FOREWORD

Prof. (Dr). Mohanan Kunnummal
Vice Chancellor

I am delighted to present the Annual Report for the year 2022 - 23, available in both conventional and digital formats, aligning with the contemporary shift towards digitalisation. This report highlights numerous noteworthy academic achievements during the reporting period.

Kerala University of Health Sciences which was established in December 2009 and governed by the Kerala University of Health Sciences Act 2010, plays a pivotal role in overseeing training across Modern Medicine, Dental, Ayush, and Paramedical courses throughout Kerala. As the main provider of medical education in the state, the University has maintained high academic standards. The University has awarded degrees to 1,22,776 students through 16 convocations. Pioneering a "pledge against dowry" at all its affiliated Colleges, KUHS set a groundbreaking precedent.

Despite the challenges posed by the pandemic, the University adhered to its examination calendar, ensuring timely results. Academic initiatives and collaborative research activities, continued without compromise. With the support of the Government of Kerala, a Translational Health Sciences' Research Centre is being established, to consolidate the University's research activities.

On the administrative front, the Government's approval of non-teaching posts has alleviated staff shortages to an extent. The University's dedication to research and academic

excellence persisted, thanks to the unwavering support of the Governing Council, Senate, Academic Council, and other bodies. Gratitude is extended to my colleagues, including the Pro Vice Chancellor, Registrar, Controller of Examinations, Finance Officer, and the broader University community, for their wholehearted commitment to advancing the Kerala University of Health Sciences' mission.

INTRODUCTION

The Kerala University of Health Sciences, established under the Kerala University of Health Sciences Act 2010, is dedicated to upholding exemplary academic standards and the quality of health sciences education. The university's mission is to ensure systematic instruction, teaching, training, and research in both modern and Indian systems of medicine. As of March 2023, it affiliates 331 colleges across various disciplines and branches of health sciences.

Objectives:

- Design innovative courses and curriculum aligned with advancements in health sciences.
- Regulate standards of affiliated colleges and institutions.
- Organize programs addressing societal health issues.
- Provide leadership in medical human resource development and state health planning.
- Emphasize epidemiological studies, disease monitoring, and surveillance systems.
- Facilitate dialogue between different healthcare systems.
- Foster joint research programs and integration between diverse medical systems.
- Promote equitable distribution of educational facilities in health and allied sciences.
- Establish an educational network using modern communication media for continuous knowledge upgrading.

Vision

The university aspires to create a distinctive learning environment capable of meeting challenges in Kerala's healthcare sector. It aims to educate students on ethics and values, developing professionals rooted in both scientific excellence and ancient wisdom. Through research, incorporation of traditional knowledge, and engagement with societies, the university seeks to enhance healthcare practices, addressing local and regional health issues.

Mission

The mission of the University is to produce healthcare professionals and biomedical knowledge within a humanistic tradition. This endeavor focuses on extending the quality of life in communities for present and future generations. The university is committed to delivering high quality education, encouraging research, and fostering stakeholder participation and community engagement. This involves maintaining an efficient and transparent administrative mechanism responsive to the diverse needs of stakeholders, including students, parents, staff, affiliated colleges, and the public. Additionally, the university actively promotes community involvement through health awareness and promotion programs.

SECTION 1 : AUTHORITIES AND BODIES

Chancellor

Shri. Arif Mohammed Khan

Hon. Governor of Kerala

Pro - Chancellor

Smt. Veena George

(Hon'ble Minister of Health & Family Welfare, Government of Kerala)

Officers of the University

Prof. (Dr). Mohanan Kunnummal

Hon. Vice-Chancellor

Pro- Vice Chancellor
Prof. (Dr.) C.P. Vijayan

Registrar
Prof. (Dr.) A. K. Manojkumar

Controller of Examinations
Prof. (Dr.) S. Anilkumar

Finance Officer
Sri. Rajesh. K. P.

Senate

The Senate is the statutory authority constituted to formulate the broad policies and programmes of the University and to suggest measures for improvement and development of the University. The Senate consists of Ex Officio members, nominated members and elected members.

Standing Committee Academic Council

The Standing Committee of the Academic Council consists of Hon. Vice Chancellor as Chairman and the Deans of faculties as members.

Sl.No	Name
1	Prof (Dr.) Mohanan Kunnummal,Vice Chancellor & Chairman
2	Prof (Dr.) C P Vijayan ,Pro Vice Chancellor.
3	Prof. Dr A K Manoj Kumar, Registrar & Secretary
4	Dr. Harikumaran Nair G S (Faculty of Medicine)
5	Dr. A Devadathan (Faculty of Dental Science)
6	Dr. Jayan. D (Faculty of Ayurveda, Siddha & Unani)
7	Dr. Krishnan P (Faculty of Homoeopathy)
8	Dr.Sujamol Scaria (Faculty of Nursing)
9	Dr. Rajasree R S (Faculty of Pharmaceutical Sciences)
10	Prof. Dr. S. Sankar (Faculty of Paramedical & Allied Health Sciences)

University Deans

Dean Research	Dr. Shaji K S	dean.research@kuhs.ac.in
Dean Student Affairs	Dr. Iqbal V M	dean.student.affairs@kuhs.ac.in
Dean Academic	Dr. Binoj R	dean.academic@kuhs.ac.in

Professor of University Schools

School of Public Health	Dr. Rajmohan	shpptvpm2016@kuhs.ac.in
School for Fundamental Research in Ayurveda	Dr. Anilkumar	sra@kuhs.ac.in
School for Family Health Studies	Dr. Geetha Govindaraj	professor.sfhs@kuhs.ac.in

Deans of Faculties

Allied Health Sciences	Dr. Sankar	dean.ahs@kuhs.ac.in
Ayurveda, Siddha, Unani	Dr. Jayan	dean.@kuhs.ac.in
Dental Sciences	Dr. Devadathan	dean.dental@kuhs.ac.in
Homeopathy	Dr. Krishnan	dean.homeo@kuhs.ac.in
Medicine	Dr. Harikumaran Nair	dean.medicine@kuhs.ac.in
Nursing	Dr. Sujamol Scaria	dean.nursing@kuhs.ac.in
Pharmaceutical Sciences	Dr. Rajasree	dean.pharmacy@kuhs.ac.in

Faculties

The faculties are the principal academic coordination authorities of the University in respect of studies and research on the subjects included in the faculty and in respect of studies and research on multi-disciplinary faculties.

Faculty of Medicine

Sl. No.	Name of the member	Address
1	Dr. Harikumar Nair G S	Prof. & HOD, Radio Diagnosis, Sree Gokulam Medical College & Research Foundation, Trivandrum
2	Dr. P J Babu	Professor & HOD, Dept. of Surgery, Govt. Medical College, Thrissur
3	Dr. Thomas Iype	Prof. & HOD, Neurology, Govt. Medical College, Trivandrum
4	Dr. V.V.Unnikrishnan	Prof, HOD of Physiology, Govt. Medical College, Thrissur
5	Dr. Reena John	Professor, Microbiology, Govt. Medical College, Thrissur
6	Dr. Sareena Gilvaz	Prof. & HOD, OBG, Jubilee Medical College, Thrissur
7	Dr. Chandni.R	Prof of Medicine, Govt. Medical College, Kozhikode
8	Dr. Viswanathan.K.V	Professor of Surgery, Govt. Medical College, Trivandrum
9	Dr. Cibu Mathew	HOD, Cardiology, Govt. Medical College, Thrissur
10	Dr. Sheeja Rajan T M	Addl.Prof, Plastic Surgery, Govt. Medical College, Kozhikode
11	Dr. Joy Augustine	Prof &, HOD Pathology, Amala Medical College, Thrissur
12	Dr. Biju Bahuleyan	Prof & HOD. Physiology, Jubilee Medical College, Thrissur
13	Dr. Tigy Thomas Jacob	Addl.Prof, Orthopaedics, Govt. Medical College, Manjeri
14	Dr. C. Amarnath	Prof and HOD Radiodiagnosis, Govt. Stanley Medical College, Chennai
15	Dr. K. Vijayakumar	Prof of Community Medicine, HAP India, Trivandrum

Faculty of Dental Sciences

Sl.No	Name of the member	Address
1	Dr. A Devadathan	Prof. & HoD of Conservative Dentistry, Pushpagiri College of Dental Sciences, Thiruvalla
2	Dr. Tinky Bose C	Prof. & HoD of Oral Medicinal Radiology, Govt. Dental College, Thiruvananthapuram
3	Dr. Elbe Peter	Addl. Prof of Orthodontics, Govt. Dental College, Kottayam
4	Dr. Muhammed Sagir	Prof. & HoD of Conservative Dentistry, Royal Dental College, Challissery
5	Dr.. Varghese Mani	Senior Oral and Maxillofacial Surgeon, Former Principal of Mar Baselios Dental College, Kothamangalam
6	Dr. K Rajkumar	Vice Principal and HoD of Oral Pathology, SRM Dental College, Bharathi Salai, , Chennai

Faculty of Ayurveda

Sl. No.	Name of the member	Address
1	Dr. Jayan. D	Professor, Dept. of Swasthavritta, Govt. Ayurveda College, Thiruvananthapuram
2	Dr. Maya Balakrishnan	Professor & Head, Dept. of Prasutitantra and Striroga, Govt. Ayurveda College, Tripunithura

SECTION 2 : REPORT ON ACTIVITIES OF THE UNIVERSITY

Administration Branch

Administration Branch

The Administration branch is the center of University administration and consists of the offices of the Vice Chancellor, Pro Vice Chancellor and the Registrar. Under their control the Administration Branch is further divided into Administration I and Administration II. Administration Branch I consists of Establishment, Planning and Development, Central Tapal, Reception, Security and Maintenance, Housekeeping and a Vehicles' section. Administration II consists of Purchase, Works, Stores, Accounts and Legal sections.

All establishment matters of staff including Appointments, Transfer and Posting, Promotions, Sanctioning of Leave, Inter University Transfer, Maintenance of Service Books, Salary, Pay revision, Provident Fund, Insurance, Medical reimbursement, allotment of Staff Quarters are attended to by the branch.

In branch also handles the following matters: RTI, RTS, Planning and Development, preparation of Annual Report, convening of Governing Council, Senate, and Planning Committee meetings, Delegation of powers, Reception & Public relations and Legal matters in connection with all the branches, purchases, Engineering works etc. are being looked into by the Administration branch.

University Registrar is the controlling officer of the branch, while the works department is under the supervision of the University Engineer; the Registrar is assisted by two Deputy Registrars and two Assistant Registrars. Six Section Officers are manning the eight sections of the branch with the support of 17 Assistants and three Computer Assistants, besides two Office Attendants.

During the period, the Government of Kerala sanctioned 28 posts of Assistant, 11 posts of Computer assistant, and 7 posts of Section officer to the university.

Staff strength in administration branch

Sl.no	Name of post	Section	Number
1	Clerical Assistant	Purchase	1
2	Assistant	Establishment	8
3		Planning & Development	2

4		Purchase	5
5		Works	2
6	Computer Assistant	Establishment	1
7		Accounts & Purchase	1

4. RTI Compliance

During the year 2022-23, the following were the authorities of the University who were entrusted with the work of RTI.

Dr. Manojkumar A.K, Registrar	First Appellate Authority Administration, Academic, Deans' Office, Schools & Works	0487 2207604 registrar@kuhs.ac.in
Dr. S. Anilkumar, Controller of Examinations	First Appellate Authority Examinations & IT Wings	0487 2207606 ce@kuhs.ac.in
Sri. Rajesh K.P, Finance Officer	First Appellate Authority Finance Wing	0487 2207608 fo@kuhs.ac.in
Sri. Mujeeb Rahiman K, Joint Registrar	State Public Information Officer, Academic I	0487 2207611
Sri. Santhosh P Deputy Registrar	State Public Information Officer, Academic II	0487 2207761
Smt. Shincy P.B, Deputy Registrar	State Public Information Officer, Administration Accounts, Legal & Works	0487 2207736

Sri. Krishnaprakash N.K, Assistant Registrar	State Public Information Officer, Administration Establishment, Tapal, Planning & Development	0487 2207718
Sri. Paul K. S, Assistant Registrar	State Public Information Officer, Administration Purchase	0487 2207758
Sri. Pradeep A, Assistant Registrar	State Public Information Officer, Dean (Academic, Student Affairs, Research)	0487 2207759
Dr. K. Rajamohanam, Professor	State Public Information Officer, School of Health Policy & Planning Studies, Thiruvananthapuram	0471 2330429
Dr. K.B. Sudhikumar, Professor	State Public Information Officer, School of Fundamental Research in Ayurveda, Thrippunithura	0484 2942950
Sri. Ramdas T, Joint Registrar	State Public Information Officer, Examination	0487 2207657
Sri. Harilal K, System Manager	State Public Information Officer, IT	0487 2207628
Sri. Anil P, Deputy Registrar	State Public Information Officer, General Finance	0487 2207637
Sri. Salim Parvis, Deputy Registrar	State Public Information Officer, Exam Finance	0487 2207702

Planning & Development branch

Plan Achievements

The main function of the planning section is to obtain sanctions of funds under plan and utilization for the development of academic, administrative, research, and infrastructure development of the university. An amount of Rs.12 Crore was earmarked as financial assistance for the year 2022 23 for the University as Grant in Aid under the Head of account 2210 05 001 93(P). Subsequently, the university submitted 5 project proposals seeking administrative sanction. Out of this, the Departmental Working Group accorded administrative sanction for 3 Plan proposals amounting to Rs.10.5 Crore as mentioned below:

1. Construction of Solar Power Units at different locations on KUHS Campus Phase II
Construction of compound wall in KUHS, Thrissur
2. Construction of new building for School of Fundamental Research in Ayurveda at
Thrippunithura Phase IV
3. Construction of pond for KUHS campus, Thrissur

Out of the Rs.12 Crore, Govt. sanctioned only Rs.1, 12, 50, 000/ and the resumed amount of Rs.2, 23, 82, 700/ the university utilized Rs.62, 86, 387/ in the FY 2022 23.

The Planning and Development section is entrusted with the work of convening Governing Council meetings, Planning Committee meetings and preparation of Statutes of the University. During the FY 2022 23 the section conducted 6 Governing Council meetings. The University is in the process of modifying its existing Statutes. First round of meetings regarding the same has been completed.

The section has prepared the University's Annual Report 2021 22 and the same was approved by the Governing Council on 25th February 2023 and Senate on 4th March 2023.

Legal Section

The section handles the legal matters of all branches of the University and always keeps a liaison with the Standing Counsel to make available the legal advice sought by various sections on matters having legal issues.

In 2022 23 (FY), a total of 263 cases were contested before the Hon'ble High Court of Kerala in which the University was arrayed as a party, out of which 199 cases were disposed of. Similarly, before the Hon'ble Supreme Court of India, 4 cases were contested in which University was arrayed as a party and out of which 2 cases were disposed of. Most of the cases dealt with by the section are filed as Writ Petition(Civil) in the Hon'ble High Court of Kerala, or as Special Leave Petition(Civil) in the Hon'ble Supreme Court of India, however, occasionally cases pending in various Tribunals such as Customs Excise and Service Tax Appellate Tribunal(CESTAT), Kerala Administrative Tribunal, Motor Accidents & Claims Tribunal and in various Lower Courts are also managed by the section. Very rarely cases from the Human Rights Commission, Women's Commission, and LOKAYUKTHA also come up. The suit register is well maintained and keeps updating by incorporating the latest developments in the court pending cases.

As we take a strict legal stand and have a clear view and discipline in actions, we get favourable judgments from the Court almost in all cases where University is arraying as a party. All court orders and interim orders were complied with and so far no contempt proceedings were initiated by the court against the University. Audit Enquiry related to this section were sorted out. No application under the RTI Act, 2005 was received in the legal sections during the year 2022 2023.

Academic Branch

Academic Branch

Brief Description of the Branch

The Academic Branch of the University is playing a vital role in various academic activities of the University such as affiliation, student registration, preparation of course regulations/syllabus/minimum standard requirements, starting of new courses, approval of appointment/promotions of teachers at aided colleges affiliated to KUHS, conduct of Academic Council and other academic bodies of University. It also plays an important part in preparation of norms/regulations/ordinances as prescribed in the Act / Statute of academic nature. Moreover, the branch deals with issuance of various certificates such as eligibility, equivalence, migration etc. The service of the Academic Branch to students also includes issue of Transcript, condonation of Break of study, college transfer and Transfer of Compulsory Internship.

The Academic Branch is responsible for fixing various fees applicable to the institutions and services to the students for the Academic year.

Post	Sanctioned Posts	Present Strength	Remarks
Joint Registrar	1	1	
Deputy Registrar	1	1	
Assistant Registrar	2	2	
Section Officer	8	8	
Assistants	24	23	
Computer Assistants	4	4	
Office Attendants	2	2	One Office Attendant is on deputation and the other one is on daily wage basis
DEO	2	2	On contract basis
Total	44	43	

Activities of the Academic Branch

The main activities of the branch are as follows:

- Granting affiliation to colleges /courses.
- Matters related to Student Registration.
- Preparation of Statutes related to academic branch.
- Preparation of Regulation, Syllabus and Minimum Standard Requirement for courses, inspection proforma and scrutiny proforma.
- Matters related to Approval of appointment/Promotion of teachers of Aided colleges.
 - As per the Section 23 (xv) of the KUHS Act 2010, University has the power to approve the appointment of teachers in private and aided colleges coming under direct payment system.
- Matters related to issuance various Certificates.
 - Academic Branch issues the following certificates on request
 - Eligibility Certificates.
 - Equivalence Certificates.
 - Cancellation and Migration Certificates
 - Medium of Instruction Certificates
 - Translational Certificates
 - Affiliation Certificate
 - Transcript and Syllabus attestation
- Matters related to Faculty Enrolment Programme
 - FEP is a unique verification programme of KUHS for the faculties working under the affiliated colleges. Academic Branch Issues Unique FEP Number to a faculty after verification of his/her academic documents.
- Matters related to DCB/Furnishing replies to Audit Enquiry/Objections
- Academic branch deals with various fees related with the admission and affiliation which collectively exceed an amount above 25 crores each financial year. Maintenance of Demand Collection Balance statement and the time bound furnishing of replies to the Audit queries is done by the academic branch.
- Matters related to Reconstitution and conduction of meetings of the various Academic Bodies.

- Academic Branch is responsible for the timely re-constitution of the following Academic Bodies as per the KUHS Act 2010.
- Academic Council Highest Academic Body of the University. 75 members. 3 meetings are mandatory per year.
- 7 Faculties 13 members. At least 1 meeting per year is mandatory.
- 27 Board of Studies At least 1 meeting per year is mandatory.
- Conducting the Convocation Ceremony
- Matters related to College Transfer/ Condonation of Break of Studies/ CRI Transfer
 - Condonation of break of Study:
 - Transfer of Internship

Achievements of Academic Branch during 2022 2023

- KUHS has given affiliation to two new Nursing colleges under Govt. Sector, seven new Nursing Colleges under private sector and two new Para Medical Colleges under private sector. The Govt. Medical Colleges at Konni and Idukki, which were established earlier, started admission from this year onwards.
- Started 3 more M. Pharm Courses Viz M. Pharm in Industrial Pharmacy, M. Pharm in Pharmaceutical Regulatory Affairs, and M. Pharm in Pharmaceutical Quality Assurance. Also started 2 new PG Courses in paramedical Stream, viz MSc Audiology and MSc Speech and Language Pathology.

List of Colleges, Started During the 2022 23 Academic Year

1. KTCT College of Allied Health, Trivandrum (30 B.Sc MLT Seats)
2. St. Joseph College of Paramedical Sciences Kothamangalam ((30 B.Sc MLT Seats))
3. Leyamma Memorial College of Nursing, Kottayam (30 seats)
4. Lisieux College Of Nursing, Mookkannoor, Ernakulam (50 seats)
5. Sri Sarada College of Nursing, Sasthamangalam, Trivandrum (40 seats)
6. Assumption College of Nursing, Sulthan Bathery, Wayanad (40 seats)
7. Government College of Nursing, Manjeri (60 seats)
8. Government College of Nursing, Kollam (60 seats)
9. Sree Narayana College of Nursing, Chalakka, Ernakulam (45 seats)
10. Ahalia College of Nursing, Kozhippara, Palakkad (40 seats)

11. Al Azhar College of Nursing, Thodupuzha, Idukki (50 seats)

- KUHS enhanced 250 MBBS seats & 104 PG Seats in medical stream, 10 BDS and 10 PG seats in Dental Stream, 10 PG seats in the Pharmacy stream, 322 UG nursing seats, 10 PG Seats in Nursing stream. (Out of which 102 are in the government. Sector). 10 PG seats in Homoeopathy stream.
- The Academic branch revised the Statute, MSR and regulations during this year.
- As an initiative to ease of student's business, issuing Migration Certificate and Identity cards were fully automated and can be downloaded from the University Site.
- Faculty Enrolment Programme is a data bank which enrolls the teachers working institutions affiliated under KUHS. 11,949 of the faculty currently working under various institutes affiliated to KUHS have been enrolled after the successful verification of their qualification and experience. Academic branch covered almost ninety percent of the Faculty Enrolment Programme in this year.

New Initiatives and ongoing Projects during 2022-2023

1. Modernisation of the Academic Wing in Project Mode

The effective functioning of the Academic Wing is a benchmark for gauging the overall efficiency of any University. To achieve this objective, it is important that the routine work in the Wing is modernized and updated in tune with the times. It is being taken up step by step in an organized manner.

A proposal has been put forth to modernize and improve the works in the Academic Wing in Project Mode, in a phased manner.

To start with the process, in the first phase, Automating Issuance of Certificates mentioned under is underway.

- a. Affiliation Certificate
- b. Bonafide Certificate
- c. Medium of Instruction Certificate
- d. Translation Certificate
- e. Eligibility Certificate
- f. Equivalence Certificate
- g. Cancellation of Registration only

h. Cancellation of Registration and Migration Certificate

With the implementation of a system most of these certificates can be automatically generated and issued to the applicants online or could be provided for downloading online. This will considerably reduce the volume of work in the sections concerned and the services can be quickly delivered. Academic Branch proposed to develop a software which is user centric, user friendly, easy to manage, secure and customized. The project prepared by the IT wing is under Expert technical committees Scrutiny.

2.Developing a Software application for Inspection and Scrutiny of Applications for Affiliation

Decision and Disposal of applications for affiliation is one of the prime jobs in the Academic Wing. The process is primarily based on the Minimum Standard Requirements for each course, statute framed in the matter of affiliation and Ordinance notified on the inspection procedure. Inspection proforma is prepared for each course based on which inspectors carry out inspections in institutions. Presently, the online applications received from institutions are processed in the conventional pattern, as follows:

- a. Posting Inspection
- b. Inspection by the commission appointed for the purpose
- c. Receipt of Inspection Report
- d. Examination of the Report by Scrutiny Committee
- e. Seeking Rectification of Deficiencies Reported in certain cases.
- f. Submission of Compliance Report by the institution
- g. Scrutiny of the Compliance Report
- h. Re inspection, if decided by the university
- i. Disposal of application by either granting or rejecting affiliation

All these steps involve considerable paperwork and consume significant manpower. Therefore, to speed up and digitize the process, it is suggested to develop a software application for inspection and scrutiny of applications for affiliation.

The Governing Council in its meeting held on 27/12/2022 approved the proposal in principle.

Statistics of Academic Branch during 2022-2023

Total number of affiliated colleges, sector wise- Details of the Government, Aided and Unaided colleges affiliated under various streams till 2023 March is listed below

Examination Branch

Examination Branch

The establishment of a well-designed and conducted examination system is a fundamental responsibility of any university, with the Examination Branch serving as its backbone. Conducting theory/practical exams and timely result declarations are critical duties, and universities are often evaluated based on their effectiveness, punctuality, and reliability in this regard. Kerala University of Health Sciences (KUHS) has prioritised this goal, aiming for timely examinations and results to prevent course lag, thus enabling students to participate in national level competitive exams.

Pioneered in Kerala, the University conducts exams by transmitting question papers online on the exam day, with the goal of maintaining secrecy of the question papers and to encourage transformation to a paperless institution. Since its establishment, KUHS has followed the practice of publishing a Tentative Examination Calendar before each academic year. The calendar, usually unaltered once published, helps prospective examinees plan for their exams. To minimize the time gap between exams and results, KUHS introduced a Digital Evaluation System.

Despite restrictions during the pandemic, KUHS has achieved quick publication of examination results. Building on the success of the Digital Evaluation System, Remote Digital Evaluation Centres were established at every college under the University. On introducing the Remote Digital Evaluation System, evaluations are conducted at approved Remote Digital Evaluation Centres (RDEC) in various affiliated colleges. This innovative approach has significantly reduced the time gap between examinations and results through efficient use of eligible faculty from the local centers.

Staff position

Controller of Examinations	1
Joint Registrar	1
Deputy Controller of Examinations	1
Asst. Registrar	6
Section Officer	19

Assistant	64
Computer Assistant	8
Clerical Assistant	2
Confidential Assistant	2
Office Assistant	5
Data Entry Operators	15
Cleaner	32
Receptionist	1

Activities of the Examinations Branch

All the activities of the Examination branch are based on the provision in the Act, Statutes Examination Ordinances, Examination Regulations, and Examination Manual implemented with the permission of Board of Examinations, Academic Council, Governing Council etc.

The primary activities of the Examination Branch are:

1. Conduct of Theory Examinations
2. Conduct of Practical Examinations/Viva voce etc.
3. Evaluation of Theory Answer Books
4. Evaluation of Theses
5. Conduct of Entrance Examination of Ph. D/M.Phil Course
6. Publishing of results of the Examinations
7. issue of Mark list, Degree certificates etc.

Prominent features of KUHS Examination System:

The Examination System prevailing in KUHS has its own unique features such as Choice- less question papers, electronic transmission of QPs to the Theory examination centers, installation and monitoring of digital surveillance systems in the Examination Halls etc. The processing of results of Examinations depends heavily upon the Information Technology

system. The Answer Books from the Theory Examinations Centres are dispatched to university by speed post on the same day of the Theory Examination itself.

An Examination Committee is constituted for each examination to supervise the overall matters for the conduct of that Examination. The Question Paper Banks for Examinations are set by national level experts. These are scrutinized by state level Experts. All these are done ensuring the required standard and confidentiality in the matter. The Examination Committee designates a suitable Institution as the Nodal Centre for each Theory Examination. Instead of contacting the University every time for dealing with examination related issues, the colleges can contact the Nodal Centre which acts on behalf of the University. Moreover, KUHS engages interdisciplinary internal vigilance officers to oversee and report the proceedings of the Theory Examination Centres and to report unfair practices, if any, relating to the conduct of Examinations. Installation of CCTV System in the Examination Hall is one of the preconditions, only up on the fulfillment of the conditions stipulated by the University including surveillance, a particular Institution shall be granted the status of Theory Examination Centre. The digitized recording of the proceedings of the examination hall shall be sent to the University along with the Answer Books on the same day except under exceptional circumstances, that too with the permission of the Controller of Examinations.

After successful implementation of the Digital Evaluation System, KUHS put forward its next step by constituting Remote Digital Evaluation Centres at each college under the University. KUHS has introduced a new evaluation System namely Remote Digital Evaluation. With the introduction of the Remote Digital Evaluation System, the time gap between Examinations and Publication of Results has been considerably reduced.

The entire software and the necessary hardware improvisations for RDE was done by the IT wing of the University. This system was experimentally launched in February 2022, starting with Medical Post Graduate evaluations to be followed by evaluation of Dental Courses. The RDEC based evaluations have proved a thriving success ever since its inception. In this process, scanned copies of Answer books are made available online at approved Remote Digital Evaluation Centres, for valuation. The approval of a Remote Digital Evaluation Centre is done after verification of facilities provided at the center by qualified inspectors appointed by the University.

Scanning answer books: To overcome the shortage of manpower needed to scale-up the Digital evaluation process, a panel of staff for the scanning of answer books has been engaged depending on the necessity of scanning answer books .

Other Examination related functions:

- Thesis/Dissertation Evaluation at the appropriate time. At present hard copies of Thesis/Dissertation are being sent to External Evaluators Outside Kerala, which involves a lot of physical activities.
- Settling the claims of remuneration of Examiners/Evaluators/QP setters at the appropriate time to avoid unpleasant situations and keeping in view the sustenance of the system.
- Keeping the Accounts of Financial Transactions such as collection of Examination fee, genuineness verification fee, fee for photocopies of score sheets and answer books etc. The exact amount of collection as per DCB for the fourth quarter is Rs. 15,16,53,413/- (Fifteen crores sixteen lakhs fifty-three thousand four hundred and thirteen only)
- Proper and precise tappal and dispatch Accounting. This assumes great importance because answer books from theory examination centers are dispatched in bundles. Its proper stock taking and processing should be precise to maintain credibility of the examination system.
- Safe keeping of evaluated Answer Books for the prescribed period as per the Regulations in force. This also assumes great significance because copies of score sheets and answer books are provided to candidates on request after charging a prescribed fee. Maintaining Transparency in the system .
- Initiating action to print the Answer Books, stationery items, Certificates and Mark lists at the appropriate time with necessary security features.
- Monitoring of the stock of the Answer Books and other Certificates to ensure uninterrupted supply and optimum stock level and watching the reorder level.
- Safe keeping of blank Answer Books and stationery items and their proper distribution and stock control so that the pre- planned examination schedule is executed uninterruptedly.
- Disposal of Answer Books and other Stationery /waste paper on a time bound basis.

- Issue of Provisional Certificates and Mark lists on a time bound basis. Similarly mark list, duplicate mark list, Attempt certificates, Transcripts etc. are to be issued within the fixed timeframe.
- Issue of Degree Certificates after Convocation. Degree Certificate will be dispatched immediately after the date of Convocation.
- Genuineness verification, issue of Transcripts and miscellaneous Certificates to the students'/Employment agencies are done without delay.
- Compliance to the provisions of Right to Information Act, 2005 which calls for time bound actions. A total of 288 applications under RTI were processed in the year. It is being done by considering the true spirit of the RTI Act, 2005.

Pass Boards: -The results of all Examinations are finally scrutinized and approved by the respective Pass Boards before declaration of the results by publishing in the Web site.

Malpractices & Lapses Enquiry Committee (M&LEC):

Malpractices & Lapses Enquiry Committee is a five-member committee consisting of a legal practitioner, two nominated members of BOE and two members of faculty nominated by the BOE. The Controller of Examinations is the Ex Officio Secretary of the committee. The M&LEC meets as and when required, in the instances of malpractices/misconduct/lapses, reported with respect to the conduct of Examinations. The Committee conducts hearings on the reported cases and recommends appropriate corrective or punitive actions whichever applicable, depending upon the gravity of the cases and as prescribed by the KUHS Examination Manual, to the Governing Council. Thirteen sittings of M&LEC were held in the year 2022-23.

Members

1. Prof (Dr.).S Anilkumar , Controller of Examinations.
2. Dr. S Sankar, Principal, Govt. Medical College, Kottayam.
3. Dr. Narayana Pai, Faculty, Dr. Padiar Memorial Homoeopathic Medical College, Chottanikkara.
4. Dr. Rajee Reghunath, Principal, Amala College of Nursing, Thrissur.
5. Dr. Sudha S, Dept. of Oral Pathology, Govt. Dental College, Thrissur.

6. Adv. D V Narayanan, Legal expert, Kozhikode.

Convocation:-

“Awarding of Degrees, Diplomas, Certificates, Titles etc., shall be made at a Convocation arranged by the university or in absentia after the meeting of the governing Council held after the publication of the results of the examinations concerned.”(Clause (4) of Chapter XXV of KUHS Statute, 2013,). As a rule, two Convocations are conducted in an academic year.

15th Convocation		12.07.2022

Result status change

Result status of candidates may change after fresh valuation ordered by Governing Council on the recommendations of the Board of Adjudication of Students Grievances or on processing the 're-totalling' applications or even when some apparent errors in the Score sheets are complained of and corrected by the same Evaluators. The following are the statistics in this matter. The total number of Status change is 39, the breakup of which is as under:

Name of stream	No. of Status Change
AYUSH Stream	01
Medical stream	27
Dental Stream	05
Nursing stream	02
Pharmaceutical Sciences stream	02
Allied Health Sciences stream	02
Total	39

Meeting of Committees, Councils and Boards

SI No	Meetings / Boards	Number	Remarks
1.	MLEC sittings	13	130th to 142nd
2.	BoE meetings	3	33rd to 35th
3.	Punishments to candidates, ordered by GC	67 (cases)	
4.	Examination Committee meetings	121	

5.	Convocations held	02	
6.	Court cases during the period	54	
7.	No of Result status change	39	
8.	No of CV camps held	325	
9.	No of zonal CV camps	5

12.	No of University Orders/Circulars issued		University Orders - 777 Circular - 10
13.	No of Surveillance CDs examined	1568	
14.	RTI applications processed	288	
15.	RTI First Appeals processed	6	
16.	RTI cases before the KSIC	3	
17.	No of GC Agenda submitted	21	
18.	No of AC Agendas submitted	9	
19.	No of re totalling applications handled	5527	
20.	No of Entrance Exams held	01	
21.	No of Digital CV camps	132	
22.	No of Answer Books printed	12.5 lakhs	
23.	No of fresh valuations conducted	210	
24.	No of Pass Boards held	448	

Activities in connection with the meeting for Governing Council, Academic Council, Planning Committee etc. such as: -

Submission of Agenda items and implementation of the decision. Dealing with the affairs of the Senate in so far as it applies to Examinations.

Preparation for conduct of Convocation which takes place twice in a year, at present

Other Relevant Facts and Figures : (relevant for the year)

Total no. of students in 2022-23 academic year - 23,241

Total courses for which students enrolled in 2022-23 academic year = 148

No of Theory paper evaluation during the year 2022-23: 13,96,782

No of Theory paper evaluation during the year 2021-22: 11,17,246

Percentage increase – 25%

Number of result published 2022-23:1601

Number of result published 2021-22:1273

Total Number of Graduands 2022-23: 16298 (UG: 14112 PG: 2186)

Total Number of Graduands 2021-22: 14229 (UG: 12012 PG: 2217)

Other general points: -

- RTI applications: A total of 288 applications under RTI were processed in the year. It is being done by considering the true spirit of the RTI Act, 2005.
- Scrutiny of Surveillance C D recordings: Above 10 percent of the CDs of Theory Examination Surveillance were examined (and if necessary, even more numbers). This practice commenced from 22/08/2019.
- Audit Remarks: There were 83 KSAD Audit enquiries and 2 AG Audit enquiries. Audit Remarks are replied promptly.
- Court Cases: - There were nearly 54 Court cases during the period involving the Examination Branch. There were few cases from the Commission for Disabled, State Human Rights Commission, Youth Commission, Minority Commission etc. The hearings from this Commission were properly attended.
- Remote Digital Evaluation Centres
KUHS has introduced a new evaluation System namely Remote Digital Evaluation as a part of introducing a more digital mode of activities.

The details of Digital Evaluation Camps are given below.

SI No	Stream	Number of of Digital Evaluation camps
1	BDS	18
2	MDS	7
3	MBBS	13
4	PG Degree & Diploma	4

5	Super specialty	2
6	Homoeo	11
7	Siddha	3
8	Unani	2
9	MD Homoeo	5
10	PhD	1
11	BAMS	30
12	B Pharm	12
13	BSc Nursing	21
14	MD/MS Ayurveda	1
15	AHS	1

Online verification of genuineness of certificates

At an initial stage, verification of genuineness of certificates was done by KUHS after verification of hard copies of applications received from the candidates along with the required fee amount as Demand Draft. An average of 2500 certificates are verified per year causing considerable utilisation of manpower and time delay. To avoid such a situation, online verification of genuineness of certificates with online fee payment was introduced from 01.06.2019.

Online Portal for CRRI Certificates

Graduands of MBBS who have successfully completed one-year Compulsory Rotating Residential Internship (CRRI) are granted 2nd provisional Degree certificates on detailed verification of CRRI Certificate issued by the Principal of the concerned college. To overcome this delay and data entry errors, a model template has been prepared by University and uploaded in the Principals login, enabling users to enter the details correctly. Incorrect details could not be uploaded by the Principals as details are predesigned by the software. This reduced the delay in entry of details and enhanced speedy disbursement of Provisional Degree Certificates to the students.

Restructuring and Optimization of Digital Evaluations (RODE) project.

A new project named "Restructuring and Optimization of Digital Evaluation" (RODE) has been introduced for strengthening the Digital Evaluation Process. Examination branch and IT wing have been in the process of developing an on-screen digital evaluation system. Over the past 3 years, Digital evaluation software with an indigenous scanning hardware system has been

developed by the IT wing. This digital evaluation software was tested and run initially in the centralized mode at the University headquarters, Thrissur. Later, it was modified to enable evaluations within the evaluation centers established in the affiliated institutions, called Remote Digital Evaluation Centres (RDEC). This development not only helped to decentralise the evaluation process but also helped to reduce the time involved in the completion of evaluations. Besides this, there has been a huge reduction in the overhead costs involved in the logistics of centralised evaluations. Thus, in short the introduction of the Remote Digital Evaluation System (RDES) has helped both to speed up the release of examination results and to reduce the cost involved in evaluations.

Currently, the RDES has been implemented in the Medical, Dental, Ayurveda, Homoeo, Pharmacy and Nursing streams. Now action is going on to extend the same to the remaining Allied and Paramedical stream. Since the question paper pattern and evaluations are stream specific, the current software needs to be restructured and optimized for incorporating the remaining streams. The Project named “Restructuring and Optimization of Digital Evaluation” (RODE) has been introduced and the project is under implementation.

Finance Branch

Finance Branch

The Finance Branch deals with the matters connected with Finance, Accounts and Audit of the University. The Branch has two wings : General Finance and Examination Finance.

Finance officer is the controlling officer of the Branch and the principal advisor on all matters connected with Finance, Accounts and Audit of the University. He is assisted by two Deputy Registrars and two Assistant Registrars each, for General Finance and Examination Finance respectively.

To accomplish the assigned responsibilities in a systematic and time bound manner, the rules and orders contained in the following Act, Statutes and codes are relied upon:

- KUHS Act 2010, Chapter III 16 (2, 3, 4, 5), Chapter IX
- KUHS First Statutes Chapter II 53, 54
- Kerala Financial Code
- Kerala Treasury Code
- Kerala Budget Manual

Vision statement of the Branch

To help the University to maintain healthy financial environment in accordance with the Act, statutes and laid down rules

Mission Statement of the Branch

To design and establish a proper accounting/monitoring system to see that the financial aspects of the University are dealt with proactively and efficiently.

Organogram (General Finance wing)

Finance Officer											
Comp. Asst. & PA (Under Section C)							Accountant (Under Section C)				
Deputy Registrar											
											Assistant Registrar
Section Officer(A) (Payment & PF)			Section Officer (B) (Budget, Grant & Taxes)			Section Officer (C) (Receipts & Accounts)			Section Officer (D) (Audit)

The General Finance deals with accounting of affiliation fees, continuation of affiliation fees, annual administration fees, student registration fees, refundable deposits from the colleges

affiliated to the University and such other receipts. It constantly interacts with Government and other agencies for allotment of grants, accounts grants received and submits utilisation certificates for the same. Preparation of Annual Budget for the various receipts and payments anticipated during the ensuing year on a realistic basis, keeping in view the fund requirements for the infrastructural and developmental activities of the University is also an important function of the General Finance Branch. The Branch also undertakes the preparation of Annual Accounts, payment of work bills, purchase bills, salary bills, other establishment and administrative bills, filing of statutory returns and attends to various audit procedures done by Internal Audit, Local fund audit (State) and CAG audit.

The Exam Finance deals with all payments related to advances for theory and practical examinations, centralised valuation camps, TA and sitting fee to members of pass boards, examination committees, subject experts, external examiners, practical convenors, question paper setters, dissertation evaluators, and remuneration to the nodal officers.

Grants received from Government

The University is receiving grants from the Government for its day to day operations (Non-Plan) and for creation of infrastructure and Capital Assets (Plan). Such grants released during the period 2022-23 were ₹425.03lakh under Plan and Non-Plan.

Accounting Procedure

Compared to the conventional Government Accounting system of accounting only receipts and expenditure, the University has adopted a system of accrual basis of accounting. The Government accounting system is the cash basis of accounting under which transactions are recorded when the related cash receipts or cash payments take place. Thus, the revenue of educational Institutions, such as donations, grants, etc. is recognized when funds are received. Similarly, expenses on acquisition and maintenance of assets used for rendering services as well as for employee remuneration and other items are recorded when the related payments are made. The end-product of the cash basis of accounting is a statement of Receipts and Payments that classifies cash receipts and cash payments under different heads. Accrual basis of accounting is the method of recording transactions by which revenue; expenses, assets and liabilities are reflected in the accounts in the period in which they accrue. The accrual basis of accounting includes considerations relating to accrual of income, provisioning of expenses, deferral, allocations like depreciation and amortization. This basis is also referred to as 'Mercantile Basis of Accounting'.

Accrual basis of accounting records the financial effects of the transactions and other events of an enterprise in the period in which they occur rather than recording them in the period(s) in which cash is received or paid. The goal of accrual basis of accounting is to relate the accomplishments (measured in the form of revenue) and the efforts (measured in terms of costs) so that the reported net income measures an enterprise's performance during a period rather than merely listing its cash receipts and payments. Apart from income measurement, accrual basis of accounting recognizes assets, liabilities or components or revenue and expenses for amount received or paid in cash in the past, and amounts expected to be received or paid in cash in future.

In the cash basis of accounting, no account is taken of whether the asset is still in use, has reached the end of its useful life, or has been sold. Thus, cash based information fails to show

a proper picture of the financial position and performance of an organization for the accounting period.

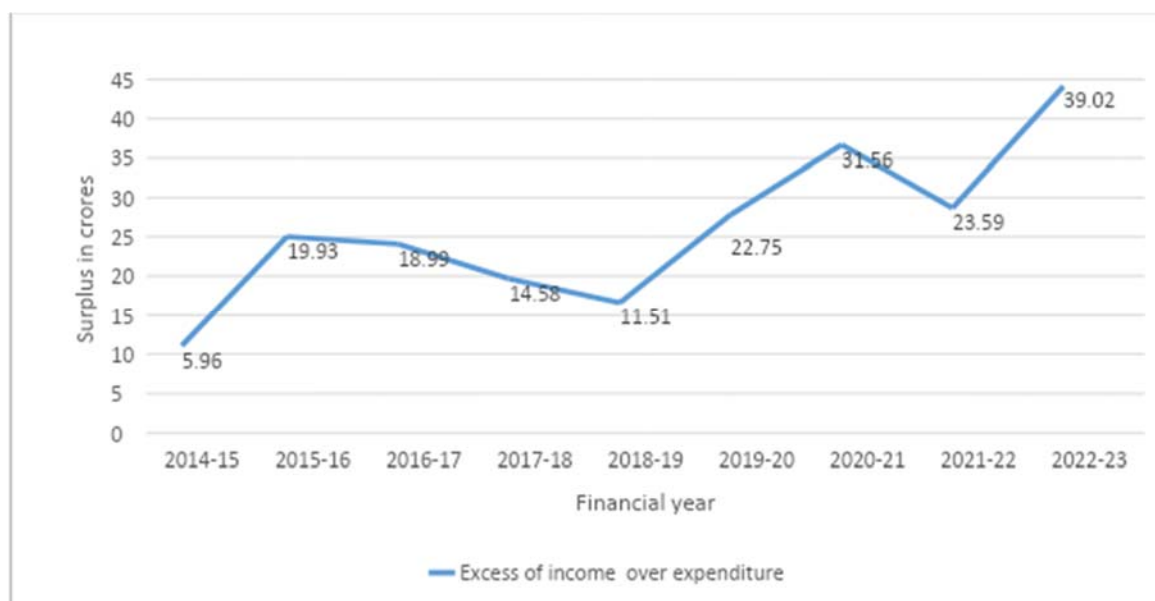

A cash based system does not provide information about total costs of an organization's activities. On the other hand, accrual system of accounting offers the opportunity to the organization to improve management of assets, and provides useful information about the organization's actual liabilities, relating to both debts and other obligations such as employee entitlements.

Accrual is the scientific basis of accounting and has conceptual superiority over the cash basis of accounting. The University therefore, has maintained its books of accounts on accrual basis. Such type of accounting enables an organization to create a corpus fund by transferring surplus income from its activities every year which can be utilized in furtherance of its objectives.

The cumulative corpus and surplus income during the year, of the University since inception till 2022-23 were as under:-

Year	Surplus income(Rs. in Lakh)	Corpus Fund(Rs. in Lakh)
2009-10	7.36	24.22
2010-11	806.88	883.90
2011-12	1,599.33	2,540.88
2012-13	1,998.63	5,784.21
2013-14	331.02	7,849.31
2014-15	595.95	10,817.04
2015-16	1,992.95	12,809.99
2016-17	1,898.99	14,708.98
2017-18	1,458.47	16,345.88
2018-19	1,150.73	18,524.53
2019-20	2,275.17	20,968.43
2020-21	3,155.99	24,124.42
2021-22	2,358.98	26,128.07
2022-23	3,902.18	29,530.25

A graphic presentation of the surplus made by the University during the period 2014-15 to 2022-23 is shown below:

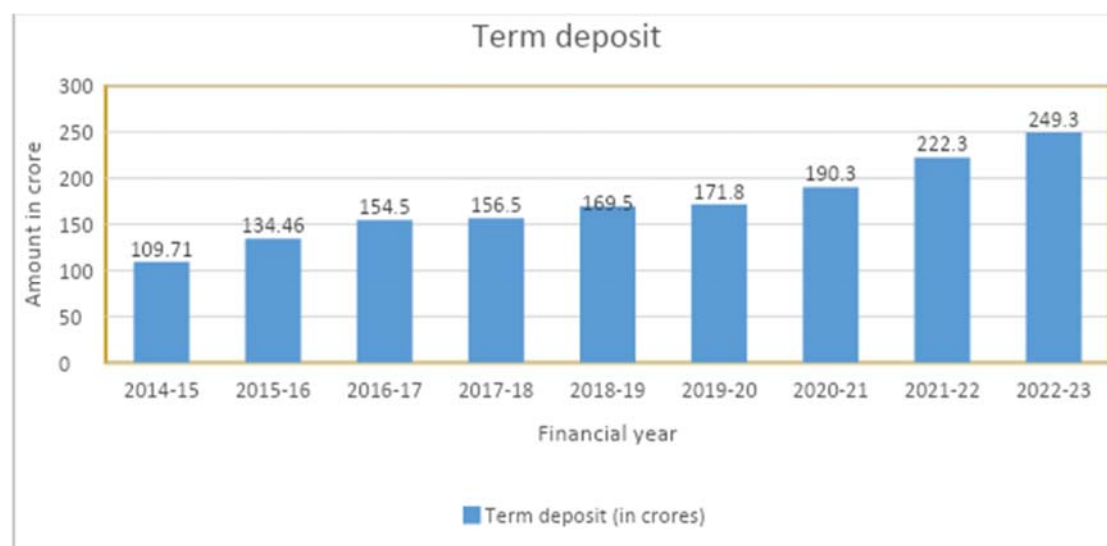

All accounting transactions are computerized with the help of a software developed through National Informatics Centre, New Delhi. The procedure adopted includes preparation of receipt and payment vouchers at individual seats, checking of the vouchers at Section officer/Assistant Registrar level and approval of the vouchers by the Finance Officer. Once the vouchers are approved, the software posts the same to appropriate ledger accounts, preparing a trial balance, Income and Expenditure account and Balance sheet for a specified period. Adjustment entries, if any, are passed manually.

Investment of surplus fund in fixed deposits

The funds which are not immediately required were invested in short term fixed deposits with State Bank of India/Government Treasury. The amount of such deposits made during the period 2014-15 to 2022-23 were as under:

Year	Amount of deposit (Rs. in Lakh)
2014-15	10,970.99
2015-16	13,446.38
2016-17	15,450.00
2017-18	15,650.00
2018-19	16,950.00
2019-20	17,180.00
2020-21	19,030.00
2021-22	22,230.00
2022-23	24,930.00

A graphic presentation of the deposits made during the above period is shown below:

Financial results of the University, the quantum of receipts and payments and other key financial figures for the period 2022-23 are enumerated in the succeeding pages with graphic presentation.

The receipts and payments during the financial year 2022-23 were as under:

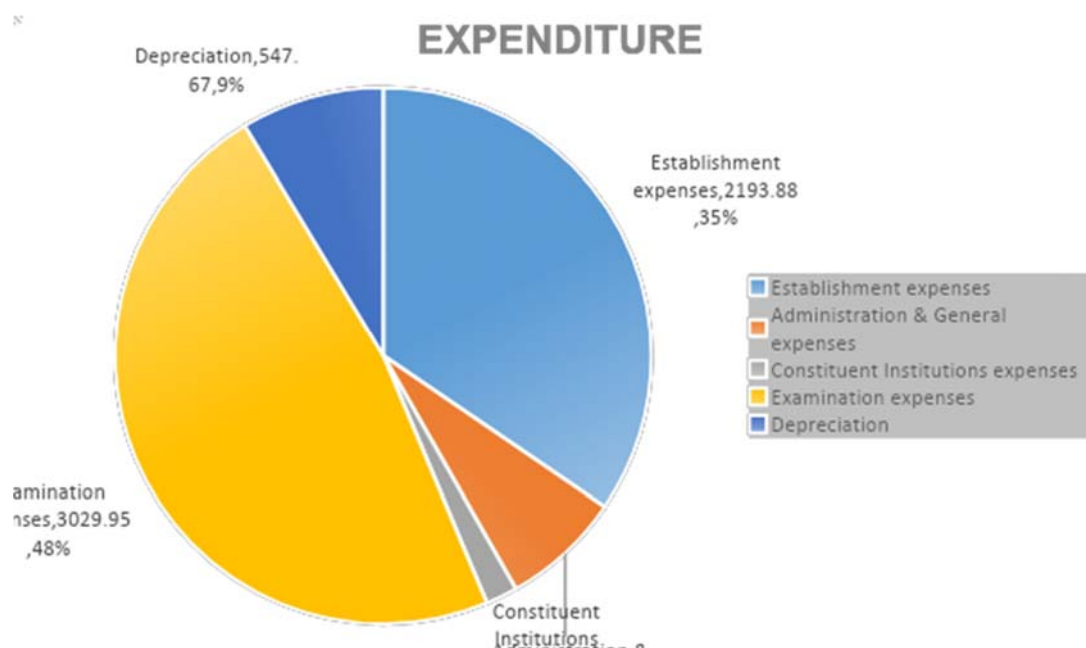

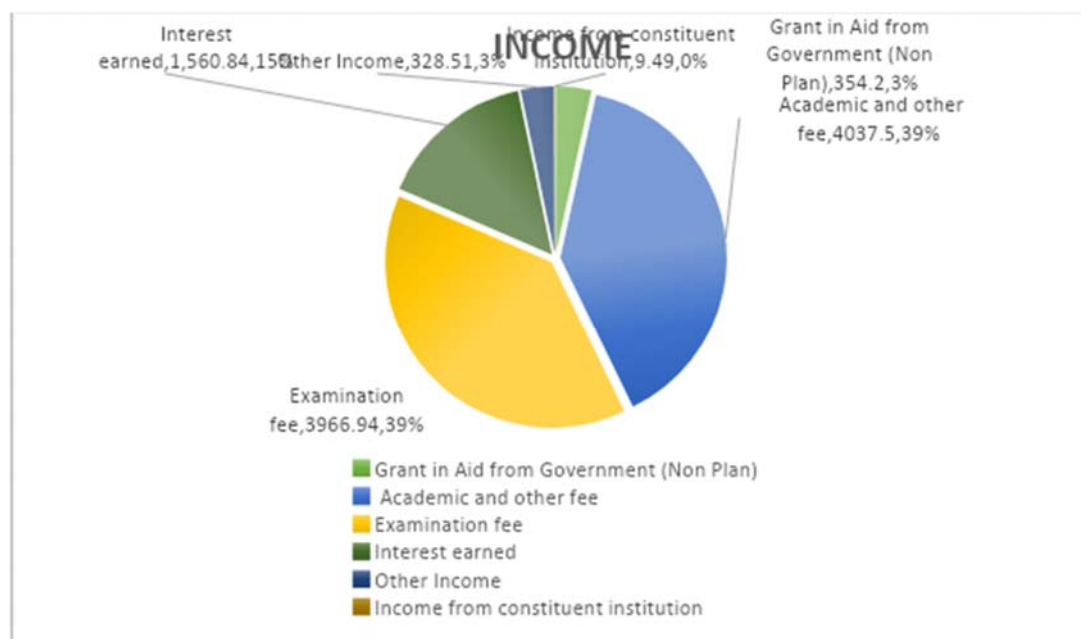

Receipts (Rs in lakh)		Payments(Rs in lakh)	
Particulars	Amount	Particulars	Amount
Grant in aid from Govt	425.03	Salary and other employees cost	2160.04
Academic income	3679.86	Academic Expenses	45.77

Affiliation fee	1228.55	Administration & general expenses	360.26
Examination fee	3967.44	Examination expenses	3228.11
Other Income	39.47	Research Schemes and Projects - Others	120.34
Interest earned	1487.17	Student Welfare Expenses	16.93
Income from constituent institutions	9.49	Debt heads	125.98
Debt heads	631.80	Extension Activities	2948.88
Total Receipts	11468.81	Total Payments	9006.31
		Surplus	2462.5
Total	11468.81	Total	11468.81

The financial results of the University for the Year 2022-23 are enumerated below:

Expenditure	Amount (Rs. In lakh)	Income	Amount (Rs. In lakh)
Establishment expenses	2193.88	Grant in Aid from Govt (Non Plan)	354.20
Administration & General expenses	458.65	Academic and other fee	4037.50
Constituent Institutions expenses	121.38	Examination fee	3966.94
Examination expenses	3029.95	Interest earned	1560.84
Depreciation	485.86	Other Income	328.51
Transfer of fund to Earmarked Fund - Development and Programme fund	65.57	Income from Constituent institution	9.48
Excess of Income over expenditure transferred to Corpus/Capital Fund.	3902.18		

TOTAL	10257.47	TOTAL	10257.47
-------	----------	-------	----------

Other key financial figures for the year 2022-23 were as under:

	Particulars	Rs. In crore
1	Corpus fund at the end of the year	295.30
2	Fund earmarked for research	5.00
3	Fund earmarked for the development of schools and centers	50.00

4	Fund earmarked for Development and Programme	10.96
4	Fixed Assets	44.67
5	Investment of earmarked fund and other fund in fixed deposits	249.3
6	Current Assets	50.97
7	Grant in Aid from Govt of Kerala (Plan)	41.57

To achieve the vision and mission of the University, the following initiatives have been carried out in Finance Branch

1.Accounting

All accounting transactions are computerized and includes automatic voucher generation, generation of cash book, ledger, journal, trial balance etc.

2. Annual Financial Statements

As per Section 66 of the Kerala University of Health Sciences Act 2010, the annual Budget Estimates along with the financial statements of the University for ensuing Financial Year shall be prepared by the Finance Officer and presented to Governing Council, under the directions of the Vice Chancellor before such dates as may be prescribed by the statutes for approval. After getting approval of the Governing Council, it shall be presented in the senate for discussion. But the Senate, if required, can make suggestions and incorporate amendments to the proposed Budget and return the same to the Governing Council for consideration. The Governing Council may accept or reject the recommendations made by the Senate.

As per Statute No. 9(1), Chapter VI of the first Statutes 2013 of the Kerala University of Health Sciences, the Governing Council shall, before the first day of January of every year examine the Financial Estimates of the income and expenditure for the ensuing financial year which has been prepared by the Finance Committee or make such alteration as it deems fit and approve the same with modifications, if any. As a part of innovation in preparing budget estimates, anticipated expenditure under different heads/programmes/works, have been ascertained by consulting all branches of the University, so as to include necessary provisions for expenditure in the Budget Estimates and holding meetings/discussions with Branch heads

and other officials for the purpose, besides obtaining the quantum of anticipated expenditure and Introducing new budget heads based on the needs of the branches.

3. Audit observations and Audit Reports

For timely compliance to Audit Observations and Audit Reports, the innovations carried out included:

Conducting meetings with the branch officials concerned on points contained in the observations/reports and formulating strategy for compliance. Drafting compliance to the observations discussed in meetings before they are finally furnished to audit. Arranging entry and exit meetings with the auditors for discussing the strategy of Audit and the observations contained in the Audit Report. Furnishing clarifications/explanations required during Audit within a reasonable time frame and wherever necessary conducting discussions by higher officials with Audit Authorities. Uploading final compliance to the Audit Reports to the AIMS software (Audit Information Management System) of Kerala State Audit Department in respect of KSA department audit. KSA Department audit for the year 2019-20 and 2020-21 has been completed and Audit by Accountant General has been completed upto May 2022.

4. On-line receipts

The University has introduced an online receipt system for payments related to examination and academic purposes. Previously, the University was receiving various types of fee from affiliated colleges, institutions and students by way of demand drafts. The section concerned, on receipt of DD's, cross checks with records and transmit the same to the General Finance section, within a period of one to two weeks, for remittance. The General Finance section, in turn, would send the DDs to the Bank, usually within a day or two. Bank credits the DDs proceeds to the University's account usually within five days, but sometimes stretched up to 20 days. A lot of manpower was being utilised for this process. DD statements and other records in respect of DD's received and credited to the bank were prepared by two sections. Moreover, the delay in crediting the DD's by the bank has resulted in loss of interest to the University.

The introduction of an online receipt system in association with SBI e-pay, the business department of State Bank of India providing payment aggregation services, has wiped out such impediments. Under the system, the payee institutions and individuals can pay various

types of fee to the University using credit cards/Internet banking. The successful payments are credited to the University's accounts within a period of maximum three days. Thus the loss of interest due to delay in affording credit by the bank as well as wastage of manpower is avoided to a great extent. The online receipt system has also made the job of payee institutions a lot easier.

The fee receipts on account of Affiliation, Continuation of Affiliation, Annual Administration, Examination etc are being received from the constituent institutions/students by way of SBI-epay since November 2019.

KUHS started receiving online payments from various affiliated colleges from November 2019 onwards. We are using SBI epay platform for effecting payments. For this we have developed our own software so that filling up of relevant application forms and payment thereon can be made through the software itself .

5. Employees Provident Fund

PF credit cards till March 2021-22(FY) have been issued to the employees.

6. Initiatives in respect of Examination Finance Section

- a. All payments like TA to external examiners for the conduct of practical examinations, TA to observers for the conduct of theory exams and TA and Remuneration to evaluators for paper valuation are made through NEFT/RTGS payments, directly to the bank account of the faculties concerned which has proved to be very effective, easy and time saving. Earlier, the University was sending individual cheques which was time consuming.
- b. University has introduced a text messaging system to the mobile numbers of observers, examiners and evaluators in order to communicate details of payments made to them.
- c. University is sending system generated emails to all colleges with all the settlement details after final settlement of expenditure of each examination for easy disbursement of examination remuneration at college level. Earlier, the University was sending individual emails manually.

- d. Cash Book, Journals, Vouchers, and Payment Registers are computerised so that the accounts and registers are up to date, accurate and systematic, which enable speedy and easy reconciliation and financial year ending adjustments.
- e. Grouping of bills of different examinations of the same discipline helped to make the payments organised, fast and this in turn reduced the number of cheques taken for TDS. Now the total amount of TDS deducted from an evaluator can be traced out easily.
- f. Duplication of bills can be traced out easily through the computerisation of bill entries. Also payment reports can be generated online instantaneously.
- g. Each course is being dealt under the direct control of an assistant, so that payment and unsettled advances if any can be traced out and queries from evaluators and examiners dealt with easily.
- h. For making payment prompt and accurate, payment is made to the account number mentioned by the evaluator/examiner in the bill. In case of any discrepancy, evaluators are requested to forward a copy of their Bank pass book page in which account number and IFSC code are mentioned.
- i. Tapal entry is made online at the Exam Finance branch. As a result, the status of each bill (Advance, settlement & TA) from its receipt to its disposal can be traced out, which also helps in processing of the bills speedily.

The Finance Committee of the University has met 58 times since inception till date for deciding upon various issues concerning the financial affairs of the University. It met 2 times during 2022-23.

Achievements of Finance Branch

1. Timely finalisation of Annual accounts
2. Timely finalisation of Annual Budget Estimates
3. Establishment of PF Account Management System
4. Introduction of On-line receipt system in respect of various types of fees with the help of SBI-‘epay’, has been implemented in respect of Examination receipts and of Academic branch since November 2019. This enabled the University in avoiding delay in crediting demand

drafts received from the affiliated institutions, students etc. by bank and thereby resulted in saving substantial amounts of interest.

5. Computerisation of the Examination (Finance)Section has resulted in prompt payments to examiners and institutions.

Office of the Deans

Office of Dean Academic

Staff strength

Dean Academic	1
Section Officer	1
Assistants	2
Computer Assistant	1

Dean Academic is assigned to assist the Registrar in activities of the Academic Section other than affiliation of institutions, is the nodal officer for University website, and the coordinator for periodic submission of periodic data and enrolment of KUHS in Association of Indian Universities (AIU), Nodal Officer of Implementation of Gender neutrality in all academic documents like regulations, syllabi, curriculum etc., Member Secretary of the Planning Committee, convenor of Quality Assurance Council, Quality Accreditation Monitoring Committee and NEP Cell.

Major activities

Quality Accreditation System

As envisaged in the Kerala University of Health Sciences Act 2010, Chapter II 5 (iii), 6 (xx, xxi) KUHS has instituted a KUHS Quality Accreditation programme with the approval of the 54th Governing Council of the University.

The process involves physical inspection of the institutions by an assessment team designed by Hon. Vice Chancellor. The reports of the assessment teams are scrutinised by the Quality Assurance Monitoring Committee and placed in the Academic Council and Governing Council. Successful institutions are granted accreditation for 3 years by the Governing Council. 14 institutions have been KUHS QAS during the year 2022 - 23.

Best Teachers Award

Best Teachers in each stream are selected from the applications received from faculty of affiliated institutions. The applications received are scrutinised streamwise by committees consisting of the Faculty Dean and two Board of Studies members. The reports are presented to the High-Power Committee with Hon. Pro Vice Chancellor as the Chairman and Registrar as the Member Secretary and consisting of Faculty Deans, one Academic Council member, one Governing Council member and one external member (faculty from another University).

Both the committees are nominated by the Hon. Vice Chancellor. Hon. Vice Chancellor declares the winners of the Best Teachers Awards after considering the report of the High Power Committee.

The awards to the winners and their institutions are presented during the University Foundation Day.

Development project

KUHS Digital Library Project

To build an institutional repository of PG and Super specialty Thesis using an open-source software named D Space, Dean Academic had submitted a proposal for the project of establishment of a digital library. The proposal was approved by the 68th Governing Council. The project was started in November 2022 with the permission of the Governing Council. The project aims to digitise the thesis available at the University till the year 2022 and convert it into a searchable indexed database. The project is expected to be completed by next year. A total of 5333 theses have been uploaded to the software so far.

Academic Program

As part of Academic empowerment, an Academic Webinar Series with the aim to interact with the invited speakers on cutting edge topics to update knowledge, skill, and attitude. The series included talks from reputed national and international faculty. Consequently, the participants will be able to gain new knowledge on evidence-based interventions and skills from real world settings.

A total of 8 webinars were conducted on various topics.

Sl.No.	Date	Resource Person	Topic
1	07/11/2022	Dr. Vinod Scaria, Principal Scientist, CSIR Institute of Genomics and Integrative Biology(CSIR-IGIB), New Delhi	Personal Genomes to Populations and back
2	21/11/2022	Dr. Kishore Kumar Ramakrishna Assistant Professor of Ayurveda National Institute of Mental Health and Neuro Science Bangalore	Ayurveda and Mental Health - Research perspectives
3	05/12/2022	Dr. Shyam Kumar Consultant Orthopaedic Surgeon based at the Royal Lancaster Infirmary (University Hospitals of Morecambe Bay NHS Foundation Trust)	Career opportunities for overseas doctors in the UK

b. Dr. G. N. Ramachandran birth centenary celebration

An online webinar was conducted on 10th October 2022, to commemorate the birth centenary of Dr. G.N. Ramachandran, in which Dr. B. Ekbal and Dr. Vinod Scaria, Principal Scientist, CSIR Institute of Genomics and Integrative Biology (CSIR IGIB), New Delhi, were the key speakers.

Dr. G.N. Ramachandran was an Indian physicist who was known for his work that led to his creation of the Ramachandran plot for understanding peptide structure. He was the first to propose a triple helical model for the structure of collagen. He subsequently went on to make other major contributions in biology and physics.

c. Short term optional Malayalam courses

Knowledge of Malayalam language is essential for the students to communicate with patients and bystanders, whom they encounter on daily basis, as part of their curriculum. With an aim to facilitate the communicative prowess of the students Dean Academic had submitted a

proposal for starting two optional short term online Malayalam Courses for students under Kerala University of Health Sciences in collaboration with Thunchath Ezhuthachan Malayalam University. the 71st Governing Council approved the proposal.

The launch of the programme was held on November 1, 2022, at Thunjanparambu, Malappuram, inaugurated by Sri. M. T. Vasudevan Nair. Followed by a workshop to finalize the curriculum for the courses. Activities for implementing the second phase are in progress.

KUHS Policy on Plagiarism

UGC has notified the 'Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions' Regulations in 2018. It is stipulated that HEI shall develop a policy on plagiarism and place it on the homepage of the HEI website. In this context, a proposal has been submitted by the Dean Academic for formulating a policy of Plagiarism to conduct Plagiarism Certification at the University level. 31st Academic council constituted an expert committee with Dr. Shaji K S, Dean Research as Convenor. The committee formulated a detailed University Policy for Plagiarism checking and certification.

Hiring of Doordarshan Studio Facility

Mr. Anil Kumar Mangalgi, Dy. Director General of Doordarshan had approached KUHS with a proposal for hiring Doordarshan studio facility including recording, post production and editing facilities at Thrissur and Kozhikode at subsidised rate. The 68th Governing Council decided to permit the university to utilise the facilities available at the Doordarshan/ Government/Public Sector/Universities for creating academic multimedia content for KUHS on paying the required fee. Further meetings were held with Doordarshan in this matter.

Academic Credit System

Academic Credit System is a systematic way of describing an educational program by attaching credits to its components. A proposal submitted by the Dean Academic to introduce Academic Credit System for the courses and certificate programmes conducted by KUHS has been approved by the 31st Academic Council and 71st Governing Council.

An expert committee under the chairmanship of Pro Vice Chancellor formulated a detailed Policy for Academic Credit System. The policy includes methodology to assign Academic Credits for individual courses, credit hours and method of evaluation based on Grade Point

Average (GPA). The policy has been approved by the 33rd Academic Council and 73rd Governing Council.

Remote Proctored Online Examination

Remote proctored online examination is a relatively new concept in our country. Here the candidate takes the exam through a laptop / desktop. The candidate is being observed by an observer sitting at a remote location. A software incorporating Artificial Intelligence and Machine Learning constantly observes the candidate and provides early warning to the observer / supervisor. There is a channel for communication between the proctor and the candidate. The exam can be stopped by the proctor if a major incident is detected.

The proposal for conducting remote proctored online examination for certificate programmes conducted by the University along with the proposal submitted by CSC e Governance Services India Limited have been placed in 29th Academic Council and 69th Governing Council.

The 69th Governing Council decided to grant permission for conducting the examinations under 'Remote Proctored' mode as and when required. It is also resolved to obtain technical support from Public Sector, Government or Government Accredited Agencies on payment, if needed.

The second level of discussion with the CSC e Governance Services India Limited has been completed. It is proposed to be implemented on a trial basis for certificate programmes conducted by Schools & Centres.

Introduction of Faculty of Interdisciplinary Studies

Interdisciplinary studies degree programmes combine two or more traditional academic courses of study. An interdisciplinary degree allows students to explore a more focused topic that crosses into multiple fields.

As per the Act and Statutes of KUHS, degrees shall be awarded under one of the Faculties of KUHS. The interdisciplinary courses do not fit under any of the seven faculties as per the existing Statutes. Hence a proposal has been submitted by the Dean Academic to establish a faculty for courses pertaining to interdisciplinary areas of study and research. The 31st Academic Council and 71st Governing Council approved the establishment of the Board and Faculty of Interdisciplinary Studies and entrusted the Dean (Academic) to hold the charge of the Faculty of Interdisciplinary Studies for the time being.

Office of Dean Research

Staff strength

Dean Research	1
Section Officer	1
Assistants	4
Computer Assistant	1

Activities

The Research division of KUHS was constituted with a vision to give an effective direction to the research activities.

Research Guides

List of 589 PhD Supervising Guides were uploaded in the website (Ayurveda 61, Dental 138, Homoeopathy 09, Medicine 132, Nursing 63, Paramedical & Allied Health Sciences 70 and Pharmacy 116). A total of 134 candidates were given PhD Guideship under the 2021 22 program.

Applications for approval of PhD Guide ship were invited for 2022 - 23. 71 applications were received from various streams & the scrutiny process will be completed shortly.

Ethics Committee

The University Ethics Committee meeting was held online on 03.09.2022 and approved three new projects.

Research Council

Meeting of the Research Council was held online on 28.06.2022 and the recommendations of the council will be taken into consideration while formulating the Research Policy of the University.

Innovation Cell

The second meeting of the Innovation Cell was held online on 22.06.2022. As per the recommendations of this meeting, Institution Innovation Cells(IIC) were constituted in over 75+ institutions under KUHS. New University Innovation Cell is constituted by expanding the existing Innovation Cell, consisting of 12 members with Pro Vice Chancellor as Chairman and Dean Research as Convenor.

PhD Programme

Doctoral Committees were formed for the Vth Batch PhD Scholars whose DC panel recommendations were received within the time frame. Permanent Register Numbers are issued to PhD Scholars up to 3rd Batch whose protocol presentations were completed successfully. Pre submission evaluation committee candidates up to 2nd batch whose synopsis and panel of experts were received and the meeting of Pre submission Seminar were facilitated.

Thesis of two 1st Batch Candidates were submitted and their Open Defence will be facilitated by Exam PhD Branch.

Orientation Programmes

An orientation programme was conducted for the Vth Batch PhD Scholars on 23 March 2023 (online) regarding the coursework to be followed and declared that April 30 will be the date of end of First Semester and October 30 will be end of Second Semester.

Matters related to PG synopsis & Guide change

Notifications were issued inviting online submission of synopsis of PG thesis for PG various courses under the University, as per the recommendations from respective Faculty Deans. Reviewers were assigned to the synopsis received.

Research Capacity Building Programmes

An online Interaction Meeting/Session on Research Capacity Enhancement of PhD Research Centres was conducted on 24/11/2022 & 25/11/2022 using Zoom video conferencing.

Research Capacity Building Programmes for UG & PG students

A committee was constituted to frame the rules for Implementation of Research Capacity Building Programme. The functions of the committee include Frame Guidelines for KUHS UG Research Scholarship program & also to frame guidelines for recognizing PG thesis published under Indexed Journals.

The first meeting of the committee was held on 10.11.2022 and the formation of guidelines is under process.

Research Collaboration with other Institutions

- A committee constituted to frame rules for collaboration with other Government Institutions. The first meeting of the committee was held on 10.11.2022 and steps are being taken to frame the rules.
- Initial meetings with IMHANS, ICCONS & NIPMER were conducted to discuss Research Collaboration.

Office of the Dean Student Affairs

Staff strength

Dean Student Affairs	1
Section Officer	2
Assistants	3

- Works related to NSS

The Best College Union Award

The award for the Best College Union for the Academic Year 2021 22 was awarded during the first day of KUHS Interzone Arts Fest. Cash prizes and mementos were distributed to the winners.

One day workshop on Anti Drug Activities for UUC's of KUHS Affiliated Colleges

As per the direction from Hon'ble Vice Chancellor a One-day workshop on Anti Drug Activities for UUC's of KUHS Affiliated Colleges was conducted on 31st October 2022 at KUHS HeadQuarters. Smt. Sathi K.K, Civil Excise Officer, Excise Academy and Research Centre, Thrissur, Dr Sebindh Kumar, Asst. Professor Govt. Medical College Thrissur, Smt Dhanya V.S, Clinical Psychologist, Govt. Medical College Thrissur were the resource persons of the workshop. Around 222 Students attended the workshop and made it a grant success.

DISHA EXPO IV

KUHS participated in the DISHA IV Higher Studies Expo organized by Kerala Higher Education Department from 03.01.2023 to 07.01.2023 at Calicut Beach by establishing stalls with issuing brochures, and answering queries of the students, by deputing Faculties of various disciplines from affiliated colleges of the University, KUHS Research Fellow. Various courses in the colleges affiliated to KUHS were illustrated in the expo. The event became a grant success and became a gateway for the Students in the Higher Secondary level to choose their higher studies.

Refresher cum training programme for SSGP Nodal Officers 2022

A Refresher cum training programme for SSGP Nodal Officers of affiliated colleges was conducted on 14th November 2022 at KUHS HeadQuarters. Dr M.K.C Nair, Former Vice Chancellor of KUHS and Dr Sebindh Kumar, Asst. Professor Govt. Medical College Thrissur were the resource persons of the training programme. Around 233 Students attended the workshop and made it a grant success.

The District Review Meeting of Student Support and Guidance Programme

The District Review Meeting of Student Support and Guidance Programme (SSGP) for the district Thrissur was conducted on 23.02.2023 at KUHS HeadQuarters. The Hon'ble Vice Chancellor inaugurated the meeting. Dr. S K Harikumar, Technical Consultant to SSGP evaluated the trained Nodal Officers of the affiliated colleges. The meeting saw the active participation of Nodal officers from the regional affiliated colleges. The Nodal Officers presented their reports. Every presentation was followed by a discussion phase, during which the Nodal Officers were allowed to present the difficulties encountered by them in the administration of the programme. The nodal officers were also given insight into the various problems created due to drug addiction among students and the training provided an awareness to SSGP nodal officers regarding the importance to prevent drug Addiction for the better future of the students.

The district review meeting of Ernakulam district was conducted on 21.03.2023 at Government Nursing College, Ernakulam, Palakkad district was on 23.03.2023 at Government Medical College, Palakkad and Malappuram district was on 27.03.2023 at Vaidyaratnam P S Varier Ayurveda College, Kottakkal, Malappuram . The nodal officers were also given insight into the various problems created due to drug addiction among students and the training provided an awareness to SSGP nodal officers regarding the menstrual health issues.

Workshop on Developing Module for Anti Drug Activities

A workshop on developing modules for anti drug activities was conducted on 14.12.2023 at KUHS HeadQuarters. Psychiatrists from various affiliated colleges, Dr Harish M.T, Dr Sebind Kumar, Dr Sumesh T P, Dr Varghese P Punnoose and Dr Dave Akkara participated in the workshop and developed the module.

This module is used for the training programmes followed. The Hon'ble Higher Education Minister informed that they will make sure to implement the above said workshop across the state.

Azadi ka Amruth Mahotsav

KUHS directed all affiliated colleges to organize sports and games in connection with "Azadi Ka Amrit Mahotsav" celebrations, an initiative of the Government of India to celebrate and commemorate 75 years of Independence and the glorious history of its people, culture and achievements. The Budget utilization for the programme was limited to 28, 00, 000/ (Rupees

Twenty-Eight Lakhs only). Every college organized at least one game/sports activity which would be financially supported by the university. 33 colleges affiliated to KUHS have submitted the report after conducting the sports events in connection with the same.

Cash Award for Excellence in Academics

Cash awards were distributed among 23 rank holders during the 16th Convocation held at KUHS Headquarters on 31.01.2023 and Dr. JayaramPanicker Endowment Awards for one student were also distributed on the occasion.

Merit Scholarship

The Governing Council resolved to introduce a Merit Scholarship for the toppers in Under Graduate examinations conducted by KUHS, except the exit examinations, in all the streams of study. An amount of Rs.1 crore is earmarked for the same. A committee is constituted under the chairmanship of Pro Vice Chancellor, Dean (Student Affairs) as convener, Professors/Directors of Schools, Dean Faculties of all streams and Dr. Sajith Kumar R, Visiting Professor, Academic Staff College; to frame the rules for the implementation of the new programme.

The committee meeting was held on 20.07.2023 through online. The committee has discussed the matter and decided to meet again in presence of the Controller of Examinations and the Members of Board of Examinations.

Placement Cell

It is decided by the Governing Council to Create of a Placement cell in the University to promote job opportunities for the graduates of theUniversity through various means including campus recruitment and to collaborate with variousGovernmental and non Governmental agencies in the country and abroad and to post Dean Student Affairs as the Nodal Officer for the Placement cell and related activities.

Since Placement cell in the University is a novel idea to be established, a committee may be constituted with suitable persons with previous experience of organizing job fairs in various streams of study to recommend suitable measures for the same.

Grievance Redressal for students

- 120 numbers of complaints were received during the period, in which 115 complaints were from students. Explanations were sought from the Principals of concerned colleges and when the explanation found satisfactory no further action is taken in this regard; when the report was found unsatisfactory and unhelpful to resolve the concerned grievance, the complaint is placed in the Grievance Redressal committee chaired by Pro Vice Chancellor, KUHS for recommending a final solution.
- The meeting of the Grievance Redressal Committee for Students was held on 09.02.2023 via Zoom meeting. 8 complaints were placed before the committee and the recommendations of the committee were implemented.
- A medical board has been conducted as per the decision by Grievance Redressal Committee held on 09/02/2023, it has been recommended to take the opinion of the Psychiatrist regarding the mental health condition of Ms. Anjumol.
- An Inquiry Has been conducted regarding the complaints received from Dr. Jishnu, MES Medical College, Perinthalmanna
- An inquiry has been conducted regarding the complaints received from students of AKG CIH, Kannur
- Complaints have been received from students who have discontinued the course, but the management was not willing to return the certificates. Many complaints regarding the same have been processed and solved.
- Many complaints have been received from students of affiliated colleges regarding the stipend they receive. While considering these complaints, the university office of the Dean Student Affairs has issued a circular directing the affiliated colleges to grant stipends for the interns at par with the interns of the Government colleges.

Grievance Redressal for teaching/non teaching staff of affiliated colleges

- Many complaints have been received from teaching/non teaching staff of affiliated colleges regarding the withholding of academic certificates/ termination/experience certificates /FEP related issues/harassment from colleagues etc
- Grievance Redressal Committee for Faculty Members was held on 20.01.2023 via Zoom meeting. Three complaints from faculty members have been placed before the committee and the recommendations of the committee were implemented.

Ragging Related

- 4 ragging related complaints were redressed.
- On receiving any ragging related complaints, explanations were sought from the principal of the concerned college. Vice Chancellor, KUHS is the appellate authority to consider ragging related cases at University level.

NSS Cell

Dr. Iqbal V M Dean (Student Affairs) is holding the additional charge of NSS Programme Coordinator with effect from 01.04.2020. During the Year 36 Self Financing Units were converted into Funded NSS Units. At present there are 178 NSS units under the Cell in which 102 Units are Funded and 76 Self Financing. All Programs like important days were observed by the Units by organizing various activities. In addition to that other activities as directed by the State NSS Cell and NSS Regional Directorate from time to time were also conducted by the Units and the reports were submitted to the authorities concerned in time. Some of the programs conducted are attached in the last portion of this report for information.

Grant in aid

An amount of Rs.46, 50, 000 was received as Grant in Aid for the year 2022 23 from the State NSS Cell for 62 NSS Funded Units who have started the new CNA Account and an amount of Rs.44, 02, 000 was transferred to the 62 Funded Units and Rs.2, 48, 000/ transferred to University NSS Cell as Administrative Expenses Fund.

NSS ADVISORY COMMITTEE

The NSS Advisory Committee was held on 02.11.2022 at the University Head Office. The meeting was held both online and offline for the convenience of the members of the committee.

Special Camp

31 NSS Units have reported the details of Camp conducted during the year 2022 23

Training to Program Officers:

13 Programme Officers was nominated for one week Orientation Training Programme organised at the Training Centre, Calicut University during the month July and August 2022

Village Adoption

Dr. Mano Rakesh, NSS Programme Officer, Govt. Medical College, Kollam was nominated for one day training to Programme Officers on 15th March 2023 at New Delhi on Village Adoption activities which is sponsored by the Ministry of Youth Affairs & Sports, Department of Youth Affairs, Govt. of India.

56 colleges have reported the details of villages adopted by them under the village adoption programme.

Enrollment of Volunteers:

Volunteer enrolment was carried on from the month of January 2023 onwards and the status of volunteers are as detailed below:

Category	No. of NSS Volunteers Enrolled 2022 23			
	SC	ST	Others	Total
Government funded Units	552	113	9535	10200
Self Financing Units	348	39	5096	5483

Azad Sena District Convenors:

14 Program Officers were nominated by the University NSS Cell as the District Convenors for coordinating the district level activities on Azad Sena Programme (Programme against Drugs and its ill effects).

Lahari Samvadham

In order to nominate two volunteers for the State Level Lahari Debate programme convened by Excise Department, an online debate competition was held by the University NSS Cell from among our volunteers on 20.01.2023 and the winners are;

1	Ms. Kesiya M.S	Govt. College of Nursing Kottayam
2	Ms. Glerin Jose	Do

Leadership Camp

The following volunteers of Govt. Ayurveda College, Ernakulam were nominated for the State Leadership Training Camp scheduled from 03.06.2022 to 05.06.2022 at the Sanadhana Dharma College, Alappuzha organized by State NSS Cell.

1	YasarArafath
2	Ujwal M Kumar
3	Athira K M
4	Diya vinod

National Integration Camp at Idukki

Following Volunteers were nominated for the National Integration Camp held at Idukki, from 15.05.2022 to 21.05.2022 at Mar Baselious Christian College of Engineering, Idukki.

1	Ardra B Raj	The Dale View College of Pharmacy and Research Centre, Thiruvananthapuram
2	Arsha S .A	The Dale View College of Pharmacy and Research Centre, Thiruvananthapuram
3	A Saranya	The Dale View College of Pharmacy and Research Centre, Thiruvananthapuram
4	Asif Muhammed M	The Dale View College of Pharmacy and Research Centre, Thiruvananthapuram
5	Job	Shree Vidhyadhiraja Homoeopathic Medical College Trivandrum
6	Devisree S	Shree Vidhyadhiraja Homoeopathic Medical College Trivandrum

National Integration Camp at Bangalore

Following Volunteers were nominated for the National Integration Camp organised from 22.05.2022 to 28.05.2022 at the Hassan Institute of Medical Sciences, Hassan, Bangalore and Sri. Vishnu V.M NSS Programme Officer of West Fort college of Nursing, Thrissur as contingent leader.

1	Ms. CLIYA ROSE	WESTFORT COLLEGE OF NURSING, THRISSUR
2	Shine Mathew	Govt. Ayurveda College Pariyaram, Kannur

3	LAYANA VALSAN	SREE KRISHNA COLLEGE OF PHARMACY AND RESEARCH CENTRE, PARASSALA, TRIVANDRUM
4	Aaby Mariam Mathew	Pushpagiri Institute of Medical Sciences & Research Centre, Thiruvalla
5	Iqujakrishna K Santhosh	KVM COLLEGE OF PHARMACY, CHERTHALA

IT Branch

IT Branch

1.Examination System

i. . Development of Pre Examination Module –Updates

- Internship Entry CRRI/CRMI for MBBS Course.
- Mercy Chance Permission Module
- Dissertation Acceptance form to Examination section
- Practical Daily Mark Entry for B. Pharm Eighth Semester
- New module for Payment DCB.
- Implemented FEP for Nursing Stream.
- Implemented FEP for Ayurveda Stream
- Implemented FEP for B. Pharm (year) Stream.
- Developed module for optional subject entry of B.Sc. MRT Course
- Developed a new module for DCB verification.
- Developed module for Subspecialty entry for M.Sc. Nursing course
- Implemented BCBR Completion form for Medical PG Stream.
- FEP implementation for Medical PG
- Implemented DCB new module for Mercy Chance
- Implemented DCB new module for Attendance condonation
- Developed Practical new module for Batch allotment to colleges
- Developed Practical new module for Mark entry
- Developed Timetable Editing Module
- Created PhD Examination Registration System
- Implemented Payment Integration and Fee automation for PhD
- Developed Exam Registration Report for PhD
- Developed Timetable Report for PhD
- Implemented Practical Examination Centre Allotment module
- Implemented Practical Approval Date Wise Form
- Developed PhD Admit Card Module
- Implemented Practical Completion Note
- Implemented new course wise FEP report.
- Implemented Miscellaneous Fee settings.
- FEP Integration in Paramedical Courses.

- Faculty Permission to Examination Section
- Practical Special Centre Allocation
- Implemented Internship Portal
 - Ayurveda
 - Unani
 - Siddha
- Implemented College Wise Practical module
 - Super Speciality Examination
 - MSc Nursing Examination
- Implemented new Modules in Miscellaneous Payment
 - Insufficient Payment
 - DCB Consolidated and Purpose wise
- Implemented End Semester Verification module

ii . Modifications in Pre Examination Module

- Modification in Internship entry module for paramedical colleges.
- Remark Entry for Internship of Paramedical Courses
- Modification in Online Migration Portal.
- Modification in Project Schedule as per optional subjects for B.Sc. MRT course.
- Modification in Practical Batch Allotment for B.Sc. MRT course.
- Modification in FEP module One internal HOD compulsory
- BASLP 8th semester practical examination registration and admit card
- Internship for MBBS CRRI till 18/11/2021.
- Scheme wise Count of Registration to Examination section
- Modification in Multiple Chairman Allocation for Practical Exam

iii. Development of Examination Store module

- Telephonic and Email Support to help college Admins

v. Online Exam registration/ Practical Exam Count/ Dissertation Registration Process

Development of Post Examination Module updates

- Developed Paperwise Result for MBBS 2019 Scheme.
- Developed Paperwise Tabulation Register generation 2019 Scheme.
- Developed Paperwise Mark Statement for MBBS 2019 Scheme.
- Developed Year wise list of passed students.

- Developed interface for applying for an attempt certificate for MBBS in student's portal.
- Different statistics Report Generation.
- Add Class criteria Interface for Exam section.

vi. Modifications in Post Examination Module

- Modification in Various tabulation registers.
- Modification in Various consolidate tabulation registers
- Approximately 300 mails were processed.
- Approximately 200 tapals processed.
- Modification in Part1 Entry System.
- Modification in Confidential Part1 Entry System.
- Modification in various statistics report

vii. Certificates and Mark lists

- Revamped the mark list module to verify the mark list "scheme wise" instead of "admission year wise" (Verify the template once only if there is a scheme change).
- provide an option to generate the rank list.
- Provided an option to generate Provisional Certificate as soon as the results are published.

viii. Graduands register

Implement a new module to generate the graduand register.

Provided an option to update the communication address of graduands in colleges login itself.

Interface to download the address of graduands in examinations login both in excel and pdf format, formatted the data to print in sticker.

ix. Fee Calculations for Retotal and Photocopy of Answer book and Scoresheet

Provided a consolidated report for fee calculation in respect of re total /photocopy and scoresheet.

Tested and launched the fee calculation of exam registration modules of Medical/Dental and Nursing streams for pilot run and bug fix the fee calculation errors. Resolve all the issues except fetching the SC/ST students and special fees.

2. Finance

Modification & Maintenance

i. Exam Finance

- Scanning Employees Remuneration payment module created.
- In Exam Finance Adv./Settlement Internal vigilance officer(IVO) amount is not reflected in the journal. A form created to update journals to correct these entries.
- Cv Entry form is updated to integrate RDEV CAMP bills.

ii. General Finance

- In the Online receipt module, account wise data is not available, it is integrated in previous data also and created a report to view data account wise.
- Modification of Online Receipt module for new payment purposes.
- Created a form to view all linking budget heads in Meeting Entry.
- Compound entries blocked in the new finance suite.

ii. CE Finance

- Fresh valuation bills are entered in the Exam Finance section. Bill Entry is changed to CE Finance. Corresponding forms created.

iii. Payroll

- Anticipatory income tax statement modified.
- A New form related to the view salary deducted for each employee month wise.
- A form created to update PAN number of employees with a verification by higher officers.
- We have found a PF Interest calculation mistake for different transactions in the same month. It is corrected.

3. University Suite

New Modules & Feature Updates

- FEP is incorporated with NSS registration module of Programme officers
- Created an option to easily find out the NSS units who are not submitted in the current NSS enrollment year.
- Created a new page in the university suite to monitor synopsis status of each student in different schemes.
 - New module developed for online application registration for pharmacy colleges.
 - Confidential note entry module integrated with university file movement system.

- New module developed to share approved UO notes, University orders etc. with staff of KUHS.
- New online application module for applying eligibility certificate with document upload, online payment facilities.
- Created new order document templates for the exam section.
- Solved tapal report generation issue when there are large size files.
- Solved document approval issue of appearing in other section documents during approval.
- Student admission criteria module is modified to set criteria for any board / universities.
- New module to convert a provisional affiliation file which was incorrectly created as a general file instead of a specific file.
- New module to enter DD details for provisional affiliation fees.
- KUHS employee details API for KUHS Library Management System.
- Enabled fee pay later option for provisional affiliation fee payment of government colleges.
- Synopsis online tapal corrupted document regeneration module.
- Modified module for student registration documents upload.
- Integrating modified SBI e payment gateway web service at KUHS gateway.
- File take back module modified to allow only higher level seats to take back files from lower the level seats.
- File seat pointer update module to solve the current seat mapping problem.
- Biometric punching system enrollment of new incumbents of university.
- Generate various reports for sections as and when required.
- Technical support to students, colleges and university staff as and when required.

ii. New Developments

- Basic entry eligibility criteria addition in student registration module

4. Software Developments and Modifications

i. Faculty Enrolment program(FEP)

- Created new pages to provide API to pass faculty data to Finance section to prepare bills
- Created a new page to Download virtual faculty ID cards to faculty in FEP

- Create an option to generate QR codes to fix in Faculty ID cards for the verified faculties.
- Created a new facility for faculty to callback their profile for updating without any confirmation from university

iii. Certificate Course

- Created an option to add/view different programs for certificate generations for webinars/online courses.

5. Hardware Assets added during the Year:

- Hard disk, Model: Purchased: Hard disk Model: Seagate 2TB Expansion for Amount: 5, 229 /
- Purchased: Printer, Model: EPSON M3170, for Amount: 23, 600 /
- Purchased: Printer Model: Canon Pixma G7070 for Amount: 37, 410/
- Purchased: Hard disk Model: Consistent 500 GB for Amount: 6, 760/
- Purchased: Monitor Model: Dell D 2020 H 20" for Amount: 44, 000/
- Purchased: Hard disk Model: Seagate 4 tb Hard disk for Amount: 17, 330.89/
- Purchased: Printer Model: Zebra ZD 220 Barcode Printer for Amount: 13, 570/
- Purchased: QR code Scanner Model: DATA Logic QW2500 (QW2520 BKK1) for Amount: 22, 129/
- Purchased: Desktop Model: DATA Logic QW2500 (QW2520 BKK1) for Amount: 43, 02, 472/
- Purchased: HP Printer Model No: HP Laserjet MFP M233sdw for Amount =20, 018/
- Purchased: Monochrome Laser Printer Model: A3 Network MFP (Medium End) Printer Monochrome Laser for Amount 59805/
- Purchased: Epson Printer Model: M3170 Epson Printer for Amount: 1, 25000/
- Purchased: ACER Desktop Model No: Veriton M200 P565 for Amonut:8, 26000/
- Purchased: Server Hard disc SAS 2.5" 72GB Model No: HPE SAS 300GB for Amount: Rs. 81, 420/
- Purchased: Desktop Medium End WindowsII Model No: Dell Vostro 3710 for Amount: Rs.25, 27, 884/
- Purchased: Dell Laptop Battery Latitude ModelNo: E5420 /E5520 for Amount= Rs.5782/
- Purchased: Colour Laser Printer (HP Digital Signature Printer) for Amount: Rs.141600/
- Purchased: Biometric Reader for Amount: Rs.14160/

- Purchased: Headset or Headphone Hama HS USO 300pc for Amount= Rs.3230/
- Purchased: Laptop High end Windows 11 Professional (INTEL) Processor for Amount= Rs.73569/
- Purchased: SHARP Digital multifunction printer(BP 30M31) for Amount= Rs.619200/
- Purchased: Webcam for Amount= Rs.1755/

6.Further Expansion visualised:

- Development of new and independent file flow software.
- Development of affiliation application modules and connected modules
 - Development of separate modules which are to be made available in college login.

University Works Branch

1. Details of staff and duties

1. University Engineer Head of the Engineering wing of the University. Responsible for the implementation of all infrastructure development works of the university including checking of plan and estimates, checking of tender documents, site supervision, checking of work bills etc. and liaising with the accredited implementing agencies.
2. Assistant Engineer (Civil) –Responsible for the preparation of plan and estimates, tender documents, site supervision, preparation of work bills etc. and all related matters connected with the civil works executed by the university. Also functions as the Estate Officer of the university. The estate Officer is responsible to arrange to carry out petty repairs to the building, upkeep of garden and lawns using daily wage laborers, to ensure proper supply of water and power etc.
3. Assistant Engineer (Electrical) Responsible for the preparation of plan and estimates, tender documents, site supervision, preparation of work bills etc. and all related matters connected with the electrical works executed by the university and maintenance of HVAC systems, Elevator, generator and fire fighting installations in the university.
4. Section Officer Handles all files related to Civil & Electrical works executed by the University.
5. Assistant Section Officer Custodian of all files related to civil works. Also handles the permanent advance amount and temporary advance sanctioned for petty works.
6. Assistant Custodian of all files related to electrical works. Also handles temporary advance sanctioned for petty works.

2. Details of Infrastructure works during the year.

New infrastructure projects taken up during 2022 23

- a) Providing Lining to the rain water harvesting pond in the KUHS Campus, Thrissur.

A Large pond of around 1.50 crore liter capacity is constructed near the north west corner of the campus and all the road side drains are laid and contoured in such a way, that the entire rain water falling on these roads are collected and led to the rain water

harvesting pond. Similarly, necessary plumbing works are provided to collect the entire rain water falling on the rooftop of all buildings in the campus and to lead it to the harvesting pond through the concrete drains. (except for the valuation centre building). The pond was constructed by the end of the year 2014

and is dug in very hard laterite soil. CWRDM (Centre for Water Resources Development and Management) advised to put off the providing of lining to the walls of the pond for a couple of years to replenish the groundwater in the area. Now the university has decided to provide HDPE Lining to the pond to use the water in the summer season. The project cost including Lining and allied works such as construction of filter beds etc. is estimated to be Rs.125 lakhs.

Government accorded Administrative sanction for Providing Lining to the rain water harvesting pond in the KUHS Campus, Thrissur vide G.O (Rt) No.1632/2021/H&FWD dated 01 18 2021 for an amount of ₹125 lakhs. The work was entrusted with CPWD and the fund deposited to CPWD.

b) Construction of Building for School of Research in Ayurveda at Thrippunithura Phase III

Ayurveda is the most ancient system of medicine, and it flourished in India as the most effective system of treatment. For Ayurveda to be promoted as a source of health care, it is crucial to promote efforts to identify the safest and most effective therapy and their rational use. This necessitates intensive research in all fields of Ayurveda ie. Fundamental research, drug research, pharmaceutical research and clinical research. To achieve this objective, KUHS decided to establish a school of research in Ayurveda and to create the required infrastructure in the land allotted by the Government at Thrippunithura.

The building for the school is designed as a nine storied building (G+8) with a total plinth area of 10994 m². Government accorded Administrative sanction for constructing two floors of the building as Phase I vide G.O (Rt) No.3466/2015/H&FWD dated 20 10 2015 for an amount of ₹746 lakhs and vide G.O (Rt) No.3233/2017/H&FWD

dated 15 11 2017 accorded Administrative sanction for the construction of Phase II for an amount of ₹1360 lakhs

The Government accorded Administrative sanction for the project for an amount of ₹462 lakhs, vide GO(Rt.). No.2301/2018/H&FWD dtd 20.07.2018. M/s FIT is the implementing agency. Work tendered and completed the project.

c. Construction of Building for School of Health Policy and Planning at Thiruvananthapuram Phase II

The KUHS has decided to set up a school of Health Policy and Planning studies at Thiruvananthapuram with the intention of creating a health database and for starting initiatives for bringing out a sound health policy and to achieve excellence in delivery of quality health services. The school is expected to strengthen capacity building for improved health policy planning, advocacy and governance. The school is expected to facilitate sound health care practices and policies by enabling all stakeholders in health care delivery to make informed decisions by synthesizing and interpreting available evidence and by carrying out new research efforts to fill in gaps in existing knowledge.

Accordingly, the Governing Council vide item No.26.08 resolved to construct a building for the school of Health Policy and Planning studies at Thiruvananthapuram. Government vide order No.G.O. (MS)NO.46/2015/H&FWD dated 10 03 2015 allotted 15 cents of land in the Govt. Women & Children Hospital campus at Thiruvananthapuram for setting up the school. The execution of the project is entrusted with the CPWD. A three storied building with a total plinth area of 1917m² was designed to suit the provided land and the Government vide order No.2692/2017/H&FWD dated 28 09 2017 has accorded Administrative sanction for the work for an amount of ₹650 lakhs. Later the Government vide order No.G. O(Rt)NO.211/2018/H&FWD dated 19 01 2018 allotted land in the Govt. Medical College campus at Thiruvananthapuram for setting up the school in lieu of the earlier allotted 63 cents of land in Govt. Women & Children Hospital campus at Thiruvananthapuram, with a condition that 5000 sq ft of built up area in the building to be constructed is to be provided for the recreation of the medical teachers.

The original design was thus modified to suite the new land and incorporating the area to be allotted to medical teachers and considering the future expansion and now it is proposed to construct a three storied building with a cellar floor having a total plinth area of 3145.54m², with RCC Framed structure and brick filler walls. In the cellar floor, space is provided for vehicle parking, electrical room, lobby etc., recreation area for medical teachers, multipurpose hall and lobby in the ground floor, guest rooms and evaluation halls in the first floor and office rooms and conference hall in the second floor.

The Government vide order No.2692/2017/H&FWD dated 28 09 2017 has accorded Administrative sanction for the work for an amount of ₹650 lakhs utilising the allocation provided in the state budget for the year 2017 18 as Grant in aid to the university. CPWD is the implementing agency and the phase I completed. The Government vide order G.O.(Rt)1390/2019/H&FWD dtd 11.06.2019 has accorded Administrative sanction for the work for an amount of ₹1000 lakhs CPWD is the implementing agency and the phase II completed.

d.Establishment of Thematic Herbal Garden at KUHS Campus

KUHS has decided to develop an Herbal garden for academic purposes of our students all over Kerala under this University headquarters campus in Thrissur. This project could help them to study about the medicinal plants from a single centre, which could in turn develop into a research centre later, after successful establishment of the garden. It is planned to use 8 hectares of land which is already gifted with various types of medicinal plants.

KUHS submitted a proposal to National Medicinal Plants Board(NMPB), Ministry of AYUSH, Govt. of India amounting to Rs 75 lakh. NMPB examined the details and has approved a non recurring grant of Rs 43.20 lakh for the proposal entitled “Establishment of the Thematic Herbal Garden at KUHS Campus Thrissur”. In compliance of Ministry of AYUSH, NMPB, Govt. of India New Delhi vide file no Z.18017/187/CSS/HG/KE 01/2022 23 NMPD dtd 13.02.2023 to nominate Director General, CCRAS as Central Nodal Agency(CNA) for Central sector scheme for conservation development and sustainable

management of medicinal plants to assign the drawing limit of Rs 24 lakh as first installment for conducting the activities of this project and an amount of Rs 24 Lakh has been transferred to the University. University approached Kerala Forest Research Institute(KFRI), Peechi, Thrissur, an Institution of Kerala State Council for Science, Technology & Environment and they expressed their willingness to undertake the said work. KFRI will provide the Scientific and technical support needed for establishing the herbal garden. It will make sure that all the naturally growing and other important trees are identified and protected in the proposed area. All the civil and electrical works needed will be executed by the University works section. University also decided to constitute an internal committee for monitoring the said work.

It is expressed to complete the proposed project by a total period of 5 years. In the first year all the required civil works such as landscaping, fencing, construction of shelter, plantation, and watering system will be carried out. The civil work will start only after identification, recording and preservation of the existing medicinal plants in the proposed area. From the second year onwards the maintenance and adding extra plants works will be carried out. After successful completion of 5 years from the starting of the project the dream is to establish one of the best Herbal gardens in Kerala.

3. Details of Works Completed

1. Repainting of administrative office building and other minor civil works.
2. Aerobic composting unit at KUHS Campus
3. Repairs to the damaged vitrified tile flooring to different floors of the administrative office building.
4. Construction of Building for School of Research in Ayurveda at Thrippunithura Phase3
5. Construction of Building for School of Health Policy and Planning at Thiruvananthapuram Phase II
6. Construction of Staff Quarters Type III and in Type II in KUHS Campus
7. Rainwater harvesting pond
8. Installing bore well pump in Academic building
9. AMC for HVAC system in administration building
10. NEPI B Check inspection to 125, 500 & 250 KVA DG sets

11. Fire system Revamping and NOC Renewal of utility building, KUHS
12. Fire system Revamping and NOC Renewal of admin building, KUHS
13. Air conditioning of simulation lab
14. Electrical works for 3 phase temporary supply connection at SFRA
15. Supply and Installation of 12V/7AH Quanta make SMF Batteries
16. Repair of solar street lights
17. Comprehensive AMC for 90 KVA UPS system including batteries in Admin building.
18. Providing AMC for 500 and 250 KVA DG sets at Admin office building
19. Providing AMC to the 125 DG set installed at the university evaluation centre
20. Comprehensive AMC for Elevator at University Evaluation centre.
21. Maintenance work to the solar water heater installed at the evaluation centre.
22. Maintenance work HVAC system at the EV Centre.
23. Providing AMC for 125 KVA DG sets
24. Maintenance of 16 Nos of solar street lights installed as Phase I
25. Daily maintenances of all the electrical system
26. Maintenance works of Solar power plant

4. Works in Progress

a) Construction of Building for School of Health Policy and Planning at Thiruvananthapuram Phase III

The KUHS has decided to set up a school of Health Policy and Planning studies at Thiruvananthapuram with the intention of creating a health database and for starting initiatives for bringing out a sound health policy and to achieve excellence in delivery of quality health services. The school is expected to strengthen capacity building for improved health policy planning, advocacy and governance. The school is expected to facilitate sound health care practices and policies by enabling all stakeholders in health care delivery to make informed decisions by synthesizing and interpreting available evidence and by carrying out new research efforts to fill in gaps in existing knowledge.

Accordingly, the Governing Council vide item No.26.08 resolved to construct a building for the school of Health Policy and Planning studies at Thiruvananthapuram.

Government vide order No.G. O(MS)NO.46/2015/H&FWD dated 10 03 2015 allotted 15 cents of land in the Govt. Women & Children Hospital campus at Thiruvananthapuram for setting up the school. The execution of the project is entrusted with the CPWD. A three storied building with a total plinth area of 1917m² was designed to suite the provided land and the Government vide order No.2692/2017/H&FWD dated 28 09 2017 has accorded Administrative sanction for the work for an amount of ₹650 lakhs. Later the Government vide order No.G. O(Rt)NO.211/2018/H&FWD dated 19 01 2018 allotted 63 cents of land in the Govt. Medical College campus at Thiruvananthapuram for setting up the school in lieu of the earlier allotted land in Govt. Women & Children Hospital campus at Thiruvananthapuram, with a condition that 5000 sq ft of built up area in the building to be constructed is to be provided for the recreation of the medical teachers.

The original design was thus modified to suite the new land and incorporating the area to be allotted to medical teachers and considering the future expansion and now it is proposed to construct a three storied building with a cellar floor having a total plinth area of 3145.54m², with RCC Framed structure and brick filler walls. In the cellar floor, space is provided for vehicle parking, electrical room, lobby etc., recreation area for medical teachers, multipurpose hall and lobby in the ground floor, guest rooms and evaluation halls in the first floor and office rooms and conference hall in the second floor.

The Government vide order No.2692/2017/H&FWD dated 28 09 2017 has accorded Administrative sanction for the work for an amount of ₹650 lakhs utilising the allocation provided in the state budget for the year 2017 18 as Grant in aid to the university. CPWD is the implementing agency and the phase I completed. The Government vide order G.O.(Rt)1390/2019/H&FWD dtd 11.06.2019 has accorded Administrative sanction for the work for an amount of ₹1000 lakhs CPWD is the implementing agency and the execution of the work is in progress and about 70% of the works is completed.

b) Construction of Building for School of Family Health studies at Kozhikode

The KUHS has decided to set up a school of Family Health studies at Kozhikode for addressing family health in all its dimensions by developing strategies to promote family as the most important social unit for human survival and development .The school

is expected to adequately address the family health issues of the society and will also facilitate developing comprehensive service models in improving health of individuals, families and communities by working together to understand, teach, counsel and lead the whole community for healthy living and lifestyles.

The required land for constructing a building for the school was allotted in the Govt. Medical College campus, Kozhikode by the Govt. and the Government also accorded Administrative Sanction for constructing the building for an amount of ₹714.37 lakhs. The execution is entrusted with KPWD and the work progresses and about 98% of the work is completed.

c)Construction of Building for School of Research in Ayurveda at Thrippunithura Phase IV

Ayurveda is the most ancient system of medicine, and it flourished in India as the most effective system of treatment. For Ayurveda to be promoted as a source of health care, it is crucial to promote efforts to identify the safest and most effective therapy and their rational use. This necessitates intensive research in all fields of Ayurveda ie. Fundamental research, drug research, pharmaceutical research and clinical research. To achieve this objective, KUHS decided to establish a school of research in Ayurveda and to create the required infrastructure in the land allotted by the Government at Thrippunithura.

The building for the school is designed as a nine storied building (G+8) with a total plinth area of 10994 m². Government accorded Administrative sanction for constructing of the building as Phase I vide G.O (Rt) No.3466/2015/H&FWD dated 20 10 2015 for an amount of ₹746 lakhs and Phase II vide G.O (Rt) No.3233/2017/H&FWD dated 15 11 2017 for an amount of ₹1360 lakhs and Phase III vide G.O (Rt) No.2301/2018/H&FWD dated 20 07 2018 for an amount of ₹462 lakhs. M/s FIT is the implementing agency and all the 3 phases are completed.

The Government vide order No. G.O (Rt) No.2293/2022/H&FWD dated 20 09 2022 has accorded Administrative sanction for the work for an amount of ₹450 lakhs. M/S

FIT is the implementing agency and the execution of the work is in progress and about 30% of the work is completed.

d) Installation of CCTV Surveillance system in the Campus

University has decided to establish CCTV Surveillance system in the campus to enhance the security of the institution. Administrative sanction was accorded for an amount of Rs.50, 00, 000/-. Estimates are prepared and the tender procedures are in progress.

e) Additional electrical and data works in Academic staff college

Administrative sanction of Rs.3, 07, 00, 000/ was accorded for Additional electrical and data works required in Academic staff college and the work was entrusted with M/s ULCCS (Uralungal Labour Contract Co operative Society). Around 95% of execution of the work is completed.

f) Establishing solar power plant in University 15 kwp

KUHS had established a 250 KWp solar power plant in the campus as part of achieving self sufficiency in energy consumption by using a Government grant of Rs.1.61 Crore. Now the University has decided to set up another 15 KWp solar power plant on the rooftop of the Administration building using the balance amount out of the grant of Rs.1.61 Crore sanctioned by the Government. The work was entrusted to M/s Keltron and is nearing completion.

g) Construction of an Auditorium

It is decided to construct an auditorium of capacity 1000 seats in the campus utilising the savings amount from the Construction of the Utility Building and the construction of the academic block building. CPWD is selected as the implementing agency. They prepared the plan and drawings and submitted for approval.

5. Future programmes

a) Construction of Dormitory type accommodation in the campus of Kerala University of Health sciences, Thrissur

There is persistent demand from the staff for providing additional accommodation facilities in the campus. Considering this demand, it is decided to construct a new building to provide bachelor type accommodation.

It is decided to construct a two storied building with a total plinth area of 500 m² with RCC Framed structure and brick filler walls. Each unit will have a drawing room, a bedroom, a toilet and a work area. Each floor will house eight units. A total of sixteen units is proposed to be included in the building. An estimate amounting to ₹320 lakhs was prepared and the Govt. accorded Administrative Sanction for the project utilising the allocation provided in the state budget for the year 2019 20.

KPWD is the implementing agency and the execution will commence after the project cost is released by the Govt, and deposited with the KPWD.

b) Construction of a Sewage Treatment plant attached to staff quarters in the KUHS Campus, Thrissur.

The KUHS has its main campus located in the land allotted by the Government in the Medical college campus at Mulankunnathukavu, Thrissur. The main building, Evaluation centre and staff quarters, Pareeksha bhavan & Utility building are in this campus. All these buildings are provided with independent septic tanks and soak pits. But the soil in this area consists of impermeable hard laterite and hence the effluents from the septic tanks are not absorbed by the soak pits and are overflowing, resulting in the collection of waste water in the soak pit area. This is highly unhygienic and is posing health hazards. Only solution is to establish Treatment plants for treating the Sewage.

There are two staff quarters blocks, one each of Type II and Type III at present in the campus. Government has already accorded Administrative sanction for constructing two more blocks. Another building for providing bachelor type accommodation is also planned. Considering the present and the immediate future requirements, it was proposed to

establish a sewage treatment plants of 100 KLD capacity, attached to staff quarters in the KUHS Campus, Thrissur.

It is proposed to adopt Moving Bed Bio Reactor(MBBR) technology for the Sewage Treatment plants. The total project cost is ₹80 lakhs.

CPWD is the implementing agency and the execution will commence after the project cost is released by the Govt, and deposited with the CPWD

c)KUHS Translational Research Centre

The Govt. of Kerala has announced a scheme to set up Translational Research Centers in the Universities of Kerala (Project/Scheme Code HEDN_12 Translational Research Centers) with an allotment of Rs 20 crore for each center KIIFFB Project in the annual State budget 2022 23. Kerala University of Health Sciences has been included under the scheme.

d)Construction of VC PVC Quarters

Kerala University of Health sciences decided to provide residential accommodations to their officers and the staff in the campus. In this phase of construction, two villa type accommodations are included for the residential purpose of the Vice Chancellor and the Pro Vice Chancellor.

The design is based on Indian Standard Specifications, CPWD/PWD specifications. The proposed building will be two storied RCC framed structures. The building will contain mainly 3 bed rooms with attached toilet, living, dining, kitchen, work area, office room and a car porch. The foundations will be isolated footings on hard strata available at shallow depth.

The estimate for the construction of VC & PVC Quarters comes to an approximate amount of Rs. 2, 00, 000, 00/ (Rupees two crore only) including GST.

e) Construction of Staff Quarters (10 Storied building)

The KUHS campus is located at Mulankunnathukavu at a distance of 13 kms from Thrissur town and it is highly necessary to provide Family quarters for employees of

university, as it is difficult to get rental buildings near to the campus for employees the majority of them being non localities. Hence it is decided to construct flat type staff quarters including Type II, Type III & Type IV housing 60 units. It is proposed to construct a ten storied building with a total plinth area of 7500 m² with RCC framed structure and brick filled walls. Each floor houses 6 units.

Provision for electrification, plumbing, construction of septic tank, installing overhead water tank etc. are also provided in the estimate. The design is based on Indian Standard Specifications, CPWD/PWD specifications. The proposed building will be ten storied RCC framed structures. The approximate cost of the works comes to Rs 38, 00, 00, 000/ (Rupees thirty-eight crore only) including GST.

The work has been decided to be done in a phased manner and the first phase includes piling work and construction of three floors. Approximate amount for the construction of Phase I comes to 13, 10, 00, 000/ (Rupees thirteen crore ten lakhs only) including GST.

f) Establishing of solar power plant Phase II

University has decided to reduce the dependency on conventional energy by harnessing solar energy. For this KUHS already established a 250 KWP Ground mounted solar power plant in the university campus Thrissur and it is producing electricity since 2021 February 25th. As per the overall report this plant produced only 60% of the actual consumption as present. It is proposed to establish another 1 Mega(1000KWp) Watt Solar power plant in the university premises in the possible areas and accorded administrative sanction for an amount of Rs.500 lakhs. Once it is established, the university can produce approximately 1, 50, 000 Units monthly and the additional power produced can export to the grid and it can be used for future energy requirements. The work is about to start on receiving Government funds.

g) Construction of Building for School of Research in Ayurveda at Thrippunithura Phase

Ayurveda is the most ancient system of medicine, and it flourished in India as the most effective system of treatment. For Ayurveda to be promoted as a source of health care, it is crucial to promote efforts to identify the safest and most effective therapy and their rational use. This necessitates intensive research in all fields of Ayurveda ie. Fundamental research, drug research, pharmaceutical research and clinical research. To achieve this objective, KUHS decided to establish a school of research in Ayurveda and to create the required infrastructure in the land allotted by the Government at Thrippunithura.

The building for the school is designed as a nine storied building (G+8) with a total plinth area of 10994 m². The 3 phases are completed and work of Phase IV is in progress.

The provisions included Phase V is for carrying out the balance work to make the entire building occupational.

An estimate amounting to ₹650 lakhs was prepared and submitted to the Govt for Administrative Sanction.

Central Library

Library automation was initiated using Koha, an Open Source Library Management Software. Started the digital Library project using the Open Source software 'DSpace' and uploaded 3211 P.G Theses in the DSpace. Uploading of the medical PG. Theses of 2019 22 batch, 2018 21 batch and of 2017 20 batch were completed. The project is going on and will take ABOUT 6 months to complete.

Tendering formalities for starting a new journal is being initiated. The construction of 'Library portal' for KUHS Central Library is in the final stage. The access to the E resources provided by the KSHEC consortium through Knimbus was ensured for the Research guides and research Scholars of KUHS. KUHS Newsletter was redesigned as a blog and is being updated. Taken into stock of 63 books Purchased for the School of Fundamental Research in Ayurveda and 62 books for the Central Library. The process of taking stock of the printed copy of P. G and Super Speciality Theses submitted to the KUHS from the year 2012 to 2022 has started and is continuing.

University Schools

The School for Public Health (SPH), Thiruvananthapuram

Introduction

The School of Public Health (Formerly “School of Health Policy and Planning studies”), Thiruvananthapuram is one of the three affiliated Schools under KUHS started functioning from 29.6.2015. The new name came into effect from 30.03.2021.

The mandate for the school

The University Act Chapter II, Section 5 contemplates the school as a centre for facilitating health sector policy formulation and implementation. The school is engaged in research methodology promotion as a capacity building activity for a production of good quality research evidence to health policy studies (health policy methodology promotion, policy analysis and giving feedback on existing policies, interventions in key policy areas and finding a research agenda in this policy implementation research)

Now the school is designed as an advanced training and research centre with two departments under the school.

1. Department of Epidemiology
2. Department of Health Policy Studies

Location

The School is located at the Principal Office building, Govt. Medical College, Thiruvananthapuram from 10.6.2019. The school has a full time Professor, Associate Professor, Assistant Professor, Biostatistics and one Office Assistant. There are three research fellows in the School.

Staff Pattern

Professor	1
Associate Professor	1
Asst. Professor	1
Office Supporting Staff	1

Research Assistants	3
---------------------	---

The activities of the school are given below:

A. Research methodology Promotion:

Teaching learning activities targeted to faculty of all streams Conducting certificate programs and short courses in research methodology.

1. Certificate programmes

New 5 certificate courses are sanctioned

1. Certificate programme on Medical certification of cause of death and essential Nosology for clinicians
2. Certificate programme on Practice of Clinical epidemiology and evidence based medicine and clinical appraisal
3. Certificate programme on Introductory Health policy
4. Certificate programme on Essential clinical health economics for KUHS faculty
5. Certificate programme on Database Management In Health Science Research

2. M Phil Clinical Epidemiology Course (Part time)

Second batches are going on for this course. This is a program of post PG courses in Clinical Epidemiology for the faculty in affiliated colleges under KUHS.

Research methodology consultations:

Faculty from various affiliated Institutions approach the center for consultations. The Professor also takes classes or guides students from affiliated institutions and takes part in teaching.

Improving the Research environment in Affiliated Institutions:

The school has started a project for training faculty towards critical appraisal techniques and other capacity building for updating of faculty through journal club activities.

Chief Ministers Nava Kerala postdoctoral fellowship: One post is awarded to Dr Simi Mohan and the School is the centre.

Committee to study Gender inequality in Kerala

The School is the coordinating agency for the Committee to study Gender inequality in Kerala.

On going Research:

1. Breastfeeding promotion activity

Breastfeeding support tools development is a major activity carried by the school associated with IAP and Govt.of Kerala. The school has organized a discussion and open vetting of the experts in this field to finalize the breastfeeding resource materials at Thiruvananthapuram and Calicut and the support tools were developed. The lactation management training course was conducted, Training was given for staff involved in care of pregnant and lactating women especially caretakers within the maternity ward as well as health workers who deliver services to mother and child. A state level Breastfeeding Promotion program with certificate programs on lactation management were given to nurses across Kerala. We are planning to continue this activity every year.

A research project named “Breastfeeding rates, determinants of lactation failure and ‘innovative information sharing solutions’ for breastfeeding promotion in Kerala” has started on 05.02.2021.

2. Consolidating the experience gained in Mortality reduction in Kerala

The school was already involved in Infant Mortality Reduction activities in partnership with the Indian Academy of Paediatrics: Last year we conducted a workshop on Mortality reduction experience of Kerala. Infant death review is an activity in partnership with Indian Academy of Paediatrics. Now an intramural research project namely “Capacity building for strengthening management information system to capture infant mortality and to consolidate the mortality reduction experience in kerala is focusing on infant death audit” *and got* ethical committee clearance. The project started on 01 03 2022.

3. Preparation of Perspective plan for KUHS: The primary responsibility of KUHS is to provide professional human resources for the health sector. For this a prospective plan for KUHS was developed and accepted by the governing council.

A checklist for screening applications for starting new institutions or new courses was developed as a part of this activity. Further validation is needed and as an extension of this

activity an intramural research project namely “Professional health workforce for kerala, determinants of supply and projected demand a situation analysis.

A workshop on Allied health care professionals in Kerala was conducted and the proceedings are available. The project has started on 01 02 2022

F. Completed Intramural Research Project

Changing family health status and its impact on health of family

A research project on “ Changing families and its effects on physical, mental, and social health of family members in Kerala A KUHS study” is conducted by the School of Public Health. The final report of the project was submitted to the University. Three publications have been already made from this project. The next manuscript is being prepared. A Malayalam booklet for dissemination of findings is also ready.

G. Health policy methodology promotion

1. Promotion of health policy methodology

An interest group was constituted from among the faculty of KUHS and a series of workshops was organised. Separate expert group for epidemiology, economics, and sociology in the context of health policy development has identified and discussion held, the proceedings were published in the journal of KUHS. This group needs to be sustained and policy evaluation is being planned.

Training activities

Training for Nurses in Lactation management and counseling.

Academic consortium for COVID 19 related research initiatives

As part of the COVID 19 related activities, KUHS formulated an academic consortium for COVID 19 related research initiatives. COVID research cell was started.

A research interest group was developed involving faculty from various affiliated institutions and proposals developed. One of such protocols by Dr Chandini, Professor, Medicine Govt. Medical College, Kozhikode as team leader has been approved by ICMR for funding. Collaborative activity with Veterinary University in the direction of one health is being planned.

Faculty development and research facilitation:

In continuation with the COVID 19 related activities SPH have conducted a series of **Webinar sessions** for the faculty under KUHS.

Documentation of COVID experience of Kerala:

Document on COVID experience of Kerala. Like other parts of this globe, Covid was the most painful experience for Kerala people also. As a country, we had the second maximum number of cases and deaths. Kerala was one of the worst hit states of the country. Though we had sizable mortality and caseload, all our walks of life have been suspended with activity restrictions. Our collective efforts under a determined governmental action have shown the best case of resilience for the whole world. Now all spheres of social life have returned and we have learned to live with COVID. The KUHS being the singular university for health science education in Kerala have been working on war footing to contribute to these resilient efforts of the state. In addition to routine functioning of the University, like teaching learning activities and conduct of examinations etc. we had an additional commitment of regularly updating our faculty on changing COVID literature. We have conducted a series of national and international webinars, scientific consultations, and expert group meetings and regular release of advisories; we also monitored regularly what is happening in the campus and gave all support to institutions to survive this unprecedented crisis. Documenting these problems and the solutions we found, and the measures taken to thrive are important for tomorrow. School of Public Health, Kerala University of Health Sciences is doing this documentary work which will be useful for the next generation or even for this generation as we don't know when another pandemic is going to happen. A team has been developed and activity is done. The book was published at the National Conference on 23rd and 24th September by Smt. VEENA GEORGE (Honourable Minister of Health and Family Welfare).

NATIONAL CLINICAL EPIDEMIOLOGIST'S MEET & WORKSHOPS

Two days' National Epidemiology Meet cum Workshop was conducted as a joint venture of Govt Medical College, Trivandrum and School of Public Health, Kerala University of Health Sciences (KUHS) on September 23rd and 24th at Diamond Jubilee Auditorium, Govt Medical College, Trivandrum. The theme for day 1 was Translating research evidence to policy and practice bridging the gaps and for day 2 was Real world example The situation of COVID experience of Kerala in a health system perspective Release of Document and discussion on Chapters. Nationwide eminent professionals attend the programme and it was inaugurated by the Honorable Minister of Health and Family Welfare on 23rd September 2022 on 10:00 am

The sessions on day 1 were

Prioritising research and importance of policy relevant research, why all research topics happen to be not policy relevant. By Dr. V. Ramankutty (Prof. and HOD (Retd) Achutha Menon Centre for Health and Social Sciences, Thiruvananthapuram

Lessons from COVID Experience: National scenario by Dr Manoj Murhekar, Scientist G & Director, NIE(ICMR) Chennai

Translating research evidence to policy and practice in Ayurveda: The case of Kerala for handling Pandemic: Prof. Sudhikumar, Prof. I/C, School of Fundamental research in Ayurveda, KUHS

Knowledge synthesis and interpretation Craft of evidence synthesis from a quantitative data analysis perspective (Handling bias confounders and power considerations: Prof. Sreekumaran Nair, HOD Biostatistics, JIPMER Pondicherry

The Craft of evidence synthesis: an overview: Prof Dr. Prathap Tharyan (CMC Vellore) and Cochrane collaboration centre.

Research communication and knowledge dissemination Unbiased and usable reporting of research findings: Publishing Presenting and submitting reports to the research sponsors.: Prof. K.R Thankappan, Prof & HOD (Retd.) Achutha Menon Centre for Health & Social Sciences, Thiruvananthapuram

Projects not completed, completed not published, published not disseminated and not translated: Why all these are not ethical: Prof. Dr. M. Narendra Nathan, Professor & HOD (Retd) Govt. Medical College, Thiruvananthapuram

Group activity and plenary Theme Identification of barriers in Kerala context and suggestions for research evidence translation to clinical and public health practice. (Situation Review and suggestions for the way forward in key priorities for research focusing on implementation barriers)

Facilitators: Prof. Dr. Vijaya Kumar Prof& Head, Community Medicine, Govt. Medical college, Thiruvananthapuram (Retd.), Dr. Saleena Shah, JDNE, DME Kerala, Dr. Biju George, Assoc.Professor, Dept. Of Community Medicine, Govt. Medical College, Kozhikode

On day 2

Real world example: The situation of COVID experience of Kerala in a health system perspective Release of Document and discussion on Chapters.

Epidemiology of Covid in Kerala burden and outcomes. (Covid documentation team KUHS) Dr. Rajamohan K, Swapna K G, Jisharaj V R

What worked and what could not work for the surveillance system in Kerala : Dr. Meenakshy, (Additional Director, Public health) and Dr. Sunija S, (Director, State Public Health Lab) and team

Covid and its Impact on Health Science Education (KUHS) Dr. C P Vijayan, Pro Vice chancellor & Dr. Iqbal V M (Dean, Student Affairs KUHS)

Care and support in the community: The LSG Interface: Mr. Jagajeevan N (former programme officer, Kudumbasree Mission) & Dr. Divya

The success story of Vaccination and Vaccine delivery platform in Kerala: Dr. Indu P S (Professor and Head, Dept. of Community Medicine, Govt. Medical College, Kollam) & Dr. Sandeep (Dy. Director and Program Officer for Child Health, DHS Kerala)

Health system response: A review of advisories: Dr. A S Pradeep Kumar

Testing strategies and lessons learned: Dr Sarada Devi (Professor & Head, Dept. of Microbiology, SUT Medical College, Thiruvananthapuram)

Critical care system functioning: Dr. Anil Sathyadas, HOD, Critical Care Medicine, Govt. Medical College, TVPM

The experience of efficient risk perception and communication strategy: Namitha P (School of Public Health)

Presentations and discussion on long Covid and new normal life

Respiratory: Dr Sanjeev Nair, (Professor & Head, Dept. of Respiratory Medicine, Govt. Medical College, Thiruvananthapuram) Dr. Kamala (Professor & Head, Dept. of Dept. of Respiratory Medicine, Govt. Medical College, Kozhikode)

Cardiovascular: Dr. Radhakrishnan V V, (Professor, Dept. of Cardiology, Govt. Medical College, Thiruvananthapuram)

Neurological: Dr. Thomas Iype (Professor & Head, Dept. of Neurology, Govt. Medical College, Thiruvananthapuram)

What is next in COVID in terms of Policy Prescriptions, Dr. Rakhal Gaintonde, (Senior Scientist, SCTIMST)

Valedictory remarks and feedback from participants

Closing remarks: Dr. Mohanan Kunnummal, Vice Chancellor, KUHS

Accompanying programs of the workshop were conducted On line mode from Dates 15 20 September, 7 9 PM including free paper presentations for 3 days, 15nd to 17thSeptember, a talk on What is new in Covid research: Dr Shyam Kottlil from Maryland University on 19th, USA and Scientometric analysis and critical review of published literature on covid 19 in Kerala on 20th.

1. Webinar on World NTD day

International webinar was conducted on neglected Tropical Diseases on 31.01.2022. Dr. Mohanan Kunnummal, Hon Vice Chancellor, KUHS inaugurated the programme. The topics discussed were Responsibility of community and primary care in the global Road map for neglected tropical diseases 2021 - 2030, Indian example of LF elimination program and its success and challenges and Kerala scenario of LF elimination programme and its challenges and need for community participation

Public health bill discussion

Right to health is one of the fundamental human rights which is often compromised by outcomes of human behaviour either individually or as a social group, which are faced by the entire population in everyday life. This can be managed by changing the health behaviour through one of the basic approaches like regulatory approach, service approach and health

education approach. Though health education is the ideal approach but many times a regulatory approach is also necessary considering the seriousness of the issue.

Public health legislation concerns the legal power and duties of the state to improve the health of the general population and the limitations on the power of the state to constrain the autonomy, privacy, liberty, proprietary or other legally protected interests of individuals for the protection or promotion of community health. It's mainly aimed at supporting the development of health systems, sustaining the health policies and programs, fighting new and re emerging communicable diseases and combating the continuing poverty and inequities in health.

4. International Seminar on Virology and Immunology

On celebrating the 70th anniversary of Govt. Medical College, Thiruvananthapuram, Kerala University of Health Sciences and the Alumni Association had organized an international seminar on "Virology and immunology". The programme was inaugurated by Prof. Dr. Mohanan Kunnummal, Vice Chancellor Kerala University of Health Science. The session was "Virology and Immunology" by Prof. Robert Gallo, Director, Institute of Human Virology Baltimore, USA and Prof. Anders Vahine, Professor Emeritus in Clinical Virology, Karolinska Institute, Stockholm, Sweden

A visit to the National Institute of Advanced Virology was conducted for developing academic programs and research in virology in association with Kerala University of Health Sciences and Institute of Advanced Virology, Kerala on 25/08/2022 and discussions were conducted by the Hon. VC with Prof. Anders Vahine, Professor Emeritus in Clinical Virology, Karolinska Institute, Stockholm, Sweden and the Director of the National Institute of Advanced Virology.

Awards

Our Poster on **“Functioning of Human Ethics Committees during COVID period in affiliated Institutions under Kerala University of Health Sciences”** as part of the international webinar organized by FERCI won the first prize.

School of Fundamental Research in Ayurveda, Thripunithura

The School of Fundamental Research in Ayurveda is an institution, dedicated to conduct research in the various aspects of Ayurveda to validate its concepts and practices. To expand the domain of Ayurvedic research, the school leverages the existing scientific methodologies in medical research, plant research, and ethno medicine research. The school also offers a range of programs designed to orient students, faculty, and researchers to foster research enthusiasm. The institution envisions incubation facilities for Ayurvedic scholars, researchers, and industrialists to promote the values of this indigenous system of medicine, with a focus on developing standardized protocols for good clinical practice in the future.

Staff pattern:

1. Dr. Sudhikumar K.B, Professor
2. Dr. Sreeraj S K, Associate Professor
3. Dr Jyothi P K, Associate Professor
4. Dr. Sailekha. P, Research Assistant

1. PG Orientation Program

Phase I 4th April 12th April 2022

Every year SFRA conducts an orientation program for the first year PG scholars of Ayurveda. The admission process was completed hence SFRA is conducting the program to make aware of the importance of research and the need of research in Ayurveda. The program is planned in two phases. Phase I 6 days' online program for two hours each per day starting from 4th April to 12th April 2022 and Phase II hands on training for synopsis writing and will be conducted at their own colleges in May 2022, starting on 5th May.

2. PG Orientation Phase II 09th May 2022 to 25th May 2022

PG orientation Phase II, hands on training for first year PG students in Synopsis writing. The selected experts from SFRA will go to the PG institutions and train the students. It started on 9th May at Government Ayurveda College Trivandrum. Two experts will be posted at GAC Trivandrum, GAVC Tripunithura, GAVC Kannur and VPSV Kottakkal as the number of students are more and one internal expert will coordinate the proceedings in each college. Dr. Janeesh

Janardanan and Dr. Radhikarani from Government Ayurveda College Tripunithura were deputed as external experts and Dr. Sreekumar K is acting as coordinator. Dr. Janeesh J led the training program at Pankajakashturi Ayurveda College Kattakada on 9th May. May 10, 2022 the orientation program for PG students started at VPSV Ayurveda College Kottakkal, two days' program introducing how to write a synopsis and answering the queries by the students.

3. Student Research Conclave “VEEKSHA III” 2022, 14th May 2022

As a part of promotion and creating awareness among PG students, SFRA conducts Student Research Conclave every year. Due to the pandemic, it was not conducted in 2021, this year as the pandemic subsided hence, planned to conduct the Veeksha III in May 2022.

On May 14th Saturday, at 9 Pm, the program started with an inauguration followed by the presentation on 'Analytical techniques in Ayurveda research' and another session on the 'OMICS technologies application in Ayurveda research'. The afternoon session was the presentation of the selected thesis by PG students and awarding of the best thesis.

Thesis competition was conducted as a part of the conclave. 49 thesis abstracts were received and the selected first 10 were invited to present it on 14th May. This year, the program was conducted at the SFRA building and as the venue is having a 100 seating capacity, a registration form was made and circulated among faculty and PG students to ensure their presence.

The registration for the program closed on the 12th of May and there were 60 registrations from the PG students. PG students 74% Faculty 17 % and remaining others. PG students are mostly from the Panchakarma department. PG students from Govt. AVC Trivandrum, Govt. AVC Tripunithura, Govt. AVC Kannur, Pankajakasthuri Ayurveda college Kattakkada, S N Ayurveda college Puthur, Mannam Ayurveda college Thiruvalla, PNNM College Cheruthuruthy, and MVR Ayurveda college students participated.

4. The Second batch of MPhil Translational Ayurveda Started on 1st June 2022

Dr. Sudhikumar K B took the introductory session in online platform

5. Training in BIOETHICS for Faculty Online 6th June 2022 To 1st July 2022

Training started on 6th June. 126 faculty registered for the training in bioethics, which shows the interest of the faculty and the need of such a course. The most delegates were Associate

Professors, the next Assistant Professors followed by Professors. There was registration from all the 17 affiliated Ayurveda colleges and from Nangelil Ayurveda college 28 faculty registered. The Faculty training in Bioethics, which started on 6th June ended on July 1st with the tenth session.

6. Advanced Research Techniques Awareness Cum Training for KUHS AYUSH Faculty

The School of Fundamental Research in Ayurveda is conducting research in different domains. The research will be successful only if the newer technologies are incorporated into Ayurveda research. Moreover, NCISM states it as one of the objectives to encourage medical professionals to adopt the latest medical research in their work to contribute to the research. Hence, the awareness cum training in recent advances in research techniques for KUHS AYUSH faculty. This twenty hours' program included expert lectures from Melbourne, VIT Vellore, NIIT Calicut and Bharatiar University. There were 225 registrations for the program, 164 were faculty (Ayurveda 103, Homeopathy 31, Sidha 6 and Unani 1, 61 KUHS PG scholars also registered on special request.) The classes started on

7. Certificate Course on Role of Diet and Regimes in the prevention and management of LifeStyle Disorders

As a part of a series of certificate courses by SFRA, submitted a certificate course on Diet & regimes with syllabus and regulations. KUHS Academic council accepted the regulation and syllabus and allotted the course as directing eligibility of admission to all registered practitioners of Kerala, irrespective of system. The course is 72 hours with 60 hours online and 12 hours practical and assignment. Requested consent of expert faculty and the response was warming and fixed 36 faculties for the online class, the course was announced on April 1st to register with remitting Rs 1000 as registration fee, even though the last date mentioned was 8th April registration closed on 4th itself, showing the interest of participants. Out of ninety participant's majority are Ayurveda graduates, MBBS graduates, BDS graduates and BHMS graduates are in good numbers.

All the experts were present in the WhatsApp group for the course for a minimum 48 hours after their class to clear the doubts raised by the participants.

The participants were requested to send assignments as a video presentation of not less than 3 minutes and maximum five minutes. 83 of the participants sent the assignments but only

73 were openable. All the participants are requested to participate on the practical session scheduled on 6th August from 9.30 am to 4 9m at PNNM Ayurveda Medical College

The practical session was conducted in two batches. A total of 26 dishes were prepared. 4 soups, 2 salads, 4 dosas, 3 chutneys, 3 gruels, 3 buttermilk preparations, 3 juices, 4 herbal drinks were in the list. Dr. Smitha and Dr. Shithal lead the recipe making along with explaining the rationale of the recipe and preparation. Dr. Vinuraj explained the calorie value, the benefits of each item, and its use for various conditions. Also, the indications and contraindications of these items in different disease conditions and how to modify them accordingly were also explained. All three faculties eagerly clarified the doubts raised by the participants. The session ended successfully at 3:30PM

8. “AYUR SPORTS” National seminar

The School of fundamental research in Ayurveda had decided to conduct a National Seminar in connection with Azadi ka Amrit Maholsav. As SFRA is starting a new MPhil course in sports medicine Ayurveda from the next academic year, it was decided that the seminar if related to sports will be a better choice, hence this seminar. SFRA requested for sanction to KUHS and as per the UO No 127/2022/ Schools & centers/KUHS dated 03 06 2022 it was sanctioned. So we started the registration process for the seminar in the google form and another google form for inviting research papers in endurance/ acute injury management and rehabilitation. 87 participated other than invited faculty and Principal, out of 87 forty-three were early registered and others were spot registered. The social media section of the AYUSH Ministry contacted us and requested to provide an online link for the inauguration and the scientific session. So we have to make arrangements for providing this by hiring a video camera and online live programming on YouTube.

All experts were appreciated by presenting a memento and certificate by Dr. Sudhikumar KB, Professor SFRA. The prize winners of the research proposal competition Dr. Resmi B G first and Dr. Prathibha G second were awarded medals and certificates. The winner of the logo competition Dr. Navya Ramesh PG Scholar R&B department GAVC Tripunithura was awarded a medal and certificate on this occasion.

9. Training in Scientific Writing (online course)

Scientific writing is an important area in research, if a research work is incomplete if it's not published. Every faculty, PG scholar and practitioner must develop the art of scientific writing. Hence, SFRA decided to start a training program on this as online for the Ayurveda fraternity. SFRA submitted a proposal to conduct a 12 days' two-hour program (24 hours) at the SFRA Board meeting on 26 06 2022 and was accepted. The Academic committee met on 9 09 2022 approved the decision of board meeting and the University as per UO No 152/2022/ Schools and centers KUHS dated 19 09 2022 sanctioned the program. After receiving the approval invited for registration and within two days 357 were registered, so we decided to reconfirm the participation by requesting for confirmation and 220 were confirmed their participation, this demonstrates the interest of the doctors. Among the registered there were faculty, PG scholars, practitioners and researchers. The class started on 6 10 2022 and ended on 21 11 2022.

After the successful completion of the online training program Scientific writing, as per the request of the participants a practical training was planned. As per the request of SFRA, the University approved the Hands on training program. SFRA invited the willingness of the participants who have already undergone the online program and after the initial screening of the attendance, selected 27 candidates. The training program included 18 hours of training spread over three days of 9th, 17th, and 23rd of December. The selected experts are Dr. Vinodkumar M V, Professor VPSV Ayurveda College Kottakkal who will lead the class on "Review of literature", Dr. Vinuraj S Associate Professor Govt. AVC Kannur will discuss "case report writing" and Dr. Abhilash M, Assistant Professor Govt. AVC Kannur will lead the class on "Synopsis/ project report". Prior homework will be given for each class, there will be introduction, demonstration, interaction and writing articles by the participants. The expected outcome benefit of the training program is the publication of minimum ten articles from the participants. Dr. Vinodkumar M V Professor VPSV Ayurveda College Kottakkal, lead the class on "Review article" writing and Dr. Abhilash M Assistant Professor Government Ayurveda college Kannur, lead the discussion on preparation of synopsis/project.

AHARARASAYANA National Seminar Report

SFRA had conducted a six-month online certificate course on the role of diet and régimes in the management of lifestyle diseases, after the completion of the program some of the

participant doctors showed interest in doing research on the role of diet in controlling diabetes. SFRA made a research protocol with a specific diet for DM type II patients including the food that they were habitually consuming, making slight changes. We advised the plate method that half the plate with fiber content vegetable remaining half with carb, protein and fat. The medicine could continue as before, but after two months the result was amazing. This paves the way to conduct a seminar to create awareness among doctors and PG scholars about the importance of diet. The vision of the seminar is to enlighten ayurvedic doctors about proper diet regimens and dietary guidelines. By updating on these topics, the doctors can effectively intervene in disease prevention and patient care, thereby contributing to the creation of a healthy society.

SFRA made a proposal and sent for the approval of the University and the university sanctioned the proposal as per UO No /51/2023/Schools and centers/KUHS dated 09 02 2023. SFRA made a committee with Dr Sudhikumar K B Professor as Chairman, Dr Sreeraj S K as Convener and Dr Sailekha P as Coordinator. On 10th February we announced the seminar and invited essays from PG scholars and U G students as a part of essay competition in connection with the seminar, Rs 5000 first prize, Rs 3000 as second prize for PG and Rs 2000 for UG students.

We received more than 200 registrations, as the seat was limited to 100 we reconfirmed among the registered and 87 reconfirmed their presence on the specified date 22nd Feb. The first level scrutiny committee with 3 members and another evaluating committee with 3 members were formed. They scrutinised the 14 essays received and selected Dr. Saritha S and Dr. Mridula M K both Govt Ayurveda college Tripunithura as first and second in PG section and Amrrutha Pramod kumar, PN Panicker Souhruda Ayurveda Medical College, Kasargod in UG session. There was a logo competition to select a logo for Ahararasayana and Dr Vishnu Sreenivas logo was selected.

Observance of National Girl Child Day

On 24th January 2023, KUHS School of Fundamental Research in Ayurveda observed National Girl Child Day. It is essential to bring attention to the goal that will be accomplished on that day. The purpose of the day was to bring awareness to the disparities that are experienced by female children across the country and to encourage people to become concerned about these issues. The government places a strong emphasis on the significance of education,

health care, and proper nourishment. Discrimination based on gender is one of the most important issues that the women and girls of India need to get resolved as soon as possible. SFRA campus hosted an invited discussion by Dr. Mini.S. Muraleedharan, Associate Professor and Head in the Department of Koumarabhrithya at the Government Ayurveda College, Thirppunithura. Nearly thirty people, including members of the public, house surgeons, postgraduate scholars, and students, were present for the discussion, which was both educational and thought provoking.

Observance of World Cancer Day

Observance of world cancer day was conducted at Government Ayurveda College Tripunithura on 4th February. Dr. T D Sreekumar Principal Government Ayurveda College inaugurated the program. In his speech, he emphasized the need for practical knowledge of ayurvedic management of cancer as the disease is increasing alarmingly. Even though several options are there for the management, most of them are expensive and people cannot afford them.

Observance of Sexual and Reproductive Health Awareness Day

On February 13, 2023, KUHS School of Fundamental Research in Ayurveda observed Sexual & Reproductive Health Awareness Day. This day is an opportunity to raise awareness about sexual & reproductive health issues and to educate to reduce the spread of sexually transmitted infections. SFRA campus hosted an invited discussion by Dr. Rajitha R Warriar, Associate Professor, Department of Prasuti Streeroga, Govt. Ayurveda College, Tripunithura.

Observance of Sexual and Reproductive Health Awareness Day

On February 13, 2023, KUHS School of Fundamental Research in Ayurveda observed Sexual & Reproductive Health Awareness Day. This day is an opportunity to raise awareness about sexual & reproductive health issues and to educate to reduce the spread of sexually transmitted infections. SFRA campus hosted an invited discussion by Dr. Rajitha R Warriar, Associate Professor, Department of Prasuti Streeroga, Govt. Ayurveda College, Tripunithura. The participants constituted about 35 members including members of Public House Surgeons, Post Graduate Scholars, and Students.

The invited talk started with defining sexual & reproductive health. It then emphasized the relevance of regimens to be followed in *Ritumathi*, *Rajaswala*, *Garbhini*, *Suthika* and principles related to family planning, STD's, Sexuality, etc. The three '*Upastambhas*' in Ayurveda were well explained with its practical applications in routine life. The various risks or consequences such as physical, emotional and psychological with its applied aspects were imparted to the participants. Finally, the tips to maintain good sexual & reproductive health are explained with various parameters.

Observance of World Kidney Day

On 9th March 2023, KUHS School of Fundamental Research in Ayurveda planned to observe World Kidney Day. The purpose of the day's observance was to raise awareness of the importance of our kidneys to our overall health and to reduce the frequency and impact of kidney disease and its associated health problems worldwide

Dr. Bindu P.R, Associate Professor and Department of Kaya Chikitsa at the Government Ayurveda College, Tripunithura was the invited speaker. 40 students participated in the session.

To start with, a brief review of the anatomy and physiology of Kidney was done. The description of kidney diseases emphasizing CKD was very elaborately explained.

Observance of World Oral Health Day

On 20th March 2023, KUHS School of Fundamental Research in Ayurveda observed World Oral Health Day. The objective of World Oral Health Day is to raise awareness among people of the importance of oral hygiene and to educate them about dental issues. The theme for World Oral Health Day 2023 is 'Be Proud of Your Mouth.'

Dr. Krishna Kumar R, Professor, Department of pediatric and preventive dentistry at the Anoor Dental College was invited to deliver the class. 50 students participated in the session. Dr. Krishna Kumar explained all the dental and oral diseases and the methods of prevention and management of such diseases.

Observance of World Down Syndrome Day

On 21st March 2023, KUHS School of Fundamental Research in Ayurveda observed World Down Syndrome Day. The objective of this day is to spread awareness about Down Syndrome, a genetic condition, and to reduce the social stigma faced by patients

Dr. Mini.S. Muraleedharan, Associate Professor and Head in the Department of Koumarabhrithya at the Government Ayurveda College, Thirppunithura was the expert faculty for the session. 35 students participated in the session. Gene patterns of Down Syndrome babies, and their physical and behavioral patterns were discussed. Awareness was given regarding the possible diseases they can get and the need to detect them early. The importance of early intervention programs with a team of therapists and special educators who can treat each child's specific situation was also discussed.

School of Family Health Studies, Kozhikode

The School of Family Health Studies (SFHS) is one of the three Schools of Kerala University of Health Sciences. The broad aim of the school is to provide an academic and implementation framework for healthy families in Kerala by providing necessary academic, administrative and implementation support systems.

Presently the following are the three centers under the SFHS.

Centre for Gerontological Studies.

Centre for Disability Management Studies.

Centre for Studies on Health of Young Adults.

Staff Pattern

The School functions with a professor, two associate professors, and an administrative staff.

1. Prof (Dr.) Geeta M. Govindaraj (Professor)
2. Dr. Anoop Kumar N (Associate Professor)
3. Dr. Subhadra K T (Associate Professor)
4. Sri. Gowtham Dev, Research Fellow in the project titled– “Development and validation of a composite scale to assess healthy aging and to develop an inter disciplinary guideline on healthy aging in Kerala” under the Centre for Gerontological Studies.
5. Smt. Sruthy Babu, Research Fellow in the project titled “Developing home based dementia care model: A mixed methodology approach” under the Centre for Gerontological Studies.

Research Initiatives

- Submitted a concept proposal to ICMR titled ‘Comprehensive clinical and genetic characterization of stillbirths from a tertiary centre in Kerala’ in collaboration with the Department of Obstetrics, GMC Kozhikode and IMHANS.

- Submitted plan proposal for funding of phase 1 of newborn screening for Lethal inborn errors of immunity to Planning Board
- Submitted collaborative research proposal to DBT on TREC / KREC Assay for Newborn Screening of newborns with severe inborn errors of adaptive immunity.

Other Academic Activities

- Meeting with Hon'ble Vice Chancellor on 26/8/2022 School of Family Health Studies, KUHS Kozhikode- The main objective of the meeting was to pool ideas from the gathered experts to develop School of family Health Studies (SFHS) in the field of Family Health and related areas as a recognizable voice by creating required track records.
- Conducted a workshop on Digital Transformation in Health care on 29/09/2022 at RCMET Hall, GMC Kozhikode for Medical Faculty.
- As a faculty development initiative School of Family Health Studies conducted MOOC-CYAGC –Certificate program in Young Adults Guidance and Counseling in Moodle Platform. MOOC-CYAGC II started from August 1st to February 6th 2023.126 participants registered for this program.80 participants successfully completed the program.
- Project for implementation: 'Clinical and Immunological characterization and assessment of psychological wellbeing in carriers of X - linked recessive inborn errors of immunity (IEIs)'.
- Young Innovators Programme 5.0" for PhD scholars and MPhil scholars of affiliated colleges of KUHS by Kerala Development and Innovation Strategic Council conducted an orientation program on 30th March 2023 (12.00 noon to 1.00 PM) on the topic "Democratizing Innovation" through online mode. This was intended to transform the vision of a knowledge society in a way that is suited to our state through the promotion of innovations that bring about equitable and sustainable development of Kerala and for promoting innovation and creativity among young students.
- School of Family Health Studies Conducted workshop "Arogyakeralam-Arogyamela" at KUHS on 25/07/2022 for panchayat representatives and health workers on 'Climate change and was inaugurated by Hon'ble Vice Chancellor, Prof Dr Mohanan Kuunnummal and lead by Dr Binu Areekkal, HOD, Dept Community Medicine, GMC,

Idukki, Dr PO Nameer, Dean College of Climate Change, Agricultural University, Thrissur, Dr Geeta Govindaraj Professor SFHS and Dr Shaji KS, Dean Research, KUHS.

- Conducted a half day orientation program for policy makers and peripheral workers of Wadakkanchery Municipality. Based on the official meeting conducted jointly by SFHS-KUHS, KILA and Wadakkanchery Municipality over the functioning of “School of Healthy Ageing” as part of “Aarogyanagaram” project sanctioned for Wadakkanchery Municipality by Kerala Government on 26/09/2022 1.30pm- 4.30pm for the Wadakkanchery Municipality Council members, policy makers and peripheral level workers. It was agreed that although this movement is not going to produce a fast and palpable change in the community but it is sure to produce a slow movement in the community which can gradually snowball into an evidence based growth in the right direction. A project of School of Healthy Ageing by Wadakkanchery Municipality, first of its kind in Kerala, is advised and supported by Centre of Gerontological Studies. The Centre participated in the October 1st International Old Age Day celebrations at Wadakkanchery.
- School of Family Health Studies Kozhikode conducted One Day Training of Health Care Professionals on Cerebral Visual Impairment on 18/03/2023 at Kerala University of Health Sciences Senate Hall. Training program was conducted for paediatricians, ophthalmologists, optometrists, special-educators, occupational therapists, developmental therapists and other related health care professionals working in National Health Mission, Department of Health Services & medical colleges. A group discussion with a panel of professionals Dr Geetha Govind Raj (Professor, School of Family Health Studies), Dr. Parvathy Mohan Professor Dept of Pediatrics Amala Institute of Medical Sciences Thrissur, Dr Janaki Menon Professor Dept of Pediatrics GMC Thrissur and Dr Lathika Nayar Additional Professor Dept of Pediatrics & Nodal Officer REIC & Autism Centre, GMC Thrissur was also conducted. "Veetiloru Therapist" book was distributed to all parents who attended the program.

**5. Training programme for mothers of children with neurodevelopmental disorders :
4th May 2023**

School of Family Health Studies Kozhikode conducted One Day Training programme for mothers of children with neurodevelopmental disorders along with Institute of Mental Health and Neuro sciences (IMHANS), Indian Academy of Paediatrics, National Health Mission Wayanad on 04/05/2023, at Newform Hotel Kakkavayal Wayanad. Welcome Speech was given by Eby Scariya (DEIC Manager). The Presidential address was given by Dr Shijin John Aloor (District RCH Officer). Dr Sameeha Saidalavi DPM was the Chief Guest of the program. Program was inaugurated by Deputy DMO Dr Sawan Sara Mathew who focused on the need of such programs for parents. Dr Geeta Govindaraj (Professor School of Family Health Studies) gave the introduction about the program. The gathering was felicitated by Dr Nimmy (Pediatrician CHC Meenangady) Dr Anoop Kumar N Associate Professor SFHS gave overview of the

program. The vote of thanks was delivered by Mrs Jasmine Jolly (Staff Nurse DEIC). 70 participants participated in the program. Topics discussed were spoken language training from home, pre academic skill training programme, training the child on their daily routine though fine motor skills from home and on the role of parents in early in intervention. Mrs. Mumthas CPM (Audiologist cum Speech Language Pathologist, IMHANS), Mr. Justin P Kurian (Early Interventionist IMHANS), and Mrs. Sandhya M Special Educator, IMHANS) were resource persons. Veetiloru Therapist” book was distributed to all parents who attended the program.

Activities under center for Gerontological Studies

Vayojana Resource Centre: Based on the discussion with Smt. R. Bindu, Hon’ble Minister SJD, the department has asked to develop a project for Vayojana resource Centre. The discussions for the same is going on with the Social Justice Department, Govt of Kerala under the Convenership of Dr Shaji K S, Dean Research.

Research Initiatives

- Development and Validation of a Composite Scale to Assess Healthy Ageing and to develop an Inter-Disciplinary Guideline on Healthy Aging in Kerala- started from Nov 2021 as intramural project (U.O. No. 90/2021/schools and centres /KUHS dated 22/6/21) This is to develop, validate and test a composite scale to measure “Healthy aging” and to formulate an inter- disciplinary guideline from the perceptions of health science. one of the objectives (Mapping of resource utilization by the older persons in Kerala) completed (U.O.90/2021/Schools and Centres/KUHS dated 22/06/2021-UEC/1/KUHS/2021(version 3)) - Principal Investigator- Dr Subhadra KT, Research fellow- Gowtham Dev
- Developing Home Based Dementia care model: A mixed methodology approach (U.O.No.4/M/15621/2022/A1/S&C/KUHS dated 20-06-2022). The project started by January 3 2023. The project intends to develop a Home based dementia care module to scientifically take care of these patients at home itself, as well as tackling the caregivers burden scientifically - Principal Investigator- Dr Subhadra KT, Research fellow- Sruthy KB

Paper presentation and publication

- Role of community health workers in transdisciplinary models for decreasing the impact of dementia on care partners for persons suffering from dementia- a scoping review. Paper presentation at Alzheimer's disease International at London on 9/6/2022-11/06/2022. The abstracts published in Oxford Abstracts. The same was published in a Journal - Thrivikraman SK, Dev G. Role of community health workers astrans-disciplinary models for decreasing the impact of dementia on carepartners of persons suffering from dementia: a scoping review. Journal of Geriatric Care and Research, 2022, 9, 2: 47-56.
- COSTFORD-fellowship program- The proposal was on the Resource Utilization Index for Healthy Ageing in Kerala. Gowtham Dev, Research fellow with the Centre's project and has been selected for fellowship by COSTFORD.

Academic Programmes

- The Centre for Gerontological Studies under the School of Family Health Studies at, Kerala University of Health Sciences (KUHS), proposed to organize an online seminar with Dr Jotheeswaran A Thiyagarajan, Technical Officer (Epidemiologist), Ageing and Health Unit, Department of Maternal, Newborn, Child, Adolescent Health and Ageing, World Health Organisation (WHO) as the key speaker on October 1, 2022, 2 pm. The topic: WHO's Public Health Framework for Healthy Ageing: From evidence to action. But due to a sudden untoward incident it had to be rearranged with Dr Shaji K S as the resource person.
- Conducted training on MOODLE for the staff of KUHS with the help of Kerala Higher Education Council.
- The International Workshop on Geriatrics & Gerontology Initiative was held at Baby Memorial Hospital in Kozhikode on 18th and 19th March 2023, with joint support from School of Family Health Studies, Kerala University of Health Sciences and Pallium India. The School actively participated in the same.

Activities under Centre for Disability Management Studies

Certificate Program on Childhood disability management and rehabilitation MOOC-CCDMR. This was planned to be started by 1st Dec 2022 for the faculty of affiliated colleges of KUHS and various Directorates and other Health Care workers, but had to be postponed due to unavoidable circumstances. This is to impart awareness on the early identification and effective management of Disability effectively from childhood itself.

Academic Staff College

The aim of Academic Staff College is to impart faculty development programs for all the health science faculties of affiliated colleges under KUHS by instilling in the teacher participant's scientific attitude to health science education through developing professional competence in teaching by standardized teaching and evaluating methods.

Centre was established in the year 2016 with the Vision to provide world class healthcare simulation which helps teams and individuals to develop preparedness and insight that is best learned and practiced in realistic conditions.

Objectives of the centre

- The broad objective of the Centre is to develop a world class immersive, simulation based learning environment where medical education is enhanced through simulation technology, innovation and research.
- To establish a functional simulation lab as a model for affiliated colleges supporting under graduate training in various medical streams using simulators and manikins
- To establish a skill lab to train under graduates, post graduates and teachers in various procedures and techniques
- To reduce avoidable trauma in the present practice of using patients as objects of training from the beginning

I. Centre for studies in Medical simulation

Staff Pattern

The ASC functions with a Director (i/c), a visiting professor and one associate professor.

1. Prof (Dr.) Geeta M. Govindaraj, Director (i/c)
2. Prof (Dr.) R. Sajithkumar, Visiting Professor
3. Dr. Mercy P. J, Associate Professor.
4. Smt. Presthiena Lofi E.L, Research Fellow project titled "Enhancement of competency in simulation training" under the Centre for Studies in Medical Simulation.

Activities of the centre

A. Training

a. Certificate Program in "Simulation Curriculum" on MOOC Moodle

Broad Objective of the certificate program is to equip the health science faculty with knowledge in managing simulation labs of their institution, competence in clinical skill training to teach their students safe and competent health care and positive attitude in using simulation based teaching methods to amplify preclinical teaching and ensuring patient safety.⁴⁴ Teachers of institutions affiliated to Kerala University of Health Sciences, from Medicine, Ayurveda, Homeopathy, Dental, Nursing, Pharmacy, Allied Health Sciences streams participated in the program. The duration of Program was approximately 6 months. Offline workshops were conducted on 20th July 22 and 14th and 15th September 22.

Classes were in online mode, in Moodle and workshops were conducted offline in physical mode at KUHS headquarters

b. Two-day workshop on CBME issues and concerns in clinical subjects for senior MBBS Teachers from clinical UG dept.

The workshop was Proposed and organized by Dr. Sajith Kumar R Professor in Infectious Diseases & Professor in Medical Education Convener NMC Nodal Centre for Faculty Development Govt. Medical College Kottayam.

c. Orientation Course On Updates On Functions of KUHS for Non Teaching Staff of Affiliated Institutions of KUHS in MOOC mode.

d. Laerdal Medical Educational Services Training of simulation expert

Organized and conducted Laerdal Medical Educational Services two days Training for Sim Man 3G at KUHS Thrissur for the simulation faculty, On 29th and 30th of august 2022.

e. Training in Sim Mom by Laerdal Medical Educational Services

Laerdal Medical Educational Services has conducted a two days training for Sim Mom at KUHS Thrissur for the simulation faculty, on 27th and 28th of October 2022.

f. Two days' workshop on Training of trainers in medical simulation at KUHS, Thrissur, On 16 and 17 th of November2022.

g. Basic Life Support Training for KUHS Staff

Organized and conducted Basic Life Support Training for KUHS Staff The training was organized in 2 phases, one in January 2023 and other one in February 2023. The first phase was planned for 201 staff members of the KUHS in three days as, 11th, 12th, and 13th of January 2023 followed by the second phase in February 7th, 8th and 9th. The program was conducted at KUHS HeadQuarters.

h. Workshop for CBME II issues and concerns in clinical subjects for senior MBBS teachers from clinical UG dept. on 18th and 19th January 2023

The objectives were to enable the participants to translate the principles of CBME into practice while preparing the curriculum for Final Year MBBS Part 1, to incorporate skills training and assessment as a part of clinical training and assessment and to develop training skills in senior faculty for training other teachers.

The session started with an inaugural meeting. Prof. Dr. Geeta Govindaraj delivered the Welcome address. Honorable vice chancellor, Prof. Dr Mohanan Kunnummal inaugurated the program and delivered the inaugural address. Prof. Dr C P Vijayan, Pro Vice chancellor KUHS, delivered the felicitation speech. Prof. Dr Sajith Kumar, Professor Emeritus, Govt. Medical College, Kottayam expressed the vote of thanks. The consecutive sessions were conducted as scheduled. The program ended on 19th January 2023 at 4 pm with a valedictory function and distribution of certificates. Dr Sajith Kumar, Professor and Head, Dept. of Infectious disease, Govt. Medical College, Kottayam took the leadership and coordinated the two days' program along with other resources persons. Thirty-three participants participated in the program

i. Laerdal Medical Educational Services Training of simulation expert –Refresher Course

Organized and conducted Laerdal Medical Educational Services one-day refresher Training program on SIM MOM and Sim Man 3G simulator at KUHS Thrissur for the simulation faculty who underwent two-day training earlier, On 9th and 10th March 2023 respectively.

Objectives

- To provide high quality simulation training in a multitude of different medical procedures and patient cases
- To train the team with state of the art simulation technology designed to improve team performance within a risk free environment
- To develop confidence to Use Sim Man 3G and SIM MOM as a stand alone simulator,

- To expand the skill of training possibilities with high quality add ons and your own equipment.
- To identify skill improvement areas for individuals as well as those essential for a team to function together, such as communication, behavior, and leadership.
- The faculty members who have been identified and trained in the month of August 2022 to were invited and revised their skill and knowledge on the simulator. A total of 10 experts from various stream of the KUHS faculty attended the SIM MAN and 7 experts from OBG attended the program

j. Training of Trainers in Simulation based Medical Education Trauma management, one day program was organized on 29/3/23 at KUHS Simulation and Skill Training Centre, 1st floor, KUHS HeadQuarters for Modern Medicine and Nursing teachers from the affiliated colleges of KUHS. Registration was limited to 40 participants. (preference given to Medical surgical and Paediatrics Nursing faculty and emergency department medical faculty) All 40 participants attended the program successfully and certificates was issued to them

Objectives

In this hands on, interactive workshop professionals are provided opportunities

- To orient and introduce simulation technology and different simulators used in teaching learning activities of Trauma management
- To demonstrate the role of simulation in acquiring skills in various Trauma management scenarios
- To perform procedures on the simulators and give hands on training on various scenarios.
- To assess the effectiveness of the training program in terms of knowledge and skill.

B. Research

a. Project on "Enhancement of Competency in Simulation Training" (on going)

Objectives of the study

To develop a simulation competency assessment scale for health science educators, simulation attitude scale, and a simulation Competency framework for training health science educators

Progress Report:

- Presthena Lofi. joined as Research fellow in the project on 1/1/22.

- Data collection tool finalized. Pilot study completed.
- Literature review and journal presentation is in progress

b. Capacity building program for health science faculty under Academic Staff College

Project Summary

Recent changes in the health care delivery and the rapid growth of technology challenged the traditional way of clinical skills development. Simulation and clinical skills laboratories (CSLs) help the modern health science professionals to achieve higher levels of competence and safer care. Simulation 'is a technique to replace or amplify real patient experiences with guided experiences, artificially contrived that evokes or replicates substantial aspects of the real world in a fully interactive manner.' Simulated clinical experiences are designed to help learners manage a variety of patient care situations that they may not otherwise encounter in the clinical environment. Such clinical skills can be learned and taught in simulation laboratories which also provide an ideal environment for assessment. However, they should not replace, but rather complement bedside teaching. Moreover, simulation has the potential to recreate scenarios that are rarely experienced and test professionals in challenging situations, and to carefully examine their actions. In a previous research study titled 'facility assessment of simulation in all the affiliated colleges of KUHS' conducted by the centre, the health science teachers revealed that there is a need for simulation training and orientation for the capacity building of the teachers to implement the simulation-based curriculum and proper establishment and maintenance of simulation training in their colleges.

Kerala University of Health Sciences (KUHS) being a centre of innovation and excellence, committed to improve the quality of health science education with focus on patient safety. Centre for Studies in Medical Simulation, under Academic Staff College of KUHS conducts training programs in clinical skills simulation with a view to skill enhancement in clinical training of the KUHS faculty. The Simulation and Skill training centre of KUHS started functioning on the first floor of KUHS HQ with well equipped facilities in simulation training. Various programs are designed in the lab to meet the unique requirements of teachers working in health science education, by developing their teaching and evaluation skills in clinical simulation. The Capacity building program for health science faculty is one among the training designed with this purpose. The Capacity building program mainly aimed to equip the health science teachers from each stream to develop and maintain a good quality clinical

simulation facility and capacitate them with necessary knowledge and skills needed for maintenance and optimum utilization.

Broad Objective

The broad objective of the capacity building program is to develop an immersive, simulation based learning environment in health science institutions with skilled faculty in handling and delivering simulation based education, innovation and research.

Specific objectives of the program

1. To orient the clinical skill training and simulation facility of KUHS to the health science teachers of affiliated colleges.
2. To demonstrate the simulation training equipment in the clinical skill training centre of KUHS to the health science teachers.
3. To introduce the setting and lay out of the simulation lab of KUHS to the health science faculty.
4. To equip the health science teachers with baseline knowledge to establish simulation labs in their colleges to train their students in various procedures and skills.

Learners

Health science teachers from various health streams under KUHS (Medical Faculty, Ayurveda Faculty, Homeo Faculty, Dental Faculty, Nursing Faculty, Pharmacy Faculty Paramedical Faculty)

Methodology

Project Schedule and resources

Project duration 1 year

One day orientation program of 7 hours' duration which will include the physical tour of the simulation lab of the KUHS with three hours of theory. Each month, there will be two of these sessions. A small group of 15 to 20 participants from similar faculty will be assigned for each session. On completion of the orientation program, the certificate for attendance and participation will be given. No TA and DA bill is permitted for the participants. Notification for the program will be announced on the university website and will be selected on a first come first serve basis. A registration fee of Rs. 500/ per person will be levied

C. Activities carried out to Establish the Simulation Lab

1. Technical committee meetings were organized to vet the purchased equipment and install the equipment as and when it was arrived. The below listed items were installed in the simulation lab

Sl. No	Name of equipment	Quantity
List 1		
1	Advanced Airway trainer for difficult intubation	1
2	Airway Management Trainer adult	4
3	Airway Management Trainer Infant	2
4	Airway Management Trainer Neonate	1
5	Airway Management Trainer Child	3
6	Choking Manikin	1
7	Episiotomy and Perineal laceration trainer	1
8	Full Body High fidelity Patient Simulator Male & Female	1
9	Full Body High fidelity Patient Simulator Maternal & Fetal	1
10	Full Body ALS manikin	3
11	Injection Trainer	1
12	Intubation Trainer	1
13	Nursing Skills trainer	1
14	Pelvic Examination trainer Female	1
15	Pelvic Examination trainer Male	1
16	Suturing pad	50
17	Trauma Training Simulator	1
18	Urinary Catheterization trainer	1
List 2		
1	CPR Manikins Adult	7
2	CPR Manikins Infant	10
3	Crash Cart	10
4	Defibrillator with cardiac monitor	4
5	AED Pad	4

2. Received the furniture for the simulation lab (prioritized and short listed)

3. List of Surgical Instruments and Accessory Materials Needed in KUHS Clinical Skills & Simulation Centre has been submitted, procured and entered in the stock book maintained in the lab.

4. The curriculum for the certificate program on Simulation curriculum finalized on MOOC Moodle platform.

5. Regular TOT programs are organized to utilize the simulation lab and simulators

First Phase (UO:NO 410/2022/admn/KUHS) Equipment arrived and installed on 4th July 22

The technical experts consisting of Dr Ravindran.C. Professor, Dept. Surgery, GMC Thrissur., Dr Ashish. K. Prof, Dept. of Anesthesia GMC, Thrissur, Dr. Megha Jayaprakash Additional Professor, Dept. of Gynecology GMC Thrissur and Dr. Murali.C. P Prof. Pulmonology GMC, Thrissur inspected the above purchased items and established the required specification (pre determined) and certified the equipment is in good working condition on 5th July2022.

Second phase the (UO:NO 410/2022/admn/KUHS) Equipment arrived and installed on 26th

August 2022. The technical experts consist of Dr Ravindran.C. Professor, Dept. Surgery, GMC Thrissur., Dr Ashish. K. Prof, Dept. of Anaesthesia GMC, Thrissur, and Dr. Murali.C. P Prof. Pulmonology GMC, Thrissur inspected the above purchased items and established the required specification (pre determined) and certified the equipment is in good working condition on 26th August 22.

Affiliated Colleges and Courses

Details of all institutions with courses and intake during the year 2022-23

Stream	College	Course	Intake	Admitted Students	Vacant Seats
