

KERALA UNIVERSITY OF HEALTH SCIENCES

കേരള ആരോഗ്യശാസ്ത്ര സർവ്വകലാശാല

Annual Report
2024-25

Prof. (Dr). Mohanan Kunnummal
Vice Chancellor

FOREWORD

I am profoundly delighted and honoured to present the Annual Report of the Kerala University of Health Sciences (KUHS) for the year 2024–2025. This comprehensive document, now available in both conventional printed and accessible digital formats, underscores our firm commitment to embracing the contemporary shift towards digitalisation.

This report is a testament to a year of significant progress, highlighting numerous noteworthy academic achievements, pivotal policy implementations, and sustained excellence in health professional education and research.

The Kerala University of Health Sciences, established in December 2009 and governed by the Kerala University of Health Sciences Act 2010, continues to play an indispensable, pivotal role in regulating and overseeing the training and academic standards across all major health disciplines within Kerala. Our vast remit encompasses Modern Medicine (Allopathy), Dental Sciences, AYUSH (Ayurveda, Unani, Siddha, and Homoeopathy), and Allied Health Science courses throughout the state. The University has steadfastly maintained and elevated high academic and ethical standards in preparing the next generation of healthcare professionals.

Beyond academic rigor, KUHS has taken a position of ethical and social leadership. We are proud to have set a groundbreaking precedent by pioneering the mandatory inclusion of a "pledge against dowry" during the graduation process at

all our affiliated Colleges. This initiative reflects the University's commitment not only to technical excellence but also to fostering social responsibility and gender equity within the healthcare community.

We have adhered to the pre-published examination calendar, successfully ensuring timely conduct of examinations and prompt declaration of results, a feat that requires immense coordination and dedication from the entire University system.

Academic initiatives, curriculum development, and collaborative research activities continued without compromise. The University's unwavering dedication to research, academic excellence, and administrative integrity persisted, primarily thanks to the steadfast and unwavering support of our governing bodies: the Senate, the Governing Council, the Academic Council, and other statutory bodies. Their guidance and strategic oversight are invaluable.

Finally, my deepest gratitude is extended to my dedicated colleagues on the University leadership team—including the Pro Vice Chancellor, the Registrar, the Controller of Examinations, and the Finance Officer, University Deans—and, the broader University community of teaching faculty, non-teaching staff, and students. Their wholehearted commitment, hard work, and shared vision are the bedrock upon which the Kerala University of Health Sciences continues to advance its vital mission of serving the health needs of the state.

INTRODUCTION

INTRODUCTION

The Kerala University of Health Sciences, established under the Kerala University of Health Sciences Act 2010, is dedicated to upholding exemplary academic standards and the quality of health sciences education. The university's mission is to ensure systematic instruction, teaching, training, and research in both modern and Indian systems of medicine. As of March 2024, it affiliates 378 colleges across various disciplines and branches of health sciences.

Objectives:

- ❖ Design innovative courses and curriculum aligned with advancements in health sciences.
- ❖ Regulate standards of affiliated colleges and institutions.
- ❖ Organize programs addressing societal health issues.
- ❖ Provide leadership in medical human resource development and state health planning.
- ❖ Emphasize epidemiological studies, disease monitoring, and surveillance systems.
- ❖ Facilitate dialogue between different health care systems.
- ❖ Foster joint research programs and integration between diverse medical systems.
- ❖ Promote equitable distribution of educational facilities in health and allied sciences.
- ❖ Establish an educational network using modern communication media for continuous knowledge upgrading.

Vision

The university aspires to create a distinctive learning environment capable of meeting challenges in Kerala's healthcare sector. It aims to educate students on ethics and values, developing professionals rooted in both scientific excellence and ancient wisdom. Through research, incorporation of traditional knowledge, and engagement with societies, the university seeks to enhance health care practices, addressing local and regional health issues.

Mission

The mission of the university is to produce health care professionals and biomedical knowledge within a humanistic tradition. This endeavor focuses on extending the quality of life in communities for present and future generations. The University is committed to delivering high quality education, encouraging research, and fostering stake holder participation and community engagement. This involves maintaining an efficient and transparent administrative mechanism responsive to the diverse needs of stakeholders, including students, parents, staff, affiliated colleges, and the public. Additionally, the university actively promotes community involvement through health awareness and promotion programs.

SENATE

The Senate is the statutory authority constituted to formulate the broad policies and programmes of the University and to suggest measures for improvement and development of the University. The Senate shall consist of ex-officio members, nominated members and elected members. The ex-officio members include.

- ✧ The Chancellor
- ✧ The Pro-Chancellor
- ✧ The Vice Chancellor
- ✧ The pro-Vice Chancellor
- ✧ The Secretary to Government, Health Department in-charge of Medical Education.
- ✧ The Secretary to Government, Finance Department
- ✧ The Director of Medical Education
- ✧ The Director of Health Services.
- ✧ The Directors of various systems of Medicine
- ✧ A member of the Kerala State Higher Education Council
- ✧ The Chairman of the University Students Union
- ✧ The Registrar and
- ✧ All Deans of the Faculties of the University.

The Nominated members consists of heads of University Departments or schools, Principals of Government colleges of various systems of Medicine and persons having interest in health sciences nominated by Government.

The elected members consist of medical practitioners of various systems of medicine, principals of private colleges of various systems of medicine, members elected from Legislative Assembly of Kerala, members elected from among the teachers of Government/Private colleges of various systems of Medicine, members of Managers of Private Medical and allied colleges, members elected from among the Non-teaching staff of affiliated colleges/University etc.

6	Dr. Santhosh V S	Asst. Prof. Radiotherapy GMC, TVM
7	Dr. Suja K Kunnath	Assoc. Prof., NISH, TVM
8	Dr. Parvathy R	Professor of Paediatrics, Amala Institute of Medical Colleges, Thrissur
9	Dr. Sankar S	Former Principal & HOD of Pathology, Govt. Medical College, Kottayam (PSG College of Pharmacy, Coimbatore)
10	Ms. Biju Rani V R	Asst. Prof. MLT, Govt. Medical College, Trivandrum
11	Prof. Kamaraj B	A.K.G Co-operative Institute of Health Sciences, Mavilayi, Kannur
12	Dr. Paul V Puthussery	Addl. Professor of Radiodiagnosis, GMC EKM
13	Ms. Girija P C	Prof. & HoD, AWH, KZD
14	Jasmine P Charan	Susrutha School of Optometry & Visual Sciences, Cochin

FACULTY OF PHARMACEUTICAL SCIENCES		
Sl.No.	Name	Designation & Address
1	Dr. Dileep KJ	Professor of Pharmaceutics, College of Pharmaceutical Sciences, Govt TD Medical College, Alappuzha
2	Dr. Rajagopal	Assoc. Professor, College of Pharmaceutical Sciences, Govt Medical College, Kannur

Sl.No.	Name	Designation & Address
3	Dr. Rajasree R S	Professor and Head, College of Pharmaceutical Sciences, Govt. TD Medical College, Alappuzha
4	Dr. Jiji Jose	Professor, Dr. Moopen's College of Pharmacy, Wayanad
5	Dr. S Kavimani	Dept. of Pharmacology, Mother Theresa Post Graduate & Research institute, Puduchery
6	Dr. Sreejith K	Asst. Prof. of Pharmaceutical Sciences, College of Pharmaceutical Sciences, GMC, KZD

FACULTY OF DENTAL SCIENCES

Sl.No.	Name	Designation & Address
1	Dr. Elbe Peter	Prof & HoD of Orthodontics, Govt. Dental College, Thrissur
2	Dr. Eapen Cherian	Prof. & HoD of Oral Pathology, Travancore Dental College, Kollam
3	Dr. Baiju R M	Prof. & HoD of Periodontics, Govt. Dental College, Kottayam
4	Dr. Prathapan Parayaruthottam	Prof. of Orthodontics, Govt. Dental College, Alappuzha
5	Dr. Sheeja Varghese	Registrar, Saveetha University
6	Dr. Sridhar Premkumar	Principal, Tamil Nadu GDC Hospital & Addl. Director of Medical Education

FACULTY OF MEDICINE

Sl.No.	Name	Designation & Address
1	Dr. Ajithkumar K	Prof. & HoD, Dermatology, Govt. Medical College, Kottayam
2	Dr. Harikumar Nair G S	Prof. of Radio Diagnosis, Sree Gokulam Medical College & Research Centre, Trivandrum
3	Dr. Binoy S	Professor of Orthopaedics, Govt. Medical College, Trivandrum
4	Dr. Resmi C R	Addl. Prof. of Obs. & Gynaecology, Govt. Medical College, Thrissur
5	Dr. Syam S	Prof. & HoD of Pharmacology, Govt. Medical College, Kollam

Sl.No.	Name	Designation & Address
6	Dr. K P Kalyanikutty	Prof. & HoD of Physiology, MES MC, Perinthalmanna
7	Dr. Beena V	Prof. & HoD of Neurology, Govt. Medical College, Kozhikode
8	Dr. Cibu Mathew	Prof. of Cardiology, Govt. Medical College, Trivandrum
9	Dr. Sheeja Rajan T M	Prof. & HoD, Plastic & Reconstructive Surgery, Govt. Medical College, Kozhikode
10	Dr. Shaji Thomas	Prof. & HoD, Onco Surgery, Regional Cancer Centre, Trivandrum
11	Dr. Suchit Roy B R	Prof. of ENT, Govt. Medical College, Trivandrum
12	Dr. Sangeetha Menon	Prof. & HoD, Obst. & Gynaecology, Govt. T D Medical College, Alappuzha
13	Dr. Biju Bahuleyan	Prof. & HoD, Physiology, Jubilee Medical College, Thrissur
14	Dr. Gilsa E S	Prof. & HoD, Biochemistry, Govt. Medical College, Idukki

FACULTY OF AYURVEDA SIDDHA & UNANI

Sl.No.	Name	Designation & Address
1	Dr. Deepa M S	Professor, Dept. of Dravyagunavijnana, Govt. Ayurveda College, Thiruvananthapuram
2	Dr. Jayan D	Professor, Dept. of Swasthavritta, Govt. Ayurveda College, Tripunithura
3	Dr. V K V Balakrishnan	Prof. & HoD, Shalakyathantra, Govt. Ayurveda College, Kannur
4	Dr. Jigeesh P P	Prof. & HoD, Panchakarma, VPSV Ayurveda College, Kottakkal
5	Dr. Resmi B	Prof. & Head, Department of Samhata Siddhanda & Sanskrit Govt. Ayurveda College, Thiruvananthapuram
6	Prof. Dr. P Hariharan	Vice Principal & HoD, Dept. of Aruvai Maruthuvam Santhigiri Siddha Medical College, Thiruvananthapuram
7	Dr. P Nazia Farheen	Professor, Markaz Unani Medical College & Hospital, Kozhikode
8	Dr. Shiji R S	Professor & Head, Dept. of Agadatantra, Govt. Ayurveda College, Thiruvananthapuram

9	Dr. Sreekumar K	Assoc. Professor, Dept. of Shalakyatantra, Govt. Ayurveda College, Tripunithura
10	Dr. Vinod Kumar M V	Professor & Head, Dept. of Sidhanta Samhita and Sanskrit, V P S V Ayurveda College, Kottakkal

12	Dr. Ajithakumari P	Professor & Head, Dept of Rachanasharira Govt. Ayurveda College, Kannur
13	Dr. J. Nina Priya	Prof. & Head, Dept. of Udal Thathuvam, Santhigiri Siddha Medical College, Thiruvananthapuram
14	Dr. U Mujeeb	Professor, Markaz Unani Medical College & Hospital, Kozhikode
15	Dr. A K Manojkumar	Professor of Panchakarma, Vaidyaratnam PS Varier Ayurveda College, Kottakkal
16	Dr. Jayalakshmy T R	Sree Ramakrishna Ayurveda Hospital, Puliyanloor

FACULTY MEMBERS OF HOMOEOPATHY

Sl.No.	Name	Designation & Address
1	Dr. Sanilkumar. M.C	Professor, Govt. Homoeopathic Medical College, Calicut
2	Dr. Rajitha. K. Nair	Professor CAP, Govt. Homoeopathic Medical College, Trivandrum
3	Dr. Lakshmi. L	Asso Professor, Govt. Homoeopathic Medical College, Trivandrum
4	Dr. Arun Prasad	Asso Professor, Govt. Homoeopathic Medical College, Calicut
5	Krishnan P	Professor & HoD, Dept. of Pharmacy, GMC Calicut
6	Dr. Abdul Hameed	Rtd. Professor, GHMC, Calicut

FACULTY MEMBERS OF NURSING

Sl.No.	Name	Designation & Address
1	Prof. Dr. Rajee Raghunath	Principal, Amala College of Nursing, Thrissur
2	Prof. Manju S	Professor, Govt. College of Nursing, Thiruvananthapuram
3	Dr. Sindhu L	Principal, Govt. College of Nursing, Kollam
4	Prof. Sreedevi C R	Professor, Govt. College of Nursing, Alappuzha

5	Dr. Athira Rani	Assistant Professor, Govt. College of Nursing, Thiruvananthapuram
6	Dr. Sujamol Scaria	Rtd. Professor, Govt. College of Nursing, Thrissur

FACULTY OF INTERDISCIPLINARY STUDIES

Sl.No.	Name & Designation	The Capacity in which they include
1	Dr. Binoj R	Dean Academic, KUHS
2	Dr. Shaji K S	Dean Research, KUHS
3	Dr. Harikumar Nair G S Prof. & HOD, Radio Diagnosis, Sree Gokulam Medical College & Research Foundation, Trivandrum	Dean- Faculty of Medicine
4	Dr. Elbe Peter Prof. & HoD of Orthodontics, Govt. Dental College, Thrissur	Dean- Faculty of Dental Sciences
5	Dr. Deepa M S Professor, Dept. of Dravyagunavijnana, Govt. Ayurveda College, Trivandrum	Dean- Faculty of Ayurveda
6	Dr. Sanilkumar. M.C Professor, Govt. Homoeopathic College, Calicut	Dean- Faculty of Homoeopathy
7	Dr. Rajee Reghunath Principal of Amala College of Nursing, Thrissur	Dean-Faculty of Nursing
8	Dr. Rajasree R S Prof. & HOD, Pharmaceutical Chemistry, Govt. T D Medical College, Alappuzha	Dean-Faculty of Pharmaceutical Science
9	Dr. Kavitha Ravi Professor of Pathology, Govt. Medical College, Thiruvananthapuram	Dean-Faculty of Allied Health Sciences
10	Prof. Nameer P O Dean, College of Climate Change and Environmental Science, Director, Information Systems. Professor & Head (Wildlife Science), College of Forestry, Kerala Agricultural University, Thrissur	External expert
11	Dr. V. Ramnath Professor & Implementing Officer, Central Instruments Laboratory, & Professor and Head, Department of Veterinary Physiology, College of Veterinary & Animal Sciences, Mannuthy, Thrissur,	External expert
12	Dr. Jayaraj P B Asst. Professor, Dept. of Computer Science and Engineering, National Institute of Technology, Kozhikode.	External expert

BOARD OF STUDIES

The Board of Studies, empowered to recommend the courses of studies, improvement during studies and to decide upon the requirement for each course of study, has been set up separately for the different branches of medicine. The Board of Studies is to recommend to the Board of Examinations, names of persons suitable for inclusion in the panels for appointment of paper setters and Examiners at the university examinations and evaluators for evaluation of thesis and dissertations and for conduct of viva voce examinations.

BOARD OF STUDIES- DENTAL SCIENCES UG		
Sl.No.	Name & Designation	Address
1	Dr. Kannan V P Prof. & HoD of Pedodontics	Govt. Dental College Kottayam
2	Dr. Ambili R Prof. & HoD Periodontics	PMS Dental College, Thiruvananthapuram
3	Dr. Nileena R Kumar Prof. & HoD of OMR	Govt. Dental College Kozhikode
4	Dr. Ajay Kumar Haridas Prof. & HoD of OMFS	Educare institute of Dental Sciences, kottakkal
5	Dr. Santhosh Kumar S Prof. & HoD of Periodontics	Govt. Dental College Kottayam
6	Dr. Eapen Cherian Prof. & HoD of Oral Pathology	Travancore Dental College, Kollam
7	Dr. Harshakumar K Prof. & HoD of Prosthodontics	Govt. Dental College Thiruvananthapuram
8	Dr. Prathapan Parayaruthottam Prof. of Orthodontics	Govt. Dental College Alappuzha
9	Dr. Mali G Nair Prof. & HoD of Conservative Dentistry	Govt. Dental College Thiruvananthapuram
10	Dr. Arun R Prof. of Prosthodontics	Noorul Islam College of Dental Sciences, Neyyatinkkara
11	Dr. Manju V Prof. of Prosthodontics	Amrita School of Dentistry, Kochi

BOARD OF STUDIES -DENTAL SCIENCES PG		
Sl.No.	Name & Designation	Address
1	Dr. Tinky Bose Prof. & HoD of OMR	Govt. Dental College, Thiruvananthapuram
2	Dr. A Devadathan Prof. & HoD of Conservative Dentistry	Pushpagiri College of Dental Sciences, Thiruvalla
3	Dr. Sreejith Kumar G Prof. & HoD of Orthodontics	Govt. Dental College Thiruvananthapuram

4	Dr. Baiju R M Prof. & HoD of Periodontics	Govt. Dental College Kottayam
5	Dr. Sudeep S Prof. & HoD of Prosthodontics	PMS Dental College, Thiruvanthapuram
6	Dr. Anupam Kumar Prof. & HoD of Pedodontics	Govt. Dental College Calicut
7	Dr. Sankar Vinod V Prof. & HoD of OMFS	Mar Baselious Dental College, Kothamangalam.
8	Dr. Elbe Peter Prof & HoD of Orthodontics	Govt. Dental College Thrissur
9	Dr. Suchithra M S Prof. & HoD of Pedodontics	Govt. Dental College Alappuzha
10	Dr. H Murali Prof. of Conservative Dentistry	RV Dental College, Bangalore
11	Dr. V Rangarajan Prof. & HoD of Prosthodontics	Sri Venkateswara Dental College, Thalambur, Chennai

BOARD OF STUDIES -PG MEDICAL

Sl.No.	Name & Designation	Address
1	Dr. K. K. Purushothaman Professor & HoD of Paediatrics	MES Medical College, Perinthalmanna
2	Dr. Radha T R Prof. & HoD of General Medicine	Govt. Medical College, Kottayam
3	Dr. Ajithkumar K Prof. & HoD Dermatology	Govt. Medical College, Kottayam
4	Dr. Shamsad Beegum Prof. of Anaesthesiology	MES Medical College, Perinthalmanna
5	Dr. Harikumar Nair G S Prof. of Radio Diagnosis	Sree Gokulam Medical College & Research Centre, Trivandrum
6	Dr. Sasikala Prof. & HoD Transfusion Medicine	Govt. Medical College, Kozhikode
7	Dr. Vidhukumar K Prof. & HoD Psychiatry	Govt. TD Medical College, Alappuzha
8	Dr. Chandni. R Prof of Medicine	Govt. Medical College, Kozhikode
9	Dr. P S Shajahan Addl. Prof Pulmonary Medicine	Govt. TD Medical College, Alappuzha
10	Dr. Krishnan Former Prof. and Head of Medicine	Govt. Medical College, Calicut

BOARD OF STUDIES - PG SURGICAL

Sl.No.	Name & Designation	Address
1	Dr. Ajayan P. V Prof. & HoD of ENT	Govt. Medical College, Thrissur
2	Dr. Sareena Gilvaz Prof. & HoD of Obs. & Gynaecology	Jubilee Mission Medical College, Thrissur
3	Dr. Vijayamma N Prof. HoD Ophthalmology	Govt. Medical College, Kottayam

4	Dr. P. K. Mohanan Prof. of Gen. Surgery	Amala Medical College, Thrissur
5	Dr. Arun K Prof HoD of Orthopaedics	Govt. Medical College, Thrissur
6	Dr. P J Babu Prof. & HoD of Gen. Surgery	Al Azhar Medical College, Thodupuzha
7	Dr. Sreekumar S Prof. & HoD of Gen. Surgery	Govt. Medical College, Thrissur
8	Dr. Binoy S Professor of Orthopaedics	Govt. Medical College, Trivandrum
9	Dr. Resmi C R Addl. Prof. of Obs. & Gynaecology	Govt. Medical College, Thrissur

BOARD OF STUDIES -PG PRECLINICAL

Sl.No.	Name & Designation	Address
1	Dr. K P Kalyanikutty Prof. & HoD of Physiology	MES MC, Perinthalmanna
2	Dr. Krishna G Prof. & HoD Pathology Research Foundation ,	Sree Gokulam Medical College & Trivandrum
3	Dr. Sheela Sivan Prof. HoD of Anatomy	MES MC, Perinthalmanna
4	Dr. Reena John Prof. & HoD of Microbiology	Amala Institute of Medical Sciences, Thrissur
5	Dr. Syam S Prof. HoD of Pharmacology	Govt. Medical College, Kollam
6	Dr. Anuja U Prof. & HoD of Community Medicine	Govt. Medical College, Trivandrum
7	Dr. Geetha Damodaran Prof. of Biochemistry	Jubilee Mission Medical College, Thrissur
8	Dr. Krishnan. B Assoc. Prof. of Forensic Medicine	Govt. TD Medical College, Alappuzha

I. Board of Examinations

The Board of Examinations is the authority responsible for overseeing the conduct of examinations and making policy decisions related to their organization and execution. This includes improving examination systems, appointing paper-setters and examiners, and preparing the examination schedule and result declaration timelines, all under the supervision and review of the Governing Council. The Board also monitors and regulates the conduct of examinations in constituent colleges and institutions. Additionally, it addresses all matters related to examinations, including hearing and resolving complaints arising from the examination process. The procedures governing the Board of Examinations operations and deliberations are defined by the Statutes/Act. The meeting shall be convened at least twice annually. The Board of Examinations is 14-membered and consist of the following members.

BoE - Members

Section 2

Report on Activities of the University

Administration *Branch*

ADMINISTRATION BRANCH

The Administration Branch, being the centre of the university administration. It consists of the offices of the Vice-Chancellor, Pro-Vice-Chancellor, and Registrar. Under their control, the administration branch is further divided into Administration-I and Administration-II. Administration-I branch consists of the Administration General Section, Establishment, Planning and Development, Central Tapal, Reception, Security and Maintenance, Housekeeping, and a Vehicles' section. Administration-II consists of the Purchase A & B sections, Works, Stores, Accounts, and Legal sections.

All establishment matters of staff, ranging from the Vice-Chancellor to casual labourers, are being attended to by the branch. General Administration, Appointments, Transfer and Posting, Promotions, Sanctioning of Leave, Inter-University Transfer, Maintenance of Service Books, Increment, Pay Revision, Provident Fund, Insurance, Medical Reimbursement, RTI, RTS, Allotment of Staff Quarters, Planning and Development, preparation of Annual Reports, convening of Governing Council, Senate, and Planning Committee meetings, delegation of powers, reception and public relations, and legal matters in connection with all the branches, all types of purchases, ID cards for staff, and engineering works are being looked into by the Administration Branch.

The University Registrar is the controlling officer of the branch. The Registrar is assisted by two Deputy Registrars, a University Engineer, and three Assistant Registrars. Eight section officers are manning the fourteen sections of the branch with the support of 22 Assistants and 5 Computer Assistants, besides Engineers, Receptionists, a Confidential Assistant, Data Entry Operators, Office Attendants, Drivers, Clerical Assistants, and Casual Labourers

ADMINISTRATION GENERAL & ESTABLISHMENT SECTIONS

During the period, a new Registrar and a new Finance Officer were appointed. Prof. (Dr.) Gopakumar.S, Professor, Government Ayurveda College, Kannur, assumed charge in the post of Registrar on 15.06.2024 and Sri . Sudheer M.S. assumed charge in the post of Finance Officer on 24.07.2024

The administration General section arranged for the necessary training programmes for the newly-promoted section officers in collaboration with the IMG.

The process of inter-university transfer, which is a continuing one, took place during the period. 20 assistants and 2 Computer assistants joined through IUT from other universities.

As per the government directions, Unispark system was established during the period and all employees are registered in the Unispark.

Planning & Development Branch

The Planning and Development Section is entrusted with the work of convening Governing Council meetings, Planning Committee meetings and preparation of Statutes of the university. During the FY 2024-25 the section conducted 4 Governing Council meetings. The university has initiated the process of amending its existing statutes by incorporating recommendations from the Statute Amendment Committee, chaired by Justice (Retd.) M.R. Hariharan Nair, as well as inputs from various university departments. The revised statute has now been submitted to the Honourable Chancellor for approval.

Another significant activity undertaken by the section was the preparation of the University's Annual Report for the year 2023–24. The Annual Report was approved by the Governing Council and the Senate at their respective meetings held on 31.12.2024 and 22.03.2025.

Subsequently, necessary steps have been initiated to submit the report to the Hon'ble Chancellor and the Government.

Plan Achievements

The main function of the planning section is to obtain sanctions of funds under plan and utilization for the development of academic, administrative, research, and infrastructure of the university.

For the financial year 2024–25, an amount of **Rs. 11.5 Crore** was earmarked as financial assistance to the university in the form of **Grant-in-Aid** under the Head of Account **2210-05-001-35(P)** and **2210-05-001-36(P)**.

Subsequently, the university submitted **three project proposals** seeking Administrative Sanction. The Government accorded Administrative Sanction for **two plan proposals** amounting to **Rs. 3.42958 Crore**, as detailed below:

- a. ***Construction of Staff Quarters – Residential Quarters for VC & PVC – Rs. 2.684 Crore***
- b. ***New-born Screening for Severe Inborn Errors of Immunity – A Pilot Study (Phase II) – Rs. 74.558 Lakhs***

As per the Government's directive to limit the budget outlay to 50%, the university was constrained from pursuing certain projects that had received Administrative Sanction in previous financial years.

Among the two proposals that received Administrative Sanction during the current year, the university decided to defer the project titled "***Construction of Staff Quarters – Residential Quarters for VC & PVC***" to the financial year 2025–26, and to proceed with the research proposal titled "***New-born Screening for Severe Inborn Errors of Immunity – A Pilot Study – Phase II***" in FY 2024–25. A request was accordingly submitted to the Government for the release of funds for the latter.

Out of the **Rs. 11.5 Crore** earmarked for the university, the Government sanctioned **Rs. 2.9337162 Crore** for the project titled "***Setting up of a Fully-Equipped Laboratory under the School of Fundamental Research in Ayurveda at Thripunithura.***". Additionally, funds amounting to Rs. 5.6271807 crore, resumed during the financial year 2023–24, were released by the government in the financial year 2024–25.

Accordingly, the total Plan fund release during the financial year 2024–25 amounts to **Rs. 8.5608969 Crore**, which includes both the newly sanctioned and resumed funds. This comprises:

- **Rs. 8.0567509 Crore** under Head of Account 2210-05-001-93-35(P)
- **Rs. 0.504146 Crore** under Head of Account 2210-05-001-93-36(P)

Legal Section

The section handles the legal matters of all branches of the University and always maintains liaison with the Standing Counsel and the Legal Advisor to make available the legal advice sought by various sections on matters having legal issues. To enhance the efficiency in handling legal matters, in addition to the Standing Counsel, a Legal Advisor, who serves as Senior Counsel to the University was also appointed during the Report year. Under the auspices of the section, meeting also being held that provide an opportunity for officials from all departments of the university to interact directly with the Legal Advisor.

In 2024-25 (FY), a total of 353 cases were contested before the Hon'ble High Court of Kerala in which the University was arrayed as a party, out of which 213 cases were disposed of. Similarly, before the Hon'ble Supreme Court of India, 2 cases were contested in which University was arrayed as a party and one case is still pending. Most of the cases dealt with by the section are filed as Writ Petition(Civil) in the Hon'ble High Court of Kerala, or as Special Leave Petition (Civil) in the Hon'ble Supreme Court of India, however, occasionally cases pending in various Tribunals such as Customs, Excise and Service Tax Appellate Tribunal(CESTAT), Kerala Administrative Tribunal, Motor Accidents & Claims Tribunal and in various Lower Courts are also managed by the section. Very rarely cases from Human Rights Commission, Women's Commission, and LOKAYUKTHA also come up. The suit register is well-maintained and kept updated by incorporating the latest developments in the court pending cases.

As the University takes a strict legal stand and has a clear view and discipline in its actions, the legal section is able to get favourable judgments from the Court in almost all cases where the University is a party. Audit Enquiry related to this section were sorted out. No applications under the RTI Act,2005 were received in the legal section during the year 2024- 2025.

Purchase Section

The Purchase section of KUHS deals with the purchase of the following items to different sections of the university and to the schools and centers of the university by adopting appropriate mode of purchase. The purchase of all Electronics/ IT related items like Desktop computers and its peripherals, printer, scanner, laptop, photocopier, computer software etc, machinery and other equipment, items peculiar to the examination section (printing and supply of answer booklets, degree certificates, provisional degree certificates, marklists, strip seals), stationery items, services and maintenance of university vehicles, periodic monthly fuel settlement of fuel purchases for university vehicles, purchase of office seals, purchase of laboratory equipments to different laboratories at SFRA Thrippunithura using Govt. Grant, Purchase of Items for different items for the research projects at School of Family Health Studies, Kozhikkode (SFHS) and School of Public Health, Thiruvananthapuram (SPH).

AMC/CAMC of different IT and other equipment, printing, stage, and food arrangement works for convocation/special convocation of the university, purchase of furniture for different sections and centers of the university and all other miscellaneous purchases are also done by the Purchase section of the University. All audit inquiries relating to this section were also sorted out.

Academic *Branch*

The Academic Branch of the University is playing a vital role in various academic activities of the University such as affiliation, student registration, preparation of course regulations/syllabus/minimum standard requirements, starting of new courses, approval of appointment/promotions of teachers of aided colleges affiliated to KUHS, conduct of Academic Council and other academic bodies of University. It also plays an important part in the preparation of norms/regulations/ordinances as prescribed in Act/statute of academic nature. Moreover, the branch deals with the issuance of various certificates such as eligibility, equivalence, migration etc. The service of the Academic Branch to students also includes the issue of Transcripts, condonation of Break of study, college transfer and Transfer of Compulsory Internship. Academic Branch is responsible for fixing various fees applicable to the institutions and services to the students for the Academic year.

The main activities of the branch are as follows

- * Granting affiliation to colleges/ courses
- * Matters related to Student Registration
- * Preparation of Statutes related to Academic branch
- * Preparation of Regulation, Syllabus and Minimum Standard Requirement for courses, inspection proforma and scrutiny proforma.
- * Matters related to Approval of appointment/Promotion of teachers of Aided colleges
- As per the Section 23 (xv) of the KUHS Act 2010, University has the power to approve the appointment of teachers in private and aided colleges coming under direct payment system
- * Matters related to issuance of various Certificates
- Academic Branch issues the following certificates on request
 - i) Eligibility Certificates.
 - ii) Equivalence Certificates.
 - iii) Cancellation and Migration Certificates
 - iv) Medium of Instruction Certificates
 - v) Translation Certificates
 - vi) Affiliation Certificate
 - vii) Transcript and Syllabus attestation

- Matters related to Faculty Enrolment Programme

FEP is a unique verification programme of KUHS for the faculties working under the affiliated colleges. Academic Branch issues Unique FEP Number to a faculty after verification of academic documents.

- Matters related to DCB/Furnishing replies to Audit Enquiry/Objections
- Academic branch deals with various fees related with the admission and affiliation which collectively exceed an amount above 25 crores each financial year. Maintenance of the Demand Collection Balance statement and the time bound furnishing of replies to the Audit queries is done by the Academic branch.
- Matters related to Reconstitution and conduct of meetings of the various Academic Bodies.
- Academic Branch is responsible for the timely re-constitution of the following Academic Bodies as per the KUHS Act 2010;
 - i) Academic Council- Highest Academic Body of the University.
75 members. 3 meetings are mandatory per year.
 - ii) 7 Faculties- 13 members. At least 1 meeting per year is mandatory.
 - iii) 27 Board of Studies- At least 1 meeting per year is mandatory.
- Conducting the Convocation Ceremony.
- Matters related to College Transfer/ Condonation of Break of Studies/ CRI Transfer.

Achievements of Academic Branch during 2024-2025

- To meet the great demand of Health Care Professionals in the society, KUHS has given affiliation to 16 new colleges in the 2024-25 Academic Year
- Affiliation was given to 3 new Nursing colleges in which one belongs to the Co-operative sector. This alone lead to the enhancement of 145 BSc Nursing seats in the Nursing stream.
- KUHS also affiliated 8 new Allied Health Science Colleges and 4 new pharmacy colleges in which one Allied Health College is in Govt. Sector.
- A Private medical college, Palakkad Institute of Medical Sciences, Walayar, with 150 seats was also started during 2024-25.
- Also, 2 new courses were started in the medical stream. MD Geriatrics at KMCT Medical College and DM Critical Care Medicine at Jubilee Mission Medical College, Thrissur

- Besides this, KUHS Started 8 more new Courses in Allied Health Science Stream *as follows*
 1. Bachelor in Prosthetics and Orthotics,
 2. BSc Respiratory Technology,
 3. B Sc Developmental Therapy,
 4. BSc Emergency Medical Technology,
 5. Bachelor of Anaesthesia Technology (BAT),
 6. BSc Nuclear Medicine Technology (NMT),
 7. M.Phil Rehabilitation Psychology,
 8. MPT Community Health and Geriatrics.

List of Colleges, Started During the 2024-25 Academic Year

- NIMS College of Developmental Therapy (Allied Health Sciences) with 10 seats of BSc Developmental Therapy
- Palakkad Institute of Medical Sciences, Walayar (Allied Health Sciences) with 50 BPT Seats
- Government Medical College, Eranakulam (Allied Health Sciences) with 5 seats of BSc Dialysis Technology
- Chaithanya Institute of Optometry and Vision Sciences, Kesavadasapuram, Thiruvananthapuram with 25 BSc Optometry Seats
- Pushpagiri Institute of Medical Sciences and Research Centre, Thiruvalla, Pathanamthitta (Allied Health Sciences) with 10 seats of BSc Dialysis Technology
- Malabar Medical College Hospital and Research Centre, Kozhikode (Allied Health Sciences) with the following seats
 1. 2 BCVT seats
 2. 4 BSc Respiratory Technology seats
 3. 20 BSc Medical Biochemistry seats
 4. 20 BSc Medical Microbiology seats
 5. 15 BSc Emergency Medical Technology seats
 6. 20 BSc MIT seats
 7. 10 BSc Anesthesia Technology Seats
 8. 10 BSc Dialysis Technology seats

- Amala Institute of Medical Sciences, Thrissur (Allied Health Sciences) with 30 BSc MLT and 20 MIT Seats.
- St Mary's College of Physiotherapy, Kangazha, Kottayam with 50 BPT Seats.
- Co-Operative College of Nursing, Payyanur with 60 BSc Nursing Seats
- Sree Ayyappa College of Nursing, Vadasserikkara, Pathanamthitta with 45 BSc Nursing Seats
- Alphonsa College of Nursing, Murickassery, Idukki with 40 BSc Nursing Seats
- MET'S College of Pharmaceutical Sciences & Research, Mala, Thrissur with 60 B.Pharm Seats
- Malabar College of Pharmacy, Edappal, Malappuram with 60 B.Pharm Seats
- KMCT Institute of Pharmacy, Kuttippuram, Malappuram with 60 B.Pharm Seats
- KMCT Institute of Pharmaceutical Education and Research Chathamangalam, Kozhikode with 60 B.Pharm Seats
- Palakkad Institute of Medical Sciences, Walayar with 150 MBBS Seats
- The Academic branch has also conducted timely revision of the Academic regulations of several courses. Regulations were also gazetted after placing before the Senate.

STATISTICS OF ACADEMIC BRANCH DURING 2024-2025

Examination Branch

EXAMINATION BRANCH

The examination system is a fundamental component of the educational framework, playing a vital role throughout a student's academic journey. At the University level, this system encompasses various dimensions, including its structure, associated challenges, ongoing reforms, and the integration of technology. University examination systems are designed to manage the entire examination process efficiently, ensuring accurate tracking and reliable analysis of student performance across multiple academic sessions.

The Kerala University of Health Sciences (KUHS), since its establishment, has been dedicated to enhance its examination system, becoming the first University in Kerala to transmit question papers online on the day of examination. KUHS consistently releases a tentative examination calendar before each academic year, allowing students to plan effectively, and the examinations are conducted as per the calendar until an unavoidable circumstance arise.

The University was first in the state to introduce on-screen evaluation using the Digital Evaluation Software developed in-house by its IT team. This enabled fast and accurate completion of evaluation process, fastening the declaration of results of examinations. Soon decentralisation of Digital Evaluation was achieved by introducing Remote Digital Evaluation Centres at all colleges affiliated under University. This has been a landmark achievement of the Examination Branch which enabled to significantly reduce the time gap between announcement of examinations and declaration of results.

Vision

The program of the Examination Branch may be reduced to the following statement: "Establishment and maintenance of an Examination system that is efficient, reliable, valid, time-bound, time-tested, fool-proof, student-friendly, tamper-proof and essentially automated".

Activities of the Examination Branch:

All the activities in the examination branch are based on the provisions in the Act, Statutes, Examination Ordinances, Examination Regulations, and Examination Manual. Permission of the Board of Examinations, Academic Council, Governing Council, is required in most cases for the implementation of the decisions.

The primary activities of the Examination Branch are:

- i. Conduct of Theory Examinations
- ii. Conduct of Practical Examinations/Viva voce etc.
- iii. Evaluation of Theory Answer Books
- iv. Evaluation of Theses
- v. Conduct of Entrance Examination of PhD/MPhil Course
- vi. Publishing of results of the Examinations and issue of Mark list, Degree certificates etc.

The examination activities at KUHS are fully time-bound and often require urgent intervention, yet they are conducted strictly as per the tentative calendar unless unforeseen circumstances arise. Despite the paucity of staff, the Examination Branch is performing its duties flawlessly.

Prominent features of KUHS Examination System:

The publication of the tentative academic calendar prior to the commencement of the academic year serves as a key assurance for the integrity of the examination system. Since its inception, the University has implemented an online examination registration system. Attendance records, internal assessment marks, practical examination marks, and fee payment details for each candidate are to be mandatorily uploaded to this platform via colleges. To prevent unfair practices in internal assessments, the class average for internal evaluation marks is capped at 75% for regular examinations.

KUHS ensures academic rigor and confidentiality by having question papers prepared by national-level experts and reviewed by state-level experts. Another key milestone of the University is the formation of an Examination Committee for each examination, responsible for overseeing the overall conduct of each theory and practical examination.

The examination system followed by KUHS has several distinctive features which include:

1. Electronic transmission of password protected, question papers to each center, just before the start of examinations.
2. Question papers that do not provide any choice of questions to be answered by the candidates.
3. CCTV surveillance of the entire examination. Starting from the question paper download to the final process of packing of answer books.
4. Despatch of used answer books from the colleges to University via speed post on the day of the examination itself.
5. One designated nodal center in the state for each examination from among the affiliated colleges where one nodal officer along with subject experts are posted for clarification and modifications of the transmitted question paper, If any is required
6. Faculty from other streams are posted as External Vigilance officers at examination centres selected randomly for monitoring the conduct of examination to ensure safe and fair examinations.
7. An Internal Vigilance officer is posted at each centre in addition to the Chief Superintendent to overlook the exam process at each center.
8. Frisking of candidates before entry into examination hall is done in order to curtail examination Malpractices
9. Malpractices and lapses enquiry committee meetings are held once a month to enquire into the reported Mal practices and lapses and recommend the actions to be initiated.

KUHS Examination workflow

- The publication of a tentative examination calendar prior to the commencement of the academic year is a distinctive feature of the KUHS examination system.
- The timely setting and scrutiny of question papers, involving the expertise of teachers both within and outside the state, is an integral part of the process.
- Theory examination preparations are carried out within a defined timeframe, encompassing the issuance of examination notifications, timetables, registration, and the uninterrupted distribution of admit cards.

- Timely appointment of the Nodal Officer and Nodal Centre, along with Subject Experts, Internal Vigilance Officer, and External Vigilance Officer, is ensured for effective examination management.
- Preparations for practical examinations system including the appointment of external/internal examiners, scheduling candidates into batches for each day, and ensuring the entry of practical examination marks on the same day of the exam.
- Candidates must enter the examination hall at least 30 minutes before the start of the examination, and no candidate will be permitted to enter after the stipulated time.
- A provision is made for the correction, modification, or replacement of any question within 15 minutes of the commencement of the examination.
- Choice-less question papers, which ensures the reasonable standard expected from taking the examinations.
- Generation of online attendance reports/invigilators diary/CS diary at the theory examination centres.
- The use of 52/32-page QR and bar-coded theory answer books ensures standardization in the system, with no additional sheets provided for writing answers.
- Coded answer books, without any identification, are provided to evaluators for assessment.

Evaluation System

After successfully implementing the Digital Evaluation system, KUHS has further advanced by establishing Remote Digital Evaluation Centres at approved colleges under the University. As part of its initiative to enhance operational efficiency through increased digitization, KUHS introduced the Remote Digital Evaluation System, which has significantly shortened the time interval between examinations and the publication of results.

Remote Digital Evaluations

- In pursuit of greater operational efficiency, the University has identified the digitalization of evaluations as a strategic priority. Accordingly, the implementation of Remote Digital Evaluation is being undertaken as a key initiative in this direction.
- The development and deployment of the complete software suite, along with the requisite hardware enhancements for Remote Digital Evaluation (RDE), were carried out by the University's IT Wing. The system was initially piloted in February 2022, beginning with postgraduate medical evaluations, with a phased rollout planned for all examinations irrespective of courses. Since its inception, RDE-based evaluations have demonstrated consistent success. Under this system, scanned copies of answer scripts are made accessible online at designated Remote Digital Evaluation Centres (RDECs) for assessment. Approval of an RDEC is granted only after a thorough verification of its infrastructure and facilities, conducted by qualified inspectors appointed by the University.

An Overview of KUHS Evaluation system

Initially, the evaluation of theory answer books was conducted at Centralized Valuation Camps under the direct supervision of KUHS. Following the successful implementation of the Digital Evaluation System, KUHS progressed by establishing Remote Digital Evaluation Centres in approved colleges under its jurisdiction.

The University has implemented a double valuation system for all undergraduate courses. If the marks from the first and second valuations differ by 15% or more of the total marks, and the student has secured at least 35% in either valuation, a third valuation will be conducted. The system automatically detects such cases and generates reports for the third valuation once the marks from the first two valuations are entered. In cases requiring a third valuation, the final mark is determined as the average of the best two out of the three evaluations. If no third valuation is necessary, the final mark is the average of the first and second valuations. For certain postgraduate courses, a multiple valuation process (up to a maximum of four valuations) is followed, while for other postgraduate courses, only double valuation (with a third valuation if required) is implemented.

To ensure accuracy, punctuality, and prevent any potential manipulation, KUHS mandates the online entry of practical marks directly from examination centers on the day of the exam itself. Once the designated submission window closes, access to the marks on the website is restricted. However, corrections for errors in marks or attendance may be permitted under specific conditions, as outlined in the University's official orders.

The other prominent features of evaluation are as follows:

- Tabulation based on a dual barcode system
- Digitalized result processing
- The University has set a minimum requirement of 50% for the theory component, meaning that students must secure at least 50% in the theory section alone to pass the examination.
- Provision to request digital copies of theory answer books and score sheets after the announcement of results.
- The examination system has been automated to ensure efficiency, reliability, validity, timeliness, student-friendliness, and complete protection against tampering.
- In case of any dispute on the marks awarded the candidates can approach Board of Adjudication for Students' Grievances (BASG) for resolution of the same.

Other Examination related functions

- Thesis/Dissertation evaluation should be conducted in a timely manner. Currently, hard copies of theses/dissertations are sent to external evaluators outside Kerala, which involves extensive manual processes.
- To ensure the smooth functioning of the system and avoid any unpleasant situations, it is important to settle the claims for remuneration of Examiners, Evaluators, and Question Paper Setters in a timely manner. Additionally, it is crucial to maintain accurate records of financial transactions, such as the collection of examination registration fees, Genuineness verification fees, and fees for digital copies of score sheets and answer books, etc. According to the DCB, for the fourth quarter of 2024-2025 the total amount collected is Rs. 40, 60, 41, 338 (Rupees Forty Crores Sixty Lakhs Fortyone Thousand Three Hundred and Thirty-Eight only).
- Accurate and meticulous tapal and dispatch accounting is of utmost importance, as answer books from theory examination centers are sent in bundles. Proper stocktaking and processing of these bundles must be precise to uphold the credibility of the examination system.

- The evaluated answer books must be securely preserved for the stipulated period as per existing Examination Manual. This practice is crucial, as candidates may request copies of their score sheets and answer scripts upon payment of the prescribed fee. Maintaining transparency in this process is essential to uphold the integrity of the system.
- Disposal of answer books and other stationery and waste papers on a time-bound basis.
- Secure storage, controlled distribution, and systematic stock management of blank answer books and stationery to ensure uninterrupted execution of the examination schedule.
- Taking timely action to print answer books, stationery items, certificates, and mark sheets, by ensuring that all necessary security features are incorporated.
- Monitoring the stock of answer books and certificates to ensure a continuous supply and maintain an optimal stock level.
- Issuing provisional certificates and mark lists within a specified timeframe is of great importance, as provisional certificates for each examination must be provided promptly in accordance with the provisions of the Right to Service Act, 2012. Similarly, Mark lists, Duplicate Mark lists, Attempt Certificates, Transcripts, and other related documents must be issued within the designated time frame.
- Issuance of Degree Certificates promptly following the date of the convocation.
- Genuineness verification, consolidated mark statements, and other related certificates are promptly issued to students and employment agencies.
- The provisions of the Right to Information Act, 2005, which require time-bound actions, are fully complied with. Throughout the year, 162 RTI applications were processed, always in alignment with the core principles of the RTI Act, 2005.

Meetings of Committees, Councils and Boards

Meetings such as those held by the Examination Committee, Pass Boards, the Malpractices & Lapses Enquiry Committee (M&LEC), and the Board of Examinations are conducted in a timely manner to facilitate smooth coordination and efficient execution of examination-related processes. These structured sessions ensure proper oversight, decision-making, and adherence to academic protocols.

i. Board of Examinations

The Board of Examinations is the authority responsible for overseeing the conduct of examinations and making policy decisions related to their organization and execution. This includes improving examination systems, appointing paper-setters and examiners, and preparing the examination schedule and result declaration timelines, all under the supervision and review of the Governing Council. The Board also monitors and regulates the conduct of examinations in constituent colleges and institutions. Additionally, it addresses all matters related to examinations, including hearing and resolving complaints arising from the examination process. The procedures governing the Board of Examinations operations and deliberations are defined by the Statutes/Act.

The meeting shall be convened at least twice annually. The Board of Examinations is 14- membered.

ii. Examination Committee

The Committee is entrusted with overseeing the overall conduct of the examinations for which it has been formed. The convener, selected during the meeting, is responsible for optimizing the procedures for practical examinations. This includes recommending suitable external examiners across different colleges to maintain transparency and fairness in the examination process. There shall be as many committees as the number of examinations.

iii. Pass Board

- Conduct of Pass Board for each examination on a regular and systematic basis
- The results of all examinations are thoroughly reviewed and approved by the respective boards before the final results are published on the website.
- Grace marks and moderation are applicable only to undergraduate (UG) courses. Students may receive up to a maximum of 5 grace marks to achieve a full pass in the examination. In some courses, grace marks are awarded for a single paper, while in others, they may be distributed across multiple papers, subject to the maximum limit of 5 marks for a full pass. Postgraduate (PG) students are not eligible for grace marks or moderation under any circumstances.

iv. Malpractices & Lapses Enquiry Committee (M&LEC)

The Malpractices & Lapses Enquiry Committee (M&LEC) consists of five members: a legal expert, two members nominated by the Board of Examinations, and two faculty members also nominated by the Board. The Controller of Examinations serves as the non-member Ex-Officio Secretary of the committee. The M&LEC convenes as needed to address reported instances of malpractices, misconduct, or lapses related to the conduct of examinations. The Committee conducts hearings on these cases and recommends appropriate corrective or punitive actions, depending on the severity of the situation and in accordance with the KUHS Examination Manual, and with the decisions of the Governing Council.

13 sittings of M & LEC were held in the Financial Year 2024-25.

- Dr. S Sankar, Principal, Govt. Medical College, Kottayam - Chairman - till 157th M&LEC
- Dr. Sudha S, Dept. of Oral Pathology, Government Dental College, Kozhikode – Chairman from 158th M&LEC
- Dr. Rajee Reghunath, Principal, Amala College of Nursing, Thrissur.
- Dr. Gopikrishna S, Associate Professor, Vaidyaratnam P S Varier Ayurveda College, Kottakkal.
- Adv. D.V Narayanan, Legal expert, Kozhikode.
- Dr. Sajeevan K.C, Professor & HoD, Department of Biochemistry, Government Medical College, Thrissur. - 164th M&LEC onwards.

Prof. (Dr.) S. Anilkumar, Controller of Examinations is the non – member Ex – Officio Secretary of the Committee

Details of Meetings held during the year 2024-25

Sl.No	Name of Committee	Number of meetings
1	Board of Examinations (BoE)	3
2	Malpractices & Lapses Enquiry Committee (M&LEC)	13
3	Exam Committee	148
4	Pass Board	187

- Activities in connection with the meeting for the Governing Council, Academic Council, Planning Committee etc. such as:
 - Submission of Agenda items.
 - Dealing with the affairs of Senate in so far as they apply to examinations.

Convocation

As per clause (4) of Chapter XXV of KUHS Statute, 2013, "Award of Degrees, Diplomas, Certificates, Titles, etc., shall be made at a convocation arranged by the University or in absentia after the meeting of the Governing Council held after the publication of the results of the examinations concerned."

Eighteen convocations have already been conducted. Kerala University of Health Sciences conducts two convocations in an academic year.

The 19th and 20th convocations were conducted during the year 2024-2025.

Total No. of Graduands in FY 2023-24 is 21,423 (UG: 18,718, PG: 2,702, PhD: 3)

- Total No. of Graduands in FY 2024-25 is 21,113 (UG: 18,867, PG: 2,243, PhD: 3)**

University's social responsibility (USR)-steps taken to provide better services to Persons with Disability

In alignment with the guidelines of the Medical Council of India, we have consistently ensured the provision of necessary facilities and additional assistance for hearing- and visually-impaired candidates during practical examinations. Accommodations are tailored to individual requirements and may include projected Viva Voce questions, magnifying devices, or other appropriate support measures.

Result Status Change

In instances where grievances are raised, students may submit requests for a fresh valuation of their answer scripts. Upon the recommendation of the Board for the Adjudication of Student Grievances, the University may annul the previous evaluation and initiate a fresh-valuation of the script. Any changes in the results arising from this process are implemented as result status changes, subject to the approval of the Governing Council. A total number of 226 status change occurred in the FY 2024-25, the breakup of which is as under:

Name of stream	No. of Status Change
AYUSH Stream:	70
Medical Stream:	88
Dental Stream:	24
Nursing Stream	33
Pharmaceutical Sciences Stream	7
Paramedical and Allied Health Sciences Stream	3
PhD	1
TOTAL	226

Legal Compliance

The Examination System operates in accordance with the provisions outlined in the following enactments, regulations, manuals, and other applicable orders.

- i. KUHS Act, 2010
- ii. KUHS First Statutes, 2013
- iii. A written Examination Manual was published in July 2018. Any required amendments or modifications must be proposed, approved, and subsequently implemented.
- iv. The first Examination Regulation, 2019, was approved by the Governing Council and presented at the sixth Senate meeting held on 10.10.2019. The draft of the first Examination Ordinance is currently undergoing modification and re-assessment.
- v. Several University orders, effectively amending the Examination Manual, were issued in accordance with established procedures. These modifications are to come into effect in due course

Other General Points

- a) RTI Applications: A total of 162 applications under the Right to Information (RTI) Act were processed during the year, in alignment with the true spirit and intent of the RTI Act, 2005.

- b) Scrutiny of Surveillance CD recordings:** Above 10 per cent of the CDs of Theory Examination Surveillance were examined (and if necessary, even more numbers). This practice commenced on 22/08/2019.
- c) Audit Remarks:** During the year, 25KSAD audit enquiries, 4 AG audit enquiries, 5 internal audits were conducted. All audit remarks have been addressed and responded to promptly.
- d) Court Cases:** Approximately 71 court cases involving the Examination Branch were recorded during the period. In addition, a small number of cases were brought before various commissions, including the Commission for the Disabled, the State Human Rights Commission, the Youth Commission, the Minority Commission, and the Lokayukta. All hearings before these commissions were duly attended.

Initiatives implemented in the Examination Branch

➤ Digital Evaluation System (DES)

The Digital Evaluation System is a state-of-the-art onscreen technology that enhances the efficiency, transparency, and effectiveness of University assessments. It streamlines evaluation, reduces costs, and simplifies result declaration, benefiting both teachers and students. Following the DES, the University extended to **Remote Digital Evaluation System (RDES)**

➤ Remote Digital Evaluation Centres (RDEC)

KUHS established Digital Evaluation Centres outside its headquarters to streamline the evaluation process and enable timely declaration of results.

The details of the Digital Evaluation Camps are given below:

Sl No	Stream	Number of Digital Evaluation camps
1	DENTAL	12
2	MEDICAL	19
3	HOMOEOPATHY	11
4	SIDDHA	9
5	UNANI	9
6	PHD	1
7	AYURVEDA	24
8	PHARMACY	49
9	NURSING	24
10	AHS	108
TOTAL		266

➤ **Restructuring and Optimization of Digital Evaluations (RODE) Project**

The Restructuring and Optimization of Digital Evaluations (RODE) is an in-house project designed to automate, streamline, and enhance the evaluation process and other administration works related to examinations. This system improves data accuracy, resource management, and turnaround times while ensuring transparency.

Major Innovations of the RODE Project

The Digital Evaluation System (DES), a core innovation of the RODE project, revolutionizes the evaluation process by digitizing answer scripts and enabling efficient, secure, and systematic assessments. It allows scanned answer books to be viewed alongside corresponding questions, evaluation guidelines, and mark limits, ensuring evaluators assign scores within predefined parameters. The system meticulously tracks evaluator activities, including script pickup and submission times, enabling real-time monitoring of the entire evaluation workflow. Administrators have comprehensive control over exam management, question paper handling, evaluator assignments, Remote Digital Evaluation Centers (RDEC), and evaluation progress. Additional features include IP whitelisting and internal communication management for secure and streamlined operations.

Scanning operators digitize and anonymize answer scripts through shuffling to ensure unbiased assessment. Evaluators assess the scripts, flag potential malpractices, or return them for rechecking as necessary. Once evaluations are completed, DES automatically generates detailed reports, completion notes, and remuneration bills, which are verified by the Finance Section. Furthermore, Examination Assistants can efficiently reproduce answer book copies and generate scorecards as required, reinforcing transparency and accessibility. Altogether, DES facilitates a robust, transparent, and technology-driven evaluation ecosystem.

Extended Objectives:

- Ensure Timely Result Publication
- Modifications in the Digital Evaluation System (DES)
- Automation of Fresh Evaluation module & online Remuneration Bill
- Interface for entering Guidelines to each QP for Subject Expert
- Automation of RDEC Contingency Bill
- Prevention of repeated assignment of Evaluators for same camps
- Interface to download the Duty Certificate
- Implementation of Cloud Storage

➤ **Digitally signed Degree Certificate**

The use of the Vice-Chancellor's digital signature on degree certificates ensures the document's authenticity and legal validity in the digital era. Integrating biometric authentication prior to applying the digital signature adds an extra layer of security, effectively preventing forgery. This approach also significantly reduces the time required for manual signing of certificates, thereby facilitating the prompt dispatch of degree certificates to the respective students.

➤ **Online remuneration bill to Evaluators**

An online remuneration billing system has been implemented to streamline the payment process for evaluators of answer scripts. Once an evaluator completes the assigned evaluation work, the system automatically generates a remuneration bill based on the number of scripts evaluated and the

applicable rates. This digital approach eliminates the need for manual processing, reduces administrative delays, and ensures accuracy in calculating dues. By enabling real-time generation and submission of bills, the system facilitates quicker verification and approval, leading to timely disbursement of payments. Overall, it enhances transparency, efficiency, and convenience for both evaluators and administrative staff.

➤ **Provision of Block chain-based Digi Locker facility for University Documents**

The University has introduced the provision of DigiLocker, a secure cloud-based platform provided by the Government of India, to store and access official academic documents digitally. Through this facility, students can conveniently access their degree certificates, mark sheets and other essential academic records anytime and from anywhere. The integration of University documents with DigiLocker ensures authenticity, prevents tampering or forgery, and eliminates the need for physical copies. This digital initiative not only enhances transparency and efficiency in document delivery but also aligns with the vision of Digital India by promoting paperless governance and secure document management.

Block chain technology is a distributed ledger system known for its **security, transparency, and immutability**. It's now being adopted to issue **digital certificates** that can be used to verify educational credentials, professional certifications, and more.

➤ **Online portal for Attempt Certificate**

An **Attempt Certificate** of examination is an official document issued by a University or examination authority that states the number of times a student has appeared for a particular examination. It may also indicate whether the student passed in the first attempt or required multiple attempts to clear the exam. This certificate is often required for higher education admissions, government jobs, or competitive exams where the number of attempts is considered a criterion.

The University has launched an online portal for the issuance of Attempt Certificates, aimed at simplifying and expediting the application process for students. Through this portal, students can submit requests, track the status of their application, and download the issued certificate without the need for physical visits to the administrative office. The digital system ensures transparency, reduces processing time, and minimizes paperwork. It also maintains an accurate and secure digital record of all issued certificates. This initiative enhances student convenience and aligns with the University's commitment to adopting technology-driven academic services.

Future Plans in Examination Branch

The Examination Branch remains dedicated to continuous enhancement by embracing advanced technologies and delivering student-focused services. Efforts are underway to achieve full automation of both internal and external examination processes, ensuring the timely conduct of exams, prompt result declaration, and efficient data management. These initiatives reflect the University's commitment to innovation, transparency, and academic excellence. As technology continues to evolve, ongoing reforms will be essential to keep pace with these advancements. Such reforms are aimed at achieving qualitative improvements in the overall functioning of the examination system.

- **Actual Conduct of Theory Examinations**

The actual conduct of theory examinations is a core responsibility of the Examination Branch, requiring detailed planning, strict adherence to protocols, and effective coordination. Examination halls are organized as per seating plans and security guidelines, with trained invigilators ensuring discipline and addressing contingencies. To uphold transparency and integrity, real-time monitoring has to be implemented using centralized surveillance systems. CCTV cameras, including 360-degree dome cameras, are proposed for installation at examination centers, with live streaming at the Controller of Examinations' office. This system enables instant tracking of attendance, invigilation status, and any irregularities, allowing for immediate corrective action. Such measures enhance security, deter malpractice, and reinforce the University's commitment to fair and efficient examinations.

- **Software to find repeated cases in M&LEC**

The Examination Branch is in the process of developing specialized software to identify repeated cases in the Malpractice and Lapses Enquiry Committee (M&LEC) records. This software will automatically scan and analyze examination data to detect students with recurring instances of malpractice or other examination-related violations. By streamlining the tracking process, the system will enhance the efficiency and accuracy of committee proceedings, ensure consistent enforcement of disciplinary actions, and support informed decision-making. This initiative is aimed at promoting accountability and maintaining the integrity of the examination system.

- **Digitally Signed Provisional Certificate**

By leveraging digital signing technology, the University ensures that Provisional Certificates are instantly verifiable through secure online platforms, eliminating the need for physical verification. Each certificate includes encrypted data that authenticates the Controller of Examinations' identity and preserves document integrity, reducing the risk of forgery or tampering. This not only speeds up the issuance process but also supports the University's commitment to e-governance, transparency, and secure, student-centric academic services.

- **Online Remuneration & Contingency Bills for Examination related works**

This proposal seeks to implement an **Online Remuneration and Contingency Billing System** for all examination-related duties performed by faculty and staff, including invigilation, and logistical support. The system will enable users to submit claims via a secure portal with standardized, auto-calculated bill formats based on approved norms. Contingency expenses like stationery and transport can also be claimed through the same platform. This digitized process will reduce manual errors, speed up verification and payments, and enhance transparency through real-time tracking and digital records.

The proposed system will reduce administrative burden, eliminate errors, and expedite verification, approvals, and payments. Real-time tracking and digital records will enhance accountability and simplify audits and ensuring timely compensation for examination-related responsibilities.

- **Software to issue Chief Superintendent/IVO/EVO appointment letter**

The software designed to issue the Chief Superintendent/IVO/EVO appointment letter streamlines and automates the process of appointing Chief Superintendent/IVO/EVO for examinations. Through this system, authorized examination staff can quickly generate, and issue appointment letters based on predefined templates. The software allows for the input of relevant details, such as the exam schedule, location, and specific duties assigned to the Chief Superintendent/IVO/EVO, ensuring accuracy and consistency. It also tracks the status of appointment letters, sending notifications to the concerned individuals once the letter is issued. By digitizing this process, the system reduces manual paperwork, enhances efficiency, and ensures timely delivery of appointment letters, thus supporting smooth examination operations.

Challenges

Despite sustained efforts, the Examination System continues to face several persistent challenges. These include a shortage of eligible examiners for practical examinations and frequent last-minute dropouts of external examiners, particularly those from outside the state. Additionally, lack of sufficient eligible evaluators hampers the timely declaration of results, although the introduction of the RDE System has brought noticeable improvements in this area.

A critical concern remains the shortage of administrative staff in the examination wing of the University, falling short of the required strength. Operationally, challenges such as ensuring error-free question paper setting, network disruptions, and logistical issues in transporting, and storing answer books also continue to affect the smooth conduct of examinations.

Conclusion

The **Kerala University of Health Sciences (KUHS) Examination System** is designed to uphold high academic standards and ensure quality across its affiliated institutions. Emphasizing accuracy, integrity, and transparency, the system plays a key role in validating students' academic and professional competence. The Examination Branch regularly reviews and updates its processes to address evolving educational needs, technological advances, and regulatory changes. Key initiatives include digital tools like the Remote Digital Evaluation (RDE) System, online assessment platforms, automated result processing, and staff training. Through continuous improvement, KUHS ensures its examination system remains robust, student-centric, and aligned with national and international standards, while effectively responding to challenges such as curriculum changes etc.

Finance Branch

Finance Branch

The Finance Branch deals with the matters connected with Finance, Accounts and Audit of the University. The Branch is having two wings :-viz: General Finance and Examination Finance.

Finance officer is the controlling officer of the Branch and the principal advisor on all matters connected with Finance, Accounts and Audit of the University. He is assisted by two Deputy Registrars and two Assistant Registrars each, for General Finance and Examination Finance respectively.

To accomplish the assigned responsibilities in a systematic and time bound manner, the rules and orders contained in the following Act, Statutes and codes are relied upon:

- KUHS Act 2010, Chapter III- 16 (2,3,4,5), Chapter IX
- KUHS First Statutes Chapter II-53,54
- Kerala Financial Code
- Kerala Treasury Code
- Kerala Budget Manual

Vision statement of the Branch

To help the University to maintain healthy financial environment in accordance with the Act, statutes and laid down rules

Mission Statement of the Branch

To design and establish proper accounting/monitoring system to see that the financial aspects of the University are dealt with proactively and efficiently.

General Finance

It deals with accounting of affiliation fees, continuation of affiliation fees, annual administration fees, student registration fees, refundable deposits from the colleges affiliated to the University and such other receipts. It constantly interacts with Government and other agencies for allotment of grants, accounts grants received and submits utilisation certificates for the same. Preparation of Annual Budget for the various receipts and payments anticipated during the ensuing year on a realistic basis, also keeping in view the fund requirements for the infrastructural and developmental activities of the University is also an important function of the General Finance Branch. General Finance Branch also undertakes the preparation of Annual Accounts, payment of work bills, purchase bills, salary bills, other establishment and administrative bills, filing of statutory returns and attends to various audit procedures done by Internal Audit, Tax Audit, Local fund audit (State) and CAG audit.

Exam Finance

It deals with all payments related to advances for theory and practical examinations, centralised valuation camps, TA and sitting fee to members of pass boards, examination committees, subject experts, external examiners, practical convenors, question paper setters, dissertation evaluators, and remuneration to the nodal officers. Despite the increasing work load the Examination Finance Branch through its systematic organisational structure manages the work flow and successfully settles all the claims within the stipulated time frame.

The Act and Statutes of the University envisage that all grants and loans received from the State Government, the Government of India, the University Grants Commission and from any other source, all revenues of the University, all fees received, all income such as rent and revenue derived from properties and funds vested in the University, all endowments and donations received from any source whatsoever, all other miscellaneous receipts of the University and deposits, remittances and service of funds, received in connection with the affairs of the University shall form one consolidated fund styled "Kerala University of Health Sciences Fund" and shall be utilized for the purposes in the manner laid down in the Act and Statutes, Ordinances, Regulations, Bye-Laws and Orders. In order to control the inflow and out flow of funds, the University resorts to Budgetary control system.

Summary of the Budget Estimates for the year 2025-26 and revised estimates for the year 2024-25 at a glance were as under:

Kerala University of Health Sciences, Thrissur

Grants received from Government

The University is receiving grants from Government for its day to day operations (Non-Plan) and for creation of infrastructure and Capital Assets (Plan). Such grants released during the period 2024-25 were ₹ 712.76 lakhs and ₹ 859.76 lakhs respectively.

Accounting Procedure

Compared to the conventional Government Accounting system of accounting only receipts and expenditure, the University has adopted a system of accrual basis of accounting. The Government accounting system is cash basis of accounting under which transactions are recorded when the related cash receipts or cash payments take place. Thus, the revenue of educational Institutions, such as donations, grants, etc. is recognized when funds are actually received. Similarly, expenses on acquisition and maintenance of assets used for rendering services as well as for employee remuneration and other items are recorded when the related payments are made. The end-product of cash basis of accounting is a statement of Receipts and Payments that classifies cash receipts and cash payments under different heads.

Accrual basis of accounting is the method of recording transactions by which revenue; expenses, assets and liabilities are reflected in the accounts in the period in which they accrue. The accrual basis of accounting includes considerations relating to accrual of income, provisioning of expenses, deferral, allocations like depreciation and amortization. This basis is also referred to as 'Mercantile Basis of Accounting'.

Accrual basis of accounting records the financial effects of the transactions and other events of an enterprise in the period in which they occur rather than recording them in the period(s) in which cash is received or paid. The goal of accrual basis of accounting is to relate the accomplishments (measured in the form of revenue) and the efforts (measured in terms of costs) so that the reported net income measures an enterprise's performance during a period rather than merely listing its cash receipts and payments. Apart from income measurement, accrual basis of accounting recognizes assets, liabilities or components or revenue and expenses for amount received or paid in cash in the past, and amounts expected to be received or paid in cash in future.

In cash basis of accounting, no account is taken of whether the asset is still in use, has reached the end of its useful life, or has been sold. Thus, cash based information fails to show a proper picture of the financial position and performance of an organization for the accounting period.

A cash based system does not provide information about total costs of an organization's activities. On the other hand, accrual system of accounting offers the opportunity to the organization to improve management of assets, and provides useful information about the organization's actual liabilities, relating to both debts and other obligations such as employee entitlements.

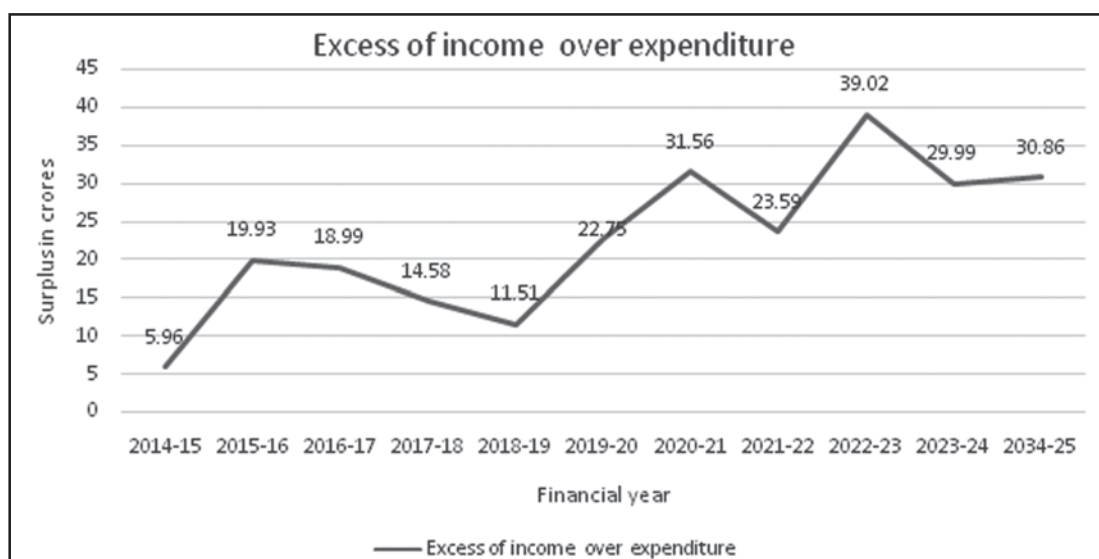

Accrual is the scientific basis of accounting and has conceptual superiority over the cash basis of accounting. The University therefore, has maintained its books of accounts on accrual basis. Such type of accounting enables an organization to create a corpus fund by transferring surplus income from its activities every year which can be utilized in furtherance of its objectives.

The cumulative corpus and surplus income during the year, of the University since inception till 2024-25 were as under:-

Year	Surplus income(Rs. in Lakh)	Corpus Fund(Rs. in Lakh)
2009-10	7.36	24.22
2010-11	806.88	883.90
2011-12	1,599.33	2,540.88
2012-13	1,998.63	5,784.21
2013-14	331.02	7849.31
2014-15	1,898.99	10,817.04
2015-16	1,992.95	12,809.99
2016-17	1,898.99	14,708.98
2017-18	1,458.47	16,345.88
2018-19	1,150.73	18,524.53
2019-20	2,275.17	20,968.43

2020-21	3,155.99	24,124.42
2021-22	2,358.98	26,128.07
2022-23	3,902.18	29,530.25
2023-24	2,998.63	32,028.89
2024-25	3,086.72	34,615.60

A graphic presentation of the surplus made by the University during the period 2014-15 to 2024-25 is shown below:

All accounting transactions are computerized with the help of a software developed through National Informatics Centre, New Delhi. The procedure adopted includes preparation of receipt and payment vouchers at individual seats, checking of the vouchers at Section officer/ Assistant Registrar level and approval of the vouchers by Finance Officer. Once the vouchers are approved, the software posts the same to appropriate ledger accounts, prepare a trial balance, Income and Expenditure account and Balance sheet for a specified period. Adjustment entries, if any, are passed manually.

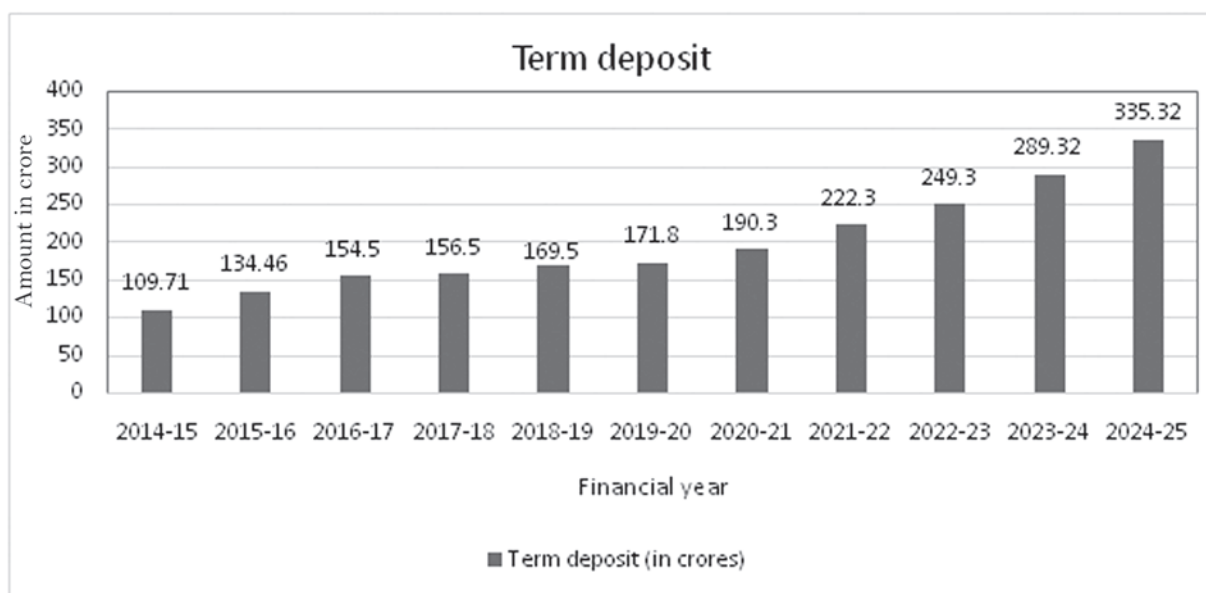

Investment of fund in fixed deposits

The fund which are not immediately required were invested in short term fixed deposit with State Bank of India/Government Treasury. The amount of such deposits made during the period 2014-15 to 2024-25 were as under:

Year	Amount of deposit (Rs. in Lakh)
2014-15	10,970.99
2015-16	13,446.38
2016-17	15,450.00
2017-18	15,650.00

2018-19	16,950.00
2019-20	17,180.00
2020-21	19,030.00
2021-22	22,230.00
2022-23	24,930.00
2023-24	28,931.71
2024-25	33,531.71

A graphic presentation of the deposits made during the above period is shown below:

Term deposit of the University as on 31/03/2025 includes:

Sl No	Particulars	Amount (Rs. in lakh)
1	Refundable deposits	4726.93
2	Earmarked Fund deposits	8160.45
3	Security deposit	1.71
4	General deposit	20,642.62
	Total	33,531.71

Financial results of the University, the quantum of receipts and payments and other key financial figures for the period 2024-25 are enumerated in the succeeding pages with graphic presentation.

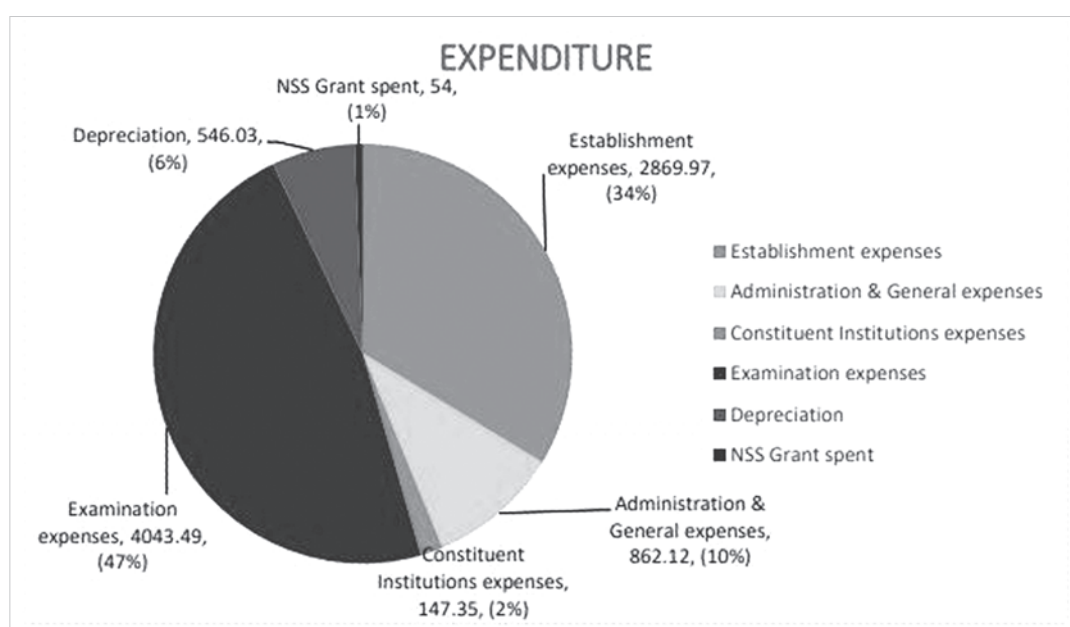

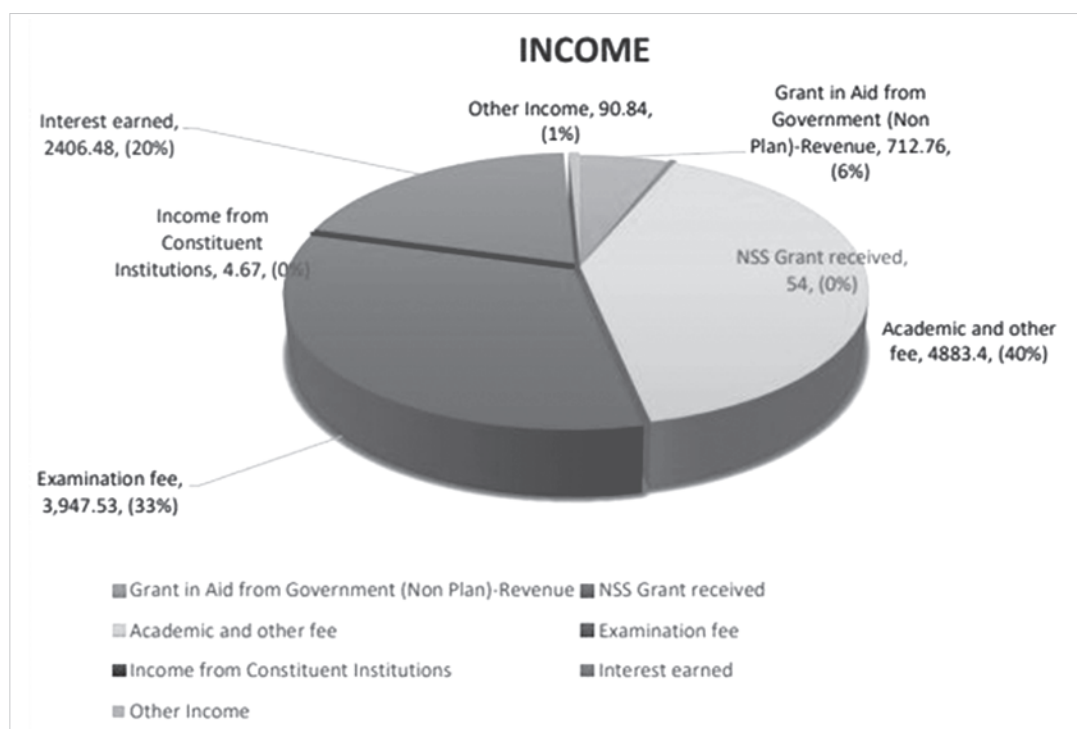

The receipts and payments during the financial year 2024-25 were as under:

Receipts and Payments Account for the year 2024-25			
Receipts (in lakhs)		Payments(in lakhs)	
Opening balance	32,311.14	Salary and other employees cost	2,872.84
Grant in aid from Govt	1,572.52	Academic Expenses	84.93
Academic income	3,446.51	Administration & general expenses	882.99
Affiliation fee	1,422.33	Examination expenses	4,713.64
Examination fee	3,976.89	Research Schemes and Projects - Others	71.96
Other Income	31.94	Student Welfare Expenses	163.46
Interest earned	2,290.56	Extension Activities	155.63
Rental Income	18.68	Works	1,108.13
Income from constituent institutions	4.67	Debt heads	350.27
Research Schemes and Projects-State Government	50.41	Endowment Investment	0.05
Research Schemes and Projects- Others	24.85	PF Payments	110.66
Debt heads	1,224.58	NSS payments	54.45
Endowments	0.05	Closing balance	36,161.37
PF Receipts	301.25		
NSS receipts	54.00		
Total	46,730.38	Total	46,730.38

The Income and Expenditure account for the Year 2024-25 are enumerated below:

Income & Expenditure Account for the year ended 31/03/2025			
Expenditure	Amount (in lakhs)	Income	Amount (in lakhs)
Establishment expenses	2,869.97	Grant in Aid from Government (Non Plan)-Revenue	712.76
Administration & General expenses	862.12	NSS Grant received	54.00
Constituent Institutions expenses	147.35	Academic and other fee	4,883.40
Examination expenses	4,043.49	Examination fee	3,947.53
Depreciation	546.03	Income from Constituent Institutions	4.67
NSS Grant spent	54.00	Interest earned	2,406.48

Transfer of interest to Earmarked Fund	490.00	Other Income	90.84
Excess of Income over expenditure transferred to Corpus/Capital Fund.	3,086.72		
TOTAL	12,099.68	TOTAL	12,099.68

Other key financial figures for the year 2024-25 were as under:

BALANCE SHEET AS AT 31st MARCH 2025			
Liabilities	Amount (in lakhs)	Assets	Amount (in lakhs)
Corpus/Capital Fund	34,615.61	Fixed Assets	43,51.23
Grant in Aid from Government (Plan)	5,192.14	Project Work in progress	12,232.3
Earmarked Funds	8,160.45	Investment of Earmarked Funds and Other funds in Fixed Deposit	33,531.7
Current Liabilities and Provisions	5,963.38	Current Assets	3,816.41
Provident Fund	858.88	Provident Fund Investment	858.88
NSS Fund	32.63	NSS Fund Investment	32.63
Endowment fund	8.11	Endowment Fund Investment	8.05
TOTAL	54,831.2	TOTAL	54,831.2

- During the financial year 2024–25, a total amount of ₹ 47,99,584/- (Rupees Forty-seven lakh ninety-nine thousand five hundred and eighty-four only) was released towards Gratuity, Pension, and Commuted Value of Pension.
- Advances given to various Government institutions that could not be adjusted at the end of the financial year

PARTICULARS	As at 31st March 2025
Advance to Dean Student affairs	74,62,208
Permanent Advance for Remuneration -SHPP	30,000
Advance for the conduct of exam	83,27,850

- During the year the university has maintained the following bank accounts with State bank of India.

Sl.No.	Account Number	Name of the Account
1	31547327832	KUHS General Fund
2	31340212316	KUHS Student Registration Fund
3	31768842875	KUHS Examination fee Account
4	31768843801	KUHS Campus Project Account

5	31845195431	KUHS-Permanent advance to CE
6	31786542461	KUHS Students Welfare Fund
7	32267343775	KUHS Examination expenses Account
8	33607963005	E Payment Account
9.	37372548664	E Tendering Account
10	42339561914	Setting up of Translational Research Centre at KUHS
11	41788483994	Establishment of Thematic Herbal garden at KUHS

- During the year the University has also maintained the following savings bank accounts with Sub Treasury, Mulangunnathu Kavu, Medical College PO, Thrissur

1	713161400000002	Treasury Savings Bank Account
2	799010100141582	TSB Account-interest
3	7990127000000226	Plan Scheme TSB Account

- During the year University has incorporated the Provident fund account which has been kept separately, in the books of accounts through book building entries. The Treasury account for keeping Provident fund investment is as follows.

1	799010100141581 (Changed by Treasury as 7990133000000034 in 2025-26 FY)	Provident Fund Treasury Account
---	---	------------------------------------

- During the year University has incorporated the NSS Accounts in the books of accounts through book building entries. The Bank accounts dealing with NSS transactions are as follows.

1	37939700901	NSS Current Account
2	33725005252	NSS SB Account
3	41525904787	NSS Grant Current Account

- **PENDING BILLS DETAILS:**

- i.) The Work in progress as on 31.03.2025:
 - Rs.4,43,73,185/- has been deposited with Central Public Works Department for construction of Utility Building in the University campus.
 - Rs.41,00,00,000/- has been deposited with Central Public Works Department for construction of Academic Staff College building in the University campus and out of which Rs.2,97,24,488/- has been refunded by CPWD during the year 2024-25.

- **No debts have been written off, and no income has been waived** during 2024–25.
- Refundable deposit received from affiliated institutions as on **31.03.2025** amounts to **₹ 4,726.93 lakhs.**

Income Arrears as per DCB Statement		
	Opening Balance (01.04.2024) (In rupees)	Closing Balance (31.03.2025) (In rupees)
Examination Branch	48,48,560	19,12,774
Academic Branch	1,70,00,825	1,84,56,945

In order to achieve the vision and mission of the University, the following initiatives have been carried out in Finance Branch

1. Accounting

All accounting transactions are computerized and includes automatic voucher generation, generation of cashbook, ledger, journal, trial balance etc.

2. Annual Financial Statements

As per Section 66 of the Kerala University of Health Sciences Act 2010, the annual Budget Estimates along with the financial statements of the University for ensuing Financial Year shall be prepared by the Finance Officer and presented to Governing Council, under the directions of the Vice Chancellor before such dates as may be prescribed by the statutes for approval. After getting approval of the Governing Council, it shall be presented in the senate for discussion. But the Senate, if required, can make suggestions and incorporate amendments to the proposed Budget and return the same to the Governing Council for consideration. The Governing Council may accept or reject the recommendations made by the Senate.

As per Statute No. 9(1), Chapter VI of the first Statutes 2013 of the Kerala University of Health Sciences, the Governing Council shall, before the first day of January of every year examine the Financial Estimates of the income and expenditure for the ensuing financial year which has been prepared by the Finance Committee or make such alteration as it deems fit and approve the same with modifications, if any. As a part of innovation in preparing budget estimates, anticipated expenditure under different heads/programmes/works, have been ascertained by consulting all branches of the University, so as to include necessary provisions for expenditure in the Budget Estimates and holding meetings/discussions with Branch heads and other officials for the purpose, besides obtaining the quantum of anticipated expenditure and Introducing new budget heads based on the needs of the branches.

3. Audit observations and Audit Reports

For timely compliance to Audit Observations and Audit Reports, the innovations carried out included:

Conducting meetings with the branch officials concerned on points contained in the observations/reports and formulating strategy for compliance.

Drafting compliance to the observations discussed in meetings before they are finally furnished to audit.

Arranging entry and exit meetings with the auditors for discussing the strategy of Audit and the observations contained in the Audit Report.

Furnishing clarifications/explanations required during Audit within a reasonable time frame and wherever necessary conducting discussions by higher officials with Audit Authorities.

Uploaded Consolidated Audit Reply of 2022-23 to the AIMS software (Audit Information Management System) of Kerala State Audit Department in respect of KSA department audit.

KSA Department audit for the years 2022-23 has been completed. The Audit by Accountant General has been completed upto October 2023.

4. On-line receipts

The University has introduced online receipt system for collections related to examination and academic purposes.

The introduction of online receipt system in association with **SBI e-pay**, the business department of State Bank of India providing payment aggregation services, has wiped out such impediments. Under the system, the payee institutions and individuals can pay various types of fee to the University using credit cards/Internet banking. The successful payments are credited to the University's accounts within a period of maximum three days. Thus the loss of interest due to delay in affording credit by the bank as well as wastage of manpower is avoided to a great extent. The online receipt system has also made the job of payee institutions a lot easier.

The fee receipts on account of Affiliation, Continuation of Affiliation, Annual Administration, Examination etc are being received from the constituent institutions/students by way of SBI-e-pay since November 2019.

KUHS started receiving online payments from various affiliated colleges from November 2019 onwards. For this we have developed our own software so that filling up of relevant application form and payment thereon can be made through the software itself .

5. Employees Provident Fund(KUHS)

PF credit cards till 2023-24 (FY) has been issued to the employees.

6. Initiatives in respect of Examination Finance Section

- i) All payments like TA to external examiners for the conduct of practical examinations, TA to observers for the conduct of theory exams and TA and Remuneration to evaluators for paper valuation are made through NEFT/RTGS payments, directly to the bank account of the faculties concerned which has proved to be very effective, easy and time saving. Earlier, the University was sending individual cheques which was time consuming.
- ii) University has introduced text messaging system to the mobile numbers of observers, examiners and evaluators in order to communicate details of payments made to them.
- iii) University is sending system generated e-mails to all colleges with all the settlement details after final settlement of expenditure of each examination for easy disbursement of examination remuneration at college level. Earlier, University was sending individual mails manually.
- iv) Cash Book, Journals, Vouchers, and Payment Registers are computerised so that the accounts and registers are up to date, accurate and systematic, which enable speedy and easy reconciliation and financial year ending adjustments.
- v) Grouping of bills of different examinations of same discipline helped to make the payments organised, fast and this in turn reduced the number of cheques taken for TDS. Now the total amount of TDS deducted from an evaluator can be traced out easily.
- vi) Duplication of bills can be traced out easily through the computerisation of bill entries. Also payment reports can be generated online instantaneously.
- vii) Each course is being dealt under the direct control of an assistant, so that payment and unsettled advances if any can be traced out and queries from evaluators and examiners dealt with easily.
- viii) For making payment prompt and accurate, payment is made to the account number mentioned by the evaluator/examiner in the bill. In case of any discrepancy, evaluators are requested to forward a copy of their Bank pass book page in which account number and IFSC code are mentioned.

- ix) Tapal entry is made online at Exam Finance branch. As a result, the current status of each bill (Advance, settlement & TA) from its receipt to its disposal can be traced out, which also helps in processing of the bills speedily.

Achievements of Finance Branch

- Timely finalisation of Annual accounts
- Timely finalisation of Annual Budget Estimates
- Establishment of PF Account Management System
- Introduction of On-line receipt system in respect of various types of fees with the help of SBI-‘epay’, has been implemented in respect of Examination receipts and of Academic branch since November 2019. This enabled the University to avoid delay in crediting demand drafts received from the affiliated institutions, students etc. by bank and thereby resulted in saving substantial amount of interest.
- Computerisation of Examination (Finance) Wing has resulted in prompt payments to examiners and institutions.
- Establishment of Thematic Herbal Garden at KUHS Campus with the financial assistance of Central Government
- Introduction of online payment system (CMP / CINB system) in the University.
- Implementation of UNISPARK system in the University
- Full Utilisation of Grant in Aid received from State Government during the FY 2024-25
- Obtained CSR Certification for the University which facilitates reception of CSR donations to KUHS.
- **Substantial Reduction in Long-Pending Settlement of advances:** Of the unsettled advance amount of ₹ 16,05,660 pending since 2010, a total of ₹ 12,01,910 was successfully settled during the financial year 2024–2025, marking significant progress in clearing longstanding financial liabilities.
- **Implementation of SBI Cash Management Product (CMP):** Payments from the Examination Finance Section are routed through the State Bank of India’s online Cash Management Product, enabling faster and more secure transactions while eliminating delays associated with conventional banking procedures.
- **Digitalisation of Evaluation-Related Bill Processing:** Bills related to the evaluation of answer books and the preparation of evaluation guidelines are now being processed through a digital system. As a result, eligible beneficiaries are receiving payments within one week of submission of bills, thereby ensuring enhanced efficiency and timely disbursement.
- **Launch of ‘KUHS E-Billing Portal’:** An online portal titled ‘*KUHS E-Billing Portal*’ was launched to streamline the submission and processing the application for advance and settlement from colleges for expenses related to the conduct of university examinations. This initiative has significantly improved operational efficiency and transparency.
- **Direct Credit of Remuneration to Non-Teaching Staff:** A new system has been implemented for the direct transfer of remuneration to the bank accounts of non-teaching staff engaged in the conduct of written and practical examinations, thereby improving accountability and reducing administrative delays. This achievement has thereby met the time long request from non-teaching staff.

Office of the Deans

OFFICE OF THE DEAN (ACADEMIC)

Duties assigned to Dean Academic are:

- To Assist the Registrar in Academic Activities.
- Other duties assigned by the Honorable Vice Chancellor and the Registrar.
- In charge of Director of Planning
- In charge of University website and You tube channel.
- Coordination of submission of data and enrolment of KUHS in Association of Indian Universities (AIU) portal
- Co-investigator of Revision of Perspective plan, a project initiated by School of Health Policy and Planning, Thiruvananthapuram.
- Nodal Officer of Implementation of Gender neutrality in all academic documents like regulations, syllabi, curriculum etc.
- Co-ordinator of IQAC Cell
- Dean Academic is a member of the following committees
 1. School Board
 2. Planning committee
 3. Quality Assurance Council
 4. Quality Accreditation Monitoring Committee
 5. NEP Cell
 6. Academic subcommittee of AYUSH
 7. Research and Development (R&D) Cell
 8. Innovation Cell

National Skill Development Corporation

KUHS and NSDC International, a unique public-private partnership (PPP) enterprise working under the Ministry of Skill Development & Entrepreneurship (MSDE), Govt. of India, have entered into a Memorandum of Understanding (MoU) to provide foreign language training, soft skills and domain training to Nursing and Allied Health Sciences students and graduates, making KUHS the first university in India to collaborate with NSDC for skill training in the Health sector. The scope of collaboration is set to expand to courses in other Health Science streams by KUHS and for introducing novel skill enhancement courses in Health Science sector, in future.

Block-chain based certificate verification portal for KUHS.

Kerala Block-chain Academy of Digital University of Kerala has submitted a proposal, block chain-based certificate verification portal for KUHS, “Certichain Solutions”. Block chain technology uses cryptographic techniques to secure certificates and prevent unauthorized access or manipulation. The process of issuing and verifying certificates can be automated, reducing the time and effort required. The certificates can be verified 24x7 through an automated portal. The Governing Council at its 82nd meeting held on 31.12.2024, has resolved to approve the proposal with a total project cost of approximately Rs.28 lakhs.

Now the Certichain solution has been successfully deployed and integrated with the KUHS ERP System and it is functioning successfully.

THE OFFICE OF THE DEAN (RESEARCH)

The office of the Dean (Research) is engaged in promotion of research as a co-curricular activity for undergraduate and post graduate courses. Research Capacity Building (ReCaB) is an ongoing activity lead by the section with the support of the Schools and Centres as well as the Academic Staff College. The section also facilitates conduct of the PhD Programme (Part-Time and full time) in the recognised Research centres of KUHS. We provide University Fellowship for full-time PhD for selected candidates to pursue PhD under the Schools of the university. The section is engaged in promoting activities of research.

1. Duties Assigned

1. PhD Programme (Academic part)
2. Academic matters related to PhD Scholars.
3. Recognition of Research Guides. (PhD)
4. Recognition of Research Centres. (PhD)
5. University Ethics Committee.
6. Research Council.
7. Innovation Cell.
8. Intellectual Property Rights, and IPR Cell.
9. Orientation session for PhD candidates.
10. Matters related to PG synopsis & Guide change.
11. Research Capacity Building Programmes for UG, PG students, and faculties.
12. KUHS Research appreciation award.
13. Award for Publication of PG Thesis.
14. KUHS Central Library

2. Activities

The Research division of KUHS was constituted with a vision to give an effective direction to the research activities.

Recognition of Research Guides

List of 729 PhD Supervising Guides were uploaded in the website (Ayurveda 72, Dental 176, Homoeopathy 11, Medicine 163, Nursing 74, Paramedical & Allied Health Sciences 94 and Pharmacy 139).

Applications for approval of PhD Guide-ship was invited for 2024. 158 applications were received from various streams and the scrutiny process of all streams were completed.

Research Centres

New Research Centres were approved during the period and updated in the website. At present We have PhD Research Centres in 102 Institutions in Kerala including KUHS Research Centre.

Ethics Committee

The University Ethics Committee were held on 05.04.2024, 31.05.2024, 25.06.2024, 10.09.2024, 22.11.2024 through hybrid mode.

The Version 3 of the SOP of the University Ethics Committee was approved by the Vice Chancellor, and came in to force from 25th October 2024

IPR Cell

The IPR cell of the University joining with Kerala State council for Science and Environment has conducted a one day workshop on 'Intellectual property Right' on 24th August 2024 at Seminar Hall of KUHS Headquarters.

3 PhD Programme

Admission Memo for 41 candidates were served during the year and 41Nos joined the programme at various Centres of Research as PhD Admissions 2024 (Batch VII).

Year End Examination for Batch V was conducted in 2024 May and November for the 154 PhD Scholars registered in 2023,2022,2021 and 2020.

During this period PhD awarded to 3 candidates one candidate is in the discipline of Nursing and one candidate is in the discipline of Dental Sciences and one candidate is in the discipline of Ayurveda.

Orientation Programmes

Orientation classes for PhD Batch VII was conducted through online during this period.

Matters related to PG synopsis & Guide change

Notifications were issued inviting online submission of synopsis of PG thesis for various PG courses under the University, as per the recommendations from respective Faculty Deans. Reviewers were assigned to the synopsis received.

Research Council

As per the instructions from Research Council dated 15.12.2023 a committee was formulated to prepare guidelines for the utilisation of earmarked fund for Research. The committee convened its meeting on 22.10.2024 and prepared the guidelines, and forwarded to Finance branch for including it in the budget allocation.

Innovation Cell

Innovation cell was established in the University in 2023. SOP for the Innovation cell is under preparation.

KUHS Research appreciation award

The applications for KUHS Research appreciation award was invited in April 2024. The received protocols/ applications were reviewed and the selection list were published in the website in 07.09.2024. The candidates selected were allowed to do research for six months and directed to submit the final report in March 2025. Accordingly, Reports are received in University and the review is pending. The selected candidates will be awarded prize money of 10000/- and an e –certificate.

Award for Publication of PG Thesis

The applications for Award for Publication of PG Thesis were invited in April 2024. 13 candidates submitted applications, and all were rejected, as the criteria mentioned in the approved guidelines of the Award for Publication of PG Thesis were not fulfilled by them.

THE OFFICE OF THE DEAN (STUDENT AFFAIRS)

• **Dr. V.V Unnikrishnan, Director Academic Staff College (In Charge DSA)**

1. Duties Assigned

- i) Board of Adjudication for Students Grievances
 - ii) Students Union Election

Board of Adjudication for Student Grievances meetings were held to hear the grievances of students. Grievances of Students having valid reasons were considered and the Controller of Examinations was requested for appropriate actions as per university rules in this regard and orders were issued. Other grievances were rejected and the concerned students were informed. In certain cases, the evaluators were called for and collected explanations/statements regarding the discrepancies noted therein.

Total Number of Board of Adjudication for Student Grievances Meetings held during the year 2024 - 25 is 20.

Refresher Cum Training Programme for Student Support and Guidance Programme Nodal Officers - 2024

Refresher Cum Training Programme for SSGP nodal officers was conducted on 22.08.2024 at KUHS Senate Hall. The Programme was Inaugurated by Hon'ble Vice Chancellor Prof.(Dr.) Mohanan Kunnummal. Training was on topics given below.

- Introduction to SSGP
- Basic Counselling and Advocacy
- Menstrual Hygiene and Reproductive Health
- Addicted to Life
- Eliminating the Menace of Ragging in Campuses

Above 300 numbers of SSGP Nodal Officers participated in this programme.

78th Independence Day Celebration

KUHS directed all affiliated colleges to organize sports and games in connection with “78th Independence Day Celebration”, an initiative of the Government of India to celebrate and commemorate 78 years of Independence and the glorious history of it's people, culture and achievements. The Budget utilization for the programme was limited to 54,00,000/- (Rupees fifty-four Lakhs only). Every college organized at least one game/sports activity which would be financially supported by the university. 113 colleges affiliated to KUHS has submitted the report after conducting the sports events in connection with the same.

Cash Award for Excellence in Academics

Cash Award were distributed among 26 rank holders during the 20th Convocation held at KUHS Headquarters on 06.03.2025 and Dr. Shobha Sundareswaran Academic Excellence in Orthodontics Endowment Award for one student were also distributed in the occasion.

Grievance Redressal for students

- 220 numbers of complaints were received during the period, in which 215 complaints were from students. Explanations were sought from the Principals of concerned colleges and when the explanation found satisfactory no further action is taken in this regard; when the report was found unsatisfactory and unhelpful to resolve the concerned grievance, the complaint is placed in the Grievance Redressal committee chaired by Pro Vice Chancellor, KUHS for recommending a final solution.
- The meeting of the Grievance Redressal Committee for Students was held on 27.05.2024 via online meeting regarding Grievance filed by Mrs Pyary PN regarding mental harassment and withheld of stipend
- The meeting of the Grievance Redressal Committee for Students was held on 20.06.2024 regarding the complaint filed by Students of 2019 MBBS Batch, MES Medical College

- Complaints have been received from students who discontinued the course, but the management was unwilling to return the certificates. Many complaints regarding the same have been processed and solved.
- Complaints have been received from National Human Rights Commission regarding paying less stipend to the interns. It has been informed that the issue of stipend payment to medical course students is currently pending before the Hon'ble High Court of Kerala in Writ Petition (Civil) No. 16138 of 2022 and related cases. The Hon'ble court has issued a stay on initiating coercive steps in the matter of stipend payments, and the cases are yet to be disposed of by the court.
- All the Principals of all colleges affiliated under KUHS has been reminded for the implementation of internal complaint committee and a special cell to deal with the issue of gender based violence.

All the Principals of all colleges affiliated under KUHS has circulated letter to take measures regarding the guidance from UGC antiragging cell following:

- To adopt proactive initiation programmes for new students aimed at creating a welcoming and supportive environment.
- To identify and support vulnerable students to prevent ragging incidents.
- To implement mentor mentee programme.
- **To ensure strict compliance of UGC regulation for curbing the menace of ragging in Higher Educational Institutions 2009.** To report status of this after conducting ground level compliance checks. (advisory issued by UGC dated 05.03.2025)
- Strict measures must be taken to prevent the use of vulgar materials in ragging activities and to enforce stringent actions against individuals involved in such practices, in order to protect the dignity and safety of students.
- To cooperate with the UGC Anti-Ragging Helpline and adhere to its guidelines, maintaining the confidentiality of complainants and supporting the helpline in addressing ragging complaints.
- Institutions should collaborate with relevant stakeholders to develop and implement comprehensive strategies for preventing suicide and promoting mental health and well-being.

Grievance Redressal for teaching/non-teaching staff of affiliated colleges

- Complaintshave been received from teaching/non-teaching staffof affiliated colleges regarding the withholding of academic certificates/ termination/experience certificates / FEP-related issues/harassment from colleagues etc. Some of the Complaints regarding the same have been processed and solved.

BRIEF ACTIVITY REPORT OF UNIVERSITY NSS CELL DURING THE YEAR 2024-25

Dr. Iqbal V M Dean (Student Affairs) holds the additional charge of NSS Programme Coordinator up to 30th September 2024 and Dr.V.V.Unnikrishnan,Professor& Director, KUHS Academic Staff College, holds additional charge of NSS Programme Coordinator from 01.10.2024 to 31-03-2025 At present there are 173 NSS Unit under the Cell in which 96 Units are Funded and 77 Self Financing. All Programs like important days was observed by the Units by organizing various activities. In addition to that other activities as directed by the State NSS Cell and NSS Regional Directorate from time to time was also conducted by the Units and the reports was submitted to the authorities concerned in time. Some of the programs conducted is attached in the last portion of this report for information.

GRANT IN AID

An amount of Rs.54.00 lakhs was received as Grant in Aid for the year 2024-25 from the State NSS Cell for 96 NSS Funded Units . To units who have done regular activities and special camp an amount of Rs.51,12,000/- was transferredand Rs.2,88,000/- transferred to University NSS Cell as Administrative Expenses Fund.

SPECIAL CAMP

78 NSS Units have reported the details of Special Camp conducted during the year 2024-25.

VILLAGE ADOPTION

69 Government funded units and 42self financing units have reported the details of villages adopted by them under village adoption programme.

Enrollment of Volunteers: -

Volunteer enrolment was carried on from the month of October 2024 onwards and the status of volunteers are as detailed below:-

Category	No. of NSS Volunteers Enrolled 2024-25			
	SC	ST	Others	Total
Government funded Units	545	93	7779	8417
Self-Financing Units	394	64	5912	6378

Azad Sena District Convenors:

14 Program Officers were nominated by the University NSS Cell as the District Conveners for coordinating the district level activities on Azad Sena Programme – (Programme against Drugs and its ill effects) and all other activities.

Swachhata Hi Seva Programme. by the NSS Units from 17th September to 2nd October 2024

Kerala University of Health Sciences (KUHS) organized program titled “Swachhata Hi Seva Programme” by the NSS Units from 17th September to 2nd October 2024. During this period, NSS Volunteers across the nation will be involved in the cleaning of public places - historical monuments, markets, educational institutions, hospitals, railway stations, bus stands etc. Another thrust area of the campaign is to collect maximum quantity of single use plastic waste and each volunteer collected 2.5 kg of such plastic waste from his surroundings. 25 units were received @ Rs.10,000/- each from NSS Regional Directorate for this activity.

NATIONAL INTEGRATION CAMP REPORT 2024-25

The seven-day National Integration Camp of National Service Scheme Unit of Regional Directorate of Kerala and Lakshadweep was organized in association with the NSS Cell of Calicut University at LEAD College of Management, Dhoni, Palakkad from 15th to 21st Feb 2025. Eight volunteers from KUHS were deputed to this camp.

Another seven-day National Integration Camp of National Service Scheme Unit of Regional Directorate of Kerala and Lakshadweep were conducted at St. Joseph's Outreach Center, St. Joseph's University, Nelamangala, Bengaluru from 20th to 26th February, 2025. Dr. K R Mano Rakesh, Assistant Professor & NSS Programme Officer of Government Medical College Kollam were deputed from KUHS as Contingent leader to accompany the team of ten NSS volunteers for this Integration Camp.

NATIONAL ADVENTURE CAMP 2024-25

National Adventure Camp 2024-25 were conducted at River Rafting Center, Pirdi, Himachal Pradesh from 28th November to 7th December 2024. Dr. K R Mano Rakesh, Assistant Professor & NSS Programme Officer of Government Medical College Kollam were deputed from KUHS as Contingent leader to accompany the team of six NSS volunteers for the Adventure Camp.

WAYANAD REBUILD- CONSTRUCTION OF 150 SNEHABHAVANGAL FOR THE VICTIMS OF LANDSLIDE AT MUNDAKKAI, CHOORALMALA, ETC.

An amount of Rs.12.00 lakhs were collected from various NSS units and transferred to NSS State Cell for construction of 150 snehabhavanagal at Wayanad.

State Level NSS Camp on Futuristic Emergency Preparedness 2024

Training on disaster management was conducted from 9th to 11th October, 2024, at Sri. Gokulam Conention Centre, Balussery, Kozhikkode. Five volunteers from various colleges have been participated in the camp.

ONE DAY TRAINING PROGRAMME TO PROGRAMME OFFICERS CONDUCTED BY STATE NSS CELL

One day Training programme was conducted by State NSS Cell in all districts for Programme Officers from 26/09/2024 to 25/10/2024. Main topics are HIV, Drug abuse in students and important other projects of NSS. 125 Programme Officers from various colleges were participated in the above training.

GLIMPSES OF FEW ACTIVITIES CONDUCTED BY OUR NSS UNITS

- Nasa Mukth Bharath Abhiyan
- Blood Donation Camp
- Swatchaatha Hi Seva
- Independence Day Celebration
- Medical Camp
- Republic Day Celebration
- International Womens Day
- Health Survey
- SuchithwasagaramSundaratheeram
- Drug Free Campus
- Dr.AmbedkarJayanthi
- 7thPoshanPakhwada
- Yoga Day
- Constitution Day

FUTURISTIC EMERGENCY PREPAREDNESS CAMP

Training on Disaster Management was conducted from 9th to 11th October, 2024 at Sri.Gokulam Convention Centre, Balussery, Kozhikkode. Five volunteers from various colleges under KUHS have been participated in this camp.

ONE DAY TRAINING TO PROGRAMME OFFICERS ORGANISED BY STATE NSS CELL

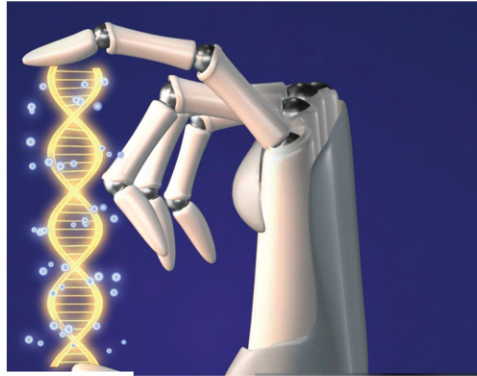

From 26-09-2024 to 25-10-2024, one day training was conducted by State NSS Cell for Programme Officers on HIV, drug abuse in students and important other projects of NSS. 125 Programme Officers from various colleges were participated in this training. The training was conducted in all districts on various dates.

NATIONAL INTEGRATION CAMP 2024-25

- 1) National Integration Camp 2024-25 organised by NSS Cell of Calicut University at the LEAD College of Management, Olavakode, Dhoni P.O, Palakkad from 15th to 21st February, 2025. Eight volunteers from various colleges under KUHS were participated in this camp
- 2) Another National Integration Camp 2024-25 was conducted at St. Joseph's Outreach Center, St. Joseph's University, Nelamangala, Bengaluru 20th to 26th February, 2025. Dr. K R Mano Rakesh, Assistant Professor & NSS Programme Officer of Government Medical College Kollam has been deputed from KUHS as Contingent leader to accompany the team of ten NSS volunteers from different colleges under KUHD for the Integration Camp

SWACHATA HI SEVA (SHS)

Swachata Hi Seva (SHS) Programme by NSS units were conducted during 17th September to 2nd October, 2024. Main aim of this programme was the single-use plastic collection from railway stations, bus stands, educational institutions, beaches and other public places. An amount of Rs.10,000/- was released from the Regional Directorate to 25 institutions under KUHS for the conduct of the programme.

Information Technology *Section*

1. EXAMINATION

a. Modification and Development of Pre-Exam Modules

- A new interface has been developed for collecting elective grades for the BHMS course.
- A module has been added for returning unused 52-page answer books from colleges upon receiving an order from the University.
- A new purpose has been added to fulfil miscellaneous payments.
- Modifications have been made in the MBBS and BHMS internship programs.
- A new interface has been developed for collecting the split-up data and calculating attendance for Medical PG/Super Speciality courses.
- A module has been added for redistributing unused 52-page answer books to colleges upon receiving orders from the University.
- A new interface has been developed for collecting PIN code details from colleges.
- Modifications have been made in the process of entering project details for B.pharm courses.
- A new Module has been developed for setting postal slab of colleges.
- A new interface has been developed for assigning Nodal Officer and Subject Expert for theory examination.
- A module for sending appointment order to Nodal Officers, and Subject Experts after getting approval from the Controller of Examination.
- Batch allotment module for Colleges.
- Developed a new module for collecting course completion details for some PG and UG courses.
- Implemented a new module for collecting details about District Residence programme.
- Implemented a module for sending practical password as mail to the concerned Chairman on the starting date of practical examination.
- Introduced a new module for verifying examination related payments for concerned sections.
- Implemented a new module for giving permission to faculties as per the Court order.
- Implemented a module for giving permission to students for examination registration as per the Court order.
- Implemented a module for viewing student's attendance based on QP code.
- 126 Tapal Processed during this period.
- 23 Court Order Processed.
- RTI 3 Processed.

b. Number of Exam registration is 1863 and dissertation registration is 397

c. Development of Post Examination Module –updates

1. Developed and implemented a module to retrieve overall result details of students for the analysis of academic progression.
2. Developed and implemented the TR Module for the BHMS New Scheme.
3. Developed and implemented the Provisional Result Generation Module for the BHMS New Scheme.

4. Developed and implemented a module for course-wise DCB report generation for Attempt Certificates.
5. As per the request of the Home Ministry Attestation Section, a module was incorporated into the e-Verification software to create fee-exempt government user logins.
6. Developed and implemented an API to retrieve details of Ph.D. students who passed the year-end examination, filterable by the month and year of the examination.
7. Developed and implemented an API to retrieve pass details of a specific Ph.D. student in the year-end examination.
8. Developed and implemented a module to generate work reports for each user login ID, related to the Part 1 confidential entry.
9. Developed and implemented a module to generate a consolidated tabulation register for the M.Phil. Ayurveda course.
10. Developed and implemented a software module to generate college-wise pass percentage reports for UG courses
11. Developed and implemented a software module to generate college-wise pass percentage reports for PG courses.
12. Developed and implemented a software module to handle attempt and failed subject details of students in UG courses.
13. KUHS e-Verification Software Integration with CertiChain :

The goal of this project is to enhance the existing KUHS e-Verification system by integrating **CertiChain**, a blockchain-powered academic certificate issuance and verification platform developed by the Kerala Blockchain Academy (KBA), Digital University of Kerala

This integration ensures that certificates issued to students convocated after 06/03/2025 can be verified securely and efficiently using blockchain technology.

The existing e-Verification software has been modified to route certificate verification requests either through the blockchain verification process or the standard verification procedure. Currently, certificate verifications for students convocated after 06/03/2025 are routed through the blockchain verification process. This functionality has been implemented for both paid and fee-exempt user applications. Various APIs have been developed and implemented to support this integration.

d. Modifications in Post Examination Module

1. Modification in Various tabulation registers.
2. Modification in Various consolidate tabulation registers
3. 400 mails processed.
4. 250 tapals processed.
5. Modification in PhD DCB details of Photocopy of answer book and scoresheet
6. Modification in Online Attempt Certificate for all courses except semester courses
7. Modifications in Attempt certificate for paper wise result status of each attended examinations.
8. KMS software was modified for generating TR of BSc Imaging Technology and B.Sc. Radio Therapy Courses.

9. KMS software was modified for generating consolidated TR of Bachelor of Occupational Therapy Course.
10. The Provisional Result and TR format have been changed for MD Homoeo Part 2 due to a change in the scheme.
11. The payment module of the application has been restructured for applying for a photocopy of the scoresheet and answer book for the PhD course.
12. KMS software was modified for Generating Stream wise statistics report for PhD.
13. As per the request of Home Ministry Attestation Section, e-Verification software were modified to create Fee Exempted Government user's login.
14. Modification in Online Attempt Certificate for providing reprint option for generating attempt certificate in AR login.
15. Modifications in e-Verification DCB Reports.

e. Total Number of result published- 1663

f. .Digital Evaluation System (DES)

Existing System: -

Modification and Development of Modules

- Developed an interface for colleges to download photocopy of answer book and score card.
- Developed an interface to generate a report on status of examinations within the Digital Evaluation System (DES).
- Query Optimization in DES to improve performance and reduce processing time.
- Implemented Stream wise examination selection in various modules of DES.
- Implemented a new feature in the malpractice report so that users can effortlessly input malpractice incidents directly from the evaluation section.
- Implemented a new feature, which displays any instances of malpractice reported directly in the evaluation section within the completion note.
- MCQ format implementation in Student Details Report.
- Developed an interface to Generate Report, which provides a list of cancelled answer books categorized by exam.
- Developed an interface to Generate Report of Remote Digital Evaluation Centres (RDEC) for an exam.
- Developed an interface to Generate Report, which provides evaluation details of evaluators based on the exams they are assigned to assess.
- Developed an interface for college to download photocopy of answer book and score card.
- Chairperson details made available in Finance module.
- MCQ format implementation in Scorecard.
- Implemented Malayalam font in completion note and reporting malpractice.
- Developed an interface to Generate Report, which provides the list of evaluators/chairperson assigned based on the exams before the commencement of the evaluation.

- Implemented provision to send emails for principal in the case of multiple centres assigned for a particular examination.
- Developed an interface to Add Multiple Evaluation Centres.
- Developed report to view the list of appointees.
- Modified the interface of Evaluation Details to include subject wise evaluation count of each college.
- Modified the interface of Evaluators Remuneration for Approval to list all the evaluators who generated remuneration bill.
- Developed an interface to return the answer books to pool after 24 hours.
- Modifications made in Fresh Evaluation Report to include maximum mark details.
- Modified the interface of Evaluation Details and Assign Evaluators to include the answer book count of multiple centres.
- Developed an interface to generate Camp for particular examinations.
- Modifications made in interface for Reporting Malpractice to view the answer book in same page.
- Developed an interface to generate single Camp for examinations of different schemes.
- Developed a new interface to determine the evaluation type and evaluation camp type of each scheme and year.
- Included cancellation details in the following reports:
 - o Evaluator Remuneration Bill - Evaluation Section Interface
 - o Evaluator Remuneration Bill for approval - Finance Section Interface
- Developed Online Remuneration Bill Module for Chairperson/Evaluator.
 - o Interface for generating Evaluation Summary of each camp.
 - o Implemented provision to revert camp in Evaluation Summary.
 - o Interface for re-enabling Remuneration Bills.
- Developed a new interface in Finance Section for generating Consolidated Remuneration Bills.
 - o Developed a new API for Remuneration Bill Management.
 - o Interface for Disbursement Approval, allowing CE/DCE/DR/AR to approve Remuneration Bills.
 - o Interface in Finance Section for generating Consolidated Remuneration Bills.
 - o Report to monitor Online Remuneration Bill status.
- Modified Evaluator List to integrate Faculty experience details.
- Implemented 'Select all' option (check box selection) for - 'Approve/Disapprove' buttons in the Malpractice Report.
- Optimized query performance for fetching packets, resulting in faster retrieval.
- Made necessary modification in "Fresh Evaluation" interface to enhance the MCQ view.
- Developed a new interface for edit Packet Details.
- Modification made to scan and retrieve answer books from the new server.

- o Scan Answer Books
 - o Pull Answer Books
 - o Photo Copy of Answer Book and Score Card
 - o View Answer Books
 - o Malpractice Report
 - o Suspended Valuations
- Implement the provision to enter Answer Key in Add QP Data for the purpose of MCQ evaluation.
- Modifications made in the Evaluation interface to incorporate the Answer Key implementation for MCQs.
- MCQ implementation in the interface of Return After Result.
- Generate a report listing the details of camps completed for a particular period.
- Modified Malpractice Report and Completion Note to include college name.
- Developed a new interface for tracking fresh evaluations on an evaluator basis within a specific period.
- Handle Barcode Duplication
 - o To scan duplicate barcodes
 - o Resolved the result section.
 - o Modifications made in scanning software.
- Implemented provision to recheck only the MCQs in 'Return for Fresh Evaluation'.
- Modification made in the scorecard to prevent viewing the evaluator's name in the case of fresh evaluation.
- Inclusion of QP codes with exam specialization in the Add Packet.
- Automated Fresh Evaluation and Return after Result data for Result processing.
- Modifications made to prevent Barcode viewing in photocopy
 - o Score card
 - o Answer Book
- Modifications made to auto fill Evaluation Type and Camp Type while generating camp.
- Solved Gmail capacity limit exceed issue to send OTP.
- Developed Guideline Setter Module.
 - o Interface for Guideline Setter to enter guidelines for each QP Code.
 - o Modifications made in the interface for Evaluation Section to enter only Questions and marks for each QP Code.
 - o Interface for Evaluation section to edit Guideline Setters assigned.
 - o Interface for evaluation section to edit Last Date for entering Guidelines by Guideline Setter.
 - o Report listing the details of guidelines entered.
 - o Interface for generating summary of Guideline Setter details.

- Developed Online Remuneration Module for Guideline Setter.
 - o Developed a new API for Guideline Setter Remuneration.
 - o Interface for the Disbursement of Remuneration for Guideline Setter.
 - o Interface to generate Remuneration Bill for Guideline Setter.
 - o Report to monitor Online Guideline Setter Remuneration status.
- Developed RDEC Contingency Module.
 - o Interface for College to enter RDEC Contingency Details of each camp.
 - o Interface for evaluation section to edit Last Date for entering RDEC Contingency Details by College.
 - o Interface for generating summary of RDEC Contingency details.
 - o Report listing the pending RDEC not entered the Contingency details.
- Developed Online RDEC Contingency Bill Module.
 - o Developed a new API for RDEC Contingency Bill.
 - o Interface for the Disbursement of RDEC Contingency Bill.
 - o Interface to generate RDEC Contingency Bill.
 - o Report to monitor Online RDEC Contingency Bill status.
- Implemented Triggers and Log tables in DES.

Answer Book & Evaluation Count (DES)

Sl. No.	Stream	Answer Books	Evaluations
1.	Medical	133325	280660
2.	Dental	45032	98313
3.	Ayurveda	37348	81698
4.	Homeo	8394	17852
5.	Sidha	566	1159
6.	Nursing	214382	463588
7.	Pharmacy	175726	385189
8.	Paramedical	61807	134486
9.	Unani	1343	2771
10.	Ph.D	123	263

g. Certificates and Mark lists**Transcript Online System**

- Designed and implemented a standardized template for the Official Transcript (Comprehensive Academic Document) for the 2013–2016 B.Pharm(year-wise students), now available through the online transcript system.
- Designed and implemented a standardized B.Pharm(for semester-wise students) transcript template for the Online Transcript System.

Marklist Template for PhD Year End Examination

- Created a new marklist template to generate marklists of PhD students who have written the PhD Year End Examination.

Pass certificate for PhD students

- Implemented a functionality for generating pass certificate for PhD students who have passed both Paper I and Paper II in PhD Year End Examination. A link has been provided for students to download Pass Certificate.

API creation for Convocation Data Upload

- An API has been created to upload the latest convocation student data into CertiChain, a block chain-powered academic certificate issuance and verification platform developed by the Kerala Block chain Academy (KBA).

2. FINANCE**a. Modifications & Maintenance****i. Exam Finance**

- Financial Year Setting (2025-26)
- Online Implementation of Evaluation Guidelines
- Implemented 10% TDS deduction from all applicable payments..
- CMP Implementation in Squad
- Automated CV remuneration by implementing a provision for adding and processing bills of CV camp directly from the DES software.
- Implemented CMP for Advance and Settlement for theory/practical exams,TA Halt, Evaluation Guidelines,Pass Board,Inspection,Meeting,CV camp etc
- Enabled SMS notifications to beneficiaries for transactions through the CMP
- A new provision has been implemented, allowing colleges to request advance funds and settlement expenses for conducting theory examinations
- Advance Settlement of Theory exam
- Implemented Evaluator's payment history in FEP portal

ii. General Finance

- Financial Year Setting (2025-26)
- Implemented 10% TDS deduction from all applicable payments.
- The interface for displaying the TDS report against the remuneration paid to faculty members for a specified period has been created.
- Implemented Evaluator's payment history in FEP portal

iii. CE Finance

- Financial Year Setting (2025-26)
- QP Setters and Scrutiny Evaluators Integration with FEP Portal
- Implemented 10% TDS deduction from all applicable payments.

iv. Payroll

- Financial Year Setting (2025-26)
- EL Surrender Bills processing from SPARK to FINSUITE.
- Changes in the calculation of anticipatory income tax.

3. UNIVERSITY SUITE**New Modules developed**

- Register number format change for nursing section if the student count is greater than 10000
- New feature added for implementing student name change through Gazette notification
- Added new module to collect fee from colleges who opted pay later option for provisional affiliation.
- Added new feature for annual fee in case of no students in the previous academic year.
- Added a new feature of three-year validity for provisional affiliation application in PA module.
- Feature added for admission date change in basic data change option
- Developed new module to collect 18% GST amount in Provisional and Continuation affiliation fees.
- New module for collecting Arrear GST Amount in COPA for already fee paid colleges.
- Developed a new module, mandatory submission for all courses in COPA (The colleges should apply for all the affiliated Courses then only the college can complete the application for COPA)
- New feature integrated as postal charge payment in Equivalency module and medium of Instruction
- Added new feature to collect insufficient fee in building change
- Added new module for student basic entry cancellation with fee payment
- Added New module to collect ABC/APAAR Number of students in student's profile

Modifications

- Modification to send CBS Approval mail to student and college Principal
- Student Email id Updation from Student profile
- Modification to include Date of Approval in Student Registration Cancellation Certificate
- Modification to save Student Communication address after profile freeze state
- Modification to add other National students from Principal portal
- Modification to include payee details for 'MISEQV' purpose code
- API for exam certificates updated with Basic data approved date
- New feature added for Outsource Payment in COPA
- Affiliation login requests modified with calendar year
- Modified Group payment feature setting in Affiliation module
- Modified DCB Reports with online transaction details
- Modified the content of Inspection order draft and final order

4. SOFTWARE DEVELOPMENTS AND MODIFICATIONS

- Module for Collecting Fee for RTI
- Module for Registration and Fee Payment for Certificate Programs by School of Translational Health Sciences
- Module for collecting Fine for MLEC
- Module for UG Research Award Registration
- Module for dynamic allocation of reviewer for evaluation of documents sent for UG Research Award
- Module for Sending Question Paper Password via email

5. MAJOR HARDWARE PURCHASE 2024-25

- Purchased: RUGTEK LS -3002 BARCODE SCANNER, For Amount= Rs. 70,687/-
- Purchased : External Hard disc 4 TB , For Amount :Rs.12090/-
- Purchased: GBC Prostyle +Cross cut shredder For Amount= Rs.Rs.24190/-
- Purchased: HP MT Work Station
For Amount:324800/-
- Purchased: APC 1 KV UPS, For Amount:Rs.13,800/-
- Purchased: Dell ME 5012 Storage ARRAY (SAN), For Amount : Rs. 9,39,762/-
- Purchased: Dell Power Edge R7625 (Server), For Amount: Rs. 9,99,950/-
- Purchased: EVM 8 Pend drive ,Rs: 20,000/
- Purchased: Key sone and Face Plate, Rs. 4196/-

- Purchased: Face Punching Machine, Rs. 79650/-
- Purchased: A4 Multifunction Printer, Rs. 35,040/-
- Purchased : EVM DVD Writer External CD/DVD Drive, Rs. 2950/-
- Purchased: Speaker Fingers Desk Sound USB, For Amount: Rs.700/-
- Purchased: Dell Power Edge R7625 Server, Rs: Rs.10,26,600/-
- Purchased: Projector Lamp, Rs.7198/-
- Purchased: 2 EPSON Maintenance Boxes Rs.1318/-
- Purchased: 16 GB RAM DDR 4 @3200Mhz-ADATA, Rs.3009/-
- Purchased : A4 Sheet Fed Scanner(Scanjet Pro 2000S2HP), Rs.42819/-

6. FURTHER EXPANSION VISUALISED

- Modernisation of all softwares using latest software tools
- Restructuring of computer network backbone of KUHS to make it more robust and fail proof
- Implementing highly secure e-Verification system by using block chain technology as the underlying platform.
- Implementing electronic means for remuneration payments
- Hosting of all softwares in cloud provided by State data centre or a third party.
- Procuring of fresh server machines for the KUHS Data Centre to act as a DR (Disaster Recovery) and for all development need

Works Section

1. Details of staff and duties

- a. University Engineer - Head of the Engineering wing of the University. Responsible for the implementation of all infrastructure development works of the university including checking of plan and estimates, checking of tender documents, site supervision, checking of work bills etc. and liaisoning with the accredited implementing agencies. Also handles permanent advance and temporary advance sanctioned for petty works.
- b. Deputy Registrar (Administration II) – Supervision of duties distributed to Administration(Works) section
- c. Assistant Engineer (Civil) –Responsible for the preparation of plan and estimates, tender documents, site supervision, preparation of work bills etc. and all related matters connected with the civil works executed by the university. Also functions as the Estate Officer of the university. The estate Officer is responsible to arrange to carry out petty repairs to the building, upkeep of garden and lawns using daily waged laborers, to ensure proper supply of water and power etc.
- d. Assistant Engineer (Electrical) - Responsible for the preparation of plan and estimates, tender documents, site supervision, preparation of work bills etc. and all related matters connected with the electrical works executed by the university and maintenance of HVAC systems, Elevator, generator and firefighting installations in the university.
- e. Section Officer – Handles all files related to Civil & Electrical works executed by the University.
- f. Assistant (A3) - Custodian of all files related to civil works.
- g. Assistant (A4) –Custodian of all files related to electrical works.

2. Details of Infrastructure works during the year.

New infrastructure projects taken up during 2024-25

a. Installation of 1000kW solar power plant unit at KUHS Thrissur campus.

KUHS has decided to develop an Herbal garden for academic purpose of our students all over Kerala under this University headquarters campus in Thrissur. This project could help them to study about the medicinal plants from a single centre, which could in turn develop into a research centre later, after successful establishment of the garden. It is planned to use 8 hectares of land which is already gifted with various types of medicinal plants.

b. Translational Research Centre at KUHS Thrissur campus

Govt. of Kerala has announced a scheme to set up Translational Research Centers in the Universities of Kerala(Project/Scheme Code HEDN_12 Translational Research Centers) with an allotment of Rs 20 crore for each center KIIFB Project in the annual State budget 2023-24. Kerala University of Health Sciences has been included under the scheme.

3. Details of Works Completed.

- a. Establishing e-Learning centre at KUHS, Thrissur campus.
- b. Electrical works for Establishing e-Learning centre at KUHS, Thrissur campus.

- c. Providing and fixing internal sign boards in the Academic building & Administrative building.
- d. Beautification of courtyard in administrative office building.
- e. Beautification work of RWH pond by planting bushes, flowering plants and bamboos around the pond.
- f. Installation of High mast lights in KUHS Thrissur campus.
- g. Minor repair & maintenance works in chiller plants, transformer station, DG room and switch room in the University campus.
- h. Fire system revamping and Fire NOC renewal of Admin building, Academic building & Utility building.
- g. Construction of security cabin at the back entrance, re-construction of collapsed compound wall and other minor works in the University campus.
- h. Land survey of the allotted land to KUHS, Thrissur campus.
- i. Providing sink, wash basin in dining area of Pareeksha & Vighyan bhavan and water connection line to the North West side of the building.
- j. Increasing depth of the open well at KUHS, Thrissur campus.
- k. SITC of video conferencing solution in KUHS, Thrissur campus.

4. Work in Progress

A. Construction of Building for School of Research in Ayurveda at Thrippunithura-Phase-IV

Ayurveda is the most ancient system of medicine, and it flourished in India as the most effective system of treatment. For Ayurveda to be promoted as a source of health care, it is crucial to promote efforts to identify the safest and most effective therapy and their rationale use. This necessitates intensive research in all fields of Ayurveda ie. Fundamental research, drug research, pharmaceutical research and clinical research. To achieve this objective, KUHS decided to establish a school of research in Ayurveda and to create the required infrastructure in the land allotted by the Government at Thrippunithura.

The building for the school is designed as a nine storied building (G+8) with a total plinth area of 10994 m². Government accorded Administrative sanction for constructing of the building as Phase-I vide G.O (Rt) No.3466/2015/H&FWD dated 20-10-2015 for an amount of ₹ 746 lakhs and Phase-II vide G.O (Rt) No.3233/2017/H&FWD dated 15-11-2017 for an amount of ₹ 1360 lakhs and Phase III vide G.O (Rt) No.2301/2018/H&FWD dated 20-07-2018 for an amount of ₹ 462 lakhs. M/s FIT is the implementing agency and all the 3 phases are completed.

The Government vide order No.G.O (Rt) No.2293/2022/H&FWD dated 20-09-2022 has accorded Administrative sanction for the work for an amount of ₹ 450 lakhs. M/s. FIT is the implementing agency and the execution of the work and is in progress and is almost in its finishing stage.

B. Construction of Building for School of Research in Ayurveda at Thrippunithura-Phase-V

Ayurveda is the most ancient system of medicine, and it flourished in India as the most effective system of treatment. For Ayurveda to be promoted as a source of health care, it is crucial to promote efforts to identify the safest and most effective therapy and their rationale use. This necessitates intensive research in all fields of Ayurveda i.e. Fundamental research, drug research, pharmaceutical research and clinical research. To achieve this objective, KUHS decided to establish a school of research in Ayurveda and to create the required infrastructure in the land allotted by the Government at Thrippunithura.

The building for the school is designed as a nine storied building (G+8) with a total plinth area of 10994 m². The 3 phases are completed and work of Phase IV is in progress and is almost in its finishing stage.

The Government vide order No.G.O (Rt) No.2421/2023/H&FWD dated 21-09-2023 has accorded Administrative sanction for Phase V of the work for an amount of ₹ 650 lakhs.M/s. FIT is the implementing agency and the execution of the work and is in progress and is almost in its finishing stage.

C. Construction of Building for School of Family Health studies at Kozhikode

The KUHS has decided to set up a school of Family Health studies at Kozhikode for addressing family health in all its dimensions by developing strategies to promote family as the most important social unit for human survival and development .The school is expected to adequately address the family health issues of the society and will also facilitate developing comprehensive service models in improving health of individuals, families and communities by working together to understand, teach, counsel and lead the whole community for healthy living and lifestyles.

The required land for constructing a building for the school was allotted in the Govt. Medical College campus, Kozhikode by the Govt. and the Government also accorded Administrative Sanction for constructing the building for an amount of ₹ 714.37 lakhs. The execution is entrusted with KPWD and the work is almost in its finishing stage.

D. Establishing of solar power plant – Phase II

University has decided to reduce the dependency in conventional energy by harnessing solar energy. For this KUHS already established a 250 KWP Ground mounted solar power plant in the university campus Thrissur and it is producing electricity since 2021 February 25th. As per the overall report this plant producing only 60% of the actual consumption as present. It is proposed to establish another 1 Mega(1000KWp) Watt Solar power plant in the university premises in the possible areas and accorded administrative sanction for an amount of Rs.500 lakhs. Once it is established university can produce approximately 1,50,000 Units monthly and the additional power produced can be exported to the grid and it can be used for the future energy requirements.

Upon receiving Govt. fund of 500 lakhs for the project, the work has been entrusted with ANERT and the amount has been deposited to carry out the work in a deposit manner. As

per the information received from ANERT, the work has been tendered and the work order has been issued to the EPC contractor.

E. Translational Research Centre at KUHS Thrissur campus

Govt. of Kerala has announced a scheme to set up Translational Research Centers in the Universities of Kerala (Project/Scheme Code HEDN_12 Translational Research Centers) with an allotment of Rs 20 crore for each center KIIFB Project in the annual State budget 2023-24. Kerala University of Health Sciences has been included under the scheme.

The tender procedure for preparation of DPR of the work has been completed, and the DPR work is entrusted with M/s. ULCCS.

5. Future programmes

A. Construction of VC- PVC Quarters

Kerala University of health sciences decided to provide residential accommodations to their officers and the staff in the campus. In this phase of construction, two villa type accommodations are included for the residential purpose of the Vice Chancellor and the Pro-Vice Chancellor.

The design is based Indian Standard Specifications, CPWD/PWD specifications. The proposed building will be two storied RCC framed structures. The building will contain mainly 3 bed rooms with attached toilet, living, dining, kitchen, work area, office room and a car porch. The foundations will be isolated footings on hard strata available at shallow depth.

The Government vide order G.O.(Rt)No.1551/2024/H&FWD Dated, Thiruvananthapuram, 27-06-2024 has accorded Administrative sanction for the work for an amount of ₹ 2,68,40,000.

B. Construction of an Auditorium

It is decided to construct an auditorium of capacity 1000 seat in the campus utilising the savings amount from the Construction of the Utility Building and the construction of the academic block building. CPWD is selected as the implementing agency. The plan submitted by CPWD is approved and the estimate to be approved by the university to start the work.

C. Establishment of Thematic Herbal Garden at KUHS Campus – Phase II- Necessary works for the completion of Herbal garden

In continuation of the first phase of the work and for the completion of the work, approval has been given for the project of “Establishment of Thematic Herbal Garden at KUHS Campus – Phase II- Necessary works for the completion of Herbal garden” amounting to Rs 36,48,024/-. The work includes the planting bed, pathway, steel work for foot bridge across canal etc.

CENTRAL LIBRARY

- i. Completed the first phase of the digital Library project using the open source software 'DSpace' and uploaded PG Theses in the DSpace. Waiting for the server to incorporate the digital library data and thus make it accessible to the public/outside the university.
- ii. Koha Library administration and Management Software was installed in one computer that contains Ubuntu OS for entering the details of the Library books.
- iii. Requested to provide the library portal in the newly updated university website and provided the details of the Library to be included in the website.
- iv. ReCab Newsletter – An online Newsletter for Research Capacity Building- was prepared and continued publishing monthly from January 2024 onwards under the guidance of Dean Research.
- v. Purchased 15 two-sided wooden racks, 3 CD racks, one Property Counter, one Journal Rack and one Notice board for the Central Library.
- vi. Initiated for the signing of the amendment in the MoU between KUHS and INFLIBNET Centre, Gujarat, for including the Plagiarism checking report and ORCID ID of the Researcher while uploading the PhD Thesis to the INFLIBNET Shodhganga.
- vii. Uploaded 5 PhD Theses to Shodhganga- A Reservoir of Indian PhD Theses.
- viii. The new Indian Origin Plagiarism Detection Software (PDS) Drillbit provided by INFLIBNET Centre Gujarat was activated for the PhD Guides of the university.
- ix. File started to purchase the Drillbit Plagiarism Detection Software for KUHS for one year for 2000 documents.
- x. The process of taking stock of the Hard copy of P G and Super Speciality Theses submitted to the KUHS from the year 2012 to 2023 has started and is continuing.
- xi. Checked for Plagiarism of PhD Thesis, which was submitted to the university for evaluation.
- xii. Participated in the Editorial Board meeting of the KUHS Annual Report 2023-24. As per the meeting decisions, the layout, page setting and printing of KUHS Annual Report 2023-24 were done.

The access to the E- resources provided by the INFLIBNET Centre Gujarat through One Nation One Subscription (ONOS) was activated to KUHS. This is an IP based access.

- xiv. Applied for Copyright of 4 documents and received copyright for two books-
 - 1. Breastfeeding Promotion Program for Kerala and
 - 2. The Covid-19 Experience of Kerala; Health System Perspective 2020-22.
- xv. Transferred the Malayalam and English version of “Hortus Malabaricus” – 12 Volume set to SFRA

University Schools

THE SCHOOL OF PUBLIC HEALTH (SPH) THIRUVANANTHAPURAM

Description:

The School of Public Health (Formerly “School of Health Policy and Planning studies”), Thiruvananthapuram is one of the three affiliated Schools under KUHS started functioning from 29-6-2015. The new name came to effect from 30.03.2021.

The mandate for the school

The University Act Chapter II, Section 5 contemplates the school as a centre for facilitating health sector policy formulation and implementation. The school is engaged in research methodology promotion as a capacity building activity for a production of good-quality research evidence to health policy studies (health policy methodology promotion, policy analysis and giving feedback on existing policies, interventions in key policy areas and finding a research agenda in this policy implementation research)

Now the school is designed as an advanced training and research centre with two departments under the school

1. Department of Epidemiology
2. Department of Health Policy Studies

Location and staff structure

The School is located at Govt. Medical College Campus, Thiruvananthapuram and from 10-6-2019. The school is having a full time Professor, 2 Associate professors, 1 Assistant Professor Biostatistics, one Office administrative assistant and one office supporting staff. There are two research fellows for the project “**Public health interventions for post COVID-19 scenario: an integrative model for improving Quality of Life and tapping research potentials**”.

Activities

The activities of the school are given below:

Research methodology Promotion:

Teaching learning activities targeted to faculty of all streams Conducting certificate programs and short courses in research methodology.

1. Certificate programmes

New 5 certificate courses sanctioned

The courses are:

1. Certificate programme on Medical certification of cause of death and essential Nosology for clinicians: Course successfully completed
2. Certificate programme on Practice of Clinical epidemiology and evidence based medicine and clinical appraisal: Course successfully completed

3. Certificate programme on Introductory Health policy
4. Certificate programme on Essential clinical health economics for KUHS faculty
5. Certificate programme on Database Management in Health Science Research

2. M-Phil Clinical Epidemiology Course (Part time)

This is a program of post PG course in Clinical Epidemiology for the faculty in affiliated colleges under KUHS. All students of the first and second batch have successfully completed the course. Now the course is renamed as M.Sc. (Advanced PG Programme) Clinical Epidemiology (Part-time) course. The first batch classes will be commencing soon.

3. INAUGURATION OF SCHOOL'S NEW BUILDING

The completed School of Public Health building at Thiruvananthapuram Medical College Campus was officially inaugurated by Honourable Minister of Health, Women, and Child Development, Smt. Veena George, under the chairmanship of Hon. Kazhakootam Constituency MLA Shri. Kadakampally Surendran on March 4 at 4.30 pm. The School of Public Health represents a significant turning point in the areas of scientific study, health research, giving clinicians guidance, and other research-related activities in the capital city. Hon. Vice Chancellor, KUHS- Dr. Mohanan Kunnummal, Dr. C P Vijayan (Pro Vice Chancellor KHS), Dr. A K. Manoj Kumar (Registrar, KUHS), V. R Anil (Councillor, Medical college ward), Dr. M K C Nair (Former Vice Chancellor, KUHS), Dr. Harikumar Nair (Dean- Faculty of Medicine), were the eminent person who had enlightened the event.

4. Clinical Epidemiology Conclave:

The MPhil clinical Epidemiology program was a unique course started under the University of Kerala and later on transferred to KUHS. Since the last two batches this course is directly under KUHS at School of Public Health. Now we have more than 100 Clinical Epidemiology MPhil holders in our state and many are working in various key posts. We have conducted a Clinical Epidemiology Conclave at Trivandrum on May 11, 12, 2024 focusing on contemporary developments in Clinical Epidemiology and the supporting disciplines like Clinical Health Economics, Health Social Sciences, Bioethics and Biostatistics.

5. Breast Feeding Promotion Week Celebration

Organised the observance of the breastfeeding week 2024 in collaboration with the Government College of Nursing, Thiruvananthapuram at School of Public Health, Thiruvananthapuram and arranged a Panel Discussion on the theme Closing the gap: Breastfeeding support for all on 7th August 2024.

6. Public Health Training in India, Especially Kerala: Current Status and Future Directions:

We have conducted the workshop on August 30, 31st 2024 at School of Public Health, Thiruvananthapuram. A proposal was made to start an additional MPH program considering the need for innovation and standardization based on national curriculum suggestions. MPH programs and MD Community Medicine exist under KUHS.

7. Workshop – “Public health interventions for post COVID-19 scenario: an integrative model for improving Quality of Life and tapping research potentials”

We have conducted a workshop for discussing the progress of the project on “Public health interventions for post COVID-19 scenario: an integrative model for improving quality of life and tapping research potentials” (Project awarded by Govt. of Kerala under the Plan Scheme as per GO (Rt.) No. 2467/2023/H&FWD Dated Thiruvananthapuram 27/09/2023). The date and time of the workshop on 16/12/2024, 10.00 am to 04.00 pm at the Conference Hall, SPH, Thiruvananthapuram.

8. Workshop on Gender Mainstreaming into Health Science Education – The Way Forward

We have conducted a workshop on 25.02.2025 at School of Public Health, Thiruvananthapuram

The workshop focus on for key issues

1. Curriculum and pedagogy aspects: the need for gender neutral modifications
2. Stewardship mechanism for prevention of gender discrimination gender based atrocities in the campus
3. Awareness creation and positive mind set towards gender affirmative health education system.
4. Transformation to a gender friendly and safe college campus

9. Other research Methodology Training Programs

For postgraduates from affiliated institutions where research methodology training facilities are inadequate or absent. The school has developed an *e- module and uploaded this in the site*.

10. Research methodology consultations:

Faculty from various affiliated Institutions come regularly for Consultations. In addition to this, through e-mail and other social blogs, faculty are involved in consultation. Most of the consultations are now happening online. The professor also takes classes or guide students from affiliated institutions and takes part in teaching.

11. Improving the Research environment in Affiliated Institutions:

MCI has identified Journal club as a teaching learning platform. In many of the institutions the journal clubs are not active. In order to make journal clubs more efficient the faculty need to be trained in critical appraisal techniques. The school has started a project for training faculty towards critical appraisal techniques and other capacity building for updating of faculty through journal club activities.

12. Chief Ministers Nava Kerala postdoctoral fellowship:

One post is awarded to Dr Simi Mohan and the School of public Health is the research centre for the study. She completed and submitted the report to KUHS and Higher Educational Council on Dec 31st 2024.

13. Public Health Updates

The School of Public Health initiated the concept and played a key role in organizing three **Public Health Updates** in collaboration with the Directorate of Health Services and national-level partners. Each session witnessed participation ranging from 40 to 100 participants.

Public Health Updates Conducted:

- **Public Health Update 1**

Hepatitis A – HepAlert: Battling Hepatitis A in Kerala

- **Public Health Update 2**

Cholera – Preventable Yet Present: Cholera Today - A Disturbing Reminder for Urgent Public Health Actions

- **Public Health Update 3**

Nipah – Kerala’s Battle Against Nipah: Turning Lessons Learned into Life-Saving Strategies

14. Global Webinar Series

The School also initiated the concept and played a major role in organizing the **Global Webinar Series** under the banner of **VISION UHC** (*Virtual International Sessions to Improve Outcomes and Nurture Universal Health Care*).

15. Webinars Organized:

- **VISION-UHC I**

Beyond Borders: The Global Fight Against Rabies

- Date: September 24, 2024
- Speaker: Dr. Katie Hampson

- **VISION-UHC II**

Health Equity and Climate Change: Bridging the Gap for a Resilient Future

- Date: December 20, 2024
- Speaker: Dr. Miqdad Asaria, London School of Economics and Political Science, UK

On- going Research:

Interventions in key policy areas through research projects (Intramural research projects)

1. Breast feeding promotion activity

Breast feeding support tools development is a major activity carried by the school associated with IAP and Govt. of Kerala. The school has organized a discussion and open vetting of the experts in this field to finalize the breast feeding resource materials at Thiruvananthapuram and Calicut and the support tools were developed. The lactation management training course were conducted, Training were given for staff involved in care of pregnant and lactating women especially

caretakers within the maternity ward as well as health workers who deliver services to mother and child. A state level Breast feeding Promotion program with certificate program on lactation management were given to nurses across Kerala. We are planning to continue this activity every year.

A research project named “Breast feeding rates, determinants of lactation failure and ‘innovative information sharing solutions’ for breast feeding promotion in Kerala” has started on 05-02-2021

2. Consolidating the experience gained in Mortality reduction in Kerala

The school was already involved in Infant Mortality Reduction activities in partnership with Indian Academy of Paediatrics: Last year we have conducted workshop on Mortality reduction experience of Kerala. Infant death review is an activity in partnership with Indian Academy of Paediatrics. Now an intramural research project namely “Capacity building for strengthening management information system to capture infant mortality and to consolidate the mortality reduction experience in Kerala is focusing on infant death audit” *and got* ethical committee clearance. The project has started on 01-03-2022

3. Preparation of Perspective plan for KUHS:

The primary responsibility of KUHS is to provide professional human resource for health sector. For this a perspective plan for KUHS was developed and accepted by the governing council.

- A checklist for screening applications for starting new institutions or new courses was developed as a part of this activity. Further validation is needed and as an extension of this activity an intramural research project namely “Professional health workforce for Kerala, determinants of supply and projected demand- a situation analysis
- A workshop on Allied health care professional in Kerala was conducted and the proceedings are available.
- The project has started on 01-02-2022

4. Prevalence of menstrual health problems and its’ determinants among health science students in Kerala- an analytical cross-sectional study

Menstruation is a normal physiological process indicating the capability of women for procreation. Menstruation as a process involves physical, psychological, and social responses, not every woman perceives it the same. It is associated with physical and emotional problems of its own. Physical problems such as spasmodic pain of the abdomen, thighs, back pain, nausea, vomiting, etc. In addition to physical problems, she is plagued with emotional problems such as irritation, anxiety, and mood changes. They should be provided with emotional and physical support to cope with the problem.

Objectives

Primary objectives:

1. To estimate the prevalence of menstrual health problems among women in KUHS
2. To identify the determinants of menstrual health problems among women in KUHS

Secondary objectives: 1. To identify the menstrual health practices of women in KUHS

5. Public health interventions for post COVID-19 scenario: an integrative model for improving Quality of Life and tapping research potentials

“Public health interventions for post COVID-19 scenario: an integrative model for improving quality of life and tapping research potentials” (Project awarded by Govt. of Kerala under the Plan Scheme as per GO (Rt.) No. 2467/2023/H&FWD Dated Thiruvananthapuram 27/09/2023).

Quality of life (QoL) after COVID-19 infection is a relevant issue. The QoL of these patients are greatly affected irrespective of the time since discharge or recovery. It is reported that elderly patients, those having comorbidities, admitted in the ICU regardless of the duration of stay, who had mechanical ventilation are the ones who have the highest risk of poor QoL after the infection. Women need special attention as they are more vulnerable for poor QoL following the infection. Policy makers and health care providers should seriously investigate robust strategies to improve the QoL of such patients. Community based health care programs are recommended to Improve the QoL of such patients.

Objectives

1. Assessment of quality of life of COVID-19 survivors (physical health, psychological health, functional capacity and perspective)
2. Delivery of Evidence-based, cost effective and culturally appropriate condition targeted interventions in different settings in a planned and periodic manner
 - a. Post COVID-19 respiratory complications (eg. Rowling exercise)
 - b. Post-traumatic stress disorder (eg. Psychological interventions)
 - c. Cognitive impairment (eg. Mental mapping)
3. Describe the role of ayurgenomics in boosting immune system in post COVID-19 patients

Special focus

- To describe the immunobiological disruptions due to COVID-19 by monitoring biomarkers and cell counts, assessing herd immunity levels including vaccine-induced immunity and reinfections and endocrine disruptions

Progress of the study

1. Work in the field

Total data collection

- Houses Covered - 1525
- Cluster finished -1 (kodunganoor) on 25.01.2025- **176** cases of test positive among 656 houses. The result is attached
- Cluster finished - Aruvikkarakkonam on 21.04.2025 **177** cases of test positive among 869 houses.

a. Follow Up of ICU Admissions/ Severe cases at MCH-

Three persons have been physically met and telephonic interview of others is going on.

2. Review meeting

Internal review meeting conducted once in two-week separate log book maintained

Meeting of all clinical investigators conducted once

3. Purchase

Proposal for purchase including proforma invoice submitted to university for purchase and got approval from University and the Supply Orders were issued.

Waiting for items

4. Capacity Building of the project staff

- a. Training of 'Prakriti Tool' was given and tested only on those who attended Ayush treatments.
- b. Assessment on Psychological Health (as per Training given to the Research Assistants by Dr. Indhu & team) is also being done.

5. Laboratory Component

Biochemistry and Microbiology HoDs finalise the laboratory test and test items purchased

Got approval from University

Waiting for items

6. Data Analysis

Interim Analysis of data collected so far was discussed in the internal review meeting.

7. Further Activities Planned

- a. Organising clinical services to the covid-19 victims to the long covid victims identified in the field.
 1. Referral from field
 2. Outreach camp
 3. Drugs and other expenditure
 4. Laboratory Tests
- b. Interim presentation before the University Officials and wider faculty group.
- c. Continuing follow up of the severe cases: telephonic as well as physical.

6. Evaluation of Oral Health Status and Treatment Needs among the Elderly patients attending the Tertiary Dental Care Centres of Kerala

Project awarded by Govt. of Kerala under the Plan Scheme as per GO (Rt.) No.2463/2023/H&FWD Dated Thiruvananthapuram 25/09/2023). Dr. Tinky Bose, Prof.&Head, is the Principal Investigator.

7. Implementation of Integrated Bite Case Management (IBCM) as part of a one health program for Rabies at Primary health care level in Kerala: Cost- effectiveness, challenges and solutions**1. Project Status and Adjustments**

The project is progressing well, though there was a slight delay in the initial phase due to the need for approval from the Government of India's Ministry of Health and Family Welfare Screening Committee, given the international collaboration involved. Additionally, the transfer of funds from the university to our school took some time.

Key milestones achieved so far:

- **February:** Initiated the prevalence survey, which is nearing completion.
- **March:** Baseline assessment across all six clusters one month completed.
- **April:** We launched the implementation phase in one of the six clusters.

Originally, implementation was scheduled to begin in February. However, despite the delay, we anticipate completing data collection required for the cost-effectiveness analysis by September, as all clusters would have received the intervention by then. We also expect to have the necessary number of events in both the intervention and control periods.

We remain on track to submit the two planned deliverables on time:

- **Final technical report:** Submission by September 30, following implementation completion.
- **Cost-effectiveness analysis:** The PI will travel to Glasgow in October to collaborate with the international team.

All other analyses are expected to conclude by mid-November, and we aim to submit the final financial statement by the end of November 2025. The **sustainability phase**, originally planned for two months, is scheduled for October and November and will be reported alongside the final financial statement.

We also plan to submit the **final project report** by **November 2025**, with a possible extension to December if needed.

Challenges and Solutions

Recruiting patients for the third objective—evaluating the effectiveness of the three-day, one-week regimen—posed initial challenges. Since our original study setting was a tertiary care facility, many patients did not return for their **day 28** vaccination, as they were primarily referred cases visiting the facility for immunoglobulin. To address this, we have shifted recruitment to lower-level healthcare facilities and are now catching up.

Interestingly, while we initially sought to study dropout rates, we have observed fewer dropouts than expected. While this limits our ability to triangulate and validate findings, it is encouraging from a public health perspective, as it suggests that dropout rates remain low.

Changes that may be required in the spending Since our global partner has offered support for publication charges, we plan to allocate some funds for training in areas related to the project. This has been communicated earlier.

With Mission Rabies supporting us in animal catching, we may be able to utilize these funds for rabies testing in animals or assessing antibody titers in vaccinated dogs. The number of titer tests (human) required is slightly higher than originally planned due to revisions in the third objective during the ethics review. Additionally, since the cost of specimen transportation is lower than expected, we aim to use some of these savings for testing charges.

However, all expenditures will remain within the allotted funds.

2. Who Will Benefit from the Results?

1. Strengthened Intersectoral Collaboration

- We are already witnessing **better coordination** between the health, animal husbandry, and local self-government departments.
- For example, today, for the first time, an **animal husbandry doctor participated in a Focus Group Discussion at a health center**. Previously, healthcare workers lacked contact details for the animal husbandry department.
- The project is working toward establishing a **shared directory** of key personnel across these sectors to facilitate coordination for **Integrated Bite Case Management (IBCM)**.
- This collaboration will have broader benefits beyond rabies control, supporting the management of other **zoonotic diseases** and strengthening **One Health initiatives**.

2. Rabies Hotline for Community Support

- A **dedicated rabies hotline** has been introduced in the first cluster, with plans to expand monthly to additional clusters in a **stepped-wedge design**.
- This initiative is expected to significantly enhance community awareness and access to timely rabies-related guidance.

3. Improved Animal Health and Welfare

- **Better monitoring and vaccination of dogs**, ensuring professional oversight during quarantine.
- Timely detection of **other health issues** in quarantined dogs.
- **Removal of rabid dogs** from the community to curb transmission.

4. Health Benefits for Other Animals

- Reduced risk of rabid dog bites affecting **cats, cattle, and other domestic animals**.

3. Preliminary Insights and Findings

1. Perception of Prevention vs. Treatment

- **IBCM is a reactive intervention** that takes action after a bite occurs, while **mass dog vaccination and pre-exposure prophylaxis** are proactive preventive measures.
- **Public acceptance of treatment is higher than prevention**, as people perceive immediate benefits.
- **Leveraging this mindset shift** to promote pre-exposure vaccination for dogs may enhance uptake and long-term rabies control. This insight could be developed into a **perspective article**.

2. Animal Bite Prevalence Trends

- Analysis of data from **100 households** reveals an **annual bite incidence of 1.5%**, aligning with our previous secondary data analysis.

- Initially, we suspected underreporting, as secondary data only included cases of individuals seeking vaccination. However, since our new survey confirms similar rates, it suggests **high reporting compliance for vaccination**.
- Interestingly, the **five-year history shows a 1.5% annual bite rate, but the past year's rate is 2.6%**, indicating an **increase in animal bites**.

3. Diverse Community Perspectives on Rabies Prevention

- The community holds **polarized views** on rabies control.
 - Some advocate for **culling or even consuming dogs for meat**.
 - Others strongly support **protecting and sheltering** stray dogs.
- Through our project activities, including **training and stakeholder discussions**, we are gradually shifting perspectives.

Focus Group Discussions (FGDs) and training sessions demonstrate that stakeholders are **increasingly aligning with a One Health approach**, acknowledging the need for balanced strategies.

8. Facilitators and Barriers to uptake of STI/RTI services from Designated STI and RTI Clinics- DSRC's of Kerala

Primary Objectives

- To identify the Facilitators and barriers to the uptake of STI/RTI (Sexually transmitted Infections/ Reproductive tract infections) services from the designated clinics (DSRCs) in Kerala.
- To find the level of satisfaction of patients seeking care from DSRC's

Secondary objectives

- To find the determinants of satisfaction among patients seeking care from DSRC's
- To study the clinical and sociodemographic profile of patients presenting to the DSRC's and identify the differences across districts
- To get indirect evidence of estimates of magnitude of STI/RTI in adults of general community and in in select groups (pregnant women, high-risk groups) and find the gaps in Knowledge.

Progress

- NACO Approved
- Ethics Committee clearance from KUHS obtained
- MOU signed between KSACS and KUHS
- KSACS released first instalment
- Permissions from DME and DHS obtained

One initial workshop conducted – **Project formative Workshop and Tool Development – Core Group on 5.04.2025 at Conference Hall, School of Public Health, Kerala University of Health Sciences**

Data collection started

Completed 21 In-depth interviews (planned – 25) and 7 FGD s done (planned – 5)

Satisfaction tool content validation, translation, backtranslation done. Test retest validity is being done

Data collection for the clinical and sociodemographic profile of patients presenting to the DSRC's and identify the differences across districts in progress – 74 entries so far

To get indirect evidence of estimates of magnitude of STI/RTI in adults of general community and in select groups (pregnant women, high-risk groups) – Since there is already a well conducted systematic review we have registered in prospero for a systematic review to find the estimates in general population with focus on pregnant women and adolescence.

Completed Intramural Research Project

1. Capacity building for strengthening management information system to capture infant mortality and to consolidate the mortality reduction experience in Kerala is focusing on infant death audit

A research project on “**Capacity building for strengthening management information system to capture infant mortality and to consolidate the mortality reduction experience in Kerala is focusing on infant death audit**” is conducted by the School of Public Health. The final report of the project submitted to the University.

2. Professional health workforce for Kerala, determinants of supply and projected demand- a situation analysis'

A research project on “**Professional health workforce for Kerala, determinants of supply and projected demand- a situation analysis**” is conducted by the School of Public Health. The final report of the project submitted to the University.

3. Breast feeding Rates and Determinants of lactation failure in Kerala and Innovative Information sharing solutions for the breast feeding promotion in Kerala: Intramural research Project

A research project on “**Breast feeding Rates and Determinants of lactation failure in Kerala and Innovative Information sharing solutions for the breast feeding promotion in Kerala: Intramural research Project**” is conducted by the School of Public Health. The final report of the project submitted to the University.

Health policy methodology promotion

1. Promotion of health policy methodology

An interest group was constituted from among the faculty of KUHS and series of workshop has organised. Separate expert group for epidemiology, economics, and sociology in the context of health policy development has identified and discussion held, the proceedings were published in journal of KUHS. This group need to be sustained and policy evaluation is being planned.

Training activities

Training for Nurses in Lactation management and counselling

COVID-19-related Activities

1. Academic consortium for COVID-19 related research initiatives

As part of the COVID-19 related activities, KUHS formulated an academic consortium for COVID-19 related research initiatives. COVID research cell was started.

A research interest group was developed involving faculty from various affiliated institutions and proposals developed. One of such protocols by Dr Chandini, Professor, Medicine Govt. Medical College, Kozhikode as team leader has been approved by ICMR for funding. Collaborative activity with veterinary university in the direction of one health is being planned

2. Faculty development and research facilitation:

In continuation with the COVID-19 related activities SPH have conducted **series of Webinar sessions** for the faculty under KUHS.

AWARDS and PUBLICATIONS

Publications

1. Concept of Family and Its Importance in Clinical Practice. Ann Community Med, Public Health. 2021; 1(1): 1005

2. CHANGING FAMILIES AND ITS EFFECTS ON PHYSICAL MENTAL AND SOCIAL HEALTH OF FAMILY MEMBERS IN KERALA, School of public health, Kerala university of health sciences
3. BREAST FEEDING PROMOTION FOR KERALA – CAPACITY BUILDING PROGRAM TARGETED TO HEALTH CARE PROFESSIONALS WHO CARES BREAST FEEDING MOTHERS, School of public health, KUHS

AWARDS

- Our Poster presentation on **“Functioning of Human Ethics Committees during COVID period in affiliated Institutions under Kerala University of Health Sciences”** as part of the international webinar organized by FERCI won the first prize.
- Executive board of IAP-RCH Group to confer the IAP RCH Group Lifetime Achievement Award and Oration-2024 received by Dr. Rajamohanan.K, Professor, School of Public Health, Tvpm. This award is given to a person of eminence who has made significant contributions to the improvement of the life of children through research in different aspects of child health.

Other activities

- Prepared detailed project report (DPR) for the school.

Now the work of starting preparation of Detailed Project Report for Dr. Palpu memorial centre for epidemiological studies (U.O. No: 140/2022/Admn/ KUHS) has been started

SCHOOL OF FUNDAMENTAL RESEARCH IN AYURVEDA

TRIPUNITHURA

The School of Fundamental Research in Ayurveda is an institution dedicated to conducting research in various aspects of Ayurveda. The school offers a range of programs designed to orient candidates towards research in this field.

The office is supported by a dedicated team comprising a Professor, two Associate Professors, an Assistant Professor, and University assistant staff.

The details of the activities conducted at the school and its report are as follows:

1. Research Project Related

a) Phytochemical, Metabolic, Anti-ageing and Immunomodulatory Properties of Rasayanas – Phase I

This multidisciplinary research project, funded under the Grand-in-Aid scheme of the Government of Kerala, aims to explore the phytochemical composition and biological properties of selected Rasayana formulations in Ayurveda. The focus is on their metabolic, anti-ageing, and immunomodulatory effects.

The project has received administrative sanction for Rs. 62,17,980/-, with the first installment of Rs. 20,42,660/- already released. It is being implemented by the School of Fundamental Research in Ayurveda (KUHS), in collaboration with CSIR-NIIST Thiruvananthapuram, Government Ayurveda College Thiruvananthapuram, and the Department of Zoology, University of Kerala.

The study integrates classical Ayurvedic knowledge with modern scientific tools, including zebrafish models, phytochemical profiling, and metabolic analysis, to validate and enhance the clinical relevance of Rasayana therapy. The project is currently ongoing.

b) Botanical Bridges: Uniting Hortus Malabaricus & Ayurveda and Exploring the Therapeutic Potentials of Extra-Pharmacopeial Drugs.

This project aims to integrate the classical botanical knowledge of Hortus Malabaricus with Ayurvedic principles to explore and validate extra-pharmacopeial drugs—medicinal plants traditionally used but not formally included in Ayurvedic texts. By bridging historical documentation, regional practices, and Ayurvedic concepts, the project seeks to expand the therapeutic landscape of Ayurveda. A draft monograph on Coconut (*Cocos nucifera*) has been prepared as a part of this initiative and is currently under evaluation, with further documentation work ongoing.

c) Compendium of Medicinal Plant Flowers in Malayalam Ayurvedic Texts

This project focuses on compiling a comprehensive compendium of medicinal plant flowers referenced in Malayalam Ayurvedic literature, highlighting their therapeutic relevance, formulations, and classical usage. The documentation of flowers mentioned in Yogamrutham has been completed, and the next phase involving Chikitsâmañjarî is currently in progress. This initiative aims to preserve and systematize regional botanical knowledge with a specific emphasis on floral components in Ayurvedic practice.

2. Academic Activities

a) MSc Sports Medicine (Advanced MSc Programme) & MSc Translational Ayurveda (Advanced MSc Programme)

Kerala University of Health Sciences (KUHS) recently announced admissions for two pioneering postgraduate programs – MSc Sports Medicine (Advanced MSc Programme) and MSc Translational Ayurveda (Advanced MSc Programme). These interdisciplinary courses aim to bridge modern scientific understanding with traditional health systems and practical application.

Following the official notification published on the KUHS website, eligible candidates underwent a competitive entrance examination, and the shortlisted students have now been selected for admission.

The inaugural batch of both programs is scheduled to commence in June 2025, marking a significant step forward in integrative health education and research excellence under KUHS.

b) MPhil Translational Ayurveda – Progress Update

The MPhil in Translational Ayurveda, a unique interdisciplinary program under Kerala University of Health Sciences (KUHS), has successfully completed two academic batches. Designed to bridge classical Ayurvedic knowledge with contemporary scientific approaches, the program has attracted enthusiastic scholars committed to advancing integrative health research.

A total of 16 students were enrolled across the two batches. Of these, 6 students have successfully completed the course, while the remaining are actively preparing for their upcoming examinations. Final evaluations are scheduled, and the program is now nearing completion.

3. Student Research Conclave “VEEKSHA -2024, 28 June 2024

(U.O.No. 21/M/9441/2022/Schools & Centers/KUHS dated 21.06.2024)

SFRA conducts Student Research Conclave every year to promote and create awareness among PG students. The Veeksha 2024 was conducted on 28/06/2024 at SFRA.

VEEKSHA 2024, organized by the School of Fundamental Research in Ayurveda, Kerala University of Health Sciences, was held on 28th June 2024. The event was inaugurated by Dr. Gopakumar S, Registrar of KUHS, and included a scientific session by Dr. Sheela Karalam, who spoke on the topic “Innovations in Quality Analysis of Resources and Dosage Forms: Bridging Research Gaps and Future Directions.” The program also featured eight thesis presentations by selected scholars, concluding with a valedictory session and prize distribution to celebrate academic excellence in Ayurveda research.

Registration for the program was closed on the 25th of June and a total of 147 registrations. PG and UG students from Govt. AVC Thiruvananthapuram, Govt. AVC Tripunithura, Govt. AVC Kannur, Ahalia Ayurveda College, Palakkad, VPSV Ayurveda College, Kottakkal, Vaidyaratnam Ayurveda College Ollur, Nangelil Ayurveda College, Kothamangalam, and KMCT Ayurveda College, Kozhikode participated.

4. Interdisciplinary Science Congress in connection with National Science Day Celebrations 2025

(U.O.No. 98/2025/Schools & Centers/KUHS dated 24.02.2025)

The National Science Day 2025 was organized by the School of Fundamental Research in Ayurveda, KUHS, in collaboration with the Kerala Academy of Sciences (KAS), on February 27,

2025, at Thrippunithura. The event aimed to inspire Indian youth for global leadership in science and innovation. It was inaugurated by Prof. Dr. Mohanan Kunnummal, Vice-Chancellor of KUHS, with keynote addresses by Prof. Dr. S. Gopakumar and other dignitaries. A special ceremony honoured notable academicians including Dr. C. Sindhu, Dr. K. B. Sudhikumar, Dr. Noble T. M., and Dr. Brinda Krishnan. The scientific sessions featured five distinguished speakers: Prof. Dr. P. R. Sudhakaran on evolving trends in health sciences research, Prof. Oommen V. Oommen on biodiversity and medicine, Dr. Biji Bahuleyan on managing spinal disorders, Dr. Rajeev Jayadevan on scientific thinking, and Dr. Sreejith Parameswara Panicker on alternative research models. Students and researchers engaged in vibrant discussions on integrating Ayurveda with contemporary science. The program encouraged interdisciplinary collaboration and innovation in healthcare. Meticulous planning and the support of KUHS and KAS contributed to the event's success. The day underscored the role of Ayurveda in modern research and inspired further inquiry in life sciences.

5. Memorandum of Understanding

MOU with Vaidyaratnam Ayurveda Research Institute on Education/ Research program/ Faculty, Student exchange/ Academic programs.

6. PUBLICATIONS IN THIS YEAR

- a) Sreeraj SK, Jyothi PK, Sailekha P, “Optimizing Reproductive Health: A Comprehensive Review of Rajaswala Paricharya And Yoga In Primary Dysmenorrhea”, IJRAR - International Journal of Research and Analytical Reviews (IJRAR), E-ISSN 2348-1269, P- ISSN 2349-5138, Volume.11, Issue 1, Page No pp.729-734, February 2024, Available at : <http://www.ijrar.org/IJRAR24A2227.pdf>
- b) Jyothi PK, Sreeraj SK, “Application Of Epigenetics Through Ayurveda A Comprehensive Review”, IJRAR - International Journal of Research and Analytical Reviews (IJRAR), E-ISSN 2348-1269, P- ISSN 2349-5138, Volume.12, Issue 1, Page No pp.734-751, March 2025, Available at : <http://www.ijrar.org/IJRAR25A2580.pdf>

SCHOOL OF FAMILY HEALTH STUDIES, KOZHIKODE

The School of Family Health Studies (SFHS) is one of the constituent schools under the Kerala University of Health Sciences (KUHS), located in the Government Medical College Campus, Kozhikode. The school envisions a healthy and resilient family system as the cornerstone of a healthy society and strives to provide an academic and implementation framework that supports holistic family wellbeing in Kerala. Through coordinated academic, administrative and programmatic initiatives, SFHS works to strengthen every dimension of family health from prevention and care to rehabilitation and research.

Vision

To build a model of holistic family health that integrates science, compassion, and community participation- empowering families as the foundation of a healthy and equitable society.

Mission

To advance education, research and community engagement in family health through collaboration, innovation and evidence based practice, supporting Kerala's journey towards "comprehensive and inclusive health for all".

Organogram

- Professor-1
- Associate Professor-2
- Assistant Professor-1
- University Assistant-1

Activities:

Certificate Programs:

- Certificate Program on Childhood Disability Management and Rehabilitation MOOC-CCDMR started on 15/09/2023 with 125 participants. The program is for the faculty of affiliated colleges of KUHS and various Directorates and other Health Care workers.
- MOOC-CYAGC-III Certificate program in Young Adults Guidance and Counselling in Moodle: Notification was uploaded in website and 176 participants had registered for the program. Course will commence soon.
- Approval obtained for Certificate Program on Basics of Genomics and Genetic Counselling (MOOC-CBGGC), Certificate program on Basics of Immunology and Immuno-therapeutics (CBII) and Certificate Program on Infection Prevention and Control (CIPC) for faculty of colleges affiliated to KUHS on MOODLE platform

Ongoing Research Projects:

Project under plan fund of Govt of Kerala

- The research project "New born Screening for Severe Inborn Errors of Immunity – A Phase I pilot study" has got administrative sanction of Rs. 41,97,600 vide G.O.(Rt) No. 2435/2023/H&FWD dated 21-09- 2023. Project started from October 2024.

- Research project titled Newborn Screening for Severe Inborn Errors of Immunity – A Phase II Pilot Study has got administrative sanction of Rs. 74,55,800/- vide G.O.(Rt) No. 1553/2024/H&FWD dated June 27,2024.

International Research Grant

- Research project titled “Integrating Tiered Screening for Severe Inborn Errors of Immunity with Routine Newborn Screening: A Patient-Centered, Precision Health Approach.” is funded by the International Patient Organization for Primary Immunodeficiencies (IPOPI) Research Grant, with a funding amount of 7,528 Euro, dated September 30, 2024. Two-year project, Project started from January 2025.

Intramural Projects

- Development and Validation of a Composite Scale to Assess Healthy Ageing and to develop an Inter-Disciplinary Guideline on Healthy Aging in Kerala- started from Nov 2021 as intramural project (U.O. No. 90/2021/schools and centres /KUHS dated 22/6/21), (3year project)
- Developing Home Based Dementia Care Model: A mixed methodology approach (U.O.No.4/M/15621/2022/A1/S&;C/KUHS dated 20-06-2022). The project started by January 3 2023 after University Ethics Committee approval (U.E.C/3/KUHS/2022(Version2).The project is undergoing its data collection phase as in- depth interviews and Home based dementia care module development. (3year project)
- Evaluating the impact of COVID-19 on differently abled people and re-identifying their needs - A mixed method approach (U.O.No.112/2022/Schools and centres/KUHS dated 18/06/2022).2-year project. Data collection is going on.

Submitted Research Projects

Plan fund

- Research project proposal titled “Serious and Severe Adverse Events Following Immunization due to Inherited Host Susceptibility: A multi – site study” submitted for 2025-2026 Govt of Kerala Plan fund. Ethical clearance obtained.

Intramural

- Research project proposal titled “Clinical and Immunological characterization and assessment of psychological wellbeing in carriers of X - linked recessive inborn errors of immunity (IEIs)” submitted.

Programs

- SFHS conducted a Webinar on occasion of World Immunisation Week on April 24th, 2024 from 7pm to 9 pm on the topic “Vaccine development: What the future holds for Global disease control” with Dr Soumya Swaminathan, Former Chief Scientist at World Health Organisation and Chairperson M.S Swaminathan Research Foundation as the resource person.
- School of Family Health Studies, KUHS conducted a panel discussion on the occasion of World Pre – eclampsia Day on May 22nd 2024 at 7pm.
- SFHS conducted Orientation Program on Inborn Errors of Immunity (IEIs) for Faculty from Departments of Pediatrics and General Medicine from Affiliated Medical Colleges.
- SFHS conducted a webinar on topic Mental Health in aftermath of disasters: A critical need on 18th October 2024. 7-9pm.

KERALA UNIVERSITY OF HEALTH SCIENCES ACADEMIC STAFF COLLEGE

Objectives of Academic Staff College

To enhance the motivation, skills and knowledge through systematic orientation in specific subjects, techniques and methodologies, and thereby inculcate the right kind of values that would in turn encourage faculty to take initiatives for innovative and creative teaching.

	Program	Number of participants	Date
1	Faculty Development program		
a	Conducted 3-day Faculty Development program in nursing education for Nursing college faculty affiliated to KUHS in two phases.(Phase 1 one program 2 nd Phase 3 program) A total of 120 faculties from 58 colleges were trained both phases together. A training manual has been developed and it is in the process of publication	Nursing120 faculties from 58 colleges	3/4/24 to 5/4/24, 8/5/24 to 10/5/24 17/7/24 to19/7/2024
b	Conducted 3-day Faculty Development program in educational methodologies for Homeopathy college faculty affiliated to KUHS	24 participants from 5 colleges (Educational Technology Module created)	4/3/24 to 6/3/24
c	Conducted Faculty Development program in educational methodology for Pharmacy college faculty affiliated to KUHS (Phase 1 one program and phase 2 three program)	Pharmaceutical Sciences 127 faculty from 48 colleges	23/5/24 to 25/5/24 27/6/24 to 29/6/2024, 22/7/2024to24/7/24, 21 st August to 23 rd August 2024.
d	Organised Faculty development program Santhigiri Siddha Medical College Thiruvananthapuram	Ayurveda 30	31 st July to 2 nd August 2024
e	Conducted Faculty Development program in educational methodology for Ayurveda faculty affiliated to KUHS (Phase 1 one program and phase 2 one program)	Ayurveda 62 from 17 affiliated Ayurveda colleges.	6/11/24 to 8/11/24, 2/12/24 to 4/12/24

	Program	Number of participants	Date
f	Conducted Faculty Development program in educational methodology for Allied Health Sciences – physiotherapy faculty of colleges affiliated KUHS (Phase I one program and phase one program)	Allied Health 50	8/1/2025 to 10/1/2025, 3/2/2 to 5/2/25
2	Webinar		
a	Organised Webinar on rules and regulation conduct of Examination Modern Medicine Faculty of Affiliated Institutions of KUHS	Medical 946	24/5/2024 7 to 9pm
b	Conducted Webinar on Trends and Techniques of plastic surgery: expert perspectives for emerging medical minds as part of celebration of plastic surgery week	All streams 70	6/7/24 7pm
3	Skill Training		
a	Conducted workshop on Skill Training Unit in affiliated Dental Colleges of KUHS Phase 1at KUHS simulation lab and phase 2 program one at Kottayam dental College and phase 2 program at GDC TVPM	Dental 100 participants (Skill training Module has been prepared)	3/7/2024 to 5/7/2024, 29/8/24 to 30/8/24, 27/2/25 to 28/2/25
b	Conducted Workshop on Skill Training Unit in affiliated Nursing colleges of KUHS phase 1 program 1.and phase 2 three program	Nursing 124 participants from 60 colleges. (Skill training Module has been prepared)	2/9/24 to 4/9/24 22/10/24 to 23/10/24, 14/11/24 to 15/11/24, 17/12/24 to 18/12/24
c	Conducted one-day workshop on “Cardiopulmonary Resuscitation (CPR) and first aid management “for Faculty of Pharmaceutical Sciences affiliated to Kerala University of Health Sciences in three batches	Pharmaceutical Sciences 90	26/9/24 , 27/9/24 , 28/9/24

	Program	Number of participants	Date
d	Two-day Training in SIM-MAN by Laerdal Medical- Educational Services in simulation Lab	Medical & Nursing 10	4/11/24 to 5/11/24
e	Two-day Training in SIM-MOM by Laerdal Medical- Educational Services in simulation Lab	Medical & Nursing 8	18/11/24 to 19/11/24
f	Conducted CPR training for the Physical education teachers of the affiliated colleges of the KUHS	Allied Health 20	22/1/2025
4	CBDC Implementations		
a	Conducted Workshop on CBDC 2nd BHMS Homoeopathy college faculty affiliated to KUHS U.O NO: 142/2024/S&C/KUHS dt 26/7/2024	Homoeopathic Sciences 27	25/7/2024 to 26/7/2024
b	CBDC workshop PG teachers of Homoeopathic Sciences	Homoeopathic sciences 28	28/1/25 to 29/1/25
5	Collaboration with external agency		
a	Organized Faculty Development program on integration of palliative care in Under Graduate medical education-a combined effort of Kerala University of Health Sciences (KUHS), Thrissur & Trivandrum Institute of Palliative Sciences (TIPS) for the medical faculty. The online program was initiated with an inaugural session on 20/2/24 and concluded on 02/7/ 2024	Medical Online program 95 participants registered and the onsite program of 2 days completed by 25 participants	9th and 10th September 2024
6	Grant writing workshop		
	Conducted Grant writing workshop for Medical faculty on 8/10/24 to 9/10/24 and 26 medical faculty attended the program. Similarly, the grant writing workshop was conducted for Dental and Pharmaceutical Sciences Faculty of affiliated Colleges of KUHS on 20/1/25 to 21/1/25, and 24/3/2025 to 25/3/2025 respectively. faculties from these streams had hands on experience in grant writing	Medical, Dental and Pharmaceutical Sciences faculty 74	8/10/24 to 9/10/24 20/1/25 to 21/1/25, and 24/3/2025 to 25/3/2025

	Program		Number of participants	Date
7	MCQ Work shop			
	Organized one day MCQ workshop for Medical and dental faculty of affiliated colleges of KUHS at School of Public Health TVPM Thiruvananthapuram zone on 1/3/25 and at KUHS for Thrissur zone on 18/3/2025, GMC Kottayam on 20/3/25 and GMC Calicut on 28/3/25 in zone wise.		Medical and dental 124	1/3/2025 , 18/3/2025, 20/3/2025 , 28/3/2025
8	Project on Progress	Date of commencement		
a	Fall Prevention in Older People	1/1/22.	Completed and report submitted published a paper on Prevalence and risk factors for falls among the community dwelling older adults of Thrissur: A pilot study	
b	Enhancement of Competency in Simulation Training	22/2/22	Completed data collection and analysis Three Documents submitted for copy right process 1.KUHS Competency Assessment Scale for Simulation Educators (CASSE) 2. KUHS Simulation Attitude Scale for Health Science Educators (SASHE) 3. KUHS Simulation Competency Training Framework	
c	Capacity building program for health science faculty under Academic Staff College, KUHS-Simulation and Skill training Centre Orientation Program	16/8/2024	Completed 10 programs	
	Ayurveda faculty-	No of faculty trained 78	26th, 27th November 2024 5th, 6th December 2024	
	Homeopathy faculty	27	24th and 25th January 2025	
	Nursing faculty	43	3rd and 4th March 2025	
	Physiotherapy faculty	37	13th and 14th March 2025	

SCHOOL OF TRANSLATIONAL HEALTH SCIENCES THRISSUR

School of Translational Health Sciences(STHS) was established under KUHS in 2023. Housed in Vigyan Bhavan in the lush green campus of KUHS headquarters,the school is functional since March 2024. STHS aims at integrating research and clinical practice so that community is benefitted through improved health care delivery. STHS proposes to integrate the fields of Medicine, Science, Engineering and Technology through well-planned academic and research activities whereby KUHS can lead innovations in health sector in Kerala.

Activities:

Setting up of the School of Translational Health Sciences:

- Concept note for establishing School of Translational Health Sciences was submitted and approved.
- Space allotted for STHS in the 2nd floor of Vigyan Bhavan, KUHS was earmarked for classrooms, faculty rooms, departmental library, learning resource center etc. Requests for furnishing the School with teaching aids, audiovisual equipment, computers, office equipment and furniture were submitted.
- School Board for the School of Translational Health Sciences was constituted and the first meeting of the newly constituted school board was conducted on 23.07.2024
- “Development Plan for the STHS” was submitted and approved in principle. Development of STHS is proposed in a phased manner in which, the School establishes various Departments under it in 3 Phases, each phase spanning a duration of 5 years. By the end of 15 years, 7 Departments are proposed to be established under STHS namely –
 - Department of Molecular and Cellular Sciences
 - Department of Interdisciplinary studies
 - Department of Genetics and Genomics
 - Department of Translational Medicine and Therapeutics
 - Department of Bioinformatics and Computational Biology
 - Department of Clinical Research
 - Department of Biochemistry
- The process of establishing 2 Departments (Department of Molecular and Cellular Sciences and Department for Interdisciplinary Studies) at the school initiated.

Full-time Programs:

- **MSc Medical Bioinformatics** – a full-time Post-Graduate program with an intake of 15 students. The program is intended to train health science professionals in applying bioinformatics tools for research, diagnosis and treatment of diseases. Notification inviting applications from health science graduates for the program will be published in KUHS website soon.

Online Certificate programs:

- **Certificate Program in Basics of Genetics and Related Disorders** - Covers the basic concepts of genetics and principles of inheritance and inherited disorders. Notification inviting applications for the program published in KUHS website. Classes will commence soon.
- **Certificate Program in molecular biology techniques** – expected to empower health science professionals with adequate knowledge in the basic molecular biology techniques that aid in diagnosis and treatment – will commence in May 2025. It will be conducted as a sequel to ‘Certificate Program in Basics of Genetics and Related Disorders’ -
- **Hands on Training on Basic Molecular Biology techniques** – trains health science professionals in basic molecular biology techniques that aid in diagnosis and treatment.- will be conducted to those who have completed the above two courses.
- **Certificate Program in Bioethics - Cycle 1** – expected to impart knowledge in the ethical aspects of research and practice to health science graduates of affiliated colleges of KUHS. Notification for the program will be published in KUHS website soon.
- **Post Graduate Certificate Program in Artificial Intelligence, Machine Learning & Robotics in Pharmaceutical Science** – gives insights on the concepts of artificial intelligence, machine learning and robotics for pharmaceutical professionals. Notification for the program will be published in KUHS website soon.
- **Certificate Program on Introduction to AI for Health Care Professionals** – expected to educate Health Care Professionals on the basics of Artificial intelligence and Machine learning and its ethical applications in research and health care delivery - will be conducted in September 2025
- **Certificate Program on One Health** - intended to enlighten health care professionals on the principles and implementation of the concept of One health for holistic health care - will be conducted in October 2025
- **Certificate Program in Research Methodology** - to equip health care professionals with knowledge on conducting fruitful research - will be conducted in November 2025
- **Post Graduate Certificate Program in Medical Devices and Materiovigilance** – expected to upgrade the knowledge and skills necessary to ensure the safety and effectiveness of medical devices and biomaterials- will be conducted in December 2025

Webinars:

- Webinar on referencing software Zotero – ‘**Master your research- A practical guide to Zotero**’ – to be conducted in May 2025.

Research projects:

- Research project proposal titled - “Association of Single nucleotide polymorphisms of Vitamin D Receptor gene and vitamin D levels in osteoporosis” submitted to Scientific Research committee of KUHS.
Research project proposal titled - ‘Association between SNPs of genes related to vitamin D and circulating vitamin D levels in healthy voluntary blood donors from a district in central Kerala’ submitted to Scientific Research committee of KUHS.

Awards *and* Endowments

BEST TEACHER AWARD 2024

The applications were invited from seven streams of Health Science Education. A total of 19 applications were received and they were thoroughly scrutinized faculty wise by a committee consisting of faculty dean and two Board of Studies members in a transparent manner. The verified documents were subjected to final assessment by a High power committee chaired by Hon. Pro Vice Chancellor comprising of Registrar, 7 Faculty Deans, One External Expert, One Academic Council Member and One Governing Council member as members and submitted to the Hon. Vice Chancellor, who declared the Best Teachers of each faculty.

The following faculties bagged the award and the award which consists of a plaque and certificate of merit were distributed to the awardees in a ceremony held at KUHS Headquarters on 6/12/2024

Sl. No.	Stream	Name	Designation	Institution
1	Allied Health Sciences	Dr. Biju Rani V.R	Associate Professor, MLT	Govt. Medical College, Thiruvananthapuram
2	Ayurveda-Siddha-Unani	Dr. Pradeep K	Associate Professor, Kriya Sharira	Govt. Ayurveda College, Kannur
3	Dental	Dr. Baiju R.M	Additional Professor, Periodontics	Govt. Dental College, Kottayam
4	Homoeopathy	Dr. Nimimole K.L	Professor, Materia Medica	Govt. Homoeopathic Medical College, Kozhikkode
5	Medicine	Dr. Sairu Philip	Prof. & HoD, Dept.of Community Medicine	Govt. Medical College, Kottayam
6	Nursing	Dr. Sujitha E	Assistant Professor	Govt. College of Nursing, Thrissur
7	Pharmaceutical Sciences	Dr. Arul K	Professor, Pharmaceutical Chemistry	College of Pharmaceutical Sciences, Govt. Medical College, Thiruvananthapuram

A certificate of appreciation to the Principal of the Institutions where the best teachers belong was also distributed.

Dr. C.K Jayaram Panicker Endowment Award (Amount: Rs. 25,000/-)

The Dr. C.K. Jayaram Panicker Endowment Award, instituted by the C.K. Foundation in memory of the late Dr. Jayaram Panicker—former Principal of Government Medical College, Calicut (1983–1987)—is awarded to the top scorer in Microbiology among MBBS students of KUHS-affiliated colleges. Dr. Panicker was a distinguished microbiologist, under his stewardship, the Department of Microbiology, Government Medical College, Calicut was recognized by WHO as a reference centre for smallpox testing in southwest India. A recipient of the Dr. B.C. Roy Award in 1978, his research was widely published. The award was conferred on two candidates during the reporting year.

Name	College
Rohit Rajiv Zachariah	Govt. Medical College, Thrissur
Aiswarya S	Pushpagiri Institute of Medical Sciences & Research Centre, Thiruvalla

Dr. Shobha Sundareshwaran Academic Excellence Award (Amount: Rs.15,000/-)

An award in Orthodontics for the topper in the Final MDS Examination (Part I & II, Regular) was instituted by Dr. Shobha Sundareshwaran, former Professor and Head of the Department of Orthodontics at Government Dental College, Kozhikode, and recipient of the KUHS Best Teacher Award. The award was conferred on one candidate during the reporting year.

Name	College
Dr Anfiya Nazeer	Educare Institute of Dental Sciences, Malappuram

QUALITY ACCREDITATION SYSTEM

As envisaged the Kerala University of Health Sciences Act 2010, Chapter II- 5 (iii), 6 (xx, xxi) KUHS proceeded with Accreditation programme with the approval of the 54th Governing Council of the University. The Process involves physical inspection of the institutions by an assessment team designed by Hon.Vice Chancellor. The reports of the assessment teams are scrutinized by the Quality Assurance Monitoring Committee (QAMC) and placed in the Academic Council and Governing Council. Successful institutions are granted accreditation for 3 years by the Governing Council. 2 institutions have been KUHS QAS during year 2024-25. Details are as follows.

Sl.No	College	Grade	Date
1	Alshifa College of Nursing, Perinthalmanna	A+	14.01.2025
2	K V M College of Pharmacy, Cherthala	A+	14.01.2025

The Inauguration of the KUHS Students Union 2023-24

The inaugural function of KUHS Students Union 2023-24 was held at Government Medical College, Kollam on May 10th, 2024.

First meeting of the KUHS Students Council - 2024

Students Council meeting was held on 12.03.2025 at KUHS Seminar hall in hybrid mode. The council discussed the budget allocation for each event and mode of execution of the events in detail and gave necessary directions to the Chairperson and General Secretary of students union for the smooth conduct of the Arts fest and other events.

The Students Council recommended to approve the budget presented by the Chairperson limiting to a total amount of Rs 54,00,000 Lakhs as per the allocation for the academic year 2024-25 (FY 2025-26) .
