000 and to meet salary and office contingencies and non salary expenses are Rs 1,50,00,000 each. Total receipts comes to the tune of Rs 27,06,66,279 and expenditure comes to the tune of Rs 1,01,09,31,042 during this period.

Exam Section

Two examinations were conducted in the medical branch, four in the Dental branch, six in the Ayurveda branch, one in the Homoeo branch, three in

the Nursing branch, four in the pharmacy branch, eleven in the paramedical branch during this period and fifteen results were published. Examination Committees were constituted and their meetings were also duly convened to ensure smooth and fair conduct of examinations.

Evaluation section conducted evaluation of answer books of 31 examinations during the year. Malpractices and Lapses Enquiry Committee held two meetings in which strict directions were given to the concerned. Two meetings of Board of Examinations were conducted during the period.

Project and works With only two staff in hand remarkable work was done by this section. Contract for the construction of the administrative building was entered into and it was decided to provide a peripheral road to the Administrative office and construction of paper store was entrusted to pwd and several works were undertaken to improve and modify the camp office.

Information technology Computerisation activities started in the beginning of 2011. Software was developed for question paper transmission and for collecting internal assessment marks, attendance and registration details from colleges. Exam results were also prepared using computers.

Academic section Board of studies were constituted in each and every branch and altogether 41 meetings were conducted. Academic Council was also constituted during this period and its first meeting was convened on 27/7/2011. Governing council met four times during the period.

Dean –Research First RDIK starter programme was organised in the month of February 2012 and trainings were organised for Post Graduate Students in Various streams on Research methodology. A study of the health care related complaints received in a public sector medical college in South was published in the Journal of academy of Hospital Administration.

Dean –student Affairs

In the month of February 2012 a literary Fest and dance fest was organised for the first time in the history of the university with utmost pomp and

enthusiasm. orientation programmes for post graduate Ayurveda, homeo and dental students were organised by this wing.
